If you are a novice communicator, it will help you overcome obstacles and convey your message with confidence, poise, and persuasiveness.

Voicing the Vision Linda L. Clader 2004-01-01 For more than a decade popular homiletics professor Linda Clader has been helping her students become attentive to how the Holy Spirit is speaking to them, and eventually through them to the congregation. In Voicing the Vision she shares her ideas about what preachers can do to be open and receptive to the Spirit once the exegesis is done. Clader's approach to inspired and prophetic preaching is a holistic one, filled with suggestions about how the preacher's spiritual life and practice affect openness to the Spirit, as well as how various creative exercises can create spaces in which the Spirit can flourish. Her careful analysis of the biblical texts that illuminate how the Spirit works in those texts is supplemented by practical suggestions for noticing how the Spirit also works in the everyday life of preacher and congregation. This book will be a welcome companion for the seminarian who is just learning to preach, as well as the seasoned preacher who is looking for new inspiration. Linda Clader is Professor of Homiletics and Dean of Academic Affairs at the Church Divinity School of the Pacific in Berkeley, California.

Religion for Atheists Alain De Botton 2012-03-06 From the author of The Architecture of Happiness, a deeply moving meditation on how we can still benefit, without believing, from the wisdom, the beauty, and the consolatory power that religion has to offer. Alain de Botton was brought up in a committedly atheistic household, and though he was powerfully swayed by his parents' views, he underwent, in his mid-twenties, a crisis of faithlessness. His feelings of doubt about atheism had their origins in listening to Bach's cantatas, were further developed in the presence of certain Bellini Madonnas, and became overwhelming with an introduction to Zen architecture. However, it was not until his father's death -- buried under a Hebrew headstone in a Jewish cemetery because he had intriguingly omitted to make more secular arrangements -- that Alain began to face the full degree of his ambivalence regarding the views of religion that he had dutifully accepted. Why are we presented with the curious choice between either committing to peculiar concepts about immaterial deities or letting go entirely of a host of consoling, subtle and effective rituals and practices for which there is no equivalent in secular society? Why do we bristle at the mention of the word "morality"? Flee from the idea that art should be uplifting, or have an ethical purpose? Why don't we build temples? What mechanisms do we have for expressing gratitude? The challenge that de Botton addresses in his book: how to separate ideas and practices from the religious institutions that have laid claim to them. In Religion for Atheists is an argument to free our soul-related needs from the particular influence of religions, even if it is, paradoxically, the study of religion that will allow us to rediscover and rearticulate those needs.

The Pastor's Kid Barnabas Piper 2020-01-06 Advice on how to care for pastors' kids and allow them to find their own faith and identity. Pastors' kids are often burdened by others' expectations, but there is a wonderful solution, both at home and in the church: grace. In this revised, refreshed version of Barnabas Piper's best-known book, the author candidly shares his own experiences as son of pastor and bestselling author John Piper, offering a challenge to our churches and to the families at their very heart: how to care for pastors' kids and allow them to find their own faith and identity. Foreword by John Piper.

Those Episkopols Dennis R. Maynard 1994 The Episcopal Church is known as the "thinking person's religion" to those of us that love her. It is a Church solidly grounded in scripture, tradition, and reason. In this best selling book Doctor Maynard explains why it is also a Church that will not accept simplistic answers to complex questions. With humor and insight he answers some of the following questions and

others frequently asked by inquirers. Why do Episcopalians read their prayers? Does God like all that ritual? Can you believe anything you want and be an Episcopalian? Why do Episcopalians reject Biblical Fundamentalism? The inquirer will finish the book with a better understanding of The Episcopal Church. Those that are already members will have the reasons they became Episcopalians warmly confirmed. The author gently reminds all readers that if you don't feel good enough to go to any other church, The Episcopal Church welcomes you!

The Gospel According to John D. A. Carson 1991 This commentary seeks above all to explain the text of John's Gospel to those whose privilege and responsibility it is to minister the Word of God to others, to preach and to lead Bible studies. I have tried to include the kind of information they need to know, but to do so in such a way that the informed layperson could also use the work in personal study of the Bible, exclusively for purposes of personal growth in edification and understanding. In particular, I have attempted: (1) To make clear the flow of the text. (2) To engage a small but representative part of the massive secondary literature on John. (3) To draw a few lines towards establishing how the Fourth Gospel contributes to biblical and systematic theology. (4) To offer a consistent exposition of John's Gospel as an evangelistic Gospel. - Preface.

