Kafka on the Shore Haruki Murakami 2005-01-18 Kafka on the Shore displays one of the world's great storytellers at the peak of his powers. Here we meet a teenage boy, Kafka Tamura, who is on the run, and Nakata, an aging simpleton who is drawn to Kafka for reasons that he cannot fathom. As their paths converge, acclaimed author Haruki Murakami enfolds readers in a world where cats talk, fish fall from the sky, and spirits slip out of their bodies to make love or commit murder, in what is a truly remarkable journey.

**Escape from Freedom** Erich Fromm 1994 The author analyzes what he considers to be contemporary man's fear of positive freedom and willingness to submit to totalitarianism.

**Uncle Tungsten** Oliver Sacks 2013-12-11 Long before Oliver Sacks became a distinguished neurologist and bestselling writer, he was a small English boy fascinated by metals—also by chemical reactions (the louder and smellier the better), photography, squids and cuttlefish, H.G. Wells, and the periodic table. In this endlessly charming and eloquent memoir, the author of *The Man Who Mistook His Wife for a Hat* and *Awakenings* chronicles his love affair with science and the magnificently odd and sometimes harrowing childhood in which that love affair unfolded. In *Uncle Tungsten* we meet Sacks' extraordinary family, from his surgeon mother (who introduces the fourteen-year-old Oliver to the art of human dissection) and his father, a family doctor who imbues in his son an early enthusiasm for housecalls, to his "Uncle

Tungsten," whose factory produces tungsten-filament lightbulbs. We follow the young Oliver as he is exiled at the age of six to a grim, sadistic boarding school to escape the London Blitz, and later watch as he sets about passionately reliving the exploits of his chemical heroes-in his own home laboratory. Uncle Tungsten is a crystalline view of a brilliant young mind springing to life, a story of growing up which is by turns elegiac, comic, and wistful, full of the electrifying joy of discovery.

**The Individualized Society** Zygmunt Bauman 2013-04-25 We are spurred into action by our troubles and fears; but all too often our action fails to address the true causes of our worries. When trying to make sense of our lives, we tend to blame our own failings and weaknesses for our discomforts and defeats. And in doing so, we make things worse rather than better. Reasonable beings that we are, how does this happen and why does it go on happening? These are the questions addressed in this new book by Zygmunt Bauman - one of the most original and perceptive social thinkers writing today. For Bauman, the task of sociology is not to censor or correct the stories we tell of our lives, but to show that there are more ways in which our life stories can be told. By bringing into view the many complex dependencies invisible from the vantage point of private experience, sociology can help us to link our individual decisions and actions to the deeper causes of our troubles and fears - to the ways we live, to the conditions under which we act, to the socially drawn limits of our imagination and ambition. Sociology can help us to understand the processes that have shaped the society in which we live today, a society in which individualization has become our fate. And sociology can also help us to see that if our individual but shared anxieties are to be effectively tackled, they need to be addressed collectively, true to their social, not individual, nature. The Individualized Society will be of great interest to students of sociology, politics and the social sciences and humanities generally. It will also appeal to a broader range of readers who are interested in the changing nature of our social and political life today.

**La Vida Doble** Arturo Fontaine 2013-05-28 When she is captured and tortured by agents of the Chilean repression during the darkest years of the Pinochet dictatorship, Lorena, a leftist militant, must either forsake the allegiances of motherhood or betray the political ideals to which she is deeply committed. 5,000 first printing.

**The Uncomfortable Dead** Subcomandante Marcos 2010-02-01 "Great writers by definition are outriders, raiders of a sort, sweeping down from wilderness territories to disturb the peace, overrun the status quo and throw into question everything we know to be true. . . . On its face,

the novel is a murder mystery, and at the book's heart, always, is a deep love of Mexico and its people." —Los Angeles Times Subcomandante Marcos is a spokesperson and strategist for the Zapatistas, an indigenous insurgency movement based in Mexico. Paco Ignacio Taibo II is the author of numerous works of award-winning fiction and nonfiction, which have been published in many languages around the world. He lives in Mexico City.

