Preaching in Hitler's Shadow Dean G. Stroud 2013-10-25 What did German preachers opposed to Hitler say in their Sunday sermons? When the truth of Christ could cost a pastor his life, what words encouraged and challenged him and his congregation? This book answers those questions. *Preaching in Hitler's Shadow* begins with a fascinating look at Christian life inside the Third Reich, giving readers a real sense of the danger that pastors faced every time they went into the pulpit. Dean Stroud pays special attention to the role that language played in the battle over the German soul, pointing out the use of Christian language in opposition to Nazi rhetoric. The second part of the book presents thirteen well-translated sermons by various select preachers, including Dietrich Bonhoeffer, Karl Barth, Rudolf Bultmann, and others not as well known but no less courageous. A running commentary offers cultural and historical insights, and each sermon is preceded by a short biography of the preacher.

Finding Your Own Goliath Byron Wardlaw 2019-11-19 The Bible mentions giants, most notably the giant Goliath. Giants put fear in the hearts and minds of most of the Hebrew populace. Goliath kept Saul's army frozen in fear; they were unable to fulfill their purpose as soldiers. Goliath never did anything, and yet he was an effective deterrent. The story of David versus Goliath was battle of flesh and blood. There is a deeper meaning to Goliath and the giants in the promised land, and it has to do with fears, insecurities, and anxieties that lie deep within each one of us. In fact, those fears are so deep within us that David describes them as "secret faults" that are in the "hidden part." These fears exist and greatly affect each person, but they are so well guarded that one is not even aware of their existence. These are the giants that keep one from having the faith to go down into the valley and fight the battles of life. Even the apostle Paul acknowledged the profound influence of these giants and could only proclaim, "Oh, wretched man that I am." The truth that will set one free is when one comes to the

realization that they need Christ to help foster an awareness of the existence of those inner fears. David noted that God desires that one will find "truth in the inward parts." The battles in life are not carnal, "for we do not wrestle against flesh and blood" but against the giants in the depths of one's own spirit. Human nature urges people to concentrate on external phenomena when the real giants that impede prosperity, potentiality, peace, faith, and love are internal phenomena. Each one only needs to find their own personal Goliaths that lie within.

Old Islam in Detroit Sally Howell 2014 This title documents the rich history of Islam in Detroit, a city that is home to several of America's oldest and most diverse Muslim communities. By looking closely at this history, Sally Howell provides a new interpretation of the possibilities and limits of Muslim incorporation in American life.

The Dynamics of Pastoral Care (Ministry Dynamics for a New Century) David W. Wiersbe 2000-03-01 Pastors are increasingly tempted to view themselves as high-powered CEOs. Wiersbe reminds them of the biblical model: shepherds to God's people. Practical and encouraging.

Preaching the Gospel Ronald J. Sider 2021-06-22 This collection of Ron Sider's sermons and speeches delivered in his lifetime of global ministry capture the essence of his theology, ethics, and mission. It moves from stirring personal occasions (his sermon at his dad's funeral) to challenging calls for racial and economic justice (his influential, prophetic speech in apartheid South Africa in 1979). These sermons reflect his passion for both evangelism and social action, both personal holiness and just politics, both faithful congregations and just, peaceful societies. These short, gripping sermons convey the essence of what he has written elsewhere in dozens of books. This collection offers a highly readable, powerful summary of Sider's central ideas.

A History of Preaching in Britain and America Frederick Roth Webber 1952 F. R. Webber's three-volume History of Preaching in Britain and America not only traces the various eras of the rise and fall of preaching in the English-speaking countries, but it strives in particular to illuminate a fact which is well-known to any student of church history: that poor preaching is inevitably followed by a great period of religious stagnation, while the preaching of evangelical truth results in spiritual life. Mr. Webber presents the lives and the sermons of the famous preachers of Scotland, Wales, Cornwall, Ireland, England and America, depicting their manner and style of preaching, and tracing the recurrent cycles of spiritual decay and revival in these countries. The 3 volumes of his History of Preaching are punctuated with dramatic episodes from the lives of more than 800 famous princes of the pulpit. Their doctrinal position is set forth, including their attitude toward such doctrines as Verbal Inspiration and Justification, and toward such evil fads as Evolution, Higher Criticism, Rationalism, and Modernism.

Wounded Minister Reflections of a Former Pastor Eric O. Rogers 2007-03 Wounded Minister: Reflections of a Former Pastor is the story of power, politics, and the pains of pastoring the local church. From ashes to gold, a church is brought out from the wilderness of spiritual darkness to the promise land of knowledge and wisdom only to reject and despise God at the expense of hurt, hatred, and raising hell with the pastor, parishioners, and the powers that be. Dr. Eric O. Rogers, Pastor-Teacher and University Professor, explores and examines the causes and chaos of disobedience in the

face of God's love, mercy, and grace. Healing is progressive and Rogers begins the journey of a thousand miles through headache, heartache, hell, and high water to joy unspeakable and peace that surpasses all understanding. Despite the foolishness and folly of church members, Rogers emerges to proclaim forgiveness and healing through God's word.

