Migrating Histories of Art Maria Teresa Costa 2018-12-03 Art historians have been facing the challenge – even from before the advent of globalization – of writing for an international audience and translating their own work into a foreign language – whether forced by exile, voluntary migration, or simply in order to reach wider audiences. *Migrating Histories of Art* aims to study the biographical and academic impact of these self-translations, and how the adoption and processing of foreign-language texts and their corresponding methodologies have been fundamental to the disciplinary discourse of art history. While often creating distinctly "multifaceted" personal biographies and establishing an international disciplinary discourse, self-translation also fosters the creation of instances of linguistic and methodological hegemony.

Original Grin Ron English 2019-03-26 Through his highly subversive art Ron English (b. 1959) has bombed the global landscape with striking and often unsettling imagery. He coined the term "POPaganda" to describe his signature and darkly satirical renderings of corporate branding icons. Ranging from superhero mythology to pillars of art history, his work is populated with a vast and constantly growing arsenal of original characters such as MC Supersized; the obese fast-food mascot featured in the hit movie Supersize Me; and Abraham Obama, which fused America's 16th and 44th Presidents, an image that was posited by the media as having

directly impacted the 2008 election. His cameo on *The Simpsons* secured his position as America's premier pop iconoclast. This book is the first complete retrospective of English's work, compiling his paintings, illustrations, toys, sculpture, street art, and "agit-pop." Additionally, it contains a lengthy and comprehensive interview with the artist conducted exclusively for this publication.

The Gospel According to a Sitcom Writer James Cary 2021-06-17 Maybe Jesus was joking, the disciples didn't know what they were doing and the New Testament is a lot funnier than you might think. You would think it weird if someone suddenly ascended into heaven, right? Reading between the lines, do we detect a touch of rivalry between Peter and John? And surely the lack of parables in the latter's mystical tome is simply crying out to be redressed . . . In this sparkingly witty book, BBC sitcom writer James Cary gives us a new and liberating way of looking at the gospel as he entertainingly relates it to a modern context, with references ranging from Charles Dickens to *The Vicar of Dibley*. Cheerfully playing around with the text, he takes the Bible seriously but allows us to laugh at our own petty vanities and foibles - and be enlightened in the process. *The Gospel According to a Sitcom Writer* is ideal for anyone wanting to liven up their Bible reading and looking for new ways to be thrilled by this sacred text. It's also perfect for priests, pastors, youth leaders and all those involved in ministry and giving sermons, as James Cary shows using comedy and humour is a brilliant way to communicate the gospel. Warm, funny and full of brilliant insight and Christian humour, *The Gospel According to a Sitcom Writer* will make you laugh out loud and shake your head in awe. You'll never read the Bible the same way again.

Parker Looks Up Parker Curry 2019-10-15 A New York Times bestseller! A visit to Washington, DC's National Portrait Gallery forever alters Parker Curry's young life when she views First Lady Michelle Obama's portrait. When Parker Curry came face-to-face with Amy Sherald's transcendent portrait of First Lady Michelle Obama at the National Portrait Gallery, she didn't just see the First Lady of the United States. She saw a queen—one with dynamic self-assurance, regality, beauty, and truth who captured this young girl's imagination. When a nearby museum-goer snapped a photo of a mesmerized Parker, it became an internet sensation. Inspired by this visit, Parker, and her mother, Jessica Curry, tell the story of a young girl and her family, whose trip to a museum becomes an extraordinary moment, in a moving picture book. Parker Looks Up follows Parker, along with her baby sister and her mother, and her best friend Gia and Gia's mother, as they walk the halls of a museum, seeing paintings of everyone and everything from George Washington Carver to Frida Kahlo, exotic flowers to graceful ballerinas. Then, Parker walks by Sherald's portrait of Michelle Obama...and almost passes it. But she stops...and looks up! Parker saw the possibility and promise, the hopes and dreams of herself in this powerful painting of Michelle Obama. An everyday moment became an extraordinary one...that continues to resonate its power, inspiration, and indelible impact. Because, as Jessica Curry said, "anything is possible regardless of race, class, or gender." **FOREWORD BY ARTIST AMY SHERALD**