*In the Closet of the Vatican* Frederic Martel 2019-02-21 The New York Times Bestseller '[An] earth-shaking exposé of clerical corruption' - National Catholic Reporter *In the Closet of the Vatican* exposes the rot at the heart of the Vatican and the Roman Catholic Church today. This brilliant piece of investigative writing is based on four years' authoritative research, including extensive interviews with those in power. The celibacy of priests, the condemnation of the use of contraceptives, the cover up of countless cases of sexual abuse, the resignation of Benedict XVI, misogyny among the clergy, the dramatic fall in Europe of the number of vocations to the priesthood, the plotting against Pope Francis – all these issues are clouded in mystery and secrecy. *In the Closet of the Vatican* is a book that reveals these secrets and penetrates this enigma. It derives from a system founded on a clerical culture of secrecy which starts in junior seminaries and continues right up to the Vatican itself. It is based on the double lives of priests and on extreme homophobia. The resulting schizophrenia in the Church is hard to fathom. But the more a prelate is homophobic, the more likely it is that he is himself gay. 'Behind rigidity there is always something hidden, in many cases a double life'. These are the words of Pope Francis himself and with them the Pope has unlocked the Closet. No one can claim to really understand the Catholic Church today until they have read this book. It reveals a truth that is extraordinary and disturbing.

**Globalizing Family Values** Doris Buss 2003 With little fanfare and profound effect, "family values" have gone global, and the influence of the Christian Right is increasingly felt internationally. This is the first comprehensive study of the Christian Right's global reach and its impact on international law and politics. Doris Buss and Didi Herman explore tensions, contradictions, victories, and defeats for the Christian Right's global project, particularly in the United Nations. The authors consult Christian Right materials, from pamphlets to novels; conduct interviews with people in the movement; and provide a firsthand account of the World Congress of Families II in 1999, a key event in formulating Christian Right global policy and strategy. The result is a detailed look at a new global player--its campaigns against women's rights, population policy, and gay and lesbian rights; its efforts to build an alliance of orthodox faiths with non-Christians; and the tensions and strains as it seeks to negotiate a role for conservative Christianity in a changing global order.

*The Lesbian and Gay Studies Reader* Henry Abelove 2012-10-02 Bringing together forty-two groundbreaking essays--many of them already classics--*The Lesbian and Gay Studies Reader* provides a much-needed introduction to the contemporary state of lesbian/gay studies, extensively illustrating the range, scope, diversity, appeal, and power of the work currently being done in the field. Featuring essays by such prominent scholars as Judith Butler, John D'Emilio, Kobena Mercer, Adrienne Rich, Gayle Rubin, and Eve Kosofsky Sedgwick, *The Lesbian and Gay Studies Reader* explores a multitude of sexual, ethnic, racial, and socio-economic experiences. Ranging across disciplines including history, literature, critical theory, cultural studies, African American studies, ethnic studies, sociology, anthropology, psychology, classics, and philosophy, this anthology traces the inscription of sexual meanings in all forms of cultural expression. Representing the best and most significant English language work in

the field, *The Lesbian and Gay Studies Reader* addresses topics such as butch-fem roles, the cultural construction of gender, lesbian separatism, feminist theory, AIDS, safe-sex education, colonialism, S/M, Oscar Wilde, Gertrude Stein, children's books, black nationalism, popular films, Susan Sontag, the closet, homophobia, Freud, Sappho, the media, the hijras of India, Robert Mapplethorpe, and the politics of representation. It also contains an extensive bibliographical essay which will provide readers with an invaluable guide to further reading. **The Passion of Michel Foucault** James Miller 2000 Based on extensive new research and a bold interpretation of the man and his texts, *The Passion of Michel Foucault* is a startling look at one of this century's most influential philosophers. It chronicles every stage of Foucault's personal and professional odyssey, from his early interest in dreams to his final preoccupation with sexuality and the nature of personal identity.

*The Art Of Seduction* Robert Greene 2010-09-03 Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. *The Art of Seduction* is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of *The 48 Laws of Power*, *Mastery*, and *The 33 Strategies Of War*.

