The Making of a Democratic Economy Marjorie Kelly 2019-07-23 Seven principles for a just and sustainable system, accompanied by true stories of “the people creating the institutions of the next economy” (Kat Taylor, cofounder, Beneficial State Bank). The extractive economy we live with now—designed by the 1 percent for the 1 percent—enables the financial elite to squeeze out maximum gain for themselves, heedless of damage to people or planet. But in this compelling book, Marjorie Kelly and Ted Howard show that there is a new economy emerging, focused on helping everyone thrive while respecting planetary boundaries. At a time when competing political visions are at stake the world over, this book urges a move beyond tinkering at the margins to address the systemic crisis of our economy. Kelly and Howard outline seven principles of what they call a Democratic Economy: community, inclusion, place (keeping wealth local), good work (putting labor before capital), democratized ownership, ethical finance, and sustainability. Each principle is paired with a place putting it into practice: Pine Ridge, Preston, Portland, Cleveland, and more. Included are stories not just of activists and grassroots leaders but of the unexpected accomplices of the Democratic Economy. Seeds of a future beyond corporate capitalism and state socialism are being planted in hospital procurement departments, pension fund offices, and even company boardrooms. The future remains uncertain—but Kelly and Howard help us understand how to nurture and grow those seeds into an equitable, ecologically sustainable economy that benefits all of us, not just the billionaires. “As champions of worker and community ownership, Kelly and Howard remind us that economic democracy is essential to political democracy and a viable human future.” —David Korten, author of *When Corporations Rule the World*

Joan Garry's Guide to Nonprofit Leadership Joan Garry 2017-02-28 Nonprofit leadership is messy Nonprofits leaders are optimistic by nature. They believe with time, energy, smarts, strategy and sheer will, they can change the world. But as staff or board leader, you know nonprofits present unique challenges. Too many cooks, not enough money, an abundance of passion. It's enough to make you feel overwhelmed and alone. The people you help need you to be successful. But there are so many obstacles: a micromanaging board that doesn't understand its true role; insufficient fundraising and donors who make unreasonable demands; unclear and inconsistent messaging and marketing; a leader who's a star in her sector but a difficult boss... And yet, many nonprofits do thrive. Joan Garry's *Guide to Nonprofit Leadership* will show you how to do just that. Funny, honest, intensely actionable, and based on her decades of experience, this is the book Joan Garry wishes she had when she led GLAAD out of a financial crisis in 1997. Joan will teach you how to: Build a powerhouse board Create an impressive and sustainable fundraising program Become seen as a 'workplace of choice' Be a compelling public face of

your nonprofit This book will renew your passion for your mission and organization, and help you make a bigger difference in the world.

Neglected No More Andre Picard 2021-03-02 A NATIONAL BESTSELLER SHORTLISTED FOR THE BALSILLIE PRIZE FOR PUBLIC POLICY It took the coronavirus pandemic to open our eyes to the deplorable state of so many of the nation's long-term care homes: the inhumane conditions, overworked and underpaid staff, and lack of oversight. In this timely new book, esteemed health reporter André Picard reveals the full extent of the crisis in eldercare, and offers an urgently needed prescription to fix a broken system. When COVID-19 spread through seniors' residences across Canada, the impact was horrific. Along with widespread illness and a devastating death toll, the situation exposed a decades-old crisis: the shocking systemic neglect towards our elders. Called in to provide emergency care in some of the hardest-hit facilities in Ontario and Quebec, the military issued damning reports of what they encountered. And yet, the failings that were exposed--unappetizing meals, infrequent baths, overmedication, physical abuse and inadequate personal care--have persisted for years in these institutions. In *Neglected No More*, André Picard takes a hard look at how we came to embrace mass institutionalization, and lays out what can and must be done to improve the state of care for our elders, a highly vulnerable population with complex needs and little ability to advocate for themselves. Picard shows that the entire eldercare system--fragmented, underfunded and unsupported--is long overdue for a fundamental rethink. We need to find ways to ensure seniors can age gracefully in the community for longer, with supportive home care and respite for family caregivers, and ensure that long-term care homes are not warehouses of isolation and neglect. Our elders deserve nothing less.

