**Flying the Line** George E. Hopkins 1996

The BEARly Tamed Grizzly (Bear Clan, 3) Jenika Snow 2019-06-22 Olil didn't know her, what she looked like, where she was, but I knew my mate was out there. And it was that truth that had me saving myself for her. Only her. If I couldn't fully give myself over to my fated mate, what kind of worthy male was I?But staying in town, hidden deep within the forest, wouldn't bring my mate to me. I had to go and find her.I had to make her mine.IndiaAs a former foster child, I never had real family, no roots. I'd always felt like something was missing, so I worked hard on helping others. My mobile medical van was where my passion lay. It's how I made sure no one else felt helpless.But when my van was broken into, and my safety compromised, it was a big bear shifting male who came to the rescue.Oli said I was his. He claimed I was his mate. He seemed certain of it just by looking at me. It was insanity, but I couldn't deny the pull I felt for him, the way my body craved his.Pushing him away wasn't an option, not when he was always there, watching me, making sure I was protected. And it was that need inside of me, the one that grew and consumed me, that finally had me giving in.I soon realized being mated to a bear shifter meant he was grumpy, protective, possessive, and wanted only one thing. Me.

*First Everything* Olivia T. Turner 2019-09-17 After one look at his girl, Colton shows just how much of an Over-The-Top possessive alpha he really is. SAFE, no cheating, and a sweet HEA

that will have you grinning and blushing! Enjoy!

**Alpha Possessed** Olivia T Turner 2021-01-24 We came to this mountain town to start over. To keep the never-ending violence in our past. Our mercenary days were behind us. At least, I thought they were. Until she comes and starts poking her nose in where it doesn't belong. She wants to yank all of the skeletons out of my closet. I should tell her to beat it. Chase her out of town. But I can't. She's possessed me and my bear. We can't get enough of her. This girl is causing me nothing but trouble. But I want more. I want all of her. In every way. She's my mate and she belongs by my side. So, when those skeletons escape my closet and threaten us both... I'll be there to protect her. To keep her safe. And I'll be thankful for every second of it.

*Spring Came on Forever* Bess Streeter Aldrich 1985-01-01 Acclaimed for her 1928 novel *A Lantern in Her Hand*, Bess Streeter Aldrich became one of the most widely read interpreters of the prairie pioneer experience. In 1935, she published her masterpiece, *Spring Came on Forever*, a novel of two Nebraska pioneer families from settlement to the 1930s. Elsewhere an artist of the romance, here Aldrich turns romance on its head. The heroine is Amalia Holmsdorfer, one of a band of German immigrants who settle on the prairie. From her late teens to her mid-eighties she confronts and defeats the forces of nature and society that discourage or ruin others. Her life might be a modest triumph but for one detail: she married the wrong man. Quickly paced and precisely drawn, this novel is Aldrich's greatest tribute to the complexity, humor, endurance, and intelligence of the people who settled the prairie. Whatever its sentiments, it has as many cutting edges as a buzz saw.

**Look Homeward, Angel** Thomas Wolfe 2006-10-10 A Southern family with a great appetite for living is dominated by the father until an older son, Eugene, is able to free himself from his rural North Carolina hometown to seek the challenges of an Ivy League education and big city life. Reissue. 75,000 first printing.

**Prominent Families of New York** Lyman Horace Weeks 1898

**Ella Enchanted** Gail Carson Levine 2012-12-26 This beloved Newbery Honor-winning story about a feisty heroine is sure to enchant readers new and old. At her birth, Ella of Frell receives a foolish fairy's gift—the “gift” of obedience. Ella must obey any order, whether it's to hop on one foot for a day and a half, or to chop off her own head! But strong-willed Ella does not accept her fate... Against a bold backdrop of princes, ogres, giants, wicked stepsisters, and fairy godmothers, Ella goes on a quest to break the curse forever. A tween favorite for 25 years—now shared with today's young readers by moms, teachers, and other adults who remember the pleasure of discovering this fun fairy-tale retelling themselves!

[The Language Instinct](#) Steven Pinker 2010-12-14 The classic book on the development of human language by the world's leading expert on language and the mind. In this classic, the world's expert on language and mind lucidly explains everything you always wanted to know about language: how it works, how children learn it, how it changes, how the brain computes it, and how it evolved. With deft use of examples of humor and wordplay, Steven Pinker weaves our vast knowledge of language into a compelling story: language is a human instinct, wired into our brains by evolution. *The Language Instinct* received the William James Book Prize from the American Psychological Association and the Public Interest Award from the Linguistics Society of America. This edition includes an update on advances in the science of

language since *The Language Instinct* was first published.