**The Animator's Survival Kit** Richard Williams 2012-09-25 The Academy Award-winning artist behind *Who Framed Roger Rabbit?* draws on his master instruction classes to demonstrate essential techniques required of animators of any skill level or method, in an updated edition that provides expanded coverage of such topics as animal gaits and live action. Simultaneous.

*Sirena Selena* Mayra Santos-Febres 2007-04-01 Discovered by Martha Divine in the backstreets of San Juan, picking over garbage, drugged out of his mind and singing boleros that transfix the listener, a fifteen year old hustler is transformed into Sirena Selena, a diva whose uncanny beauty and irresistible voice will be their ticket to fame and fortune. Auditioning for one of the luxury hotels in the Dominican Republic, Selena casts her spell over Hugo Graubel, one of the hotel's rich investors. Graubel is a powerful man in the Republic, married with children. Selena, determined to escape the poverty and abuse s/he suffered as a child, engages Graubel in a long seduction in this mordant, intensely lyrical tragi-comedy - part masque, part cabaret - about identity (class, race, gender) and "the hunger and desire to be other things."

**Rethinking Tragedy** Rita Felski 2008-02-11 This groundbreaking collection provokes a major reassessment of the significance of tragedy and the tragic in late modernity. A distinguished group of scholars and theorists extends the discussion of tragedy beyond its usual parameters to include film, popular culture, and contemporary politics. Seven new essays—as well as eight essays originally published in a *New Literary History* special issue on tragedy—address important, previously neglected areas of tragedy and postcolonial criticism. The new material explores the tragic dimensions of popular culture, the relationship between tragedy and pity, and feminism's avoidance of the tragic, and includes an incisive history of tragic theory.

Classic and cutting-edge, this collection offers a provocative, accessible, and comprehensive treatment of tragedy and tragic theory. Contributors: Elisabeth Bronfen, University of Zurich; Stanley Corngold, Princeton University; Simon Critchley, University of Essex; Joshua Foa Dienstag, University of California, Los Angeles; Wai Chee Dimock, Yale University; Page duBois, University of California, San Diego; Terry Eagleton, University of Manchester; Rita Felski, University of Virginia; Simon Goldhill, Cambridge University; Heather K. Love, University of Pennsylvania; Michel Maffesoli, University of Paris (V); Martha C. Nussbaum, University of Chicago; Timothy J. Reiss, New York University; Kathleen M. Sands, University of Massachusetts, Boston; David Scott, Columbia University; George Steiner, University of Geneva; Olga Taxidou, University of Edinburgh

**Romance Gay, Dijeron** Manuel Moreno 2016-09-01 Miguel ha salido toda la vida con mujeres, pero siempre le ha faltado algo. Pese a ser un hombre romántico y considerado, nunca ha disfrutado del sexo como todo el mundo dice que es. Para él no tenía nada de maravilloso, espectacular, ni adictivo. Siempre ha reconocido la belleza de otro hombre, y en ocasiones ha considerado si se siente atraído por ellos, pero nunca lo ha considerado seriamente. Antonio lleva años escondido en el armario. La realidad es que nunca se sintió atraído por mujeres, pero toda su adolescencia se sintió juzgado por preferir la compañía de los hombres. Ahora, todos sus amigos y amigas asumen que Antonio simplemente, o no tiene la necesidad de amar a nadie, o efectivamente es un gay reprimido. Y entonces, Miguel y Antonio se conocieron. Advertencia: Estás frente a un romance gay donde se enfrentan una primera vez y un hombre reprimido. Final feliz garantizado.

