Family Album of Wild Africa Laurent Baheux 2017 Many have tried to convey the true spirit of Africa's animals in words, photography, or in music. There may be no challenge greater; Africa's fauna are vast in number and rich in diversity. In this finely crafted collection, French photographer Laurent Baheux uses the medium of black-and-white photography to capture the intricate details of both the wondrous beasts and the magnificent settings in which they dwell. This wide-ranging volume lays particular emphasis on his subjects' individual spirits--revealing all of their vulnerability while losing nothing of their raw vitality. Every photograph is so carefully composed and well lit that the details equal the evocative precision of an Old Masters portrait. Through Baheux's eyes we get close to the creatures that will both inspire and humble us all.

Let Me Sell You a Ferrari Robert E. Guarino 2021-05-14 The moment in 1958 when a sports car-crazed youth in Massachusetts saw his first Ferrari changed his life. The black 250 GT coupe's seductive lines, purposeful air and already hallowed name seized Robert E. Guarino's imagination; just a few years later, he would be selling such cars. And in 1967, with two partners and an investment of just \$6,000 apiece, he would open a Ferrari-Porsche-Datsun dealership. This memoir follows his lifelong journey with Ferraris and other remarkable automobiles, as an enthusiast and dealer. Highlights include a nonstop drive from Chicago to Boston in a 308 GTB; rides with important figures like Piero Ferrari at Fiorano and Dario Benuzzi at Mugello; visits to the Ferrari, Maserati and Lamborghini factories; the horror of watching a delivery truck crash onto a row of new cars; and time at the wheel of such icons as the 365 GTB/4 "Daytona," 250 GTO, 288 GTO and F40.