Don't Give the Enemy a Seat at Your Table Louie Giglio 2021-05-11 Publishers Weekly bestseller Discover how to break free from the chains of negative thinking and experience true freedom from unhealthy thoughts and emotions. The Enemy is constantly seeking to fill your mind with destructive and harmful thoughts—whether of fear, worry, insecurity, anxiety, temptation, envy. . . . It's all too easy for Satan to manipulate his way into a seat at the table intended for only you and Jesus, and to try making himself at home in your mind. It's an ongoing battle, but one you can win! In *Don't Give the Enemy a Seat at Your Table*, bestselling author and pastor Louie Giglio shares practical ways to overcome the Enemy's lies and instead find peace and security in any challenging circumstance or situation. By drawing from Psalm 23 as a framework, he offers biblical insight on how to . . . Cancel the lies that will wreck your life. Take empowering steps to live fully alive in Christ. Stop the spiral of shame, temptation, and insecurity. Restore peace and rest in your life. Embrace the true purpose behind your journey through challenging circumstances. Break free from the endless cycle of destructive thinking. You can find freedom from the war inside your mind—if you allow Jesus, the Good Shepherd, to lead the battle. Learn how to find encouragement, hope, and strength no matter what valleys you face. It's time to reject the lies and listen to the truth.

Memoirs of an Ordinary Pastor D. A. Carson 2008-02-05 D. A. Carson's father was a pioneering church-planter and pastor in Quebec. But still, an ordinary pastor—except that he ministered during the decades that brought French Canada from the brutal challenges of persecution and imprisonment for Baptist ministers to spectacular growth and revival in the 1970s. It is a story, and an era, that few in the English-speaking world know anything about. But through Tom Carson's journals and written prayers, and the narrative and historical background supplied by his son, readers will be given a firsthand account of not only this trying time in North American church history, but of one pastor's life and times, dreams and disappointments. With words that will ring true for every person who has devoted themselves to the Lord's work, this unique book serves to remind readers that though the sacrifices of serving God are great, the sweetness of living a faithful, obedient life is greater still.

Knowable Word Peter Krol 2014-05-01 Observe...Interpet...Apply People with Bibles don't always know how to use them. They're good at absorbing and repeating material from sermons, commentaries, and blogs, but they miss the fullness and joy that comes from studying the Bible for themselves. The power to change the world is available, but it goes untapped. Though study aids are helpful, imagine if your primary ministry curriculum was Scripture itself. You could study the Bible, teach people how to study it themselves, and expect those folks to lead their own Bible studies with their neighbors, coworkers, and friends. Each year, you'd see an increasing number of men and women wield the sword of the Spirit, piercing hearts and drawing the lost to Jesus. Ordinary people can learn to study the Bible. These people may not have been to seminary. They don't have much free time. But they love Jesus and want to be more like him. They want to know him. Knowable Word offers a foundation on why and how to study the Bible. Using a running study of the first chapter of Genesis, it illustrates how to observe, interpret, and apply the Scripture-and gives the vision behind each step. It also shows how to read each Bible passage in light of salvation history. But besides being just a how-to on Bible study, it fuels the desire to learn and grow through studying the Scriptures. This book will appeal to three kinds of people: 1. Beginners who love God and his Word 2.Mature Christians who want to improve their Bible study skills 3.Leaders who long not only to teach but also to equip Knowable Word offers what each group needs: a sensible Bible study method. By learning to observe, interpret, and apply, ordinary people will grow extraordinarily close to Jesus Christ as they learn to study his knowable Word.

Glory Road Anthony J. Carter 2009-06-17 Ten African-American leaders in the church tell their stories of how they embraced Reformed theology and what effect it has had on their lives and ministries. The ten men who have contributed to this book are often asked, "How did you come to embrace Reformed theology?" With the recent surge in popularity of Reformed theology in the broader evangelical world and the growing interest among African-Americans, it shouldn't seem curious that more and more African-American churchmen are embracing Reformed theology. But the question remains, and *Glory Road* provides an answer, using personal accounts tracing their conversion to Christianity, their introduction to and embrace of Reformed theology, and this theology's effect on their lives and ministries. Ultimately, *Glory Road* is about the glory of God in providentially bringing men and women to the truths of salvation. In addition to the book's editor, Anthony J. Carter, *Glory Road* includes contributions from such notable pastors as Thabiti Anyabwile, Ken Jones, Michael Leach, and Eric Redmond.