**Feminism and History** Joan Wallach Scott 1996 The question of difference - between women and men and among women - is at the heart of feminist theory and the history of feminism. Feminists have long debated the meanings of sexual difference: is it an underlying truth of nature or the result of changing social belief? Are women the same as or different from men? *Feminism and History* argues that sexual difference, indeed that all forms of social differentiation, cannot be understood apart from history. It brings together the best critical articles available to analyze the ways in which differences among women and men have been produced. The articles range across many countries and time periods (from the Middle Ages to the present) and they include analyses of western and non-western experiences. There are discussions of race in the United States and in colonial contexts. A variety of theoretical approaches to the question of difference is included; but in all cases, difference is the focus of the historian's analysis. The analytic focus on difference distinguishes this book from other collections of women's history. It will be fascinating and essential reading for students and teachers of history, women's studies, gender studies, cultural studies, queer theory, and feminist theory.

**No Logo** Naomi Klein 2000-01-15 An analysis of the invasion of our personal lives by logo-promoting, powerful corporations combines muckraking journalism with contemporary memoir to discuss current consumer culture

**Bertram; Or, The Castle of St. Aldobrand** Charles Robert Maturin 1816

**The Denial of Death** ERNEST. BECKER 2020-03-05 Winner of the Pulitzer prize in 1974 and the culmination of a life's work, *The Denial of Death* is Ernest Becker's brilliant and impassioned answer to the 'why' of human existence. In bold contrast to the predominant

Freudian school of thought, Becker tackles the problem of the vital lie - man's refusal to acknowledge his own mortality. The book argues that human civilisation is a defence against the knowledge that we are mortal beings. Becker states that humans live in both the physical world and a symbolic world of meaning, which is where our 'immortality project' resides. We create in order to become immortal - to become part of something we believe will last forever. In this way we hope to give our lives meaning. In *The Denial of Death*, Becker sheds new light on the nature of humanity and issues a call to life and its living that still resonates decades after it was written.

*Bodies that Matter* Judith Butler 1993 The author of "Gender Trouble" further develops her distinctive theory of gender by examining the workings of power at the most material dimensions of sex and sexuality. Butler examines how the power of heterosexual hegemony forms the matter of bodies, sex, and gender.

**The Politics of Revenge** Paul Preston 2003-09-02 The role of the Spanish Right in the course of the twentieth-century has been a neglected area of academic study. *The Politics of Revenge* redresses this providing a succinct and disturbing account.

*Foreign Women Authors under Fascism and Francoism* Pilar Godayol 2018-11-30 This collection of essays highlights cultural features and processes which characterized translation practice under the dictatorships of Benito Mussolini (1922-1940) and Francisco Franco (1939-1975). In spite of the different timeline, some similarities and parallelisms may be drawn between the power of the Fascist and the Francoist censorships exerted on the Italian and Spanish publishing and translation policies. Entrusted to European specialists, this collection of articles brings to the fore the "microhistory" that exists behind every publishing proposal, whether collective or individual, to translate a foreign woman writer during those two totalitarian political periods. The nine chapters presented here are not a global study of the history of translation in those black times in contemporary culture, but rather a collection of varied cases, small stories of publishers, collections, translations and translators that, despite many disappointments but with the occasional success, managed to undermine the ideological and literary currents of the dictatorships of Mussolini and Franco.

**Iphigenia** Teresa de la Parra 2010-07-05 "...I didn't want to tell you the truth for anything in the world, because it seemed very humiliating to me..." The truth is that Iphigenia is bored and, more than bored, buried alive in her grandmother's house in Caracas, Venezuela. After the excitement of being a beautiful, unchaperoned young woman in Paris, her father's death has sent her back to a forgotten homeland, where rigid decorum governs. Two men—the married man she adores and the wealthy fiancé she abhors—offer her escape from her prison. Which of these impossible suitors will she choose? *Iphigenia* was first published in 1924 in Venezuela, where it hit patriarchal society like a bomb. Teresa de la Parra was accused of undermining the morals of young women with this tale of a passionate woman who lacks the money to establish herself in the liberated, bohemian society she craves. Yet readers have kept the novel alive for decades, and this first English translation now introduces its heroine to a wider audience.

