Our Granny Margaret Wild 1998-03 While grannies come in all shapes and sizes, "our granny" is unique.

Possessing the Gates of the Enemy Cindy Jacobs 2018-04-03 Landmark Text Now Revised and Updated for a New Generation Practical, personal, biblical, and motivational, this bestselling book has been a go-to, definitive guide to intercessory prayer for years. Fully revised and updated, with an in-depth study guide, the fourth edition of this classic text offers new and vital insights on prayer and spiritual warfare. With compassion, strategic thinking, encouragement, and time-tested advice, international prayer leader Cindy Jacobs equips you to be an effective prayer warrior, covering essential topics and answering

questions such as: · What is the purpose of intercession? · How do you know someone needs your prayers? · How do you pray? · Do your prayers really battle the enemy and thwart his plans? · What are the "gates" of the enemy? · And more! Whether you are a beginner or an expert intercessor, this training manual has everything you need to pray effectively--and possess the gates of the enemy.

Cyber Criminology K. Jaishankar 2011-02-22 Victimization through the Internet is becoming more prevalent as cyber criminals have developed more effective ways to remain anonymous. And as more personal information than ever is stored on networked computers, even the occasional or non-user is at risk. A collection of contributions from worldwide experts and emerging researchers, *Cyber Criminology: Exploring Internet Crimes and Criminal Behavior* explores today's interface of computer science, Internet science, and criminology. Topics discussed include: The growing menace of cyber crime in Nigeria Internet gambling and digital piracy Sexual addiction on the Internet, child pornography, and online exploitation of children Terrorist use of the Internet Cyber stalking and cyber bullying The victimization of women on social networking websites Malware victimization and hacking The Islamic world in cyberspace and the propagation of Islamic ideology via the Internet Human rights concerns that the digital age has created Approaching the topic from a social science perspective, the book explores methods for determining the causes of computer crime victimization by examining an individual's lifestyle patterns. It also publishes the findings of a study conducted on college students about online victimization. Advances in information and communications technologies have created a range of new crime problems that did not exist two decades ago. Opportunities for various criminal activities to pervade the Internet have led to the growth and development of cyber criminology as a distinct discipline within the criminology framework. This volume explores all aspects of this nascent field and provides a window on the future of Internet crimes and theories behind their origins. K. Jaishankar was the General Chair of the First International Conference of the South Asian Society of Criminology and Victimology (SASCV), held January 15-17, 2011 at the Hotel Jaipur Greens in Jaipur, Rajasthan, India.

A Divine Revelation of the Spirit Realm Mary K. Baxter 2001-01-18 Mary Baxter has provided inspiration and revelation to hundreds of thousands through her best-selling books *A Divine Revelation of Hell* and *A Divine Revelation of Heaven*. The origin of evil The nature and character of Lucifer The seven realms of spiritual warfare God's power over evil spirits How to overcome demons of addiction The role of angels in spiritual warfare As you read Mary Baxter's vividly-detailed descriptions of her encounters with spiritual beings, you will receive anointed insights for conducting spiritual warfare on behalf of yourself and your loved ones.

The XXX Filmography, 1968-1988 Jason S. Martinko 2013 *The XXX Filmography, 1968-1988* features more than 3,000 A to Z entries, covering the historic, artistic, and technical aspects of adult cinema from those years, including 35mm features, 16mm storefront features, and 8mm loops. It provides director, producer, cast, screenwriter, cinematographer, and composer listings, with a detailed synopsis for each film. Production company credits, release dates and running times are also given. A DVD appendix lists all titles currently available on DVD, and complete cast and director indexes make this work the most comprehensive guide to Golden Age triple-X films ever published.