Amusing Ourselves to Death Neil Postman 2005-12-27 What happens when media and politics become forms of entertainment? As our world begins to look more and more like Orwell's 1984, Neil's Postman's essential guide to the modern media is more relevant than ever. "It's unlikely that Trump has ever read *Amusing Ourselves to Death*, but his ascent would not have surprised Postman." -CNN Originally published in 1985, Neil Postman's groundbreaking polemic about the corrosive effects of television on our politics and public discourse has been hailed as a twenty-first-century book published in the twentieth century. Now, with television joined by more sophisticated electronic media—from the Internet to cell phones to DVDs—it has taken on even greater significance. *Amusing Ourselves to Death* is a prophetic look at what happens when politics, journalism, education, and even religion become subject to the demands of entertainment. It is also a blueprint for regaining control of our media, so that they can serve our highest goals. "A brilliant, powerful, and important book. This is an indictment that Postman has laid down and, so far as I can see, an irrefutable one." -Jonathan Yardley, *The Washington Post Book World*

Using interviews and surveys of more than one thousand women in key church and organizational roles, *Developing Female Leaders* is a one-of-a-kind resource for identifying what is missing today in your church to help it flourish in the future.

Think Again Adam Grant 2021-02-02 #1 New York Times Bestseller "THIS. This is the right book for right now. Yes, learning requires focus. But, unlearning and relearning requires much more—it requires choosing courage over comfort. In *Think Again*, Adam Grant weaves together research and storytelling to help us build the intellectual and emotional muscle we need to stay curious enough about the world to actually change it. I've never felt so hopeful about what I don't know." —Brené Brown, Ph.D., #1 New York Times bestselling author of *Dare to Lead* The bestselling author of *Give and Take* and *Originals* examines the critical art of rethinking: learning to question your opinions and open other people's minds, which can position you for excellence at work and wisdom in life Intelligence is usually seen as the ability to think and learn, but in a rapidly changing world, there's another set of cognitive skills that might matter more: the ability to rethink and unlearn. In our daily lives, too many of us favor the comfort of conviction over the discomfort of doubt. We listen to opinions that make us feel good, instead of ideas that make us think hard. We see disagreement as a threat to our egos, rather than an opportunity to learn. We surround ourselves with people who agree with our conclusions, when we should be gravitating toward those who challenge our thought process. The result is that our beliefs get brittle long before our bones. We think too much like preachers defending our sacred beliefs, prosecutors proving the other side wrong, and politicians campaigning for approval--and too little like scientists searching for truth. Intelligence is no cure, and it can even be a curse: being good at thinking can make us worse at rethinking. The brighter we are, the blinder to our own limitations we can become. Organizational psychologist Adam Grant is an expert on opening other people's minds--and our own. As Wharton's top-

rated professor and the bestselling author of *Originals* and *Give and Take*, he makes it one of his guiding principles to argue like he's right but listen like he's wrong. With bold ideas and rigorous evidence, he investigates how we can embrace the joy of being wrong, bring nuance to charged conversations, and build schools, workplaces, and communities of lifelong learners. You'll learn how an international debate champion wins arguments, a Black musician persuades white supremacists to abandon hate, a vaccine whisperer convinces concerned parents to immunize their children, and Adam has coaxed Yankees fans to root for the Red Sox. *Think Again* reveals that we don't have to believe everything we think or internalize everything we feel. It's an invitation to let go of views that are no longer serving us well and prize mental flexibility over foolish consistency. If knowledge is power, knowing what we don't know is wisdom.

