The Gospel of Matthew Edward Hindson 2007-08-01 The Gospel of Matthew is all about the King. The King of the Jews, the King who came to die to save His subjects, the King who is coming again to establish His Millennial kingdom, the King of Kings. That King is Jesus Christ. Matthew focuses on both the first and second coming of Christ, with the assurance that in both cases, indeed the King is coming! Matthew, the tax collector turned disciple, writes to Jewish believers and unbelievers alike. For the believers, he emphasizes the legitimacy of Jesus as the long-awaited Jewish Messiah. For the unbelievers, he portrays the One who is the Savior of all people everywhere. His arguments are cogent, his style is vibrant, and his portrayal of Christ is magnificent. Charles Spurgeon said it best when he proclaimed. "Come just as you are, all guilty, empty, meritless and fall before the great King. And see if He will cast you away. Jesus is ready to pardon you... never tolerate low thoughts of Him. You may study, look and meditate, but Jesus is a greater Savior than you think. Him to be, even when your thoughts are at their highest." Throughout Matthew's gospel, he draws our attention to the One who is the rightful King of Israel. Jesus is portrayed as being born a King, living and dying as a King and coming again as the ultimate King of Kings. As you read this gospel and study this commentary, you will be challenged to become His disciple and follow Him wherever He leads you.

Dear Church Lenny Duncan 2019-07-02 Lenny Duncan is the unlikeliest of pastors. Formerly incarcerated, he is now a black preacher in the whitest denomination in the United States: the Evangelical Lutheran Church in America (ELCA). Shifting demographics and shrinking congregations make all the headlines, but Duncan sees something else at work--drawing a direct line between the

church's lack of diversity and the church's lack of vitality. The problems the ELCA faces are theological, not sociological. But so are the answers. Part manifesto, part confession, and all love letter, Dear Church offers a bold new vision for the future of Duncan's denomination and the broader mainline Christian community of faith. Dear Church rejects the narrative of church decline and calls everyone--leaders and laity alike--to the front lines of the church's renewal through racial equality and justice. It is time for the church to rise up, dust itself off, and take on forces of this world that act against God: whiteness, misogyny, nationalism, homophobia, and economic injustice. Duncan gives a blueprint for the way forward and urges us to follow in the revolutionary path of Jesus.

The Pastoral Search Journey John Vonhof 2010-03-01 Most churches have sought out a new pastor many times, yet search committees often feel as though they are inventing the process from scratch. In *The Pastoral Search Journey*, John Vonhof provides detailed guidance for search committees to ensure a good match between pastor and congregation. This is Vonhof's third book about the pastoral search -- but the first to discuss interim pastors, transitions between pastors, and the use of the Internet and digital media. Vonhof advises congregational leaders on establishing the search committee; ensuring the congregation is cared for during the pastoral vacancy; conducting the congregational self-study and creating an information packet; finding, communicating with, and interviewing candidates; determining selection criteria as well as evaluating and recommending candidates; managing call negotiations; and finally welcoming the congregation's new pastor. Sample letters, forms, and other tools are provided.

Commodity Activism Roopali Mukherjee 2012-02-01 Buying (RED) products—from Gap T-shirts to Apple—to fight AIDS. Drinking a “Caring Cup” of coffee at the Coffee Bean & Tea Leaf to support fair trade. Driving a Toyota Prius to fight global warming. All these commonplace activities point to a central feature of contemporary culture: the most common way we participate in social activism is by buying something. Roopali Mukherjee and Sarah Banet-Weiser have gathered an exemplary group of scholars to explore this new landscape through a series of case studies of “commodity activism.” Drawing from television, film, consumer activist campaigns, and cultures of celebrity and corporate patronage, the essays take up examples such as the Dove “Real Beauty” campaign, sex positive retail activism, ABC’s Extreme Home Makeover, and Angelina Jolie as multinational celebrity missionary. Exploring the complexities embedded in contemporary political activism, *Commodity Activism* reveals the workings of power and resistance as well as citizenship and subjectivity in the neoliberal era. Refusing to simply

position politics in opposition to consumerism, this collection teases out the relationships between material cultures and political subjectivities, arguing that activism may itself be transforming into a branded commodity.