*Because You Love Me* Jerry Cole 2020-03-03 Hunter Madison is back in Winter Ridge to recuperate and prepare for his mother's passing. He spends his days making sure the final arrangements she has planned are ready to be carried out and trying to keep from falling

apart at the seams. Then, there's his need to avoid his best friend, Dr. Gavin Carter, the town's vet. He's always had feelings for Gavin that he can't act upon because Gavin is straight. Yet, he can't escape them now that he's back. When his mother dies, Gavin is there for him to lean on in a way that Hunter never thought he could be. Feelings of guilt and shame war with love and desire, especially when it seems that Gavin wants more. It's been five years since Dr. Gavin Carter's wife Lisa died. His veterinary practice has managed to keep him so busy that he barely has time to dwell on how lonely he is. No one else has caught his eye at forty-one. Not until his best friend, concert cellist Hunter Madison, comes home. Suddenly, Gavin is feeling things he never has before for any man. However, Hunter is dealing with his own issues and Gavin doesn't wish to add to them by forcing his unwanted attentions on a man who, before, had never shown any interest in him beyond friendship. When Gavin's feelings only intensify, how can he make Hunter want a future with him? And what will Gavin do when the time comes for him to go back on tour? Will he break both their hearts when he leaves again? Please Note: This book contains adult language and steamy adult activities, it is intended for 18+ Adults Only. Novel, approximately 71,000 words in length. HEA (happy ever after ending). Does not end with a "cliffhanger." Themes includes: Friends-to-lovers, demi-sexual, hurt/comfort, grieving, same birthday, gay for you

**Negative Dialectics** Theodor Adorno 2003-12-16 This is the first British paperback edition of this modern classic written by one of the towering intellectual of the twentieth century. Theodor Adorno (1903-69) was a leading member of the Frankfurt School. His books include *The Jargon of Authenticity*, *Dialectic of Enlightenment* (with Max Horkheimer), and *Aesthetic Theory*

**Upheavals of Thought** Martha C. Nussbaum 2003-04-14 In this compelling new book, Martha C. Nussbaum presents a powerful argument for treating emotions not as alien forces but as highly discriminating responses to what is of value and importance. She explores and illuminates the structure of a wide range of emotions, in particular compassion and love, showing that there can be no adequate ethical theory without an adequate theory of the emotions. This involves understanding their cultural sources, their history in infancy and childhood, and their sometimes unpredictable and disorderly operations in our daily lives.

*Perspectives on Personality* Charles S. Carver 2004 Jason Freeman lives in Malibu - a town full of beautiful rich kids whose lives revolve around money, fashion, cars and parties. But these teens hide a dark - and dangerous secret . . . High Stakes Jason thinks he must have just about taken all the challenges that can be thrown at him and Sienna, until Sienna's older sister, Paige turns up unexpectedly back from college in Paris. But when Paige's old boyfriend Mark turns up, things get dangerous. Sienna is missing and being used as bait between Paige and Mark. Suddenly the stakes are very high . . . Hunted The vampire clique are settling in for a good summer. But their peace is shattered when evidence emerges that there's a vampire hunter in town. The Courage to be Chaste Benedict J. Groeschel 1985 In this writing, Groeschel draws on his wide experience as a psychologist and cure of souls and offers a practical guide to those Christians seeking to lead a chaste single life.

**The Lesbian Heresy** Sheila Jeffreys 1993 Annotation. A critique of the lesbian sex industry's

efforts to profit from women's oppression.

**The New Black** Darian Leader 2008-01-31 The New Black is Darian Leader's compassionate and illuminating exploration of melancholy What happens when we lose someone we love? A death, a separation or the break-up of a relationship are some of the hardest times we have to live through. We may fall into a nightmare of depression, lose the will to live and see no hope for the future. What matters at this crucial point is whether or not we are able to mourn. In this important and groundbreaking book, acclaimed psychoanalyst and writer Darian Leader urges us to look beyond the catch-all concept of depression to explore the deeper, unconscious ways in which we respond to the experience of loss. In so doing, we can loosen the grip it may have upon our lives. 'His orthodox, psychoanalytical approach, produces an unpredictable, occasionally brilliant book. The New Black is a mixture of Freudian text, clinical assessments and Leader's own brand of gentle wisdom'Herald 'Compelling and important . . . an engrossing and wise book'Hanif Kureishi 'There are many self-help books on the market . . . The New Black is a book that might actually help'Independent Darian Leader is a psychoanalyst practising in London and a member of the Centre for Freudian Analysis and Research and of the College of Psychoanalysts - UK. He is the author of The New Black, Strictly Bipolar, Why do women write more letters than they post?, Promises lovers make when it gets late, Freud's Footnotes and Stealing the Mona Lisa, and co-author, with David Corfield, of Why Do People Get Ill? He is Honorary Visiting Professor in the School of Human and Life Sciences, Roehampton University.