Come Along with Me Shirley Jackson 2013-02-26 A haunting and psychologically driven collection from Shirley Jackson that includes her best-known story "The Lottery" At last, Shirley Jackson's "The Lottery" enters Penguin Classics, sixty-five years after it shocked America audiences and elicited the most responses of any piece in New Yorker history. In her gothic visions of small-town America, Jackson, the author of such masterworks as *The Haunting of Hill House* and *We Have Always Lived in the Castle*, turns an ordinary world into a supernatural nightmare. This eclectic collection goes beyond her horror writing, revealing the full spectrum of her literary genius. In addition to *Come Along with Me*, Jackson's unfinished novel about the quirky inner life of a lonely widow, it features sixteen short stories and three lectures she delivered during her last years. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

What Happens Sunday Morning Carol M. Noren 1992-01-01 Carol Noren helps lay people evaluate what they do Sunday morning and suggests positive steps for making worship better. She shows lay people how to work with their pastors and demonstrates how to make worship the work of the people. Separate chapters provide an overview of worship and explore the role of laity, the physical setting, the music, the sermon, and the liturgy. Each chapter also includes a series of questions that help individuals evaluate and respond to the practice in their church.

You Can't Have My Pearls Nervona 2012-11 *You Can't Have My Pearls* recounts the abuse the author suffered at the hands of her family, foster parents, her minister' husband, and his family. Nervona was born in Evanston, Illinois. She grew up in West Texas where she lived with her family. Although she has several fond memories of her childhood, years of abuse have overshadowed her recollections. When her parents' negligence and abuse were discovered, the author and her siblings were placed in foster homes where they also suffered abuse. Things did not fare well even after their paternal grandparents took them in, for their grandmother was just as abusive. Nervona then found herself in a living nightmare at the hands of her husband's family, who determined to make her life an existing hell. Because of the traumas, she suffered during her younger years, Nervona struggled with personal issues before mustering the courage to free herself from her abusive hold. Once she did, she could find herself and rebuild her life.

The Huthi Movement in Yemen Abdullah Hamidaddin 2022-06-30 The Huthi rebels in Yemen are a resistance movement going back decades. Their revolution against Yemeni President Ali Abdullah Saleh in 2015-and the subsequent proxy war between Iran, Saudi Arabia, and the Huthis-has brought absolute devastation to the country. But who are the Huthis and how can we understand the group away from armed conflict and war? What has motivated their social movement to fundamentally re-shape Yemen, and what are the group's local and regional ambitions? This book provides the first comprehensive critical analysis dedicated to the Huthis. Across four parts and 17 chapters, the book examines how the movement is challenging traditional religious authority, re-shaping tribal values and roles in Yemen, constructing new collective memories and identities, and infusing Yemen's mediascape with their ideological creed. In examining the movement's specific ways of thinking and beliefs, the book also highlights its foreign policy within a regional policy of resistance to the United States, and it points towards what its impact on both Yemen and the security of the Arab Gulf region will be. The book brings together the leading experts on Yemen from diverse disciplines to provide readers with a nuanced and multi-layered approach to understanding the Huthi movement.

Daddy's Girl Otishia Emmens "There are children who blend well into a new family and for that I salute you. When the transitioning adults are genuine in the approach of creating a safe and solid atmosphere between all parties, harmony flows however, for the children who get lost in the midst of adults yearning to fulfill missing pieces without properly investigating whether the intended target is healthy for everyone, stories like mine are birthed."~Otishia E. Daddy's Girl is a cautionary tale to the perils of abuse and the societal pitfalls in families and communities across America.

This is My Story Cleophus James LaRue 2005-01-01 African American women continue to confess their call to ministry even when they know such a confession may cause them to face criticism and even ostracism from many of the same men and women who nurtured them in the faith. In *This Is My Story*, thirteen successful African American women clergy tell the powerful, inspirational, and sometimes heartbreaking stories of their calls and ministerial journeys, which they experienced in the midst of anguish, uncertainty, and in many cases unfriendly leadership environments. Each of the women includes a sermon of particular importance to her.

Believing in Preaching: what Listeners Hear in When the authors of this book set about analyzing the

data and reporting the findings of their extensive study on how laity hear sermons, they thought they would be sharing what listeners reported helps them enter into the meaning of a sermon and what prevents them from hearing what the preacher is saying. In a way, *Believing in Preaching* accomplishes this. But the surprising revelation of the study was the remarkable diversity with respect to how people listen to sermons. From the *Channels of Listening* series.