[A Little History of the World](#) E. H. Gombrich 2014-10-01 E. H. Gombrich's *Little History of the World*, though written in 1935, has become one of the treasures of historical writing since its first publication in English in 2005. The Yale edition alone has now sold over half a million copies, and the book is available worldwide in almost thirty languages. Gombrich was of course the best-known art historian of his time, and his text suggests illustrations on every page. This illustrated edition of the *Little History* brings together the pellucid humanity of his narrative with the images that may well have been in his mind's eye as he wrote the book. The two hundred illustrations—most of them in full color—are not simple embellishments, though they are beautiful. They emerge from the text, enrich the author's intention, and deepen the pleasure of reading this remarkable work. For this edition the text is reset in a spacious format, flowing around illustrations that range from paintings to line drawings, emblems, motifs, and symbols. The book incorporates freshly drawn maps, a revised preface, and a new index. Blending high-grade design, fine paper, and classic binding, this is both a sumptuous gift book and an enhanced edition of a timeless account of human history.

[Mate Claimed](#) Jennifer Ashley 2012-10-02 Collared and controlled, Shifters are outcast from humanity, forced to live in Shifertowns. But waiting within are passions that no Collar can contain... As a wildcat Shifter and leader of his Shifertown, Eric Warden knows his own kind. When he sees Iona Duncan, he realizes that although she appears human she is a half-Shifter wildcat living without a Collar—and that if she doesn't acknowledge her true nature and her mating hunger, it may kill her... Iona finds the mysterious and powerful Eric alluring, even though she has vowed never to reveal her Shifter side, lest her mother pay the price for hiding her all these years. But her mating hunger is rising, and with Eric so close, she may not be able to resist...and her desire may lead to the very doom they are fighting to deny...

## *Ulysses*

[Viken Command](#) Grace Goodwin 2021-01-19 Whitney Mason is the daughter of a Wall Street con man. When he is sent to prison and her family's name is destroyed, she is eager for a new life on a new world. Anywhere but Earth. Tested by the Interstellar Brides Program, she is matched to a strong Viken warrior. What she doesn't know is that her mate and the other two warriors waiting to claim her are on a secret and dangerous mission for the Coalition Fleet's Intelligence Core. From the moment she arrives on Viken, they are forced to lie to her... about everything... except their desire. For Alarr, Oran and Teig, the arrival of a bride is an unexpected complication. The timing couldn't be worse, but IC command is thrilled. A bride is the perfect cover, giving the fighters access to every inch of the famous pleasure resort where they are working undercover. The males are eager to satisfy their new mate, but keeping her safe is their top priority, even if that means lying to her and using her pleasure to take down the enemy. But their sexy mate's past will come back to haunt them all, for even if they survive the mission, the truth will be revealed and their beautiful, curvy female can forgive anything—except lies. If you love romance in the style of Nalini Singh, Christine Feehan, J.R. Ward, Lara Adrian, S. E. Smith, and out-of-this world outer space adventures like *The Expanse*, *Star Trek*, *Star Wars* and *Stargate*, be sure to read USAT Bestselling Author Grace Goodwin's exciting science fiction and paranormal book series! Aliens, adventure, and hot romance all in one place! Over one MILLION books sold! \*\*Tags: alien romance, sci-fi romance, science fiction romance, paranormal romance, psychic romance, shifter, space fleet, space opera, interstellar

*Drawn to the Alpha* Olivia T Turner 2019-11-27 I didn't want a mate. Never have. But when I walked into that kindergarten classroom and saw the new teacher.....man, everything changed. Because the guy who never needed a girl is suddenly obsessed with one. My inner grizzly wants her as our mate. I want her for everything. And this firefighting grizzly bear shifter is ready to burn the world down to get her. Ready for an alpha who can handle the heat and likes his girl with some meat? Carter is a dominant Over-The-Top grizzly bear shifter who will have you howling for more. This is the second book in the Alphas In Heat series featuring the bear shifters from the Blackcloud Point fire station. Fire-fighting bear shifters? Yes, please! The books can be read in any order. This fireman romance shifter book is SAFE, with no cheating, and a furry HEA guaranteed. Enjoy!

