Moving On---Moving Forward Michael Anthony 2009-05-26 For most pastors and church staff members, gone are the days of serving at the same church for twenty or thirty years. What's more, the landscape of pastoral hiring has changed, with the advent of more sophisticated search committees, the Internet, and professional search firms. But the fine art of changing churches or moving to a new career isn't something most of us learned in seminary. Whether you are searching for your first position or are a seasoned veteran wrestling with if, when, and how to move on, *Moving On, Moving Forward* will help you navigate the ins and outs of the ministry employment maze. Based on research with nearly 200 pastors who themselves have gone through transitions in ministry, this book uniquely addresses the needs of people in ministry. It deals with the crucial and sometimes painful emotional and familial issues involved in ministry transition. And it is immensely practical and informed by many real-life examples. Topics covered include dealing with search committees, writing a letter of resignation, preparing a resume, negotiating compensation, and more. Includes charts and worksheets.

Debating the Faith: Religion and Letter Writing in Great Britain, 1550-1800

Anne Dunan-Page 2012-11-05 The first book to address the role of correspondence in the study of religion, *Debating the Faith: Religion and Letter Writing in Great Britain, 1550-1800* shows how letters shaped religious debate in early-modern and Enlightenment Britain, and discusses the materiality of the letters as well as questions of form and genre. Particular attention is paid to the

contexts in which letters were composed, sent, read, distributed, and then destroyed, copied or printed, in periods of religious tolerance or persecution. The opening section, 'Protestant identities', examines the importance of letters in the shaping of British protestantism from the underground correspondence of Protestant martyrs in the reign of Mary I to dissident letters after the Act of Toleration. 'Representations of British Catholicism', explores the way English, Irish and Scottish Catholics, whether in exile or at home, defined their faith, established epistolary networks, and addressed political and religious allegiances in the face of adversity. The last part, 'Religion, science and philosophy', focuses on the religious content of correspondence between natural scientists and philosophers.□

How To Accept A Church Dr. Roy Wade, Sr. 2004-03-24 The author's purpose for writing this book is to help young ministers who are seeking to pastor their first church. There are many young ministers who don't know the procedures for accepting a church. Therefore, the author has penned those procedures from the Called into the Ministry to the First two years of the Pastorate. There are many books for the young minister that address what to do once the church calls a pastor, but there are very few books that give instructions on what to do in order to acquire a church. This book not only focuses on the young ministers, but also may be helpful for the veteran preachers who have been in the ministry for some period of time never pastoring a church. The author covers eight chapters in this book: I. The Call To The Ministry 1)The pastoral ministry is a calling 2)What is meant by the called II. Pray For Spiritual Guidance 1)The aspiration to pastor 2)Personality acceptance 3)The importance of mentoring III. Submitting A Resume/Philosophy Of Ministry/Be Professional 1)The letter of intention 2)Things to submit to the pastoral search committee 3)Example of a

complete (pastor's) resume 4)A concept of leadership 5)The visionary/philosophy of ministry statement IV. The Pastoral Interview 1)How to dress/what to do in an interview 2)The two types of interviews 3)The personal application 4)Questions for pastoral search committee V. The Invitation To Preach 1)You have made it pass the interview process 2)What to preach 3)How should you dress 4)Who will accompany you to the church VI. The Pastor's Compensation 1)Negotiating the pastor's salary VII. The Letter Of Acceptance 1)I will accept the position of pastor 2)Sample letter of acceptance VIII.The First Two Years At Your New Church 1)The honeymoon years 2)The do's and don'ts of the new pastor 3)The installation service 4)Sample of a pastoral installation service 5)Can you produce 6)Ministering to the needs of the people 7)The new pastor relating to his board of directors 8)How do you handle troublemakers 9)Preaching that get results 10)The pastor compared to another pastor 11)The days of trouble for the pastor 12)The pastor being an example to his congregation 13)The pastor and funerals 14)The counseling ministry of the pastor 15)The counseling rules for the pastor 16)How to properly resign a church 17)Sample letter of resignation 18)The final rewards for the pastor It is the author's prayer that those who read this book will gain some knowledge about how to accept a church. May the blessing of the Lord Jesus Christ be with you! Grace, Love, and Peace, Roy Wade, Sr., D.Min.

