Angelbound (Angelbound Origins #1) Christina Bauer 2018-08-22 Eighteen year old Myla Lewis is a girl who loves two things: kicking ass and kicking ass. She's not your every day quasi-demon, half-demon and half-human, girl. For the past five years, Myla has lived for the days she gets to fight in Purgatory's arena. When souls want a trial by combat for their right to enter heaven or hell, they go up against her, and she hasn't lost a battle yet. But as she starts her senior year at Purgatory High, the arena fights aren't enough to keep her spirits up anymore. When the demons start to act weird, even for demons, and the King of the Demons, Armageddon, shows up at Myla's school, she knows that things are changing and it's not looking good for the quasi-demons. Myla starts to question everything, and doesn't like the answers she finds. What happened seventeen years ago that turned the quasi-demons into slave labor? Why was her mom always so sad? And why won't anyone tell her who her father is? Things heat up when Myla meets Lincoln, the High Prince of the Thrax, a super sexy half-human and half-angel demon hunter. But what's a quasi-demon girl to do when she falls for a demon hunter? It's a good thing that Myla's not afraid of breaking a few rules. With a love worth fighting for, Myla's going to shake up Purgatory.

The Naked Farmer Ben Brooksby 2020-10-27 Ben Brooksby is a fifth-generation farmer from St Helens Plains in western Victoria. When he was younger, he struggled with anxiety and other mental health issues, as do so many others in rural communities. A simple social media post helped him to turn things around. After he shared a photo on Instagram showing himself naked in a truck full of lentils, he received a huge response, with other farmers wanting to share their own photos - and their stories. As the Naked Farmer movement grew, Ben met people from all around the country who wanted to get naked for mental health. As they got their kits off, they also opened up about their struggles. This is a heartwarming, moving and candid collection of stories of the challenges our

farmers are facing, and the way these communities are banding together in response. Proudly supporting the Royal Flying Doctors Mental Health Service

distributors to fix customer's bikes. His career in motorcycle shops spanned 34 years, representing at various times Aprilia, Cagiva, Ducati, Husqvarna, Hyosung, KTM, Laverda, MuZ, and Ural. But always, Moto Guzzi. Recommendation: During the 1990's, I was in Mandello del Lario, Italy as part of the Moto Guzzi design team and Dave was in Seattle Washington trying to keep his Moto Guzzi shop solvent. Despite the distance, our paths crossed often. Dave was frequently invited to the Guzzi factory and became an advisor to the management. Dave is a great storyteller and this one is fascinating. It's about five decades of a life dedicated to motorcycles, starting as a kid drooling over the bikes in a motorcycle shop and ending as a savvy businessman using all his skills to keep his motorcycle shop alive. It's about a love for the sport bordering on obsession, about adversity and perseverance. If you have ever thought that the owner of your local bike shop selling those gorgeous, expensive Italian motorcycle might be stuffing money under his mattress then this tale could change your thinking. If you have ever wondered what it might be like to be a motorcycle shop owner then this book is for you too.
