Notes on "Camp" Susan Sontag 2019-06-14 From one of the greatest prose stylists of any generation, the essay that inspired the theme of the 2019 Met Gala, Camp: Notes on Fashion Many things in the world have not been named; and many things, even if they have been named, have never been described. One of these is the sensibility—unmistakably modern, a variant of sophistication but hardly identical with it—that goes by the cult name of “Camp.” So begins Susan Sontag’s seminal essay “Notes on ‘Camp.’ ” Originally published in 1964 and included in her landmark debut essay collection *Against Interpretation*, Sontag’s notes set out to define something that even the most well-informed could describe only as “I know it when I see it.” At once grounded in a sweeping history (Louis XIV was pure Camp) and entirely provisional, Camp delights in low and high culture alike. Tiffany lamps, the androgynous beauty of Greta Garbo, King Kong (1933), and Mozart all embody the Camp sensibility for Sontag—an almost ineffable blend of artifice, extravagance, playfulness, and a deadly seriousness. At the time Sontag published her essay, Camp, as a subversion of sexual norms, had also become a private code of signification for queer communities. In nearly every genre and form—from visual art, décor, and fashion to writing, music, and film—Camp continues to be redefined today, as seen in the 2019 Met Gala that took Sontag’s essay as the basis for its theme. “Style is everything,” Sontag tells us, and as Time magazine points out, “ ‘Notes on “Camp” ’ launched a new way of thinking,” paving the way for a whole new style of cultural criticism, and describing what is, in many ways, the defining sensibility of our culture today.

Critical Digital Pedagogy Jesse Stommel 2020-07-17 The work of teachers is not

just to teach. We are also responsible for the basic needs of students. Helping students eat and live, and also helping them find the tools they need to reflect on the present moment. This is exactly in keeping with Paulo Freire's insistence that critical pedagogy be focused on helping students read their world; but more and more, we must together reckon with that world. Teaching must be an act of imagination, hope, and possibility. Education must be a practice done with hearts as much as heads, with hands as much as books. Care has to be at the center of this work. For the past ten years, Hybrid Pedagogy has worked to help craft a theory of teaching and learning in and around digital spaces, not by imagining what that work might look like, but by doing, asking after, changing, and doing again. Since 2011, Hybrid Pedagogy has published over 400 articles from more than 200 authors focused in and around the emerging field of critical digital pedagogy. A selection of those articles are gathered here. This is the first peer-reviewed publication centered on the theory and practice of critical digital pedagogy. The collection represents a wide cross-section of both academic and non-academic culture and features articles by women, Black people, indigenous people, Chicanx and Latinx writers, disabled people, queer people, and other underrepresented populations. The goal is to provide evidence for the extraordinary work being done by teachers, librarians, instructional designers, graduate students, technologists, and more - work which advances the study and the praxis of critical digital pedagogy.

The Style of Movement Ken Browar 2019-09-24 "A breathtaking exploration of style and movement. Featuring more than eighty of today's most famous dancers-- captured in movement, and styled in garments designed by some of fashion's biggest names. From renowned photographers Ken Browar and Deborah Ory, the husband-and-wife team behind NYC Dance Project and the best-selling photography book *The art of movement*, comes the sequel for fans of dance, fashion, and photography. Spotlighting today's greatest dancers--from ballet to modern--in clothing by celebrated designers, this stunning volume examines the relationship between style, fashion, and dance. The pages come to life with the dancers' grace and movement; each becoming one with what they're wearing. Whether in couture gowns from Dior, Valentino, Oscar de la Renta, vintage Halston, and Bill Blass or in costumes designed by Martha Graham herself, the world-famous dancers featured on these pages--including Tiler Peck, Daniil Simkin, Misty Copeland, and Olga Smirnova--bring movement to style. Accompanying the photographs are intimate and inspiring words from the dancers and fashion designers. From Janet Eilber, the Artistic Director of the Martha Graham Dance Company describing Graham's influence on fashion, to Michael Trusnovec, a Paul Taylor dancer describing how vintage tails made him feel like Fred Astaire. With leading dancers from around the world dancing in the most exquisite fashions, Browar and Ory have created unique images of style that are timeless and unlike anything seen in today's fashion photography"--Dust jacket flap