The Education of a Value Investor Guy Spier 2014-09-09 What happens when a young Wall Street investment banker spends a small fortune to have lunch with Warren Buffett? He becomes a real value investor. In this fascinating inside story, Guy Spier details his career from Harvard MBA to hedge fund

manager. But the path was not so straightforward. Spier reveals his transformation from a Gordon Gekko wannabe, driven by greed, to a sophisticated investor who enjoys success without selling his soul to the highest bidder. Spier's journey is similar to the thousands that flock to Wall Street every year with their shiny new diplomas, aiming to be King of Wall Street. Yet what Guy realized just in the nick of time was that the King really lived 1,500 miles away in Omaha, Nebraska. Spier determinedly set out to create a new career in his own way. Along the way he learned some powerful lessons which include: why the right mentors and partners are critical to long term success on Wall Street; why a topnotch education can sometimes get in the way of your success; that real learning doesn't begin until you are on your own; and how the best lessons from Warren Buffett have less to do with investing and more to do with being true to yourself. Spier also reveals some of his own winning investment strategies, detailing deals that were winners but also what he learned from deals that went south. Part memoir, part Wall Street advice, and part how-to, Guy Spier takes readers on a ride through Wall Street but more importantly provides those that want to take a different path with the insight, guidance, and inspiration they need to carve out their own definition of success.

Seductions Exposed Gary L. Greenwald 2003-03 In this book, *Seductions Exposed*, Pastor Gary Greenwald skillfully examines and exposes the manipulating spiritual activity that surrounds every Christian on a daily basis. Today, as never before, Christians are opening their eyes and becoming aware of the maneuvers, manipulations, and deceptions that are occurring in the spirit world.

An Anthropology of Anthropology Robert Borofsky 2019-03-21 The book uses anthropological methods and insights to study the practice of anthropology. It calls for a paradigm shift, away from the publication treadmill, toward a more profile-raising paradigm that focuses on addressing a broad array of social concerns in meaningful ways.

E.T. Culture Debbora Battaglia 2006-01-09 Anthropologists have long sought to engage and describe foreign or “alien” societies, yet few have considered the fluid communities centered around a shared belief in alien beings and UFO sightings and their effect on popular and expressive culture. Opening up a new frontier for anthropological study, the contributors to *E.T. Culture* take these communities seriously. They demonstrate that an E.T. orientation toward various forms of visitation—including alien beings, alien technologies, and uncanny visions—engages primary concepts underpinning anthropological research: host and visitor, home and away, subjectivity and objectivity. Taking the point of view of those who commit to sci-fi as sci-fact, contributors to this volume show how discussions and representations of otherworldly beings express concerns about racial and ethnic differences, the anxieties and fascination associated with modern technologies, and alienation from the inner workings of government. Drawing on social science, science studies, linguistics, popular and expressive culture, and social and intellectual history, the writers of *E.T. Culture* unsettle the boundaries of science, magic, and religion as well as those of technological and human agency. They consider the ways that sufferers of “unmarked” diseases such as Chronic Fatigue Syndrome come to feel alien to both the “healthy” world and the medical community incapable of treating them; the development of alien languages like Klingon; attempts to formulate a communications technology—such as that created for the spaceship *Voyager*—that will reach alien beings; the pilgrimage spirit of UFO seekers; the out-of-time experiences of Nobel scientists; the embrace of the alien within Japanese animation and fan culture; and the physical spirituality of the Raëlian religious network. Contributors. Debbora Battaglia, Richard Doyle, Joseph Dumit, Mizuko Ito, Susan Lepselter, Christopher Roth, David Samuels

The End of America Naomi Wolf 2007-09-05 In a stunning indictment of the Bush administration and Congress, best-selling author Naomi Wolf lays out her case for saving American democracy. In

authoritative research and documentation Wolf explains how events of the last six years parallel steps taken in the early years of the 20th century's worst dictatorships such as Germany, Russia, China, and Chile. The book cuts across political parties and ideologies and speaks directly to those among us who are concerned about the ever-tightening noose being placed around our liberties. In this timely call to arms, Naomi Wolf compels us to face the way our free America is under assault. She warns us—with the straight-to-fellow-citizens urgency of one of Thomas Paine's revolutionary pamphlets—that we have little time to lose if our children are to live in real freedom. "Recent history has profound lessons for us in the U.S. today about how fascist, totalitarian, and other repressive leaders seize and maintain power, especially in what were once democracies. The secret is that these leaders all tend to take very similar, parallel steps. The Founders of this nation were so deeply familiar with tyranny and the habits and practices of tyrants that they set up our checks and balances precisely out of fear of what is unfolding today. We are seeing these same kinds of tactics now closing down freedoms in America, turning our nation into something that in the near future could be quite other than the open society in which we grew up and learned to love liberty," states Wolf. Wolf is taking her message directly to the American people in the most accessible form and as part of a large national campaign to reach out to ordinary Americans about the dangers we face today. This includes a lecture and speaking tour, and being part of the nascent American Freedom Campaign, a grassroots effort to ensure that presidential candidates pledge to uphold the constitution and protect our liberties from further erosion. The End of America will shock, enrage, and motivate—spurring us to act, as the Founders would have counted on us to do in a time such as this, as rebels and patriots—to save our liberty and defend our nation.