Transforming Parish Communications Scot Landry 2014-08-15 "Are we still a Church capable of warming hearts? A Church capable of leading people back to Jerusalem? Of bringing them home?" - Pope Francis, Meeting with the Bishops of Brazil, 28 July 2013. Pope Francis, like his predecessors Benedict XVI and John Paul II, is calling for Catholics to embrace the new evangelization. But there has been ongoing confusion about who is responsible, what it really means and what it looks like in practical application. How can we respond to the Holy Father's call, creating evangelization opportunities that help bring people back to the Church? By transforming Catholics into digital missionaries - ready and able to take the joy and warmth of the Gospel online via social media to infrequent, inactive, or ex-Catholics around the corner or across the globe. Consider this: 1. Nearly every "lost" Catholic in the U.S. is most likely connected with at least one engaged Catholic - or is one "retweet" or "like" away from them 2. On the whole, Catholics have not been taught to see social media as a way to live out their faith 3. Motivating parishes to put a priority on evangelization has been a challenge 4. Catholics are more likely to be comfortable as digital missionaries than to participate in other forms of evangelization 5. Parishes can offer "digital missionary training" to parishioners - who would welcome it! In Transforming Parish Communications: Growing the Church Through New Media, you'll discover: How to embrace the Church's vision of evangelization in new media How entire parishes can become hubs of digital evangelization - and how to overcome obstacles Specific strategies for implementation How to create a consistent digital identity online Best practices for parish websites The nuts and bolts of Facebook, Twitter, email, blogging and more Consider this book your entry into an important - and urgent - call to each of us as Catholics.

Hey Ladies! Michelle Markowitz 2018-05-01 Based on the column of the same name that appeared in *The Toast*, *Hey Ladies!* is a laugh-out-loud read that follows a fictitious group of eight 20-and-30-something female friends for one year of holidays, summer house rentals, dates, brunches, breakups, and, of course, the planning of a disastrous wedding. This instantly relatable story is told entirely through emails, texts, DMs, and every other form of communication known to man. The women in the book are stand-ins for annoying friends that we all have. There's Nicole, who's always broke and tries to pay for things in Forever21 gift cards. There's Katie, the self-important budding journalist, who thinks a retweet and a byline are the same thing. And there's Jen, the DIY suburban bride-to-be. With a perfectly pitched sardonic tone, *Hey Ladies!* will have you cringing and laughing as you recognize your own friends, and even yourself.

Parents On Your Side Lee Canter 2009-07-01 Turn parents into partners with practical guidelines and dialogue examples that will open the door to better communication and collaboration. These strategies for creating positive parental relationships will lead to a more positive, effective classroom and additional support for your efforts.

The Other Side of Christmas Beth Gully 2014-09-20 Ambigram Christmas childrens' book that bridges the gap between the Santa story and the Jesus story. This ambigram book has two stories in one. The first story shares people celebrating this traditional holiday. Then at the last page, readers are directed to turn the book upside down to read the second story of the birth of Jesus on Christmas day.

This Is the Voice John Colapinto 2021-01-26 A New York Times bestselling writer explores what our unique sonic signature reveals about our species, our culture, and each one of us. Finally, a vital topic that has never had its own book gets its due. There's no shortage of books about public speaking or language or song. But until now, there has been no book about the miracle that underlies them all—the human voice itself. And there are few writers who could take on this surprisingly vast topic with more artistry and expertise than John Colapinto. Beginning with the novel—and compelling—argument that our ability to speak is what made us the planet's dominant species, he guides us from the voice's beginnings in lungfish millions of years ago to its culmination in the talent of Pavoratti, Martin Luther King Jr., and Beyoncé—and each of us, every day. Along the way, he shows us why the voice is the most efficient, effective means of communication ever devised: it works in all directions, in all weathers, even in the dark, and it can be calibrated to reach one other person or thousands. He reveals why speech is the single most complex and intricate activity humans can perform. He travels up the Amazon to meet the Piraha, a reclusive tribe whose singular language, more musical than any other, can help us hear how melodic principles underpin every word we utter. He heads up to Harvard to see how professional voices are helped and healed, and he ventures out on the campaign trail to see how demagogues wield their voices as weapons. As far-reaching as this book is, much of the delight of reading it lies in how intimate it feels. Everything Colapinto tells us can be tested by our own lungs and mouths and ears and brains. He shows us that, for those who pay attention, the voice is an eloquent means of communicating not only what the speaker means, but also their mood, sexual preference, age, income, even psychological and physical illness. It overstates the case only slightly to say that anyone who talks, or sings, or listens will find a rich trove of thrills in *This Is the Voice*.

