At Grave's End Jeaniene Frost 2009-10-06 Some things won't stay buried . . . at grave's end It should be the best time of half-vampire Cat Crawfield's life. With her undead lover Bones at her side, she's successfully protected mortals from the rogue undead. But though Cat's worn disguise after disguise to keep her true identity a secret from the brazen bloodsuckers, her cover's finally been blown, placing her in terrible danger. As if that wasn't enough, a woman from Bones's past is determined to bury him once and for all. Caught in the crosshairs of a vengeful vamp, yet determined to help Bones stop a lethal magic from being unleashed, Cat's about to learn the true meaning of bad blood. And the tricks she's learned as a special agent won't help her. She will need to fully embrace her vampire instincts in order to save herself—and Bones—from a fate worse than the grave.

My Brother's Husband, Volume 1 Gengoroh Tagame 2017-05-02 ***WINNER OF THE 2018 EISNER AWARD FOR BEST U.S. EDITION OF INTERNATIONAL MATERIAL — ASIA*** Yaichi is a work-at-home suburban dad in contemporary Tokyo; formerly married to Natsuki and father to their young daughter, Kana. Their lives suddenly change with the arrival at their doorstep of a hulking, affable Canadian named Mike Flanagan, who declares himself the widower of Yaichi's estranged gay twin, Ryoji. Mike is on a quest to explore Ryoji's past, and the family reluctantly but dutifully takes him in. What follows is an unprecedented and heartbreaking look at the state of a largely still-closeted Japanese gay culture: how it's been affected by the West, and how the next generation can change the preconceptions about it and prejudices against it. (Please note: This book is a traditional work of manga, and reads back to front and right to left.)

Will You Still Love Me, If . . . ? Catherine Leblanc 2013-11-01 An imaginative journey through a child's big questions about the nature of a mother's love Little Bear is worried. Just how much does his mom love him? What if he does something really bad? What if something bad happens to her? But a mother's love is strong, and as Little Bear finds out, nothing can change that.

Alone - Volume 7 - The Lowlands Fabien Vehlmann 2017-05-29T00:00:00+02:00 The cold war between the Campton group and Saul's clan has finally erupted into open warfare, but the increasingly strange

events that affect the abandoned city eventually silence even the most bellicose instincts: the red zone is sinking into the ground, and all of the children, regardless of their allegiance, are now trapped inside the 'lowlands'. Their only chance to get out is to work together – if it isn't already too late...

Promise at Dawn Romain Gary 2017-10-31 A classic of modern French literature, the thrilling real-life story of the military hero, ambassador, ladies man, writer, and loving son I grew up longing for the day when I could tear down the veil of darkness and absurdity concealing the true face of the universe and discover at last a smile of kindness and wisdom; I grew up in the certitude that one day I should help my fellow men to wrest the world from our enemies and give back the earth to those who ennoble it with their courage and warm it with their love. *Promise at Dawn* begins as the story of a mother's sacrifice: alone and poor, she fights fiercely to give her son the very best. Romain Gary chronicles his childhood in Russia, Poland, and on the French Riviera; he recounts his adventurous life as a young man fighting for France in World War II. But above all he tells the story of the love for his mother that was his very life—their secret and private planet, their wonderland “born out of a mother's murmur into a child's ear, a promise whispered at dawn of future triumphs and greatness, of justice and love.”

Scientific Understanding Henk W. de Regt 2009 To most scientists, and to those interested in the sciences, understanding is the ultimate aim of scientific endeavor. In spite of this, understanding, and how it is achieved, has received little attention in recent philosophy of science. *Scientific Understanding* seeks to reverse this trend by providing original and in-depth accounts of the concept of understanding and its essential role in the scientific process. To this end, the chapters in this volume explore and develop three key topics: understanding and explanation, understanding and models, and understanding in scientific practice. Earlier philosophers, such as Carl Hempel, dismissed understanding as subjective and pragmatic. They believed that the essence of science was to be found in scientific theories and explanations. In *Scientific Understanding*, the contributors maintain that we must also consider the relation between explanations and the scientists who construct and use them. They focus on understanding as the cognitive state that is a goal of explanation and on the understanding of theories and models as a means to this end. The chapters in this book highlight the multifaceted nature of the process of scientific research. The contributors examine current uses of theory, models, simulations, and experiments to evaluate the degree to which these elements contribute to understanding. Their analyses pay due attention to the roles of intelligibility, tacit knowledge, and feelings of understanding. Furthermore, they investigate how understanding is obtained within diverse scientific disciplines and examine how the acquisition of understanding depends on specific contexts, the objects of study, and the stated aims of research.

