Secret Allies Max Hudson 2017-08-19 1943, Germany. Martin Murray, a homosexual man in the Office of Strategic Services—an American espionage agency during World War II—desperately tries to save the world while hiding his sexuality from it. Emmerich Hubar, a former SS Officer who had been on trial for being a homosexual—the verdict not guilty by a stroke of luck—struggles with his grief as he tries to drink himself to death in Sweden. Agent Martin Murray just wants to be a patriot and do his job right. The OSS wants him to use the German named Emmerich Hubar to gain access into the Nazi military and prevent them from building nuclear weapons. A dangerous and trying task, but one worth doing if it prevents the Nazis from destroying the planet. But Emmerich Hubar isn't just some depressed drunk who wants to run away from his past. He's a passionate, brave soul with a bleeding heart and the thirst to destroy the government that nearly destroyed him. Danger lurks around every corner—even from Martin's own allies—and it doesn't help matters as he grows more and more enticed by Emmerich, an asset he needs to keep his distance from to protect their cover. Emmerich, a wild card, plays by different methods, indifferent to whether he gets captured and killed. He's not the kind of man to fall in love with, not in that country and not at that time. And yet, as Emmerich gets deeper and deeper beneath Martin's skin, Martin's sense of self-perseveration wars with a need he never realized he had: a need to be known and loved. Please Note: This book contains Adult Language & Steamy Adult Activities, it is intended for 18+ Adults Only. Novella, approx. 30,000+ words in length. HEA (happy ever after ending). Does not end with a "cliffhanger".

Dead Secrets L. A. Toth 2016-09-11 *Dead Secrets: A Jack Mango Murder Mystery*--- The best way to keep a secret is to make it a dead secret. Jack Mango thought life couldn't get much better as a respected detective in the enigmatic laboratory town of Los Alamos, New Mexico. His life changes drastically when shot while protecting the governor from an assassin's bullet. He recovers, only to have his wife die of cancer soon after. Unable to cope, he moves his family to the central Pacific coast of California, an area of fond memories from his Army days, hoping to start anew. And, harboring a secret desire to reconnect with an old flame he rejected, bound by duty and honor to return home to his fiancée. Mango's first case three days into his new job as Police Chief, in the idyllic seaside town of Serrano, sets the tone. Psychiatrist Billy Morton is accused and convicted of violating his adopted daughter, Clare. Four years later, Billy is found dead on the beach shortly after being paroled from prison. Later that morning, his wife's lover, Harry Henderson, is found dead near a beached panga; the boat believed to have been transporting four thousand pounds of marijuana, off-loaded during the night. Billy's estranged wife, Stella, ostracized by the community for her implied collusion in Clare's abuse, takes to the hills. Clare is on the lam after threatening to kill Harry, after he terminates her job for clashing publicly with Billy at the local coffee bar. She meets up with the mysterious panga boat captain and the chase is on! Chief Jack Mango and his small, eclectic team of officers are thrust into a frustrating and frantic pursuit to find the suspects before they kill again. It doesn't help that his love life is a shambles, what with juggling a high profile career, a murder investigation, and haunting demons of love, death, and redemption.

Dragon Finley Aaron 2014-11-24 *Dragon-Book One* of the Dragon Eye series Ilsa has been afraid of dragons ever since she saw them in the sky the night she was chased from her village as a child. Now, a decade later, she'd love to return

to the place she once called home—if only she knew where to find home. Truth is, Ilsa doesn't know who she is. She only knows her father left her in the care of a guy named Ram, who teaches her swordsmanship in a butcher shop until the day when it's safe for her to continue home. But it may never be safe, and their enemies are closing in. Ilsa and Ram are being hunted, and they must flee through the dangers that bar them from their homeland. The journey will require all their skill and strength, but it will also uncover the secrets of who Ilsa is and where she belongs. She's always longed for the truth, but once she learns it, can she accept it? Is she...a dragon? And do those ancient monsters even deserve to live? The Dragon Eye series books: One: Dragon Two: Hydra Three: Phoenix Four: Vixen Five: Dracul Six: Basilisk

Fractals Jason Lisle 2021-06-15 What if mathematicians discovered a secret code embedded in math disclosing an amazing work of art hidden in the numbers? Just such a code of astounding beauty was discovered in the 1980s. The artworks displayed in this book have always existed, built into the numbers at creation. Dr. Lisle suggests that only the Christian worldview can make sense of this secret code. As such, the images in this book are a demonstration of the truth of that worldview.

