To Kill a Mockingbird Harper Lee 2014-07-08 Voted America's Best-Loved Novel in PBS's The Great American Read Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, *To Kill a Mockingbird* has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

The Holy Piby Robert Athlyi Rogers 2009-05-01 In the 1920s, Robert Athlyi Rogers founded the Afro-Athlican Constructive Gaathly religion in the West Indies. He wrote *The Holy Piby* as a guiding text, seeing Ethiopians - in the classical meaning of all Africans - as God's chosen people, and he preached self-determination and self-reliance. *The Holy Piby* is a major source of influence to the Rastafarian faith, which holds Haile Selassie I as Christ, and Marcus Garvey as his prophet. *The Holy Piby* consists of four books, and the seventh chapter of the second book identifies Marcus Garvey as one of three apostles of God. Original copies are extremely rare, and it is not even listed in the Library of Congress. The text was banned in Jamaica and many other Caribbean Islands until the late 1920s.

Una Marson Lisa Tomlinson 2019-06-27 Una Marson's work embodied anti-colonialism, anti-racism, feminism, class politics and pan-Africanism in the first half of the twentieth century. Her poetry and dramatic work symbolically ushered in a new era in Jamaica's literary landscape and her efforts in championing early Jamaican literature, as well as her avid support for Caribbean writers in Britain and the region, made her a key proponent of the development of a national and West Indian literary canon. She challenged racial inequality, affirmed standards of black beauty and black identity, and explored the complexities of gender, religious discrimination and class/economic exploitation. She did not frame her work around a single cause but, instead, she was mindful of the multiple intersections of oppression. Britain's hold on Jamaica's cultural imagination would finally be challenged by artists like Marson who were eager to free their nation of colonial authority and cultural dominance. In the end, through her advocacy and pioneering work, Marson achieved a voice for the oppressed.

Demonic Possession and Lived Religion in Later Medieval Europe Sari Katajala-Peltomaa

2020-02-19 Demonic possession was a spiritual state that often had physical symptoms; however, in Demonic Possession and Lived Religion in Later Medieval Europe, Sari Katajala-Peltomaa argues that demonic possession was a social phenomenon which should be understood with regard to the community and culture. She focuses on significant case studies from canonization processes (c. 1240-1450) which show how each set of sources formed its own specific context, in which demonic presence derived from different motivations, reasonings, and methods of categorization. The chosen perspective is that of lived religion, which is both a thematic approach and a methodology: a focus on

rituals, symbols, and gestures, as well as sensitivity to nuances and careful contextualizing of the cases are constitutive elements of the argumentation. The analysis contests the hierarchy between the 'learned' and the 'popular' within religion, as well as the existence of a strict polarity between individual and collective religious participation. Demonic presence disclosed negotiations over authority and agency; it shows how the personal affected the communal, and vice versa, and how they were eventually transformed into discourses and institutions of the Church; that is, definitions of the miraculous and the diabolical. Geographically, the volume covers Western Europe, comparing Northern and Southern material and customs. The structure follows the logic of the phenomenon, beginning with the background reasons offered as a cause of demonic possession, continuing with communities' responses and emotions, including construction of sacred caregiving methods. Finally, the ways in which demonic presence contributed to wider societal debates in the fields of politics and spirituality are discussed. Alterity and inversion of identity, gender, and various forms of corporeality and the interplay between the sacred and diabolical are themes that run all through the volume.