Grateful Caretakers of God's Many Gifts Joseph M. Champlin 2002 The message of stewardship invites us to give our time, talent, and treasure in gratitude for our abundant blessings. Fostering grateful caretakers in parishes is an ongoing task that requires vision, courage, and trust. In *Grateful Caretakers of God's Many Gifts*, the first major revision of Fr. Joseph Champlin's ground-breaking sacrificial giving program, Father Champlin continues to encourage the sharing of treasure, time, and talent--transforming parishioners into grateful caretakers of God's many gifts. *Grateful Caretakers of God's Many Gifts* provides a theological and biblical basis for stewardship and gives detailed guidance for sharing time, talent, and treasure. It also offers the history, foundational principles, and implementation steps for sacrificial giving, a form of stewardship. The manual likewise provides a wealth of material for sustaining and strengthening grateful caretaking in a parish on a long-term basis. Finally, it offers practical suggestions on a number of special issues in stewardship including accountability, annual renewals, customized direct deposit of Sunday offerings, planned giving and parish stewardship councils, and training our youth to share. Father Champlin shows that the sacrificial giving process effectively supports grateful caretakers of God's gifts: people in the parish willing to share significantly their time, talent, and treasure for the Church and the world. It has been proven in practice, is biblically and theologically sound, actively involves lay persons, touches the hearts of parishioners, is uncomplicated and inexpensive to implement, produces impressive short-term results, and provides long-term possibilities. *Grateful Caretakers of God's Many Gifts* builds on Father Champlin's original sacrificial giving publications in both the theory and practice of how to motivate parishioners to become active stewards of their faith. It has on-going value for those concerned about fostering grateful caretaking in a parish.

Divine Callings Richard N. Pitt 2012-02-01 The idea that multiple personalities can exist within the same body has long captured the Western imagination. From *Three Faces of Eve* to *Sybil*, from *Pyscho* to *Raising Caine*, from *60 Minutes* to *Oprah* to *One Life to Live*, we are captivated by the fate of multiples who, divided against themselves, wreak havoc in the lives of others. Why do we find multiple personality disorder (MPD) so fascinating? Perhaps because each of us is aware of a dividedness within ourselves: we often feel as if we are one person on the job, another with our families, another with our friends and lovers. We may fantasize that these inner discrepancies will someday break free, that within us lie other personalities--genius, lover, criminal--that will take us over and render us strangers to our very selves. What happens when such a transformation literally occurs, when an alter personality surfaces and commits some heinous deed? What do we do when a Billy Milligan is arrested for a series of rapes and robberies, of which the original personality, Billy, is utterly oblivious? What happens when a Juanita Maxwell, taken over by her alter personality, Wanda, becomes enraged and commits a murder which would horrify Juanita? Who really committed these deeds? Are alter personalities people? Are they centers of consciousness which are akin to people? Mere parts of a deeply divided person? Who should held accountable for the crimes? Which is more appropriate--punishment or treatment? In *Jekyll on Trial*, Elyn R. Saks carefully delineates how MPD forces us to re-examine our central concepts of personhood, responsibility, and punishment. Drawing on law, psychiatry, and philosophy, Saks explores the nature of alter personalities, and shows how different conceptualizations bear on criminal responsibility. A wide-ranging and deeply informed book, *Jekyll on Trial* is must reading for anyone interested in law, criminal justice, psychiatry, or human behavior.

Nine Marks of a Healthy Church (3rd Edition) Mark Dever 2013-08-31 Now in its third edition and featuring a new foreword by New York Times best-selling author David Platt, pastor Mark Dever's classic book is not an instruction manual for church growth. Rather, it is a wise pastor's recommendation for how to assess the health of a church using nine crucial qualities often neglected by many of today's congregations. Church leaders and church members alike will resonate with the principles outlined here, breathing new life and health into the church at large. In this newly revised edition, fresh arguments have been added (for example on expositional preaching, about the nature of the gospel, on complementarianism), illustrations have been updated, appendices have been changed, and cover has been improved.