Church Coup Jim Meyer 2013-03-01 Conflict in churches has reached epidemic levels. With 1,500 pastors leaving ministry every month - many being forced out involuntarily - Jesus' church is increasingly losing trained, impactful leaders. Such clashes damage pastors, their families, and congregations alike. While many Christian leaders are aware of this issue, most have chosen to maintain silence rather than combat this problem. Church Coup is the firsthand account of a seasoned pastor who experienced a devastating conflict. He exposes why such struggles occur while suggesting biblical, concrete solutions for their resolution. "This book should be read by every pastor and church board member and every lay leader. The story is compelling, and the lessons are critical." Dave Rolph, senior pastor, Calvary Chapel Pacific Hills, Aliso Viejo, California and teacher on the nationally-syndicated radio program The Balanced Word "With candor and balance, Jim outlines a godly approach to handling the heartbreak of a ministry divided. A must read for anyone who is in the midst of considering letting a pastor go." Kathi Lipp, author and speaker "Jim has been willing to be transparent about his experience so that others in the work of the church will read this, learn from it, and act differently." Dale Frimodt, founder and director of Barnabas Ministries, Omaha, Nebraska "I encourage you to read the book carefully and to recommend it to other ministers as well as key church leaders who can make a difference." Charles H. Chandler, executive director, Ministering to Ministers Foundation, Inc., Richmond, Virginia A pastor for more than 35 years, Jim is the founder of Restoring Kingdom Builders, a 501(c)(3) organization designed to prevent and resolve church conflict biblically. A graduate of Biola University (B.A.), Talbot School of Theology (M.Div.) and Fuller Seminary (D.Min.), Jim and his wife Kim live in Southern California.

Why Catholics Cannot Be Masons John Salza 2008-09-15 Many good Catholic men have been deceived into becoming Masons. In this powerful little book, a Catholic attorney and former 32nd degree Mason, John Salza, clearly shows why joining Masonry (including the Shriners) means embracing a false religion. Explains Masonic doctrines, history, rituals, oaths and curses, showing that Masonry is totally incompatible with Christianity and the Catholic Faith. Who is the god of Freemasonry? How does Freemasonry view the Holy Bible? What are the self-curses of Freemasonry? Why does Freemasonry appear to be compatible with the Christian Faith? What have the Popes said about Freemasonry? Are "Catholic Masons" excommunicated? How does a Catholic exit Freemasonry? Packed with facts and very well documented, *Why Catholics Cannot Be Masons* is a brief but potent revelation by a man who has been there - and then returned to the One True Faith.

House of Faith House of Cards Eric N. Davis 2010-05-21 "Concise. Vivid. Honest." - Dan Barker, critically acclaimed author of 'Godless' and 'Losing Faith in Faith' "Brutally honest, insightful, and compelling storytelling." - Lyndon Lamborn, author of 'Standing for Something More' When a young couple searched for clues connecting them to a famous ancestor, their journey led them on a path they never expected – converting to Mormonism. *House of Faith House of Cards* tells the turbulent life story of their son, Eric, including all the typical Mormon experiences, and some extraordinary episodes no Mormon will ever encounter. He participated with family members in his first secret temple ritual – normally reserved for adults – at the age of four, only to be excluded from a similar ceremony, involving his family, thirteen years later. In 1857, a company of 120 immigrants set out from a small Arkansas town, toward California. In a tragic twist of fate, they never reached their destination. While encamped in southern Utah, local Mormons and Paiute Indians launched an ambush, brutally slaughtering the group, in what became known as the Mountain Meadows massacre. 125 years later, Eric would be raised as a Mormon in the same Arkansas community where this wagon train initially departed. There, he learned just how much some people still despised that faith. While training for and serving a church mission in Canada, in the mid-1990s, Eric shared a room and became acquainted with a fellow missionary named Mark Hacking. Less than a decade later, when the disappearance and murder of Hacking's wife became highly publicized, several international media outlets approached Eric, searching for any juicy detail of the man's troubled past. These stories are just the tip of the iceberg.

Nazarene embraces American attachments to democratic rule, individual initiative, efficiency, and a strong sense of responsibility as "a city on a hill." It is also present in more than 150 world areas. These attributes are reflected in the astounding story of one of the founders of the denomination, H. F. Reynolds, who has been long hidden in the shadow of his early colleague, Phineas Bresee. While the church points to Bresee as its founding father, Reynolds lived and served for an additional two decades following Bresee's death, shaping the role of the General Superintendency, clarifying and expanding the church's Manual to meet the needs of the growing denomination, and establishing mission policies and practices that took it from a US church to a global presence. Reynolds maintained a lively devotion to Christ as he survived train wrecks, war, dread disease, and the sheer volume of meetings, correspondence, and explosive scandal that came with the nurturing of a new church. His vision and methods have profoundly influenced a denomination that does not know his name. This volume is designed to make the introduction.