How to Make All-Stars Andy Collins 2014-03-19 Hey kids, do you want to know how to make all-stars for your baseball league? Or parents, do you feel like the coaches keep passing your child up? Well no more! Or coaches, want drills and ways to motivate your players to get better? Coach Andy Collins is going to tell you everything he knows from his 35 years of youth and adult coaching and watching what works and what doesn't work. It's chock-full of ideas in 86 pages. He'll cover: * How your league chooses all-stars * What all-star selectors are really looking for * 7 tried and true methods of getting better at baseball * But more importantly, little known ways to get the people picking the team to notice you * And how to beat the "politics" that seem to get in the way Year after year kids sit in the stands crying after the all-star teams are announced and they weren't one of the players that were chosen. At the same time the students I've trained do make these same all-star teams. It was then I realized I had the information that the kids in the stands and their parents and coaches were looking for. Wherever there are kids around the world that play youth baseball, there are kids that long to make the league's all-star team. Every year it's the same, kids that desperately want to have their name called out (or see it announced on the list) don't make it, and a little bit of them is hurting deep inside; and they don't know why they were not picked. Little did they know that they could have fairly accurately predicted their chances almost from day one of when the season started. And if they knew what you're about the find out, they could improve enough in skill in the eyes of the all-star selectors as to be a better player or even make the all-star team. The good news is that in this book, there is a way to learn how to make the all-star team for the next upcoming season; and if not then, the following year (if you're willing to listen and follow the advice I give). While I have written this for parents and coaches to learn how this process works and how they can help these youngsters achieve their dreams, this is mostly a book written for the kid who wants to make all-stars, not a book for the parent who wants their kid to make all-stars (there is a difference). And it will be in that voice that this book will be written.

Karma's Revenge (Total Box Set): A Cozy Mini-Mystery Series Jwyan C. Johnson 2020-08-17 Crime Mystery on Memory Lane Experience Karma's Revenge: a cozy mini-mystery series with Clue Queen Dedra Kare, fighting on memory lane for

truth. Amnesia blends with crime mystery, family drama, and a resilient determination to Remember to Forget. Discover the extra mystery of Dedra's ways to keep story villains of dysfunction Punished by Silence and at the mercy of her detective skill, clever nature, and counter-manipulation. Story Symbolism, Book Club Questions, Clues & Extras, and a Website Password included. Book 1 Remember to Forget After a celebrity suffers a big crime in a small town, Hollywood pressure sets in for immediate answers. As clues disappear, and detectives suffer the media's wrath, a surveillance tape reveals a eye-witness to the whole crime. But their teenage native, Dedra Kare, has just one problem: retrograde amnesia. With a medical remedy to unlock it all, detectives suffer the extra mystery as to why her parents are refusing to give consent. What does Dedra not know that she possibly could? And will she ever, as a teenager? Is she somehow involved in the actual crime? And would leaking her potential make Dedra a target for someone else determined to silence her memory for good? With her hidden yearbook, a missing autograph, and her tricky little sister, it's an unfamiliar race down memory lane with the traffic of mystery. The shortcuts of insistence are offers from sidekicks to pranksters to worse. But as justice becomes impatient, and family demands loyalty, Dedra faces a memorable dilemma: should she move past the past, explore it fully, or 'remember to forget?' Book 2 Punished By Silence When a twin girl goes missing, an anonymous request for the Clue Queen herself is granted. But Detective Dedra Kare finds the obstacles of her own past in this case first! She must emotionally outrun her flashbacks as the current investigation turns into a game of Hide-and-Seek but on a legal field of child custody, narcissistic parenting, and a single teddy bear. But with every hidden motive playing too, is Dedra the one who's IT? Book 3 The Shotgun's Wedding It's a very different shotgun wedding as a future in-law is murdered the night before the wedding. And son-in-law is arrested before flying away to the honeymoon destination. The town suspects his bachelor party, which he never attended, was a planned alibi. Gun smoke fills the air with a runaway bride, a clever psychologist, dangerous shenanigans, and another in-law... in law. It's a cozy mini-mystery rematch with Detective Dedra Kare. Book 4 Amplified Weapon After a mysterious death occurs, Hollywood's Oscars event is held for ransom by its very own movie star, for a behind-the-scenes battle for the unedited truth of whodunit. It's a media-sized tug-of-war both for and against a show that 'might not go on' this time. Experience a mystery-laced, 'drumroll please' chess match of wits with characters like movie director Simon Says, visitor Mr. "Squeaky" Kleen, a mysterious janitor, a frightened make-up artist, and a Most Wanted serial family tree chopper named Timber. Book 5 Karma's Collection It's an all-out final battle on memory lane, as Clue Queen pursues the clever serial killer: Karma. With his extra collection of Karma-style pranks, and courtroom twisters, this 'righteous psychopath' has criminals escaping to jail by choice! 7 years since her last detective case, with a sidekick of doubt, can Dedra outsmart the pattern of what-goes-around and come-around to her own separate path of redemption? A new marriage, a new divorce, and a present scandal heightens the already high whodunit range: Smart Alec, The Shenanigans, Judge Mintall, Wendal, and even Clue Queen herself.