Le clan du requin Fabien Vehlmann 2008-06-04 Dans un pays dont les habitants ont mystérieusement disparu, cinq enfants vont devoir apprendre à se débrouiller seuls.

Feral Sins Suzanne Wright 2013 When female wolf shifter Taryn Warner first encounters Trey Coleman, an alpha male wolf shifter with a dangerous reputation, she's determined to resist his charms. But Taryn finds herself drawn in by Trey's forceful demeanor and arctic-blue eyes, and she eventually agrees to enter an uneasy alliance with him. If the two succeed in convincing their respective packs that they've chosen each other as mates, Trey will win valuable political allies, while Taryn will escape an odious arranged mating. Will they be able to maintain the clear heads needed to pull off the deception?

Ten Tiny Breaths K.A. Tucker 2013-02-12 After a terrible car accident destroys her life as she knew it, twenty-year-old Kacey escapes to Florida, where she encounters an irresistible man determined to capture her wounded heart. Just breathe, Kacey. Ten tiny breaths. Seize them. Feel them. Love them.

Four years ago, Kacey Cleary's life imploded when her car was hit by a drunk driver, killing her parents, boyfriend, and best friend. Still haunted by memories of being trapped inside, listening to her mother take her last breath, Kacey wants to leave her past behind. Armed with two bus tickets, Kacey and her fifteen-year-old sister, Livie, escape Grand Rapids, Michigan, to start over in Miami. They're struggling to make ends meet at first, but Kacey's not worried. She can handle anything—anything but her mysterious neighbor in apartment 1D. Trent Emerson has smoldering blue eyes and deep dimples, and perfectly skates that irresistible line between nice guy and bad boy. Hardened by her tragic past, Kacey is determined to keep everyone at a distance, but their mutual attraction is undeniable, and Trent is desperate to find a way into Kacey's guarded heart—even if it means revealing an explosive secret that could shatter both their worlds.

Beautiful Darkness Kerascoët 2018-10-30 A group of little people find themselves without a home in this horror fantasy classic. Newly homeless, a group of fairies find themselves trying to adapt to their new life in the forest. As they dodge dangers from both without and within, optimistic Aurora steps forward to organize and help build a new community. Slowly, the world around them becomes more treacherous as petty rivalries and factions form. *Beautiful Darkness* became a bestseller and an instant classic when it was released in 2014. This paperback edition of the modern horror classic contains added material, preparatory sketches, and unused art. While Kerascoët mix gorgeous watercolors and spritely cartoon characters, Fabien Vehlmann takes the story into bleaker territory as the seasons change and the darkness descends. As with any great horror, there are moments of calm and jarring shocks while a looming dread hangs over the forest.

Rock Addiction Nalini Singh 2014-09-09 Molly Webster has always followed the rules. After an ugly scandal tore apart her childhood and made her the focus of the media's harsh spotlight, she vowed to live an ordinary life. No fame. No impropriety. No pain. Then she meets Zachary Fox, a tattooed bad boy rocker with a voice like whiskey and sin, and a touch that could become an addiction.

The Toilers of the Sea Victor Hugo 1866 A tale of high adventure on the seas, along with a touching love story.

Alone - Volume 4 - The Red Cairns Fabien Vehlmann 2015-12-23 The five children, now accompanied by several dissidents from the Clan of the Shark, have returned to Campton, where Ivan found some clues about the night of the Vanishing. One evening, as they are discussing the organisation of their new camp, the Master of Knives comes to ask for their help ... and collapses, gravely injured. Searching the city for what attacked him, the children are stunned to discover huge piles of objects covered in red paint...

