Determined not to let another man hurt her, she even ordered a .38 caliber handgun after an argument with her latest boyfriend almost turned violent. Now she carries it everywhere, just in case. My Dark Vanessa Kate Elizabeth Russell 2020-03-10 INSTANT NEW YORK TIMES BESTSELLER "[An] exceedingly complex, inventive, resourceful examination of harm and power." –The New York Times Book Review, Editors' Choice "A lightning rod . . . brilliantly crafted." –The Washington Post A most anticipated book by The New York Times • USA Today • Entertainment Weekly • Marie Claire • Elle • Harper's Bazaar • Bustle • Newsweek • New York Post • Esquire • Real Simple • The Sunday Times • The Guardian Exploring the psychological dynamics of the relationship between a precocious yet naïve teenage girl and her magnetic and manipulative teacher, a brilliant, all-consuming read that marks the explosive debut of an extraordinary new writer. 2000. Bright, ambitious, and yearning for adulthood, fifteen-year-old Vanessa Wye becomes entangled in an affair with Jacob Strane, her magnetic and guileful forty-two-year-old English teacher. 2017. Amid the rising wave of allegations against powerful men, a reckoning is coming due. Strane has been accused of sexual abuse by a former student, who reaches out to Vanessa, and now Vanessa suddenly finds herself facing an impossible choice: remain silent, firm in the belief that her teenage self willingly engaged in this relationship, or redefine herself and the events of her past. But how can Vanessa reject her first love, the man who fundamentally transformed her and has been a persistent presence in her life? Is it possible that the man she loved as a teenager—and who professed to worship only her—may be far different from what she has always believed? Alternating between Vanessa's present and her past, *My Dark Vanessa* juxtaposes memory and trauma with the breathless excitement of a teenage girl discovering the power her own body can wield. Thought-provoking and impossible to put down, this is a masterful portrayal of troubled adolescence and its repercussions that raises vital questions about agency, consent, complicity, and victimhood. Written with the haunting intimacy of *The Girls* and the creeping intensity of *Room*, *My Dark Vanessa* is an era-defining novel that brilliantly captures and reflects the shifting cultural mores transforming our relationships and society itself.

30-Second Politics Steven L. Taylor 2012-06-01 You may be OK with standard stuff like Conservatism and Democracy, but do you really know what Patrimonialism is? And what about Oligarchy? Anarcho-syndicalism? Politics is, we are willing to bet, the most passionately argued-over subject matter, and yet how many of us flounder around in confrontational debates because we have no grip on political theory, just a vague notion that they are all out to get us? *30-Second Politics* will help dispel this fog mistrust and paranoia. It challenges political theorists of all colors to come up with no-frill, no-spin, tell-it-like-it-is explanations of the 50 most important political -isms, -archies, and -ocracies that have pertained since the time of Periclean Athens. At no public expense, the book explains each political theory in nothing more than two pages, 300 words, and some propaganda-style imagery, for we all know that a picture opportunity is worth a thousand words of dull interview.

Hoodoo Voodoo Brouhaha Matt Groening 2006 Matt Groening, the toastmaster of trick or treat, offers up a ghastly good time of Halloween howl-arity based on the especially popular anthology episodes of the TV series. Matt Groening whips up a witches' brouhaha of haunted clown cars, possessed cereal boxes, haunted hospitals, afterlife-binding cocktail napkin IOUs, ring-driven fellowships, neighbourly vampires and costumed comic book guys. Add a revenge-filled bottle of Amontillado, and a rippingly good yarn from merry and bloody olde England, and you have a pleasingly putrid and asphxiatingly amusing tome of tonsil-tickling terror from The Simpsons.