Dark Destiny and the Secret of Planetoid 88 Dwight V. Swain 2016-01-28 Armchair Fiction presents extra large science fiction double novels with original illustrations. "Dark Destiny" by Dwight V. Swain is the first novel. He was known throughout the system as Sha Haral, a fierce space warrior with a lust for power. He'd blasted his way back and forth across the spaceways many times. However, Haral's fortunes had taken a turn for the worse, and he soon became a

downtrodden, bitter would-be conqueror haunting the dives on a backwater planet called Ulna. But his fate took an unexpected turn when a beautiful blonde-haired priestess, fleeing from a space pirate's hordes, fell into his lap. From this priestess Haral learned of an ancient woman-goddess who, according to legend, lay sleeping in a lost city surrounded by a legion of terrifying monsters. This ancient goddess, whose face was half-hidden by a jeweled veil, was known as a woman of ultimate beauty, possessing secrets of great power. And she still lay there, in her crumbling city, waiting for someone to awaken her... The second novel, "The Secret of Planetoid 88," is by Ed Earl Repp. Dane Cabot was just one of many slaves of the dictators--"The Hundred" as they were known--who ruled Earth with an iron hand. After a joy ride to a distant planetoid, Cabot returned to Earth to find himself falsely accused of murder. There was no trial--The Hundred didn't operate that way. He was soon sentenced to die. But when a mysterious stranger interceded, Cabot found himself a stowaway on a space cruiser headed for Io, moon of Jupiter. There Cabot found a tiny colony of rebels with a master plan for the eventual freedom of Earth's enslaved populace. But radiation from Jupiter's Great Red Spot was slowly destroying Io. So Cabot and his fellow rebels found themselves in a desperate race against time. Could they orchestrate their plans before the rising tide of planet-wide disintegration overtook them? Deep in the void of space was a secret, a secret that was the key to freedom--if they could find it in time...

The Laws and Secrets of Success Alex Hammer 2013-10-02 "The Laws and Secrets of Success" - recently published and already an Amazon bestseller - has quickly received stellar five star reviews from leading Amazon Hall of Fame Reviewers (among the top 100 reviewers on all of Amazon): "Very, very highly recommend this UNIQUE book, it is the best book regarding how to be successful that I have ever read." -Daisy S., TOP 10 AMAZON HALL OF FAME REVIEWER "The power of his intuitions is infectious." -Grady Harp, TOP 50 AMAZON HALL OF FAME REVIEWER "This is one of those books where you will want to underline something important on each page. This is one of the most important books I have read in 2013." -Rebecca of Amazon, TOP 100 AMAZON HALL OF FAME REVIEWER About this book: This book is written in the style of the great Napoleon Hill. Think about this: With all of the success books out there, why don't we have more successful people? Too many success books simply rehash conventional wisdom. The truly great success books, such as "Napoleon Hill's "Think and Grow Rich", instead enable life-changing success breakthroughs because they identify and describe in powerful detail the thinking patterns and principles of the world's most successful individuals. The only way to do this is to study the world's most successful individuals, as Napoleon Hill has done. And as I have done as well. For over two decades I have devoted myself to studying and interviewing the most successful individuals across varying fields, so that I could see and learn for myself the principles which set them apart in terms of their success. And that is what I share with you here. Get ready to throw out many of the things that you thought you knew about success! Let's start at the beginning with a simple truth. Success is hard. Very hard. Very very very very hard. We all know that, once we have had a little bit of experience and are honest with ourselves. We all want to be more successful, but let's face it, sometimes we just don't know how. It's because, as they say, "we don't know what we don't