Safe People Henry Cloud 2009-05-26 Too many of us have invested ourselves into relationships that left us deeply wounded. We've been abandoned or taken advantage of, and left with little to show for what we've given. We've lost our sense of security and personal value in the process. And what's worse, we tend to either repeat the same mistakes of judgment over and over . . . Or else lock the doors of our hearts entirely and throw away the key. Why do we choose the wrong people to get involved with? Is it possible to change? And if so, where does one begin? Drs. Henry Cloud and John Townsend offer solid guidance for making safe choices in relationships, from friendships to romance. They help identify the nurturing people we all need in our lives, as well as ones we need to learn to avoid. Safe People will help you to recognize 20 traits of relationally untrustworthy people. Discover what makes some people relationally safe, and how to avoid unhealthy entanglements. You'll learn about things within yourself that jeopardize your relational security. And you'll find out what to do and what not to do to develop a balanced, healthy approach to relationships.

Free in Christ Pablo Bottari 2000 Be prepared to discover the incredible joy, power, healing and anointing that is yours as a child of God! This book leads you through the steps of preparation for the ministry of deliverance that awaits you. You'll also discover how to help others enjoy complete spiritual freedom. You'll learn how to break the chains that have kept many young believers sick, afflicted, unhappy, tormented and bound by the enemy. And you'll understand why the ministry of deliverance goes hand in hand with the ministry of evangelism, fulfilling the church's great commission. Bottari's life goal is to train mature Christians to help others experience complete freedom and release to fulfill God's divine purposes.

Growing In The Prophetic Mike Bickle 2013-10-01 DIVMike Bickle combines biblical balance and passionate faith to draw readers into new spiritual levels of relationship with God. This revised edition discusses Bickle's involvement with the International House of Prayer and TheCall. Having lead a church where prophetic gifts have been practiced for over 20 years, Bickle offers practical and sound advice to pastors, leaders and lay people. Learn how to integrate prophetic ministry into the life of your church./div

How to Cast Out Demons Doris M. Wagner 2000-03-06 Many modern Christians are now agreeing that we should take Jesus' command to cast out demons more seriously than we have in recent years. But how do we do it? Where do we start? This practical, down-to-earth book shows us how. From Doris Wagner, one of the leading authorities on biblical deliverance in North America, this manual teaches Christians how to take and break soul ties; how to break bondages of rejection, addiction, lust, and more; and how to set free those whom the enemy has held captive.

God's Design for Christian Dating Greg Laurie 1983-06 A renowned activist recalls his childhood years in an Indian boarding school Best known as a leader of the Indian takeover of Alcatraz Island in 1969, Adam Fortunate Eagle now offers an unforgettable memoir of his years as a young student at Pipestone Indian Boarding School in Minnesota. In this rare firsthand account, Fortunate Eagle lives up to his reputation as a "contrary warrior" by disproving the popular view of Indian boarding schools as bleak and prisonlike. Fortunate Eagle attended Pipestone between 1935 and 1945, just as Commissioner of Indian Affairs John Collier's pluralist vision was reshaping the federal boarding school system to promote greater respect for Native cultures and traditions. But this book is hardly a dry history of the late boarding school era. Telling this story in the voice of his younger self, the author takes us on a delightful journey into his childhood and the inner world of the boarding school. Along the way, he shares anecdotes of dormitory culture, student pranks, and warrior games. Although Fortunate Eagle recognizes Pipestone's shortcomings, he describes his time there as nothing less than "a little bit of heaven." Were all Indian boarding schools the dispiriting places that history has suggested? This book allows readers to decide for themselves.

Overcoming Spiritual Blindness James P. Gills 2012-06-28 All too often our modern society lacks both sight and insight resulting from a refusal to see the reality of creation. Such lack of recognition and appreciation for the Creator is spiritual blindness. Yet, the fruits and evidence of His love and wisdom are clearly demonstrated everywhere we look. Author Dr. James Gills, a world-renowned ophthalmologist with a deep love of the Bible, writes about spiritual blindness with stunning clarity and relevance.

