No More Teaching a Letter a Week Rebecca McKay 2015 "Letter-a-week" may be a ubiquitous approach to teaching alphabet knowledge, but that doesn't mean it's an effective one. In *No More Teaching a Letter a Week*, early literacy researcher Dr. William Teale helps us understand that alphabet knowledge is more than letter recognition, and identifies research-based principles of effective alphabet instruction, which constitutes the foundation for phonics teaching and learning. Literacy coach Rebecca McKay shows us how to bring those principles to life through purposeful practices that invite children to create an identity through print. Children can and should do more than glue beans into the shape of a "B"; they need to learn how letters create words that carry meaning, so that they can, and do, use print to expand their understanding of the world and themselves.

Through a letter written from the teacher's point of view, the class is invited to reflect back on memories made, connections formed, and challenges met. The letter expresses how proud their teacher is of them, and how much they will be missed. Students will also leave on that last day knowing that their teacher is cheering them on for all of the exciting things to come in the future. There is a blank space on the last page for teachers to sign their own name, so that students know that the letter in the book is coming straight from them. Oaxaca al Gusto Diana Kennedy 2011-12-01 No one has done more to introduce the world to the authentic, flavorful cuisines of Mexico than Diana Kennedy. Acclaimed as the Julia Child of Mexican cooking, Kennedy has been an intrepid, indefatigable student of Mexican foodways for more than fifty years and has published several classic books on the subject, including *The Cuisines of Mexico* (now available in *The Essential Cuisines of Mexico*, a compilation of her first three books), *The Art of Mexican Cooking*, *My Mexico*, and *From My Mexican Kitchen*. Her uncompromising insistence on using the proper local ingredients and preparation techniques has taught generations of cooks how to prepare—and savor—the delicious, subtle, and varied tastes of Mexico. In *Oaxaca al Gusto*, Kennedy takes us on an amazing journey into one of the most outstanding and colorful cuisines in the world. The state of Oaxaca is one of the most diverse in Mexico, with many different cultural and linguistic groups, often living in areas difficult to access. Each group has its own distinctive cuisine, and Diana Kennedy has spent many years traveling the length and breadth of Oaxaca to record in words and photographs "these little-known foods, both wild and cultivated, the way they were prepared, and the part they play in the daily or festive life of the communities I visited." *Oaxaca al Gusto* is the fruit of these labors—and the culmination of Diana Kennedy's life's work. Organized by regions, *Oaxaca al Gusto* presents some three hundred recipes—most from home cooks—for traditional Oaxacan dishes. Kennedy accompanies each recipe with fascinating notes about the ingredients, cooking techniques, and the food's place in family and communal life. Lovely color photographs illustrate the food and its preparation. A special feature of the book is a chapter devoted to the three pillars of the Oaxacan regional cuisines—chocolate, corn, and chiles. Notes to the cook, a glossary, a bibliography, and an index complete the volume. An irreplaceable record of the infinite world of Oaxacan gastronomy, *Oaxaca al Gusto* belongs on the shelf of everyone who treasures the world's traditional regional cuisines.

KINDergarten Vera Ahiyya 2022-06-21 Written by kindergarten teacher and Instagram influencer affectionately known as the Tutu Teacher, comes a picture book about a class that creates a kindness pledge to ensure that their class is the kindest it can possibly be. It's the first day of Kindergarten and Leo isn't at all ready. Leo is a quiet kid and would prefer to stay home. Over the summer, his new teacher, Ms. Perry sent a letter asking her students to think about how to show kindness in school. She explained that they would be making a kindness pledge, and each student should bring one way to show kindness on the first day. As it turns out, Leo's classmates have lots of ideas about kindness: like raising your hand, never leaving

anyone out, and apologizing if you hurt someone's feelings. At the end of the first day, Ms. Perry asks if anyone witnessed something they'd like her to add to the kindness pledge? Lots of hands shoot up in the air. Several classmates say they noticed Leo returning crayons to the box, holding the door for everyone, and helping a friend who fell. Leo smiles as he realizes he really does know a lot about kindness after all. A story reassuringly told by Vera Ahiyya and brought to exuberant life by illustrator Joey Chou, this story about a classroom coming together to make a kindergarten into a KINDergarten is sure to calm the nerves—and offer inspiration—to new kindergartners and the adults in their lives.