Preparing Expository Sermons Ramesh Richard 2001-11-01 "The Bible is what God has made. Sermons are what we make with what God has made." This is the foundation for developing expository messages, according to Ramesh Richard. His method, explained in *Preparing Expository Sermons*, has been field-tested in training seminars for thousands of preachers around the world. Richard's book is a simple do-it-yourself resource for developing and preaching expository sermons. It guides the reader through a seven-step process, with many practical suggestions and illustrative charts along the way. In addition, there are eleven appendixes that include information on: o how to choose a text o preaching narratives o understanding your audience o forms of sermon introduction A comprehensive sermon evaluation questionnaire is included as well. *Preparing Expository Sermons*, an updated and expanded version of *Scripture Sculpture*, is ideal for beginning preachers, lay preachers without formal training, or any pastor who is looking for a refresher course in expository sermon preparation.

23 Minutes in Hell Bill Wiese 2017-05-02 New York Times Best Seller and Over 1 million copies sold! He saw the searing flames of hell, felt total isolation, smelled the putrid and rotting stench, heard deafening screams of agony, and experienced terrorizing demons. Finally the strong hand of God lifted him out of the pit. This expanded anniversary edition includes more than 150 Bible verses referencing hell for further study. Also included is the new section, "Wrestling With the Big Questions" where Bill answers these and many others questions: Why do some people who have a near-death experience see a bright light? Will those who never heard about Jesus go to hell? Is hell eternal, or are those in hell simply annihilated?

The Elements of Great Public Speaking J. will be immune to the charm - and power - of Colin Bird's wise and wildly original -how-to- for those who find themselves face-to-face with the great inevitable, DEATH: WHAT NOT TO SAY. Think Paulo Coelho, if Coelho ever had to sleep in his car, or make his living as a Nursing Home Chaplain. Colin Bird's brand of street-level pragmatism on matters of compassion and mortality is as massively refreshing as it is on-the-ground useful for anyone trying to be there for suffering friends and loved ones. They should pass this book out in hospitals and funeral homes, or stick in hotel nightstands instead of bibles. It's a lot more useful - and a much better read. DEATH: WHAT NOT TO SAY is a fearless, heartfelt, and utterly invaluable handbook for anyone who isn't dead, but knows a few people who are - or are about to be.- -Jerry Stahl, Screenwriter and LA Times bestselling author: I, Fatty; Permanent Midnight -Colin Bird serves up his own brand of commentary in DEATH: What Not To Say. Supremely witty yet cuttngly honest, a richly worded yarn from a man that's seen the losing side of life and ran from it. Couldn't put it down.- -Dean Karnazes, Ultramarathoner and New York Times bestselling author -As a licensed therapist for 16 years I've seen a lot of grieving souls. Grief is no respecter of persons. It touches everyone. And it's relentless. People die and we can't stop it. People grieve and we can't stop it. But stopping it isn't really the goal, loving through it is. That's the message of Colin Bird's book, -Death: What Not to Say-. There are a myriad of books on grief written by professionals. We know what to say and what not to say. We know what to expect, how to listen well, and why honoring someone's grief is so delicate and crucial. We've had lots of practice. But approaching a Griever well is just not easily taught. We professionals were beginners once. True proficiency has come from trial and error. And honestly, grief filling up my living room is different from grief sitting in my office... so very different. Not because of the grief, but the relationship between me and the Griever. That's one of the reasons I love this book. Written in the style of an artist, -Death: What Not to Say- is a conversation with a man who has experienced pain, excruciating, life-altering, soul-searching pain. Not just his, but others'. He's walked his own grief journey and accompanied others on theirs. Filled with stories that raise your ire, melt your heart, and convict you to the core, Colin's words are raw, real and refreshing. Hopefully, readers will never look at a Grieving person the same. And if they follow these basic steps, they will truly approach with confidence.- -Carrie P Bussmann, LCPC Licensed Clinical Professional Counselor; Owner/Director Truth in Love Counseling, Normal IL -A wake up call intent on forcing the -helpers- to grow up. This work is something long overdue. PAY ATTENTION to the wisdom found in this bright young genius. Take notes. Trust me on this... THERE WILL BE A TEST.- -Geoff Thurman, DOVE Award-winning Singer/Songwriter, Pastor, Counselor -What you get is an unexpected, rich and fun (yes, you read that right) celebration of life. It seems that Colin Bird was bathed into the kind of holy water that makes people natural healers. The kind who knows that deepest truth, but doesn't preach it, he shares it.- -Simone Bartesaghi, Professor UCLA, Director, Writer, Author of The Director's Six Senses