**The Well of Loneliness** Radclyffe Hall 2021-05-29 The Well of Loneliness, first published in 1928, is a timeless portrayal of lesbian love. The thinly disguised story of Hall's own life, it was banned outright upon publication and almost ruined her literary career as the subject was that of an obscenity trial and forbidden at the time in England. The novel tells the story of Stephen, an ideal child of aristocratic parents—a fencer, a horse rider and a keen scholar. Stephen grows to be a war hero, a bestselling writer and a loyal, protective lover. But Stephen is a woman, and is attracted to women. As her ambitions drive her, and society incarcerates her, Stephen is forced into desperate actions. Although Gordon's attitude toward her own sexuality is anguished, the novel presents lesbianism as natural and makes a plea for greater tolerance. It became an international bestseller, and for decades was the single most famous lesbian novel.

**Welcome to the Desert of the Real** Slavoj Žižek 2014-09-24 Liberals and conservatives proclaim the end of the American holiday from history. Now the easy games are over; one should take sides. Žižek argues this is precisely the temptation to be resisted. In such moments of apparently clear choices, the real alternatives are most hidden. Welcome to the Desert of the Real steps back, complicating the choices imposed on us. It proposes that global capitalism is fundamentalist and that America was complicit in the rise of Muslim fundamentalism. It points to our dreaming about the catastrophe in numerous disaster movies before it happened, and explores the irony that the tragedy has been used to legitimize torture. Last but not least it analyzes the fiasco of the predominant leftist response to the events.

**Remaking the Nation** Sarah Radcliffe 2005-08-12 Remaking the Nation presents new ways of thinking about the nation, nationalism and national identities. Drawing links between popular culture and indigenous movements, issues of 'race' and gender, and ideologies of

national identity, the authors draw on their work in Latin America to illustrate their retheorisation of the politics of nationalism. This engaging exploration of contemporary politics in a postmodern, post new-world-order uncovers a map of future political organisation, a world of pluri-nations and ethnicised identities in the ever-changing struggle for democracy.

**Sexuality** Jeffrey Weeks 2004-06-01 We are almost programmed into thinking of our sexuality as a wholly natural feature of life. But sexual relations are but one form of social relations, as Jeffrey Weeks makes clear in his book. Drawing on the analyses of Michel Foucault, amongst others, the book examines the social, moral and political issues raised by contemporary forms of sexuality. Weeks provides an authoritative introduction to the sociology of sexuality, discussing its cultural and socio-historical construction, its relationship with power and the State's involvement in its rationalisation and regulation. This second edition is also updated to include global and postcolonial perspectives on sexuality, queer theory, the internet and cybersex, AIDS as a global phenomenon and international debates on the politics of sexuality. This book is an indispensable introduction to this complex and expanding field.

**Youth in Sexual Ecstasy** Carlos C. Sanchez 1997-10-01

**Spill** Alexis Pauline Gumbs 2016-10-07 In *Spill*, self-described queer Black troublemaker and Black feminist love evangelist Alexis Pauline Gumbs presents a commanding collection of scenes depicting fugitive Black women and girls seeking freedom from gendered violence and racism. In this poetic work inspired by Hortense Spillers, Gumbs offers an alternative approach to Black feminist literary criticism, historiography, and the interactive practice of relating to the words of Black feminist thinkers. Gumbs not only speaks to the spiritual, bodily, and otherworldly experience of Black women but also allows readers to imagine new possibilities for poetry as a portal for understanding and deepening feminist theory.