Breaking the Threefold Demonic Cord Sandie Freed 2008-01-01 God has a divine plan to release his people from the curse of desolation and barrenness. Satan also has a strategy, however, which is to lock us to our past. He uses a threefold cord of the demonic spirits of Jezebel, Athaliah, and Delilah--strongholds that seek to destroy not only us but also generations to follow--to block us from victorious Christian living. But by exposing the plans of the enemy, God's people can be released from barrenness and launched into expansion, growth, and multiplication. Sandie Freed takes readers through a close study of each of these demonic forces in order to prepare them to break the threefold demonic cord. Conducting a biblical exploration of the everyday tactics of each spirit, Freed lays bare their strategies and helps readers defeat them through prayer.

The Seven Mountain Prophecy Johnny Enlow 2015-11-03 God is preparing a spiritual tsunami to sweep the nations and reclaim our culture for Christ, says author Johnny Enlow. He describes seven culture-shaping areas of influence over each society—media, government, education, economy, family, religion, and celebration (arts and entertainment)—that are the keys to taking a nation for the kingdom of God. The purpose of this book is to draw the church's attention to these areas; help each individual determine his or her specific assignment in this mission; and then to offer insight into the nature of the battles involved in this "spiritual tsunami," as the author calls it.

Transparency, Society and Subjectivity Emmanuel Alloa 2018-06-22 This book critically engages with the idea of transparency whose ubiquitous demand stands in stark contrast to its lack of conceptual clarity.

The book carefully examines this notion in its own right, traces its emergence in Early Modernity and analyzes its omnipresence in contemporary rhetoric. Today, transparency has become a catchword outplaying other Enlightenment values like empowerment, sincerity and the notion of a public sphere. In a suspicious manner, transparency is entangled in the discourses on power, surveillance, and self-exposure. Bringing together prominent scholars from the emerging field of Critical Transparency Studies, the book offers a map of the various sites at which transparency has become virulent and connects the dots between past and present. By studying its appearances in today's hyper-mediated economies of information and by linking it back to its historical roots, the book analyzes transparency and its discontents, and scrutinizes the reasons why it has become the imperative of a supposedly post-ideological age.

The Culture of Critique Kevin MacDonald 2002-07

Leadership on the Line Ronald Heifetz 2002 Every day, in every facet of our lives, opportunities to lead call out to us. At work and at home, in our local communities and in the global village, the chance to make a difference beckons. Yet often, we hesitate. For all its passion and promise, for all its excitement and rewards, leading is risky, dangerous work. Why? Because real leadership-the kind that surfaces conflict, challenges long-held beliefs, and demands new ways of doing things-causes pain. And when people feel threatened, they take aim at the person pushing for change. As a result, leaders often get hurt both personally and professionally. In *Leadership on the Line*, renowned leadership authorities Ronald A. Heifetz and Marty Linsky marshal a half century of combined teaching and consulting experience to show that it is possible to put ourselves on the line, respond effectively to the risks, and live to celebrate our efforts. With compelling examples including the presidents of countries and the presidents of organizations, everyday managers and prominent activists, politicians and parents, the authors illustrate proven strategies for surviving and thriving amidst the dangers of leading: "Getting on the balcony": stepping back to get perspective while remaining fiercely engaged "Thinking politically": keeping the opposition close, but watching your allies, too "Orchestrating the conflict": using stress productively to work the issues "Giving the work back": putting the responsibility on those who need to make the change "Holding steady": maintaining your focus while taking the heat The authors also address often-neglected aspects of leadership, such as how to manage your personal vulnerabilities, and how to anchor yourself and sustain your spirit through tough times. Both uplifting and practical, this essential book enables each of us to lead courageously and confidently-without losing ourselves. AUTHORBIO: Ronald A. Heifetz and Marty Linsky are on the faculty at the John F. Kennedy School of Government at Harvard University. Heifetz is the author of *Leadership Without Easy Answers* and Co-director of the school's Center for Public Leadership. Linsky is Faculty Chair of many of the school's executive programs, including Senior Officials in State and Local Government and Leadership for the 21st Century.