The Royal Ballet: 75 Years Zoë Anderson 2011-02-17 This book is a perceptive and critical account of the first 75 years of The Royal Ballet, tracing the company's growth, and its great cultural importance - an indispensable book for

all lovers of ballet. In 1931, Ninette de Valois started a ballet company with just six dancers. Within twenty years, The Royal Ballet - as it became - was established as one of the world's great companies. It has produced celebrated dancers, from Margot Fonteyn to Darcey Bussell, and one of the richest repertoires in ballet. The company danced through the Blitz, won an international reputation in a single New York performance and added to the glamour of London's Swinging Sixties. It has established a distinctive English school of ballet, a pure classical style that could do justice to the 19th-century repertory and to new British classics. Leading dance critic, Zo Anderson, vividly portrays the extraordinary personalities who created the company and the dancers who made such an impact on their audiences. She looks at the bad times as well as the good, examining the controversial directorships of Norman Morrice and Ross Stretton and the criticism fired at the company as the Royal Opera House closed for redevelopment.

The Gifted Passage Stephen Houston 2018-02-27 In this thought-provoking book, preeminent scholar Stephen Houston turns his attention to the crucial role of young males in Classic Maya society, drawing on evidence from art, writing, and material culture. The Gifted Passage establishes that adolescent men in Maya art were the subjects and makers of hieroglyphics, painted ceramics, and murals, in works that helped to shape and reflect masculinity in Maya civilization. The political volatility of the Classic Maya period gave male adolescents valuable status as potential heirs, and many of the most precious surviving ceramics likely celebrated their coming-of-age rituals. The ardent hope was that youths would grow into effective kings and noblemen, capable of leadership in battle and service in royal courts. Aiming to shift mainstream conceptions of the Maya, Houston argues that adolescent men were not simply present in images and texts, but central to both.

Camp Andrew Bolton 2019-05-06 "Indeed, the essence of Camp is its love of the unnatural: of artifice and exaggeration." –Susan Sontag, 1964 Although an elusive concept, "camp" can be found in most forms of artistic expression, revealing itself to be a complex aesthetic that challenges the status quo. As an expression of the playful dynamics between high art and popular culture, fashion both embraces and flaunts such camp modes as irony, humor, parody, pastiche, artifice, theatricality, and exaggeration. Drawing from Susan Sontag's seminal 1964 essay "Notes on 'Camp'," this multifaceted publication presents the sartorial manifestations of the camp sensibility while contributing new theoretical and conceptual insights to the camp canon through texts and images. Stunning new photography by Johnny Dufort highlights works by exceptional fashion designers including Thom Browne, John Galliano, Jean Paul Gaultier, Marc Jacobs, Karl Lagerfeld, Alessandro Michele, Franco Moschino, Yves Saint Laurent, Jeremy Scott, Anna Sui, Gianni Versace, and Vivienne Westwood.

The Green Brain Frank Herbert 2002-09-16 In an overpopulated world seeking living room in the jungles, the International Ecological Organization was systematically exterminating the voracious insects which made these areas uninhabitable. Using deadly foamal bombs and newly developed vibration weapons, men like Joao Martinho and his co-workers fought to clear the green hell of the Mato Grosso. But somehow those areas which had been completely cleared were becoming reinfested, despite the impenetrable vibration barriers. And tales came out of the jungles . . . of insects mutated to incredible sizes . . . of creatures who seemed to be men, but whose eyes gleamed with the chitinous sheen of insects. . . . A fascinating examination of the fragile balance between consciousness, man and insect from one of the best-loved science fiction creators of all time. Histórias Afro-atlânticas Adriano Pedrosa 2018 In the most violent and uncertain times of its recent history, Brazil is revisiting the origins of its racial frictions: the slave trade. "Histórias afro-atlânticas" (Afro-Atlantic Histories) is a massive, 380-work survey of African, Latin American, and European art from the past five centuries, chronicling the largest diaspora in modern history. Nearly half of all Africans captured by slave traders were brought to Brazil, from the time the Portuguese arrived, in the 16th century,

all the way through the 21st century. The exhibition is a sequel to "Histórias mestiças" (Mestizo Histories), staged four years ago at the Instituto Tomie Ohtake, the cultural center that is also cohosting the current exhibition. Its scope is far-reaching, with pieces by colonial-era Dutch master Albert Eckhout and modern greats Théodore Géricault and Paul Cézanne, as well as contemporary art-world darlings Glenn Ligon, Kara Walker, and Hank Willis Thomas.