Food52 Big Little Recipes Emma Laperruque 2021-11-09 Fewer ingredients, big-time flavors—that’s the magic of Big Little Recipes. Inspired by Food52’s award-winning column, this clever cookbook features 60 new recipes that’ll deliver wow-worthy results in five, four, three . . . or, yep, even two ingredients. Put down the long grocery lists. Food52’s Big Little Recipes is minimalism at its best. From pasta sauce you’ll want by the gallon to chewy-dreamy oatmeal cookies, this cookbook is packed with crowd pleasers and smart techniques—showing just how much you can accomplish with essentials you can count on one hand. Can long-winded classics, like chili or eggplant Parmesan, work for busy weeknights? Why, yes. Will chicken noodle soup taste even more chicken noodle-y with just three ingredients? Absolutely. Does subbing in olive oil for butter in lemon bars really make a difference? You bet. With Emma Laperruque by your side, you’ll learn how to make every step count and flavor sing. (She’ll even prove that water—yes, water—can be invaluable in everything from ultra-tender meatloaf to veggie burgers.) There’s no shortage of extras, too. You’ll find tons of need-to-know tips, mini-recipe spreads, and choose-your-own-adventure charts to give meal-planning a burst of energy: A fervent case for simpler homemade stock, a loving ode to canned tuna, a very good reason to always have bananas in your freezer, and more. This’ll be your new sidekick for every meal—fresh-as-heck salads, brothy comfort foods, brawny meats, briny fishes, and hearty vegetables that’ll take center stage. Big Little Recipes shows busy home cooks how to turn less into more.

Ramshackle Glam Jordan Reid 2014-04-01 Ramshackle Glam creator Jordan Reid was a little nervous about becoming a mother. “In my experience,” she writes, “you know what happens when you hold babies? They cry. And it immediately becomes clear to all present that you have terrible parental instincts and should never be allowed to come into contact with children—ever.” But in October 2011 Reid became a mother herself, and over the first year of her son's life the writer and media personality not only figured out a thing or two about parenting, but also learned how to navigate an entirely new lifestyle while still maintaining a sense of self. Part memoir, part commiseration, and part how-to guide on fashion, beauty, home décor and entertaining for the new mom, Ramshackle Glam offers something fresh for the “mommy” bookshelf: concrete advice on how to care for yourself in the post-partum days, weeks, and months. A deeply personal exploration of the realities of modern-day parenthood (Reid covers topics ranging from post-partum depression and marital struggles to pets who immediately transform from your beloved best friends into Those Things That Wake Up Your Child), Ramshackle Glam is also filled with straightforward, fun, and easy lifestyle tips, including how to dress for your post-partum shape, tricks for rearranging your home so it works with an infant as well as your tastes, and strategies for getting your makeup done in five minutes flat with one hand while keeping that bouncy chair going with the other. Reid's spot-on advice combined with her trademark intimacy, wit, and (often aching) honesty make Ramshackle Glam a must-read for any woman in search of a candid account of how to handle enormous life changes with humor, grace . . . and a little bit of glam.

the future. A strong theme of change runs through each chapter. The economic climate is already affecting the publicly funded sectors and business and private sponsorship. How will it change over the next few years? The print media is contracting; reading and viewing patterns are changing as online and mobile media grow. What are the trends here, in Europe, US and elsewhere? Sustainability and global warming are not just buzz words but will have a real impact on public and private institutions and their visitor patterns. Population patterns are also changing with new immigrants arriving and the proportion of over 60s increases in Western countries. Cultural tourism has enjoyed a great surge in popularity and huge investments are being made in museums, galleries and events. Marketing and PR play a crucial role in the success of such ventures and will be illustrated with case studies from the UK, US, Canada, Australia, Middle East and China. Marketing and Public Relations for Museums, Galleries, Cultural and Heritage Attractions is aimed at students of marketing, museums, culture and heritage as well as professionals working in a range of cultural organisations from small to large and at different stages of market development from new entrants to those offering mature products. This includes museums, galleries, heritage and visitor attractions, community organisations, as well as organisers of festivals, markets, craft fairs and temporary exhibitions.

The Semantic Web - ISWC 2003 Katia Sycara 2003-10-02 These proceedings contain the papers accepted for presentation at the Second International Semantic Web Conference (ISWC 2003) held on Sanibel Island, Florida, U. S. A. , October 20-23, 2003. Following the success of ISWC 2002 that washeldinSardiniaJune2002,ISWC2003enjoyedagreatlyincreasedinterest in the conference themes. The number of submitted papers more than doubled compared with ISWC 2002 to 283. Of those, 262 were submitted to the research track and 21 to the industrial track. With rare exceptions, each submission was evaluated by three program committee members whose reviews were coordinated by members of the senior program committee. This year 49 papers in the research track and 9 papers in the industrial track were accepted. The high quality of ISWC 2003 was the result of the joint effort of many people. First of all we would like to thank the authors for their high-quality submissions and the members of the program committee for their reviewing and review coordination efforts. We would like to extend special thanks to Christoph Bussler for chairing the industrial track, to Mike Dean for his help with the conference management software, the web site, and conference publicity, and to Massimo Paolucci for helping with the organization of the proceedings and arranging sponsorships.