Seductions Exposed Gary L. Greenwald 1999-04-01 Dr. Gary Greenwald exposes the common patterns in deceived and rebellious individuals' lives. He also reveals the mysterious causes and cures for destructive relationships. Discover how Christians can avoid being seduced by deceiving spirits that work through both saved and unsaved people.

Fear Henry W. Wright 2008 God gave us emotions to enhance our lives, including Fear. The emotion fear was intended to alert us to danger. Fear was intended to protect us. However, much of mankind lives with Fear on a daily basis. Every one of us has been subjected to Fear. It may have been Fear of tomorrow, Fear of failure, Fear of the unknown or Fear of spiders. Perhaps it was Fear working in us as anxiety. Perhaps we think of it as stress, the modern term for what the Bible refers to as Fear. Many lives

are ruled by Fear. This kind of Fear was not given to us by God. This kind of Fear does not warn us or protect us. This kind of Fear brings destruction. This teaching helps us recognize when Fear is our enemy and equips us to overcome it so we can live in peace, as God intended.

Media and Crime in the U.S. Yvonne Jewkes 2017-07-27 The rise of mobile and social media means that everyday crime news is now more immediate, more visual, and more democratically produced than ever. Offering new and innovative ways of understanding the relationship between media and crime, *Media and Crime in the U.S.* critically examines the influence of media coverage of crimes on culture and identity in the United States and across the globe. With comprehensive coverage of the theories, research, and key issues, acclaimed author Yvonne Jewkes and award-winning professor Travis Linnemann have come together to shed light on some of the most troubling questions surrounding media and crime today. The free open-access Student Study site at study.sagepub.com/jewkesus features web quizzes, web resources, and more. Instructors, sign in at study.sagepub.com/jewkesus for additional resources!

Soul Ties David Cross 2006-09 Illustrates how both godly and ungodly soul-ties are created and how they can affect us, often profoundly, in our everyday lives.

Capacity Building in Economics Education and Research François Bourguignon 2007 This book presents papers from the conference on "Scaling up the Success of Capacity Building in Economic Education and Research," which took place in Budapest at the Central European University campus. It includes contributions from key researchers, academics and policy makers from Europe, the United States, and developing countries that identify and brainstorm on capacity building challenges.

The Holy Spirit Today Dick Iverson 1990-12 *The Holy Spirit Today* provides scriptural answers to the most frequently asked questions surrounding the Holy Spirit, including the gifts of the Holy Spirit and the practical application of those gifts.

The Black Box Society Frank Pasquale 2015-01-05 Every day, corporations are connecting the dots about our personal behavior—silently scrutinizing clues left behind by our work habits and Internet use. But who connects the dots about what firms are doing with all this information? Frank Pasquale exposes how powerful interests abuse secrecy for profit and explains ways to rein them in.

Out of My Ashes, I Will Rise! Wanda D. Kidd 2009-06-01 Wanda D. Kidd is an Author, Evangelist, Seminarian and Facilitator with a passionate message of empowerment for life! She enlightens the heart and illuminates the mind with powerful messages of truth in self-evaluation, accountability, spiritual authority and the renewal of the mind. These provoking messages ultimately lead open hearts to healing, deliverance and life change. This reading is a riveting and powerful work that not only ignites the minds of the readers bringing them to a place of empowerment, but it also brings them to healing, restoration, wholeness and newness. The revelation knowledge of Jesus' mission statement is unfolded: ..".I am come that they might have life, and that they might have it more abundantly." No matter where the challenges of life have positioned you at this time, you do not have to stay there! This book invites you to rise up out of your ashes, take back your life, move forward and be made whole in every area of your life! The question is...Are you ready for a life change?

The Meanings of Social Life Jeffrey C. Alexander 2006 Presents an approach to how culture works in societies. Exposing our everyday myths and narratives in a series of empirical studies that range from Watergate to the Holocaust, this work shows how these unseen cultural structures translate into concrete

actions and institutions.