Blue Moon Laurell K. Hamilton 2010-03-04 An Anita Blake, Vampire Hunter, novel 'Richard was an alpha werewolf. It was his only serious flaw. We'd broken up after I'd seen him eat somebody.' You never forget your ex-fiance. And when the call came at three in the morning, I thought for a moment it was him. It wasn't. It was his brother. And it wasn't good news. Apparently the former love of my life had got himself thrown into jail for assaulting a woman. Since I make my living as a preternatural expert, I tend to believe almost anything's possible. But though he may be one of the monsters, Richard would never harm a woman. So it's Anita Blake to the rescue. I've got just a few days to spring Richard and find out who framed him - and why. There's a full moon coming, and if my werewolf love is still behind bars when it rises, he'll be facing a lot worse than an assault charge...

The History of the World in Comics Jean-Baptiste de Panafieu 2021-07-13 Never has natural history been so fun! Scientific accuracy and humor combine to tell the entire history of Earth in a comic book format. A paleontologist and a storyteller take two children through the birth of our planet, the beginning of microbes, and through the heydays of protozoans, dinosaurs, and early mammals with unflinching enthusiasm. The art accurately portrays animal species and prehistoric landscapes, includes maps and infographics, but also adds humorous touches: a google-eyed prehistoric fish looking startled to be walking on land and the children popping out of a tree top to surprise a Brachiosaurus. The combined expertise of author Jean-Baptiste de Panafieu, a science writer and biologist, and illustrator Adriene Barman, the creator behind *Creaturepedia* and *Plantopedia*, makes for a science read you can trust. Fans of Maris Wicks's *Human Body Theater* and Nathan Hale will be pleased.

The Man who Laughs Victor Hugo 1888

Four Seconds to Lose K.A. Tucker 2014-04 "Owning a strip club isn't the fantasy most guys expect it to be. With long hours, a staff with enough issues to keep a psych ward in business, and the police checking up on him regularly, twenty-seven year old Cain is starting to second guess his silent mission to save these women. That is, until a tiny angel named Charlie walks through his door. Blonde and blue-eyed, sweet as can be, this dancer's sad smile opens up old wounds. She reminds him so much of Penny. As much as Cain tries to avoid being that creepy strip club boss who dates his staff, he can't help but be attracted to Charlie. As he grows closer to her, waiting for her to turn her life around, he discovers that she's headed down a dangerous path, the same one that claimed the other important women in his life"--

Quantum Manjit Kumar 2008-10-02 'This is about gob-smacking science at the far end of reason ... Take it nice and easy and savour the experience of your mind being blown without recourse to hallucinogens' Nicholas Lezard, *Guardian* For most people, quantum theory is a byword for mysterious, impenetrable science. And yet for many years it was equally baffling for scientists themselves. In this magisterial book,

Manjit Kumar gives a dramatic and superbly-written history of this fundamental scientific revolution, and the divisive debate at its core. Quantum theory looks at the very building blocks of our world, the particles and processes without which it could not exist. Yet for 60 years most physicists believed that quantum theory denied the very existence of reality itself. In this tour de force of science history, Manjit Kumar shows how the golden age of physics ignited the greatest intellectual debate of the twentieth century. Quantum theory is weird. In 1905, Albert Einstein suggested that light was a particle, not a wave, defying a century of experiments. Werner Heisenberg's uncertainty principle and Erwin Schrodinger's famous dead-and-alive cat are similarly strange. As Niels Bohr said, if you weren't shocked by quantum theory, you didn't really understand it. While "Quantum" sets the science in the context of the great upheavals of the modern age, Kumar's centrepiece is the conflict between Einstein and Bohr over the nature of reality and the soul of science. 'Bohr brainwashed a whole generation of physicists into believing that the problem had been solved', lamented the Nobel Prize-winning physicist Murray Gell-Mann. But in "Quantum", Kumar brings Einstein back to the centre of the quantum debate. "Quantum" is the essential read for anyone fascinated by this complex and thrilling story and by the band of brilliant men at its heart.

