**Guiding Families of Lgbt+ Loved Ones** Bill Henson 2018-02-15 When LGBT+ loved ones come out, parents can experience shock. Fear and grief can disable their initial reaction. Emotions erupt. Hurtful words spill. Trust is damaged. Relationships become disconnected. Meanwhile, in the church, LGBT+ people often hear impossible hurdles and suspicion about their faith. One courageous disclosure can be met with a response that communicates, "I don't understand you" or "You are not welcome here." Guiding Families offers a relationally honoring, biblically sound path forward. It is being called "the single best resource" for parents and pastors when LGBT+ people come out. Author Bill Henson's heart for Guiding Families flows from over a decade of experience training church leaders and caring for LGBT+ people and their families. He is creator of Posture Shift, the leading training and consulting resource on LGBT+ inclusion and relational care in the conservative church.

**Pathfinders** Cecil Lewis 2021-02-08 Over the course of one night in 1942, the crew members of Wellington bomber 'P for Pathfinder' each reflect on the paths of their own lives, as they embark on a fateful mission deep into the heart of Nazi Germany.

**The Branch Davidians of Waco** Kenneth G. C. Newport 2006-04-13 What were the beliefs of the Branch Davidians? This is the first full scholarly account of their history. Kenneth G. C. Newport argues that, far from being an act of unfathomable religious insanity, the calamitous fire at Waco in 1993 was the culmination of a long theological and historical tradition that goes back many decades. The Branch Davidians under David Koresh were an eschatologically confident community that had long expected that the American government, whom they identified as the Lamb-like Beast of the book of Revelation, would one day arrive to seek to destroy God's remnant people. The end result, the fire, must be seen in this context.

**The End of Education** Neil Postman 2011-06-01 In this comprehensive response to the education crisis, the author of *Teaching as a Subversive Activity* returns to the subject that established his reputation as one of our most insightful social critics. Postman presents useful models with which schools can restore a sense of purpose, tolerance, and a respect for learning.

**Adventist Review** 2008

**Managerial Imperative and the Practice of Leadership in Schools, The** Larry Cuban 1988-01-01 With this significant new work, Larry Cuban provides a unique and insightful perspective on the bridging of the long-standing and well-known gap between teachers and administrators. Drawing on the literature of the field as well as personal experience, Cuban recognizes the enduring structural relationship within school organizations inherited by teachers, principals, and superintendents, and calls for a renewal of their sense of common purpose regarding the role of schooling in a democratic society. Cuban analyzes the dominant images (moral and technical), roles (instructional, managerial, and political), and contexts (classroom, school, and district) within which teachers, principals, and superintendents have worked over the last century. He concludes that when these powerful images and roles are wedded to the structural conditions in which schooling occurs,  managerial behavior  results, thus narrowing the potential for more thoughtful, effective, and appropriate leadership. Cuban then turns to consider this situation with respect to the contemporary movement for school reform, identifying significant concerns both for policymakers and practitioners. This honest, thought-provoking book by a leading scholar, writer, and practitioner in the field represents an invaluable resource  an insightful introduction for those just entering the field and a fresh, new perspective for those long-familiar with its complexities. Cuban  s ethnographic approach to the development of his own career and viewpoint, as well as his highly readable style, make this a work of lasting value.

**Getting Excited about Global Mission** Dorothy Eaton Watts 1989-01-01

**Christ's Object Lessons** Ellen G. White 1969

**Religion, Welfare and Social Service Provision** Robert Wineburg 2019-04-16 *Religion, Welfare, and Social Service Provision: Common Ground* delves deeply into the partnerships forged between religious communities, government agencies and nonprofits to deliver social services to the needy. These pages offer a considered examination of how local faith entities have served those in their midst, and how the provision of those services has been impacted by evolving social policies. This foundational volume brings together the work of more than two dozen leading researchers, each providing long overdue scholarly inquiry into

religiously affiliated helping and the many possibilities that it holds for effective cooperation.

Growing Young Kara Powell 2016-09-20 Unleashing the Passion of Young People in Your Church Is Possible! Churches are losing both members and vitality as increasing numbers of young people disengage. Based on groundbreaking research with over 250 of the nation's leading congregations, *Growing Young* provides a strategy any church can use to involve and retain teenagers and young adults. It profiles innovative churches that are engaging 15- to 29-year-olds and as a result are growing--spiritually, emotionally, missionally, and numerically. Packed with both research and practical ideas, *Growing Young* shows pastors and ministry leaders how to position their churches to engage younger generations in a way that breathes vitality, life, and energy into the whole church. Visit [www.churchesgrowingyoung.org](http://www.churchesgrowingyoung.org) for more information.

**Experiencing God Through Prayer** Madame Guyon 2010-11 Esteemed as one of the greatest Christian works in history, this book effectively explains short and easy methods of prayer for those who hunger and thirst after God's presence.

The Jesus Effect Dennis E. Hensley 1991

**The Power of Multisensory Preaching and Teaching** Rick Blackwood 2009-05-26 Most preaching and teaching in the church engages only one of the senses—hearing. In *The Power of Multisensory Preaching and Teaching*, Rick Blackwood shows how recognizing and engaging the multiple senses of the congregation can lead to greater impact. Blackwood presents both biblical evidence and scientific research showing that the more senses we stimulate in teaching and preaching, the greater the levels of learner attention, comprehension, and retention. Blackwood addresses both the “why” and the “how” of multisensory communication. Regardless of one’s current skill level, this practical book can help anyone add multi-sensory elements to messages in order to take communication to the next level—more compelling, clear, and memorable. As a result of reading this book readers can be more effective as a communicator and teacher. The book includes tools, examples, and worksheets.