Every Woman's Battle Shannon Ethridge 2014-06-25 When does an affair begin? Not with the first forbidden touch...but with the first forbidden thought. Unexpectedly, you find yourself enjoying a powerful emotional bond with another man. You feel like you matter to someone again. And the door you thought was locked so firmly—the door to sexual infidelity—is suddenly ajar. The only way women can survive the intense struggle for sexual integrity is by guarding not just your body, but your mind and heart as well. Every Woman's Battle can help you learn to do that. Using real-life stories and examples from her own struggle, Shannon Ethridge helps women like you—whether married, engaged, or planning to marry someday.

Seductions Exposed Gary L. Greenwald 2003-05-01 If you've ever ended a relationship you knew wasn't God's will for your life, but you can't seem to stop thinking about that person... If your behavior is being influenced in a negative way by people you come into contact with... If you're cursing yourself through forbidden statues, jewelry, and practices It's time for you to break free from the ties on your soul! Dr. Gary Greenwald will explain how the transference of spirits and soul ties can create dominion over your life. Learn how to defeat the deceiving spirits that control many of the things you come into contact with every day. You can be delivered into a life ruled only by the Holy Spirit!

Sex in Consumer Culture Tom Reichert 2013-10-18 Sex in Consumer Culture: The Erotic Content of Media and Marketing considers the use of sex to promote brands, magazines, video games, TV programming, music, and movies. Offering both quantitative and qualitative perspectives from leading scholars in a variety of disciplines, this volume addresses a range of integral issues such as media promotion, racial representations, appeals to gay and lesbian communities, content analyses, and case studies. Chapters represent diverse perspectives, addressing such questions as: *What happens when sexual content created for adults reaches children? *What meaning do sexual words and images have within the contexts of sporting events, trade shows, video games, personal ads, or consumer Web sites? *What effects might sex-tinged images have on audiences, and where should the focus be for new effects research? *Where are the current boundaries between pornography and mainstream sexual depictions? Exploring sexual information as it is used in mass media to sell products and programs, Sex in Consumer Culture is an important collection, and it will be of great interest for scholars and students in advertising, marketing, media promotion, persuasion, mass communication & society, and gender studies.

No More Sheets Juanita Bynum 2011-07-28 Stand fast therefore in the liberty by which Christ has made us free, and do not be entangled again with a yoke of bondage(Galatians 5:1 NKJV). Not just another self-help book, No More Sheets: The Truth About Sex is your break-out-of-bondage ticket to freedom. True and honest, the stories, principles, and love that are shared will restore your hope and begin your healing. Not only about sex, No More Sheets also gives you the steps to take to break free from all addictions keeping you bound up, including drugs, toxic relationships, as well as mental, emotional, and physical slavery situations. You will discover answers to questions that you have been wondering about. Yes! There is a world of peace and love waiting for you—step into it today. "Juanita Bynum's clear message of sexual morality is one that is needed for those who have not always had someone to talk frankly about such issues. She removes the deep shame surrounding the issue by openly discussing her own path to victory." -T.D. Jakes This expanded edition of No More Sheets includes a devotional that helps you dig into the root of what is holding you back from reaching out beyond the sheets and grabbing all of the goodness that God has for you to enjoy.

Machiavelli on Modern Leadership Michael A. Ledeen 2007-04-01 Niccolo Machiavelli, one of the eminent

Downloaded from avenza-dev.avenza.com
on October 3, 2022 by guest

minds of the Italian Renaissance, spent much of a long and active lifetime trying to determine and understand what exceptional qualities of human character-- and what surrounding elements of fortune, luck, and timing-- made great men great leaders successful in war and peace. In perhaps the liveliest book on Machiavelli in years, Michael A. Ledeen measures contemporary movers and doers against the timeless standards established by the great Renaissance writer. Titans of statecraft (Margaret Thatcher, Francois Mitterrand, Pope John Paul II, Ronald Reagan, and Bill Clinton); business and finance (Bill Gates); Wall Street and investing (Warren Buffett); the military (Colin Powell), and sports (Michael Jordan) are judged by Machiavelli's precepts on leadership and the proper use of power. The result is a wide-ranging and scintillating study that illuminates the thoughts of the Renaissance master and the actions of today's truly towering figures as well as the character-challenged pretenders to greatness. Here is an exceptional book on Machiavelli and his ultra-realistic exploration of human nature-- then and now.

Breaking Generational Curses & Pulling Down Strongholds Vito Rallo 2000 Previously published by Free Indeed Ministries.