The Children of Men P. D. James 2010-10-20 Told with P. D. James's trademark suspense, insightful characterization, and riveting storytelling, *The Children of Men* is a story of a world with no children and no future. The human race has become infertile, and the last generation to be born is now adult. Civilization itself is crumbling as suicide and despair become commonplace. Oxford historian Theodore Faron, apathetic toward a future without a future, spends most of his time reminiscing. Then he is approached by Julian, a bright, attractive woman who wants him to help get her an audience with his cousin, the powerful Warden of England. She and her band of unlikely revolutionaries may just awaken his desire to live . . . and they may also hold the key to survival for the human race.

*Transformers: The Covenant of Primus* Justina Robson 2014-10-01

*The Writing Revolution* Amalia E. Gnanadesikan 2011-09-13 In a world of rapid technological advancements, it can be easy to forget that writing is the original Information Technology, created to transcend the limitations of human memory and to defy time and space. *The Writing Revolution* picks apart the development of this communication tool to show how it has conquered the world. Explores how writing has liberated the world, making possible everything from complex bureaucracy, literature, and science, to instruction manuals and love letters. Draws on an engaging range of examples, from the first cuneiform clay tablet, Egyptian hieroglyphs, and Japanese syllabaries, to the printing press and the text messaging. Weaves together ideas from a number of fields, including history, cultural studies and archaeology, as well as linguistics and literature, to create an interdisciplinary volume. Traces the origins of each of the world's major written traditions, along with their applications, adaptations, and cultural influences.

2011 National Gang Threat Assessment Federal Bureau of Investigation 2011-12-01 Gangs continue to commit criminal activity, recruit new members in urban, suburban, and rural regions across the United States, and develop criminal associations that expand their influence over criminal enterprises, particularly street-level drug sales. The most notable trends for 2011 have been the overall increase in gang membership, and the expansion of criminal street gangs' control of street-level drug sales and collaboration with rival gangs and other criminal organizations.

**Alpha Dominated** Olivia T Turner 2021-03-12 I've been waiting for my mate for a long time. So, when I see Ivy trapped, vulnerable, and easy pickings for this possessive bear shifter, I take her. But Ivy got her name for a reason... She's like poison ivy even though she looks like an innocent flower. She bites and snaps. And won't easily be tamed. That's okay. I've never shied away from a fight or stepped down from a challenge. And making this feisty girl fall in love with me will be my biggest challenge yet. The Dixon brothers are ready to show you how obsessed and insatiable a bear shifter can be! These Over-The-Top alphas are all-in with their mates! These books can be read in any order, are SAFE, with no cheating, and a furry HEA guaranteed. Enjoy!

**How I Became a Quant** Richard R. Lindsey 2011-01-11 Praise for How I Became a Quant "Led by two top-notch quants, Richard R. Lindsey and Barry Schachter, How I Became a Quant details the quirky world of quantitative analysis through stories told by some of today's most successful quants. For anyone who might have thought otherwise, there are engaging personalities behind all that number crunching!" --Ira Kawaller, Kawaller & Co. and the Kawaller Fund "A fun and fascinating read. This book tells the story of how academics, physicists, mathematicians, and other scientists became professional investors managing billions." --David A. Krell, President and CEO, International Securities Exchange "How I Became a Quant should be must reading for all students with a quantitative aptitude. It provides fascinating examples of the dynamic career opportunities potentially open to anyone with the skills and passion for quantitative analysis." --Roy D. Henriksson, Chief Investment Officer, Advanced Portfolio Management "Quants"--those who design and implement mathematical models for the pricing of derivatives, assessment of risk, or prediction of market movements--are the backbone of today's investment industry. As the greater volatility of current financial markets has driven investors to seek shelter from increasing uncertainty, the quant revolution has given people the opportunity to avoid unwanted financial risk by literally trading it away, or more specifically, paying someone else to take on the unwanted risk. How I Became a Quant reveals the faces behind the quant revolution, offering you the chance to learn firsthand what it's like to be a quant today. In this fascinating collection of Wall Street war stories, more than two dozen quants detail their roots, roles, and contributions, explaining what they do and how they do it, as well as outlining the sometimes unexpected paths they have followed from the halls of academia to the front lines of an investment revolution.

**A God Who Hates** Wafa Sultan 2011-04-26 From the front page of The New York Times to YouTube, Dr. Wafa Sultan has become a force radical Islam has to reckon with. For the first time, she tells her story and what she learned, first-hand, about radical Islam in A God Who Hates, a passionate memoir by an outspoken Arabic woman that is also a cautionary tale for the West. She grew up in Syria in a culture ruled by a god who hates women. "How can such a culture be anything but barbarous?", Sultan asks. "It can't", she concludes "because any culture that hates its women can't love anything else." She believes that the god who hates is waging a battle between modernity and barbarism, not a battle between religions. She also knows that it's a battle radical Islam will lose. Condemned by some and praised by others for speaking out, Sultan wants everyone to understand the danger posed by A God Who Hates.

