Childe Harold's Pilgrimage George Gordon Byron 2018-10-08 Oh, thou, in Hellas deemed of heavenly birth, Muse, formed or fabled at the minstrel's will! Since shamed full oft by later lyres on earth, Mine dares not call thee from thy sacred hill: Yet there I've wandered by thy vaunted rill; Yes! sighed o'er Delphi's long-deserted shrine Where, save that feeble fountain, all is still; Nor mote my shell awake the weary Nine To grace so plain a tale-this lowly lay of mine.

This Is Serious Joe Ollmann 2019-10 Co-published by Art Gallery of Hamilton THIS IS SERIOUS reveals the considerable contributions artists from across the country are making to the greater field of global comics - of which Toronto, Montreal, and Hamilton are significant creative centres. Surveying the work of 40 contemporary Canadian artists, THIS IS SERIOUS showcases the energy of underground artistic production and indie publishing, expressed through a diverse range of artists. Co-curated by Alana Traficante and award-winning cartoonist Joe Ollmann, THIS IS SERIOUS presents the recent arc of production that has helped shaped the current state of graphic storytelling, here and now, on home soil. With contributions from Jeet Heer and Peggy Burns. Featuring the work of contemporary and historical Hamilton artists such as: David Collier, Jesse Jacobs, Sylvia Nickerson, Doug Wright, James Simpkins and Joe Ollmann. Featuring four of the most well-respected Canadian artists: Seth, Julie Doucet, Fiona Smyth and Chester Brown. Also featuring a national survey of artists working today, including: Jillian Tamaki, Michael Deforge, Hartley Lin, Ho Che Anderson, Gord Hill, Diane Obom, Kate Beaton, and Pascal Girard, among many more.

Radiant Tony Valente 2018-09-11 Seth has big goals of defeating Nemeses, but first he must earn the trust of the very villagers he wants to protect—not an easy task when those who use magic are just as feared as the Nemeses they fight. Even worse, Seth can barely control his monstrous powers! It'll take more than brute strength—although it'll take that too—to get Seth's quest out of the boonies and into the big time! -- VIZ Media

The Big Feminist But Shannon O'Leary 2014-03 "What do we really mean when we start a sentence with the disclaimers, 'I am not a feminst BUT...' or 'I am 100% a feminist BUT...'? What do our great big 'BUTS...' say about where things stand between the sexes in the 21st century? We asked some of the most talented ladies (and gentlemen) working in comics and animation today, along with some

of the smartest writers we know, to 'but' into the heated discussion about the much more level but still contradictory playing field both sexes are struggling to find their footing on today"--Publisher description.

What Technology Wants Kevin Kelly 2011-09-27 From the author of the New York Times bestseller *The Inevitable*— a sweeping vision of technology as a living force that can expand our individual potential In this provocative book, one of today's most respected thinkers turns the conversation about technology on its head by viewing technology as a natural system, an extension of biological evolution. By mapping the behavior of life, we paradoxically get a glimpse at where technology is headed-or "what it wants." Kevin Kelly offers a dozen trajectories in the coming decades for this near-living system. And as we align ourselves with technology's agenda, we can capture its colossal potential. This visionary and optimistic book explores how technology gives our lives greater meaning and is a must-read for anyone curious about the future.

Lost at Sea Bryan Lee O'Malley 2014-01-22 Raleigh doesn't have a soul. A cat

stole it – at least that's what she tells people – at least that's what she would tell people if she told people anything. But that would mean talking to people, and the mere thought of social interaction is terrifying. How did such a shy teenage girl end up in a car with three of her hooligan classmates on a cross-country road trip? Being forced to interact with kids her own age is a new and alarming proposition for Raleigh, but maybe it's just what she needs – or maybe it can help her find what she needs – or maybe it can help her to realize that what she needs has been with her all along. This special hardcover edition of Bryan Lee O'Malley's classic coming-of-age graphic novel includes previously uncollected shorts and extra bonus material.

Off Road Sean Murphy 2005-12-06 Greg is having a great day. Not only did his dad just buy him a brand new yellow Jeep, but it's also the day his friend Trent is coming home from college to visit. Trent, on the other hand, has been in better moods. He's broken-hearted and alone yet again after his cheating girlfriend dumped him. Their other friend, Brad, isn't doing so well either. He's been getting into fist fights with his dad. Brad and Greg are convinced that a party is the solution to all their woes, but Trent wants to break in Greg's new Jeep with some serious off road adventure. Are these three truly prepared for what they'll find when they leave the pavement behind? Not a chance!

The Complete Peanuts 1950-1952 Charles M. Schulz 2015-11-26 Peanuts is the most popular comic strip in the history of the world. Its characters -- Charlie Brown, Snoopy, Lucy, Linus, Schroeder, and so many more -- have become dearly loved icons for generation after generation. Now Charles Schulz's classic, Peanuts, will be reprinted in its entirety for the first time. In these beautifully produced editions, the strip will be presented in full in chronological order. They will be the ultimate books for Peanuts' fans the world over. These first volumes will be of particular fascination to Peanuts aficionados. Many of the strips from the series' first two or three years have never been collected before, in large part because they showed a young Schulz working out the kinks in his new strip. They include some characterizations and designs that are quite different from the cast we all know. And Snoopy debuts as a puppy!

But are even the combined powers of the Model Z and Model X biometals enough to take down the sinister Slither corporation?

Children's Literature Seth Lerer 2009-04-01 Ever since children have learned to read, there has been children's literature. Children's Literature charts the makings of the Western literary imagination from Aesop's fables to Mother Goose, from Alice's Adventures in Wonderland to Peter Pan, from Where the Wild Things Are to Harry Potter. The only single-volume work to capture the rich and diverse history of children's literature in its full panorama, this extraordinary book reveals why J. R. R. Tolkien, Dr. Seuss, Laura Ingalls Wilder, Beatrix Potter, and many others, despite their divergent styles and subject matter, have all resonated with generations of readers. Children's Literature is an exhilarating quest across centuries, continents, and genres to discover how, and why, we first fall in love with the written word. "Lerer has accomplished something magical. Unlike the many handbooks to children's literature that synopsise, evaluate, or otherwise guide adults in the selection of materials for children, this work presents a true critical history of the genre. . . . Scholarly, erudite, and all but exhaustive, it is also entertaining and accessible. Lerer takes his subject seriously without making it dull."—Library Journal (starred review) "Lerer's history reminds us of the wealth of literature written during the past 2,600 years. . . . With his vast and multidimensional knowledge of literature, he underscores the vital role it plays in forming a child's imagination. We are made, he suggests, by the books we read."—San Francisco Chronicle "There are dazzling chapters on John Locke and Empire, and nonsense, and Darwin, but Lerer's most interesting chapter focuses on girls' fiction. . . . A brilliant series of readings."—Diane Purkiss, Times Literary Supplement

A People's History of the United States Howard Zinn 2016-02-01 A classic since its original landmark publication in 1980, Howard Zinn's A People's History of the United States is the first scholarly work to tell America's story from the bottom up—from the point of view of, and in the words of, America's women, factory workers, African Americans, Native Americans, working poor, and immigrant labourers. From Columbus to the Revolution to slavery and the Civil War—from World War II to the election of George W. Bush and the "War on Terror"—A People's History of the United States is an important and necessary contribution to a complete and balanced understanding of American history.
