Urban Food Deserts in Japan Nobuyuki Iwama 2021-04-15 This book introduces the Japanese urban food desert (FD). Currently, Japan has the most rapidly aging society in the world, with a shrinking population and food desert issues in connection with the isolation of the elderly people from their families and local communities. The types of food deserts that Japan is currently facing are likely to occur in many other countries under similar circumstances in the near future. This book serves as a valuable resource for researchers and policymakers who are working on FD issues in Japan as well as in other countries. The

book consists of 8 chapters, with each chapter covering a different aspect of FD, and it also includes case studies, one of which is the FD in Tokyo.

Mildred Pierce James M. Cain 2010-12-29 In Mildred Pierce, noir master James M. Cain creates a novel of acute social observation and devastating emotional violence, with a heroine whose ambitions and sufferings are never less than recognizable. Mildred Pierce had gorgeous legs, a way with a skillet, and a bone-deep core of toughness. She used those attributes to survive a divorce and poverty and to claw her way out of the lower middle class. But Mildred also had two weaknesses: a yen for shiftless men, and an unreasoning devotion to a monstrous daughter.

Model Contract Terms and Conditions with Annotations and Case Summaries X. Paul Humbert 2014-08-08

ABOUT THIS BOOK This book assists the reader and provides value in three ways: First, model contract language in the form of commercial terms and conditions are provided. Second, the contract language is annotated with explanations and suggestions for each of the key articles. Third, summaries of actual litigated cases are provided in synopsis form. This triple combination of language, annotations and key case synopses all work together to instruct and enlighten the reader. **WHAT OTHERS HAVE SAID ABOUT THIS BOOK** "This book is a superb tool for anyone who relies upon contracts in their business dealings..." Nick Conca, Esq. Chief Claims Officer, Markel Corporation "The authors have hit the ball out of the park! They have crafted an easy to read and easy to understand contracts primer that all supply /

demand chain professionals will embrace..." Dan Klepacki, MBA, BS Engineering Adjunct Professor - Rutgers Business School and Senior Industry Advisor Rutgers SCM Program "This book should be required reading for any Project Manager..." Frank V. Cielo, PMP Head of Operational Excellence KEMA Laboratories Chalfont DNV GL Energy "After having read Model Contract Terms and Conditions With Annotations and Case Studies, by Paul Humbert and Robert Mastice, I hope that this treatise becomes a standard manual in any situation where personnel have to develop and draft contracts in any business setting..." Glenn A. Montgonery, Esq., B.A., M.A., J.D. Montgomery, Chapin & Fetten, P.C. "Finally, a concise, annotated source of model contract terms and conditions with case summaries and citations prepared by those with actual, hands-on experience with complex project management transactions..." This book contains valuable, real-world framework for successful capital project execution..." Guy Cipriano, P.E. President-EI Associates "Authors Paul Humbert and Robert Mastice do an exquisite job of simplifying and decomposing a complex topic in a pragmatic way..." Charlie White Entrepreneur & Principal Partner Thwakk, Inc "Contracts make the commercial world go round. The authors have done a stellar job of demystifying the contracting process, and what can be intimidating "legal" terms and conditions..." James A. Silva VP Solution & Business Development HD Supply - Power Solutions "Paul Humbert and Robert Mastice have written an invaluable resource for any business person or attorney who deals with commercial contracts. They provide section by section explanations of the purpose of, and rationale for, a wide range of common commercial contract provisions. Their commentary is illuminating for anyone who deals with those types of provisions. I have practiced law for more than 35 years. I wish that a resource like this had been available to me when I began to practice. I recommend it wholeheartedly to anyone, lawyer or non-lawyer, who would like to increase his or her understanding of commercial contracts." Richard Cogen, Esq. Partner Nixon Peabody, LLP OTHER BENEFITS OF THIS BOOK This book also facilitates the creation of a project or transaction specific Contract Management Plan. ("CMP"). A CMP is essentially an internal document prepared by either the Company or the Contractor for use by their respective employees in managing the transaction that is the subject of the Contract. The CMP is not shared with the other party since it deals exclusively with the internal considerations and mechanics associated with one party's administration and management of its rights and responsibilities under the

Contract. The CMP supplements the Contract and also permits a documented methodology for applying lessons learned from past transactions.

The Bulk Sales Act Alberta Law Reform Institute 1990 This report describes the Act and states the reasons for our conclusion that the Act should be repealed. It also contains the text of the Act, describes the survey conducted of members of the legal profession regarding their views on the Act, and summarizes the most frequently expressed reasons for retaining the Act, and states why it was concluded that those reasons were overborne by those in favour of repeal. Finally, it describes some approaches that could be taken to reforming rather than repealing the Act.

SPIN® -Selling Neil Rackham 2020-04-28 True or false? In selling high-value products or services: 'closing' increases your chance of success; it is essential to describe the benefits of your product or service to the customer; objection handling is an important skill; open questions are more effective than closed questions. All false, says this provocative book. Neil Rackham and his team studied more than 35,000 sales calls made by 10,000 sales people in 23 countries over 12 years. Their findings revealed that many of the methods developed for selling low-value goods just don't work for major sales. Rackham went on to introduce his SPIN-Selling method. SPIN describes the whole selling process: Situation questions Problem questions Implication questions Need-payoff questions SPIN-Selling provides you with a set of simple and practical techniques which have been tried in many of today's leading companies with

dramatic improvements to their sales performance.