Mated to the Alpha Olivia T Turner 2020-01-28 I wasn't expecting a romance. A whirlwind love affair that would sweep me off my feet. I'm a twenty-seven-year-old virgin who works as a doctor in a hospital. Who has time for love? But when a grizzly bear shifter named Rylan Young rolls in with his body broken and smashed to a pulp, it's love at first sight. If only he'd open his

eyes...Every day, the pull to his room gets harder to resist. My crush on the sleeping shifter grows. I feel like I'm obsessed. Until Rylan opens his beautiful blue-gray eyes and he shows me what it truly means to be obsessed with the one you love. He's amazing. He's incredible. He keeps saying I'm his mate. And as my favorite patient's body begins to heal and strengthen, I stop taking care of him, and he starts taking care of me...Ready for an alpha who can handle the heat and likes his girl with some meat? Rylan is a dominant Over-The-Top grizzly bear shifter who will have you howling for more. This is the fourth book in the Alphas in Heat series featuring the bear shifters from the Blackcloud Point fire station. Fire-fighting bear shifters? Yes, please! The books can be read in any order. This fireman romance shifter book is SAFE, with no cheating, and a furry HEA guaranteed. Enjoy!

**Dirty Alpha** Olivia T Turner 2020-09-20 I think my cheeks are going to stay pink forever. Because this grizzly bear shifter keeps making me blush with the filthy things he's saying. Julian is not shy to let me know what he wants. And what he wants is me. He's obscene, vulgar, lewd, crude, and just plain dirty whenever he opens his mouth. I can't believe this man is my fated mate. Oh, well... clean is overrated anyway. I'm starting to like his dirty mouth. And all the heavenly things he can do with it...If you like an alpha with a dirty mouth, you gotta get this one! Julian Bowen is a filthy-talking Over-The-Top grizzly bear shifter who will have you roaring! This is book two in the The Alpha's Obsession series. These books can be read in any order, are SAFE, with no cheating, and a furry HEA guaranteed. Enjoy!

*The Wretched of the Earth* Frantz Fanon 2007-12-01 The sixtieth anniversary edition of Frantz Fanon's landmark text, now with a new introduction by Cornel West First published in 1961, and reissued in this sixtieth anniversary edition with a powerful new introduction by Cornel West, Frantz Fanon's *The Wretched of the Earth* is a masterful and timeless interrogation of race, colonialism, psychological trauma, and revolutionary struggle, and a continuing influence on movements from Black Lives Matter to decolonization. A landmark text for revolutionaries and activists, *The Wretched of the Earth* is an eternal touchstone for civil rights, anti-colonialism, psychiatric studies, and Black consciousness movements around the world. Alongside Cornel West's introduction, the book features critical essays by Jean-Paul Sartre and Homi K. Bhabha. This sixtieth anniversary edition of Fanon's most famous text stands proudly alongside such pillars of anti-colonialism and anti-racism as Edward Said's *Orientalism* and *The Autobiography of Malcolm X*.

*Alpha Consumed* Olivia T Turner 2021-02-19 I know immediately when I see him. This all-consuming feeling can only mean one thing. Roman Dixon is my mate. I have no shifter inside me, but I know. He's mine and I'm his. I know all about mates because my brother is one too. A brother who Roman knows. Not only knows, but hates. They're mortal enemies. And if I can't keep their bears from killing each other...I'll have nothing left. No mate. No family. No reason to live. Why do men have to be so damn stubborn? The Dixon brothers are ready to show you how obsessed and insatiable a bear shifter can be! These Over-The-Top alphas are all-in with their mates! These books can be read in any order, are SAFE, with no cheating, and a furry HEA guaranteed. Enjoy!

**Singing the Glory Down** William Lynwood Montell 2015 The editors, William J. Devlin and Shai Biderman, have compiled an impressive list of contributors to explore the philosophy at the core of David Lynch's work. Lynch is examined as a postmodern artist and the themes of darkness, logic and time are discussed in depth.