know". So we make the same mistakes over and over again (often without fully realizing it until later). And then we blame ourselves (or others) in regard to why things didn't turn out as we had hoped, or planned. It's this simple: If you want to increase your level of success, read this book. We all go through the same struggles. This book - simply but powerfully - is your instruction manual on how to overcome them. Read this book, and in 60 days you won't even recognize the person you used to be. And neither will your family and friends. This is the type of change that allows you to get the things you really want in life. The things previously outside your reach. The things you saw others gain and achieve, but never seemed to be able to get for yourself. That can change today. . We all know that a few better ideas can accelerate one's success substantially. Successful people take their better ideas and know how to leverage them further - and execute them better - than other people do. Once you understand the processes that successful people utilize to do this, you can very quickly ramp up your own success as well. Everybody struggles. Successful people struggle just like unsuccessful people but they learn and use the success principles to overcome the difficulties in their lives to reach their goals. Success breeds confidence, making it easier over time. If you don't want to keep making the same mistakes over and over and over again, you need to understand and understand well what these success principles are. That is what this book provides to you.

The Bad Canadian Leonard G. Mocos 2016-10-24 IN A PLACE OF PEACE DURING A TIME OF WAR THE UNFORGIVEN WILL NOT GO FORGOTTEN. Edenville, 1940. In a rural hamlet where the majority of men are overseas to fight Hitler's Nazi war machine, someone is killing veterans of the first world war. Wartime Special Constable

'Lame' Eddie Sommers, a crippled rich boy and the butt of derision, is doing his best to fill a uniform he believes in, yet wears too large. Inexperienced and out of his depth, he turns to a former detective and veteran of the western front for assistance. Involving Marshall Geary might be his biggest mistake. Marshall wears a copper mask, as much to hide behind as to conceal his disfigurements. He struggles against howling flashbacks and the lingering stench of his own concealed crimes. In a town meant for sanctuary, repressed horrors awaken like worms in a collapsing coffin. The closer they get to the truth, the nearer everyone is dragged to their limits, their failings and their buried pasts.

The Secret Glory Arthur Machen 1922 Fabulous piece of writing. It is really quite astounding that Machen is largely forgotten as a writer. In The Secret Glory, I particularly loved Machen's satirical social comments about the class system, Christian hypocrisy and the sadistic puritanism of English Public Schools. This isn't always an easy book to read but it is very rewarding, and after reading, like the best literary works, carves out a place for itself in one's psyche. (M.J. Johnson)

Secrets & Deceptions Helene F Uhlfelder 2015-06-03 *Secrets & Deceptions* tells a rich and emotional story of three generations of women and the men in their lives. Beginning in Germany just before WWII and ending in the 21st century, the novel recounts tales of success and defeat, love and rejection, life and death, and family in the lives of Hannah, Sophie, and Madeleine. Following in the style of writers such as Anais Nin and Erica Jong, the book explores sexuality and the mores of each generation. This entertaining and compelling book also recounts the horrors of Nazi Germany and its impact on survivors and their families. *Secrets & Deceptions* personalizes survivor guilt through the poignant story of Leo, Sophie's husband and Madeleine's father.

First Class to New York A. J. Harmon 2012-12-06 A year after losing her husband, her high school sweetheart and the love of her life to cancer, Janie Anderson embarks on a once-in-a-lifetime trip to New York City. Trying to escape the oppressive loss and hopelessness of a life without him, Janie sets off on the adventure she has dreamed about since she was a little girl. Exploring the Big Apple, New York City, she secretly hopes that this landmark event will free her from her grief and unlock a future as wonderful as the life she had lost with Robert's passing. After a series of embarrassing encounters with a man in a dark grey suit during the flight, Janie wonders if this trip might be more than she bargained for. At 42, she is much too young to spend the

rest of her days as a lonely widow, but is resolved to the fact that, like lightning, a love like that of her first marriage rarely strikes twice. When she accepts his invitation to dinner that evening, Janie is terrified at the realization that she's actually attracted to him. The handsome and wealthy Matt Lathem is sexy as hell, but, as Janie comes to realize, has baggage of his own. Can they help to heal each other in time to realize that a second chance at love is within their grasp? 'First Class to New York' is a contemporary, adult romance novel, written by AJ Harmon. It is the first book in the 'First Class' series, with Janie's story concluding in 'First Class to Portland.'