They're Lying to You Jim DeMint 2020-10-14 Former Senator Jim DeMint's newest book, *They're Lying to You*, is aptly timed as our country faces "a time for choosing." DeMint persuasively debunks ten lies about race, gender, privilege, racism, border policy, and American society that have become deeply engrained and commonly repeated, especially among young people and moderates. Throughout these engaging pages, DeMint shows that these lies are based on myths, fear, anger, and selfishness - and can be persuasively debunked using logic, data, history, and our most important tool--Truth with a capital T.

Social Usage and Protocol Handbook Department of the Navy 2001-06-15 Members of the naval service will find that at all points in their careers they can expect to be involved to some extent in the planning and execution c~official ceremonies and social events. Protocol is a code of established guidelines on proper etiquette and precedence which, when followed, lays the foundation for a successfid event. From this foundation, the host should consider the facets which make a particular situation unique, and fi-om there, use imagination to design a memorable occasion. The most important consideration in planning should always be the comfort of one's guests. A clever hostlhostess is able to reach a proper mixture of protocol and common sense that will enable guests to enjoy themselves completely. If this is accomplished, an event is truly successful.

With the Bark Off Neal Spelce 2021-09-07 What if you got a call from Lyndon Johnson to be in Washington DC tomorrow to take a trip around the world? If you are twenty-four-year-old broadcast journalist Neal Spelce, you buckle up. A two-week diplomatic dream trip turned into a lifelong rollercoaster ride. Spelce began his career as a part-time journalist in the LBJ family-owned Austin TV station in 1956, which vaulted him into a lifetime of memorable experiences with Johnson and many icons of the twentieth century. From his live reporting during the UT Tower shooting tragedy to his lifelong association with LBJ, Spelce found himself behind the scenes in many of the twentieth century's crucial moments. The Austin-

based journalist shares candid moments with LBJ and five other US presidents, including a rare interview with father and son presidents George Bush while the three were cramped together in a small bass boat on a Texas lake. During his lengthy media career, Spelce saw Austin grow from a college town to a thriving city. Along the way he interacted with Texas legends such as Darrell Royal, Willie Nelson, Dan Rather, and more, all part of entertaining stories that he tells, as LBJ liked to say, “with the bark off.”

This book: Presents practical information and strategies for identifying gifted ELLs. Helps readers understand more about potentially gifted behaviors and talents. Supports the enrichment and social-emotional needs of these students. Includes background information, teaching strategies, and methods. Offers ideas for lessons and activities that can be used to support any learner. Research from the last 2 decades shows that there is a considerable disparity between ELLs and native English speakers identified as gifted. This book will inspire action by key players in these students' lives, including English language and gifted educators, classroom teachers, school administrators, district and state leaders, families, and the greater community.

The Vacationers Emma Straub 2015-06-02 "Delicious . . . richly riveting . . . *The Vacationers* offers all the delights of a fluffy, read-it-with-sunglasses-on-the-beach read, made substantial by the exceptional wit, insight, intelligence and talents of its author."—People (four stars) An irresistible, deftly observed novel from the New York Times-bestselling author of *All Adults Here* and *This Time Tomorrow*— about the secrets, joys, and jealousies that rise to the surface over the course of an American family's two-week stay in Mallorca. For the Posts, a two-week trip to the Balearic island of Mallorca with their extended family and friends is a celebration: Franny and Jim are observing their thirty-fifth wedding anniversary, and their daughter, Sylvia, has graduated from high school. The sunlit island, its mountains and beaches, its tapas and tennis courts, also promise an escape from the tensions simmering at home in Manhattan. But all does not go according to plan: over the course of the vacation, secrets come to light, old and new humiliations are experienced, childhood rivalries resurface, and ancient wounds are exacerbated. This is a story of the sides of ourselves that we choose to show and those we try to conceal, of the ways we tear each other down and build each other up again, and the bonds that ultimately hold us together. With wry humor and tremendous heart, Emma Straub delivers a richly satisfying story of a family in the midst of a maelstrom of change, emerging irrevocably altered yet whole.

Artist Management for the Music Business Paul Allen 2014-07-17 With the evolution of the music business and the shifting influence of large record labels, the artist manager is now – more than ever – at the center of an artist's career.