I'm Just Wanda, But Jesus Is G-O-D Wanda Aigner 2011-03 Pope Benedict XVI is too late for Wanda Aigner's father, who believed in limbo. When at three days Wanda became deathly ill, her father nearly had an accident in his Model A Ford on Minnesota's gravel roads in mid-January as he sped to their pastor to get his daughter baptized. Still alive and well and having had an adventurous life both in the States and abroad, this memoir searches the highs and lows of a life dedicated to missions. If you wish to see Jesus, learn how he spoke to Wanda through a grandmother, leading her to not only assurance of salvation but also a call to missions. Try, if you will, counting the times Jesus healed her or helped her with demon problems. Be enlightened of Satan's wiles, inspired by Wanda's faithfulness, and encouraged to keep on keeping on-with your guard up. You may well find yourself challenged when you recognize the much more than ample proof of this autobiographer's declaration, I'm Just Wanda, but...JESUS Is G-O-D!

The Names They Gave Us Emery Lord 2017-05-16 Lucy Hansson was ready for a perfect summer with her boyfriend, working at her childhood Bible camp on the lake and spending quality time with her parents. But when her mom's cancer reappears, Lucy falters-in her faith and in her ability to cope. When her boyfriend "pauses" their relationship and her summer job switches to a different camp-one for troubled kids-Lucy isn't sure how much more she can handle. Attempting to accept a new normal, Lucy slowly regains footing among her vibrant, diverse coworkers, Sundays with her mom, and a crush on a fellow counselor. But when long-hidden family secrets emerge, can Lucy set aside her problems and discover what grace really means? Emotionally-charged and unforgettable, Emery Lord's storytelling shines with the promise of new love and true friendship, even in the face of life's biggest challenges.

The Feasts of the Kingdom Maurice A. Fetty 2002 For Christians there is no more important "meal" than Holy Communion -- yet there are many occasions in the Bible where Jesus taught his friends and disciples as he ate and drank. These 26 messages address a wide variety of sacred meals in scripture, and connect them to our mealtimes today, where we can develop a sense of community and Christian fellowship that is emblematic of the spiritual feast at the heart of the Church's worship.

Which Way to Jesus? Harry N. Huxhold 1996 These fifteen sermons are written for the season of Lent, beginning with Ash Wednesday and ending with the Ascension of the Lord. Most of them are based on scriptural texts from the gospel of John. Harry Huxhold preaches sermons that are punctuated with fascinating illustrations. He holds a congregation's attention to the end. Within this collection of sermons for Cycle B are such titles as: - Beware of Your Piety - Clean House - Easter Jogging - You Are My Witnesses Harry N. Huxhold has served rural, social service, suburban, campus, and central city ministries of the church over a period of 48 years. He has taught at the parochial, secondary, and university levels as well as in seminary and church forums. He is the author of many devotional and sermon materials and contributes frequently to theological periodicals and journals.

The Lost Writings of Steve Garvey Nicholas Barnes 2000-12 "When I'd finished a glass of sherry, I picked up the pages and went over my work (something I realized I immediately despised -- re-reading is a horrifying task, and I have not done it since -- they usually go straight into the fire). I could scarcely bring myself to go beyond the second line, but willed my way through it, squinting, out of the corner of my eye. My story was horrible -- so thickly pretentious, so convoluted, twisted in on itself to such a nauseating degree, that I vowed never to write another word. I did not adhere to that vow, but have cured the after-shame problem by, to wit, burning most of the things I write in my fireplace. But there is the matter of survival. So, in reality, quilting is what I have to offer this world."

Connecting Pulpit and Pew Karla J. Bellinger 2014-05-08 Whether you preach from a pulpit or sit in a pew, you hope (and pray) for a homily that connects the Good News with life. But what does it mean to connect? In a world that buzzes with the synapses of technological "connection," can the human touch of preaching make a difference anymore? *Connecting Pulpit and Pew* is a fresh look at the conundrum of Catholic preaching, asking six key questions: Why does Sunday preaching matter and to whom? Why is Catholic preaching such an uphill climb? How can we connect the gospel message with our young people? What are the struggles of clergy-on-the-ground in preaching? What is going on in the listener's head during the homily? And finally, what can each of us do to help "connection" in preaching become more common? New research speaks to those questions from the voices of youth, the experiences of lay leaders, and the words of priests and deacons. Karla Bellinger offers concrete ways to connect the pulpit and the pew so that preaching becomes an act of love within a community of caring. This practical book breaks open an important and necessary conversation.

Cambridge Theology in the Nineteenth Century David M. Thompson 2017-03-02 Many books have been written about nineteenth-century Oxford theology, but what was happening in Cambridge? This book provides the first continuous account of what might be called 'the Cambridge theological tradition', by discussing its leading figures from Richard Watson and William Paley, through Herbert Marsh and Julius Hare, to the trio of Lightfoot, Westcott and Hort. It also includes a chapter on nonconformists such as Robertson Smith, P.T. Forsyth and T.R. Glover. The analysis is organised around the defences that were offered for the credibility of Christianity in response to hostile and friendly critics. In this period the study of theology was not yet divided into its modern self-contained areas. A critical approach to scripture was taken for granted, and its implications for ecclesiology, the understanding of salvation and the social implications of the Gospel were teased out (in Hort's phrase) through enquiry and controversy as a way to discover truth. Cambridge both engaged with German theology and responded positively to the nineteenth-century 'crisis of faith'.
