Djinn Patrol on the Purple Line Deepa Anappara 2020-02-04 Discover the “extraordinary” (The Washington Post) debut novel that “announces the arrival of a literary supernova” (The New York Times Book Review), “a drama of childhood that is as wild as it is intimate” (Chigozie Obioma). WINNER OF THE EDGAR® AWARD • LONGLISTED FOR THE WOMEN’S PRIZE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Time • The Washington Post • NPR • The Guardian • Library Journal In a sprawling Indian city, a boy ventures into its most dangerous corners to find his missing classmate. . . . Through market lanes crammed with too many people, dogs, and rickshaws, past stalls that smell of cardamom and sizzling oil, below a smoggy sky that doesn’t let through a single blade of sunlight, and all the way at the end of the Purple metro line lies a jumble of tin-roofed homes where nine-year-old Jai lives with his family. From his doorway, he can spot the glittering lights of the city’s fancy high-rises, and though his mother works as a maid in one, to him they seem a thousand

miles away. *Djinn Patrol on the Purple Line* plunges readers deep into this neighborhood to trace the unfolding of a tragedy through the eyes of a child as he has his first perilous collisions with an unjust and complicated wider world. Jai drools outside sweet shops, watches too many reality police shows, and considers himself to be smarter than his friends Pari (though she gets the best grades) and Faiz (though Faiz has an actual job). When a classmate goes missing, Jai decides to use the crime-solving skills he has picked up from TV to find him. He asks Pari and Faiz to be his assistants, and together they draw up lists of people to interview and places to visit. But what begins as a game turns sinister as other children start disappearing from their neighborhood. Jai, Pari, and Faiz have to confront terrified parents, an indifferent police force, and rumors of soul-snatching djinns. As the disappearances edge ever closer to home, the lives of Jai and his friends will never be the same again. Drawing on real incidents and a spate of disappearances in metropolitan India, *Djinn Patrol on the Purple Line* is extraordinarily moving, flawlessly imagined, and a triumph of suspense. It captures the fierce warmth, resilience, and bravery that can emerge in times of trouble and carries the reader headlong into a community that, once encountered, is impossible to forget.

At least Drew Callahan, college football legend and local golden boy, is upfront about it. He needs someone to play the part of his girlfriend for one week. In exchange for cash. As if that's not weird enough, ever since he brought me into his world, nothing really makes sense. Everyone hates me. Everyone wants something from him. All I know is, I want to be there for him—permanently. Praise for *One Week Girlfriend* "A sweet and sexy

All Fall Down Jennifer Weiner 2015-04-07 Allison Weiss has a great job, a handsome husband, an adorable daughter and a secret. Allison Weiss is a typical working mother, trying to balance a business, aging parents, a demanding daughter, and a marriage. But when the website she develops takes off, she finds herself challenged to the point of being completely overwhelmed. Her husband's becoming distant, her daughter's acting spoiled, her father is dealing with early Alzheimer's, and her mother's barely dealing at all. As she struggles to hold her home and work life together, and meet all of the needs of the people around her, Allison finds that the painkillers she was prescribed for a back injury help her deal with more than just physical discomfort. However, when Allison's use gets to the point that she can no longer control, or hide it, she ends up in a world she never thought she'd experience outside of a movie theater: rehab. Amid the teenage heroin addicts, the alcoholic grandmothers, the barely-trained "recovery coaches," and the counselors who seem to believe that one mode of recovery fits all, Allison struggles to get her life back on track, even as she's convincing herself that she's not as bad off as the women around her.

A Good Provider Is One Who Leaves Jason DeParle 2020-08-18 "No matter your politics or home country this will change how you think about the movement of people between poor and rich countries...one of the best books on immigration written in a generation." --Matthew Desmond, author of *Evicted* The definitive chronicle of our new age of global migration, told through the multi-generational saga of a Filipino family, by a veteran New York Times reporter and two-time Pulitzer Prize finalist. When Jason DeParle moved in with Tita Comodas and her family in the Manila slums thirty years ago, he didn't expect to make lifelong friends. Nor did he expect to spend decades reporting on Tita, her husband, siblings, and children, as they came to embody the stunning rise of global migration. In his new book, DeParle paints an intimate portrait of an unforgettable family across three generations that dramatizes how the international movement of labor has reordered economics, politics, and culture across the world. At the heart of the story is Rosalie, Tita's middle child, who escapes poverty by becoming a nurse, and lands jobs in Jeddah, Abu Dhabi and, finally, Texas--joining the record forty-four million immigrants in the United States. Migration touches every aspect of global life. It pumps billions in remittances into poor villages, fuels Western populism, powers Silicon Valley, sustains American health care, and brings one hundred languages to the Des Moines public schools. One in four children in the United States is an immigrant or the child of one. With no issue in American life so polarizing, DeParle expertly weaves between the personal and panoramic perspectives. Reunited with their children after years apart, Rosalie and her husband struggle to be parents, as their children try to find their place in a place they don't know. Ordinary and extraordinary at once, their journey is a twenty-first-century classic, rendered in gripping detail.

Journalist Liza Mundy takes us to the frontier of this new economic order: she shows us why this flip is inevitable, what painful adjustments will have to be made along the way, and how both men and women will feel surprisingly liberated in the end. Couples today are debating who must assume the responsibility of primary earner and who gets the freedom of being the slow track partner. With more men choosing to stay home, Mundy shows how that lifestyle has achieved a higher status, and the ways males have found to recover their masculinity. And the revolution is global: Mundy takes us from Japan to Denmark to show how both sexes are adapting as the marriage market has turned into a giant free-for-all, with men and women at different stages of this transformation finding partners who match their expectations.--From publisher description.
