The Feminist Agenda of Jemima Kincaid Kate Hattemer 2020-02-18 A novel about friendship, feminism, and the knotty complications of tradition and privilege, perfect for fans of Becky Albertalli and Stephanie Perkins. Jemima Kincaid is a feminist, and she thinks you should be one, too. Her private school is laden with problematic traditions, but the worst of all is prom. The guys have all the agency; the girls have to wait around for "promposals" (she's speaking heteronormatively because only the hetero kids even go). In Jemima's (very opinionated) opinion, it's positively medieval. Then Jemima is named to Senior Triumvirate, alongside superstar athlete Andy and popular, manicured Gennifer, and the three must organize prom. Inspired by her feminist ideals and her desire to make a mark on the school, Jemima proposes a new structure. They'll do a Last Chance Dance: every student privately submits a list of crushes to a website that pairs them with any mutual matches. Meanwhile, Jemima finds herself embroiled in a secret romance that she craves and hates all at once. Her best friend, Jiyoona, has found romance of her own, but Jemima starts to suspect something else has caused the sudden rift between them. And is the new prom system really enough to extinguish the school's raging dumpster fire of toxic masculinity? Filled with Kate Hattemer's signature banter, this is a fast-paced and thoughtful tale about the nostalgia of senior year, the muddle of modern relationships, and how to fight the patriarchy when you just might be part of the patriarchy yourself.

JORGE LUIS BORGES FICTIONS Jorge Luis Borges 2000 Jorge Luis Borges's Fictions introduced an entirely new voice into world literature. It is here that we find the astonishing accounts of 'Funes the Memorious', the man who can forget nothing; 'Pierre Menard, Author of the Quixote', who recreates Miguel de Cervantes's epic word-for-word; a society run on the basis of an all-encompassing game of chance in 'The Lottery in Babylon'; the mysterious world of 'Tl n, Uqbar, Orbis Tertius' which seems to be supplanting our own ; and the 'Library of Babel', which contains every possible book in the whole universe. Here too are the philosophical detective stories and the haunting tales of Irish revolutionaries, gaucho knife fights and dreams within dreams which proved so influential (and yet impossible to imitate). This collection was eventually to bring Borges international fame; over fifty years later, it remains endlessly intriguing.

The Secret of Chimneys Agatha Christie 2021-08-29 The Secret of Chimneys Agatha Christie - The Secret of Chimneys is a work of detective fiction by British writer Agatha Christie, first published in the UK by The Bodley Head in June 1925 and in the US by Dodd, Mead and Company later in the same year. It introduces the characters of Superintendent Battle and Lady Eileen "Bundle" Brent. Agatha Christies The Secret of Chimneys, starring her occasional sleuths Superintendent Battle and Lady Eileen Bundle Brent, is a murder mystery-treasure hunt crossover, considered to be one of her best early novels. The plot should be delightful to traditionalists: there are a bunch of people staying at a mansion when one of the guests is murdered! (Apparently, theres a chance it might also be a bit racist, so just a heads up on that front.) It also features the fun-sounding fake-country name Herzoslovakia, which I think is one of the better sounding fake country names in fiction.

The Curious Incident of the Dog in the Night-Time Mark Haddon 2009-02-24 A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.