The Secret History of Pythagoras Pythagoras 2011-06 THE Translation of this venerable Piece of Antiquity is undertook upon a double Score; being designed as well to entertain the Curiosity of the Learned, as to supply the Defects of the Ignorant. If the original Language would have been more acceptable to the one, it would have been less intelligible to the other. I cannot, without uttering a Falsity, venture to affirm that so singular and valuable a Piece will be made Public, at least as yet: And in the mean Time I shall flatter myself, that this little Essay may contribute in some sort or other to the diversion, if not Instruction, of People in every Condition of Life. If this is well received, the other Parts will make their Appearance at proper Distances of Time. I publish no more at present, because I would not be thought to impose too much upon any one's Patience; as for losing my own Labour, I am under no bad Apprehensions about that; for the Reader cannot reject with a greater Disdain, than I have translated with Pleasure, the Contents of this Book.

The Secret Series Complete Collection Pseudonymous Bosch 2012-10-02 Not only is the name of this series a secret, but the story is, too. For it concerns a secret - a big secret - that has been tormenting people like you for over... oh no! Did I just mention the secret? Then it's too late. I'm afraid nothing will stop you now. Read this series if you must. But please, tell no one. Catch up on the adventures of Cass and Max-Ernest with The Secret Series Collection. This boxed set includes all five paperback novels in the New York Times bestselling Secret Series: *The Name of this Book Is Secret*; *If You're Reading This, It's Too Late*; *This Book Is Not Good for You*; *This Isn't What It Looks Like*; and *You Have to Stop This*.

The Name of this Book Is Secret Pseudonymous Bosch 2008-09-01 Read the series that's sold more than 2 million copies--if you dare! Warning: this description has not been authorized by Pseudonymous Bosch. As much as he'd love to sing the praises of his book (he is very vain), he wouldn't want you to hear about his

brave 11-year old heroes, Cass and Max-Ernest. Or about how a mysterious box of vials, the Symphony of Smells, sends them on the trail of a magician who has vanished under strange (and stinky) circumstances. And he certainly wouldn't want you to know about the hair-raising adventures that follow and the nefarious villains they face. You see, not only is the name of this book secret, the story inside is, too. For it concerns a secret. A Big Secret.

Secret Code Menace Pamela Cosman 2015-11-26 A thoughtful and provocative fiction story about the science of secret codes and error correction. Sara, Derek and Jared have devised their own simple code to communicate with each other in class at school. When a written, coded message is amended en route to Sara and she gets into trouble, they start to explore how their simple code could use error correction to protect themselves against tampering by somebody. This is all a private hobby, until one day, on a school trip to a bank the class is caught up in an attempted bank robbery. Suddenly Sara, Derek and Jared's playing with codes - and with methods of error correction - has an urgent reality. The Mystery of Black Rock Cove Kermit Moore 2016-02-23 Something terrible is happening in and around Point Breeze, a small town on the Northern California coast. The wildlife is getting sick. Chicks are born with severe birth defects and are often dying. The environment seems to be poisoned and deteriorating...and it's getting worse every day. In order to help, an East Coast marine biologist moves to town and brings her two teenage sons, Charlie and Sam. Adventurous boys who love to explore, they soon discover a trapped animal at Black Rock Cove. It is a type of animal they have never seen before - but the most shocking discovery comes when Sam realizes he can communicate with it! A visit to the veterinary hospital introduces the boys to Dayna, the

veterinarian's daughter, and the three teenagers join new animal friends on a dangerous investigation into the mysteries behind the community's dying habitat. An exciting journey that leads the trio down a winding trail of clues, *The Mystery of Black Rock Cove* is much more than a suspenseful thriller about a small town. It also uncovers an amazing truth about the interconnectedness between all living things.