Leanne Benjamin Leanne Benjamin 2021-09-28 This autobiography by Leanne Benjamin with Sarah Crompton reveals the extraordinary life and career of one of the world's most important ballet dancers of the past fifty years. The book takes you behind the scenes to find a real understanding of the pleasure and the pain, the demands and the intense commitment it requires to become a ballet dancer. It is a book for ballet-lovers which will explain from Benjamin's personal point of view, how ballet has changed and is changing. It is a book of history: she was first taught by the people who created ballet in its modern form and now she works with the dancers of today, handing on all she has known and learnt. But it is also a book for people who are just interested in the psychology of achievement, how you go from being a child in small-town Rockhampton in the centre of Australia to being a power on the world's biggest stages -- and how an individual copes with the ups and downs of that kind of career. It is a story full of big names and big personalities -- Margot Fonteyn, Kenneth MacMillan, Mikhail Baryshnikov, Darcey Bussell, Carlos Acosta to name a few. President Clinton, Michelle Obama, Diana Princess of Wales and David Beckham all make an appearance. But it is also a book of small moments of insight: what makes a performance special, how you recover from injury, illness and childbirth; how you combine athletic and artistic prowess with motherhood, how a different partner can alter everything, what it is like to fall over in front of thousands of people and what it is like to triumph. Above all, it seeks to explain, in warm and human terms, why women get the reputation for being difficult in a world where being a good girl is too much prized. And what they can do about it.

Dance Theatre of Harlem Judy Tyrus 2021-10-26 From its modest beginnings in the 1960s in a Harlem church basement, to its meteoric rise to international fame, the Dance Theatre of Harlem ignited the world with one simple, still-revolutionary statement: All can do ballet. Into the 21st century, as the world, and the country, continue their historical struggles and triumphs, the story of this haven for dancers of all colors and backgrounds resonates more than ever. Here, for the first time, is the definitive portrait of the one-of-a-kind community dance company that reflected--and shaped--our times, and whose enduring principle continues to inspire the future. With exclusive backstage stories from its legendary dancers and staff, and unprecedented access to its archives, Dance Theatre of Harlem is a striking chronicle of the company's amazing history, its fascinating daily workings, and the visionaries who made its legacy. Here you'll discover how the company's founders--African-American maestro Arthur Mitchell of George Balanchine's New York City Ballet, and Nordic-American Karel Shook of The Dutch National Ballet--created timeless works that challenged Eurocentric mainstream ballet head-on--and used new

techniques to examine ongoing issues of power, beauty, myth, and the ever-changing definition of art itself. Gaining prominence in the 1970s and 80s with a succession of triumphs--including its spectacular season at the Metropolitan Opera House--the company also gained fans and supporters that included Nelson Mandela, Stevie Wonder, Cicely Tyson, Misty Copeland, Jessye Norman, and six American presidents. Dance Theatre of Harlem details this momentous era as well as the company's difficult years, its impressive recovery as it partnered with new media's most brilliant creators--and, in the wake of its 50th anniversary, amid a global pandemic, its evolution into a worldwide virtual performance space. Alive with stunning photographs, including many from the legendary Marbeth, this incomparable book is a must-have for any lover of dance, art, culture, or history.

The Toughest Show on Earth Joseph Volpe 2009-02-19 The Toughest Show on Earth is the ultimate behind-the-scenes chronicle of the divas and the dramas of New York's Metropolitan Opera House, by the remarkable man who rose from apprentice carpenter to general manager. Joseph Volpe gives us an anecdote-filled tour of more than four decades at the Met, an institution full of vast egos and complicated politics. With stunning candor, he writes about the general managers he worked under, his embattled rise to the top, the maneuverings of the blue-chip board, and his masterful approach to making a family of such artist-stars as Luciano Pavarotti, Placido Domingo, Teresa Stratas, and Renee Fleming, and such visionary directors as Franco Zeffirelli, Robert Wilson, and Julie Taymor. Intimate and frank, *The Toughest Show on Earth* is not only essential for music lovers, but for anyone who wants to understand the inner workings of the culture business.
