*The Gathering Storm* Robert Jordan 2009-10-27 Tarmon Gai'don, the Last Battle, looms. And mankind is not ready. The final volume of the *Wheel of Time*, *A Memory of Light*, was partially written by Robert Jordan before his untimely passing in 2007. Brandon Sanderson, New York Times bestselling author of the *Mistborn* books, was chosen by Jordan's editor---his wife, Harriet McDougal---to complete the final book. The scope and size of the volume was such that it could not be contained in a single book, and so Tor

proudly presents *The Gathering Storm* as the first of three novels that will make up *A Memory of Light*. This short sequence will complete the struggle against the Shadow, bringing to a close a journey begun almost twenty years ago and marking the conclusion of the Wheel of Time, the preeminent fantasy epic of our era. In this epic novel, Robert Jordan's international bestselling series begins its dramatic conclusion. Rand al'Thor, the Dragon Reborn, struggles to unite a fractured network of kingdoms and alliances in preparation for the Last Battle. As he attempts to halt the Seanchan encroachment northward---wishing he could form at least a temporary truce with the invaders---his allies watch in terror the shadow that seems to be growing within the heart of the Dragon Reborn himself. Egwene al'Vere, the Amyrlin Seat of the rebel Aes Sedai, is a captive of the White Tower and subject to the whims of their tyrannical leader. As days tick toward the Seanchan attack she knows is imminent, Egwene works to hold together the disparate factions of Aes Sedai while providing leadership in the face of increasing uncertainty and despair. Her fight will prove the mettle of the Aes Sedai, and her conflict will decide the future of the White Tower---and possibly the world itself. The Wheel of Time turns, and Ages come and pass. What was, what will be, and what is, may yet fall under the Shadow.

Her Fierce Creatures Maria Lewis 2022-03-08 Four women. One world changed forever. It has all come down to this. Werewolf Tommi Grayson always knew she was a weapon, she just needed the right target. Never in a million years did she expect that target to be the current leaders of the supernatural world. Sprite Dreckly Jones has spent the entirety of her 140-years hiding in one form or another. Until now. Having seen enough wars, she should be fleeing from the action. Yet some battles are unavoidable. Some are destined. Corvossier 'Casper' von Klitzing knew this day was coming. Or rather, the ghost of her dead brother Creeper kept telling her so. Repeatedly. The supernatural world is in outright revolt against their government, the Treize, and Casper's gift to rally the living and the dead is more vital than ever. Banshee Sadie Burke's bravery was the catalyst for this chaos - and for the unique chance the supernatural world now has to change the balance of power forever. Witches and werewolves working together. Sprites teaming up with shifters. Demons and goblins in cahoots. The human world on the precipice of learning they're not alone. Yet Sadie's power came at a cost, three of them in fact, with the future hinging on the birth of her unborn triplets. The four women and their collective of monsters, misanthropes and misfits have no choice but to risk everything to save everything, with their personal prejudices paling in comparison to a possibility ... the possibility of a better world for themselves and every being that comes after. This is the thrilling conclusion to Maria Lewis' award-winning, best-selling Supernatural Sisters: Who's Afraid? Who's Afraid Too? The Witch Who Courted Death The Wailing Woman They Came From the Deep The Rose Daughter

A Brightness Long Ago Guy Gavriel Kay 2019-05-14 International bestselling author Guy Gavriel Kay's latest work is set in a world evoking early Renaissance Italy and offers an extraordinary cast of characters whose lives come together through destiny, love, and ambition. In a chamber overlooking the nighttime waterways of a maritime city, a man looks back on his youth and the people who shaped his life. Danio Cerra's intelligence won him entry to a renowned school even though he was only the son of a tailor. He took service at the court of a ruling count—and soon learned why that man was known as the Beast. Danio's fate changed the moment he saw and recognized Adria Ripoli as she entered the count's chambers one autumn night—intending to kill. Born to power, Adria had chosen, instead of a life of comfort, one of danger—and freedom. Which is how she encounters Danio in a perilous time and place. Vivid figures share the unfolding story. Among them: a healer determined to defy her expected lot; a charming, frivolous son of immense wealth; a powerful religious leader more decadent than devout; and, affecting all these lives and many more, two larger-than-life mercenary commanders, lifelong adversaries, whose rivalry puts a world in the balance. A Brightness Long Ago offers both compelling drama and deeply moving reflections on the nature of memory, the choices we make in life, and the role played by the turning of Fortune's wheel.

**Legion: Lies of the Beholder** Brandon Sanderson 2020-03-10 The shocking conclusion to Brandon Sanderson's Legion novella series, on its own for the first time. Stephen Leeds is perfectly sane. It's his hallucinations who are mad. A genius of unrivaled aptitude, Stephen can learn any new skill, vocation, or art in a matter of hours. However, to contain all of this, his mind creates hallucinatory people—Stephen calls them aspects—to hold and manifest the information. Wherever he goes, he is joined by a team of imaginary experts to give advice, interpretation, and explanation. He uses them to solve problems . . . for a price. When Stephen gets an unexpected cry for help from the woman who taught him how to control his aspects—right when one of his aspects suddenly and violently disappears—it will send him on a case the likes of which he could never have imagined.