Why Our Teenagers Leave the Church Roger L. Dudley 2000 Between 40 and 50 per cent of Adventist youth leave the church in their 20s. Why? How can we keep them? How can we win them back? This book is the culmination of a magnificent obsession. For more than ten years Roger Dudley traced the lives of 1500 teenagers as they grew up and, often, grew disillusioned. Refusing to let them leave in peace, Dudley bombarded them with questionnaires. Many of them answered. This is their story. Dudley puts faces on the statistics by focusing in on individual case studies. He cites the heart-wrenching testimony of desperately lonely people surrounded by uncaring members. They want to belong, to be needed, to be heard, to be loved. They made some mistakes. We share their pain and their dreams, and feel the dissonant cadences of their troubled hearts. Some who never left explain what kept them in the church. Many who left

want to return. "Without God, life is hell," wrote one. If you want to know what the youth of your church are not telling you, read this book. It includes the responses of a group of kids who were asked to design the ideal church, and an appendix explaining the causes of "adolescent heresy," the conflict spawned by the teenage struggle for autonomy.

Gaining By Losing J.D. Greear 2015-07-28 People are leaving the church J.D. Greear pastors. Big givers. Key volunteers. Some of his best leaders and friends. And that's exactly how he wants it to be. When Jesus gave his disciples the Great Commission, he revealed that the key for reaching the world with the gospel is found in sending, not gathering. Though many churches focus time and energy on attracting people and counting numbers, the real mission of the church isn't how many people you can gather. It's about training up disciples and then sending them out. The true measure of success for a church should be its sending capacity, not its seating capacity. But there is a cost to this. To see ministry multiply, we must release the seeds God has placed in our hands. And to do that, we must ask ourselves whether we are concerned more with building our kingdom or God's. In *Gaining By Losing*, J.D. Greear unpacks ten plumb lines that you can use to reorient your church's priorities around God's mission to reach a lost world. The good news is that you don't need to choose between gathering or sending. Effective churches can, and must, do both.

Healing Manuals from Ottoman and Modern Greece Steven M. Oberhelman 2020-07-06
This book is a study of three iatrosophias (the notebooks of traditional healers) from the Ottoman and modern periods of Greece. The main text is a collection of the medical recipes of the monk Gymnasios Lauriōtis (b. 1858). Gymnasios had a working knowledge of over 2,000 plants and their use in medical treatments. Two earlier iatrosophias are used for parallels for Gymnasios's recipes. One was written c. 1800 by a practical doctor near Khania, Crete, and illustrated by a second hand. The second iatrosophion dates to the sixteenth century; ascribed to a Meletios, the text survives in the Codex Vindobonensis gr. med. 53. The contents of these and other iatrosophias are predominantly medical, with many of the remedies taken from folk medicine, classical and Hellenistic pharmacological writers, and Galen. The book opens with a biography of the monk Gymnasios and his recipes and then a description of the Cretan and Meletios iatrosophias. The iatrosophias, their role in Greek medical history, and the methods of healing are the subject of chapter 2. The Greek text of Gymnasios's recipes are accompanied by a facing English translation. A commentary offers for each of Gymnasios's recipes passages (translated into English) from the two other iatrosophias to serve as parallels, as well as an analysis of the pharmacopoeia in the medical texts. The book concludes with Greek and English indices of the material medica (plants, mineral, and animal substances) and the diseases, and then a general index.

The Fire Next Time James Baldwin 2017 First published in 1963, James Baldwin's *A Fire Next Time* stabbed at the heart of America's so-called "Negro problem". As remarkable for its masterful prose as it is for its uncompromising account of black experience in the United States, it is considered to this day one of the most articulate and influential expressions of 1960s race relations. The book consists of two essays, "My Dungeon Shook — Letter to my Nephew on the One Hundredth Anniversary of Emancipation," and "Down At The Cross — Letter from a Region of My Mind." It weaves thematic threads of love, faith, and family into a candid assault on the hypocrisy of the so-called "land of the free", insisting on the inequality implicit to American society. "You were born where you were born and faced the future that you faced", Baldwin writes to his nephew, "because you were black and for no other reason." His profound sense of injustice is matched by a robust belief in "monumental dignity", in patience, empathy, and the possibility of transforming America into "what America must become."

When a Pastor Search Committee Comes ... Or Doesn't J. William Harbin 1985

American Catholics William V. D'Antonio 2001-08-07 How much do American Catholics still identify with the Catholic Church? Do they agree with the Church's teachings, and how often do they participate in its sacraments? What do they think it takes to be a good Catholic? What do they consider to be the Church's core teachings? How do they believe issues of faith and morals should be decided: by the hierarchy, the laity, or some combination of the two? How are they coping with the priest shortage, and what do they believe the Church should do to solve the problem? How do they feel about social issues such as capital punishment and increased military spending? In *American Catholics*, four distinguished sociologists use national surveys from 1999, 1993, and 1987 to examine these issues. They show that Catholics' beliefs and practices are changing. They also demonstrate how differences in gender, generation, and commitment to the Church influence attitudes on all of these issues. Balanced and clear, filled with useful tables and charts, and unique in its ability to compare results over time, *American Catholics* makes essential reading for anyone interested in the future of Catholicism in the United States.