**Fatal Strike** Shannon McKenna 2013-06-24 "Edgy, erotic, and breathtaking." --Maya Banks, New York Times bestselling author Man On A Mission When Lara Kirk was abducted months ago, Miles Davenport vowed he'd bring her home. But the mission failed. Now, finding her after all this time will be next to impossible. . . Lara Kirk lives in a shadowy world where reality and fantasy are blurred. Enslaved by her captors, Lara has formed a deep attachment to a man she's not even sure is real--until the six-foot-five-inch powerhouse bursts in to rescue her. . . Once freed, Lara has no choice but to trust Miles with her life as they run from enemies too twisted to imagine. But they're also fighting a dangerous attraction that could kill--or save--them both. Either way, it's going to be a hell of a ride. . . Praise for the Novels of Shannon McKenna. . . "McKenna tantalizes the reader." --Publishers Weekly "McKenna blasts readers with a highly charged, action-adventure romance." --Booklist "An erotic romance in a suspense vehicle on overdrive. . .sizzles!" --RT Book Reviews

*Silvae* Publius Papinius Statius 1876

**Pinocchio, the Tale of a Puppet** Carlo Collodi 2011-02 Pinocchio, The Tale of a Puppet follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy.As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy.Pinocchio, The Tale of a Puppet is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinnocchio. It includes 40 illustrations.

**The Secret Chord** Geraldine Brooks 2015-10-06 "A page turner. . .Brooks is a master at bringing the past alive. . .in her skillful hands the issues of the past echo our own deepest concerns: love and loss, drama and tragedy, chaos and brutality." - Alice Hoffman, The Washington Post A rich and utterly absorbing novel about the life of King David, from the Pulitzer Prize-winning author of People of the Book and March. With more than two million copies of her novels sold, New York Times bestselling author Geraldine Brooks has achieved both popular and critical acclaim. Now, Brooks takes on one of literature's richest and most enigmatic figures: a man who shimmers between history and legend. Peeling away the myth to bring David to life in Second Iron Age Israel, Brooks traces the arc of his journey from obscurity to fame, from shepherd to soldier, from hero to traitor, from beloved king to murderous despot and into his remorseful and diminished dotage. The Secret Chord provides new context for some of the best-known episodes of David's life while also focusing on others, even more remarkable and emotionally intense, that have been neglected. We see David through the eyes of those who love him or fear him—from the prophet Natan, voice of his conscience, to his wives Mikhal, Avigail, and Batsheva, and finally to Solomon, the late-born son who redeems his Lear-like old age. Brooks has an uncanny ability to hear and transform characters from history, and this beautifully written, unvarnished saga of faith, desire, family, ambition, betrayal, and power will enthrall her many fans.

**The Apocalypse of Abraham** George Herbert Box 2017-06-15 Considered by many to be

Downloaded from [avenza-dev.avenza.com](http://avenza-dev.avenza.com)  
on December 7, 2022 by guest

'the last important product of the Apocalyptic movement', The Apocalypse of Abraham is an apocryphon, a work that belongs to a body of prophetic Abrahamic literature flourishing about the time of Christ. The text details the Destruction of the Temple and thus was written after 70 AD. It is considered part of the Apocalyptic literature but not regarded as authoritative scripture.

**BEARly Mated to the Grizzly (Bear Clan, 2)** Jenika Snow 2019-06-22 I'd once been a great dancer. A ballerina. But an injury ended my career, had me longing to go back in time, had me loathing the city and the very profession I'd once loved. So, I decided to get away from it all, go out in the middle of nowhere to clear my head, and focus on what was important. Things were going great until a bear was at my back door, trying to get in. And it ended with me wielding a knife for protection and realizing it wasn't just any bear, but a shifter who claimed to be my mate. Maddix. Strong and powerful, his very presence had me questioning my entire existence. The mating was fast and furious, potent and real. It was everything I ever wanted, and everything I never thought I'd have. It was all wrapped in one whirlwind, insta-lust experience. But could I give myself over fully to Maddix? Could I truly leave the city and the life I'd always known behind? Could I do it all for the promise of love from one possessive, territorial bear shifter who would do anything to make me happy? Because if there was one thing Maddix made very clear, it was now that he had found me, he wasn't letting me go.

**Cherry Poppins** Olivia T Turner 2019-05-30 Once the children are in bed, Mr. Steele wants me to take care of him. Noah Steele: The position was for a daytime nanny for my twin nephews. But when Avery appeared at my door, all of that changed. The innocence was beaming off her and engulfing her like a glowing cloud. It grabbed a hold of my heart and twisted until I was wincing. Yeah, I wasn't about to let this little cherry get away from me. The position quickly changed to a live-in nanny and it started immediately. Because the master of the house needs his playtime too. And this little cherry is ripe for playing with. Do you love your Over-The-Top men with a touch of gray in their hair and a whole lot of possessiveness in their touch? Then you'll love Noah Steele. This hot OTT billionaire is going to treat his young nanny right! And you get to watch! Safe, no cheating, and a sweet HEA that will have you smiling (and blushing). Enjoy

*Life of Pi* Yann Martel 2022-01-27 "Life of Pi will make you believe in the power of theatre" (Times). After a cargo ship sinks in the middle of the vast Pacific Ocean, there are five survivors stranded on a lifeboat - a hyena, a zebra, an orangutan, a Royal Bengal tiger, and a sixteen year-old boy named Pi. Time is against them, nature is harsh, who will survive? Based on one of the most extraordinary and best-loved works of fiction - winner of the Man Booker Prize, selling over fifteen million copies worldwide - and featuring breath-taking puppetry and state-of-the-art visuals, *Life of Pi* is a universally acclaimed, smash hit adaptation of an epic journey of endurance and hope. Adapted by acclaimed playwright Lolita Chakrabarti, this edition was published to coincide with the West End premiere in November 2021.

No Logo Naomi Klein 2000-01-15 An analysis of the invasion of our personal lives by logo-promoting, powerful corporations combines muckraking journalism with contemporary memoir to discuss current consumer culture

**Love Me Forever** Tory Baker 2019-02-23 Damien's life has become nothing more than securing the next big deal. He used to love it, he lived for the thrill. But lately, business has left

him cold. He knows there is more to life. He never expected walking into a small local flower shop he would find the answer to his dreams. Amelia She's a sweet girl next door, with a body made for sin. The moment Damien has her in his sights, he won't stop until she admits she will love him forever. This book contains an over the top alpha, with a guaranteed safe, happily ever after.

Savage Love Lisa Renee Jones 101-01-01 They say all is fair in love and war, but I really don't give a damn about fair. In fact, when protecting those I love, fair is the last thing on my mind. Now that I'm back in Candace's life, those who have used her to try to control me, may well put up a final fight, but they will not win. They will lose and badly.

*Devil's Gate* David Roberts 2008-09-16 The Mormon handcart tragedy of 1856 is the worst disaster in the history of the Western migrations, and yet it remains virtually unknown today outside Mormon circles. Following the death of Joseph Smith, founder of the Mormon church, its second Prophet and new leader, Brigham Young, determined to move the faithful out of the Midwest, where they had been constantly persecuted by their neighbors, to found a new Zion in the wilderness. In 1846-47, the Mormons made their way west, generally following the Oregon Trail, arriving in July 1847 in what is today Utah, where they established Salt Lake City. Nine years later, fearing a federal invasion, Young and other Mormon leaders wrestled with the question of how to bring thousands of impoverished European converts, mostly British and Scandinavian, from the Old World to Zion. Young conceived of a plan in which the European Mormons would travel by ship to New York City and by train to Iowa City. From there, instead of crossing the plains by covered wagon, they would push and pull wooden handcarts all the way to Salt Lake. But the handcart plan was badly flawed. The carts, made of green wood, constantly broke down; the baggage allowance of seventeen pounds per adult was far too small; and the food provisions were woefully inadequate, especially considering the demanding physical labor of pushing and pulling the handcarts 1,300 miles across plains and mountains. Five companies of handcart pioneers left Iowa for Zion that spring and summer, but the last two of them left late. As a consequence, some 900 Mormons in these two companies were caught in early snowstorms in Wyoming. When the church leadership in Salt Lake became aware of the dire circumstances of these pioneers, Young launched a heroic rescue effort. But for more than 200 of the immigrants, the rescue came too late. The story of the Mormon handcart tragedy has never before been told in full despite its stunning human drama: At least five times as many people died in the Mormon tragedy as died in the more famous Donner Party disaster. David Roberts has researched this story in Mormon archives and elsewhere, and has traveled along the route where the handcart pioneers came to grief. Based on his research, he concludes that the tragedy was entirely preventable. Brigham Young and others in the Mormon leadership failed to heed the abundant signs of impending catastrophe, including warnings from other Mormon elders in the East and Midwest, where the journey began. *Devil's Gate* is a powerful indictment of the Mormon leadership and a gripping story of survival and suffering that is superbly told by one of our finest writers of Western history.