Understanding Scientific Understanding Henk W. de Regt 2017 Putting scientific understanding center-stage within the study of scientific explanations, Understanding Scientific Understanding develops and defends a philosophical theory of scientific understanding that can describe and explain the historical variation of criteria for understanding actually employed by scientists. Better When He's Bad Jay Crownover 2014-06-17 New York Times and USA Today bestselling author Jay Crownover returns with a heart-stopping new series... Welcome to the Point. There's a difference between a bad boy and a boy who's bad . . . meet Shane Baxter. Sexy, dark, and dangerous, Bax isn't just from the wrong side of the tracks, he is the wrong side of the tracks. A criminal, a thug, and a brawler, he's the master of bad choices, until one such choice landed him in prison for five years. Now Bax is out and looking for answers, and he doesn't care what he has to do or who he has to hurt to get them. But there's a new player in the game, and she's much too innocent, much too soft...and standing directly in his way. Dovie Pryce knows all about living a hard life and the tough choices that come with it. She's always tried to be good, tried to help others, and tried not to let the darkness pull her down. But the streets are fighting back, things have gone from bad to worse, and the only person who can help her is the scariest, sexiest, most complicated ex-con The Point has ever produced. Bax terrifies her, awakening feelings she never thought she'd have for a guy like him. But it doesn't take Dovie long to realize . . . some boys are just better when they're bad.

can—and does—happen. Book one of the New York Times bestselling Wild Seasons series from the author of the Beautiful series. One-night stands are supposed to be with someone convenient, or wickedly persuasive, or regrettable. They aren't supposed to be with someone like him. But after a crazy Vegas weekend celebrating her college graduation—and terrified of the future path she knows is a cop-out—Mia Holland makes the wildest decision of her life: follow Ansel Guillaume—her sweet, filthy fling—to France for the summer and just...play. When feelings begin to develop behind the provocative roles they take on, and their temporary masquerade adventures begin to feel real, Mia will have to decide if she belongs in the life she left because it was all wrong, or in the strange new one that seems worlds away.

Black Skin, White Masks Frantz Fanon 2017-05-09 Black Skin, White Masks is a classic, devastating account of the dehumanising effects of colonisation experienced by black subjects living in a white world. First published in English in 1967, this book provides an unsurpassed study of the psychology of racism using scientific analysis and poetic grace. Franz Fanon identifies a devastating pathology at the heart of Western culture, a denial of difference, that persists to this day. A major influence on civil rights, anti-colonial, and black consciousness movements around the world, his writings speak to all who continue the struggle for political and cultural liberation. With an introduction by Paul Gilroy, author of *There Ain't No Black in the Union Jack*.

Scarred Regrets Adelaide Forrest 2021-12-26 Broken men don't fall in love. We linger in the darkness, consumed by the sins that define us. Irina is the sole reason my heart beats. She's everything that matters in a world filled with evil that a woman so good and pure should never have to see. She'll add another scar to my collection - this one engraved on my heart. When she's taken by our enemy to use for his vengeance. Even knowing she can never be mine, I'll stop at nothing to see her safe. The Irina I rescue isn't the same feisty woman they stole. Her soul is broken. Her heart is hollow like mine, because of the things she's seen. She needs me in a way I've never known. And I will destroy the man who shattered what's mine. *Scarred Regrets* is a full-length standalone romance, but the series presents a better reading experience when following the suggested order. This series contains dark elements, including over-the-top antiheroes who do as they please. Read at your own discretion.

Playing with Fire Kate Meader 2015-09-29 From *Sparking the Fire* author Kate Meader comes the second novel in *Hot in Chicago*, a brand-new, sizzling series that follows a group of firefighting foster siblings and their blazing hot love interests! As the only female firefighter at Engine Co. 6, Alexandra Dempsey gets it from all sides: the male coworkers who think she can't do the job, the wives and girlfriends who see her as a threat to their firefighter men, and her overprotective foster brothers who want to shelter their baby sister at all costs. So when she single-handedly saves the life of Eli Cooper, Chicago's devastatingly handsome mayor, she assumes the respect she's longed for will finally come her way. But it seems Mr. Mayor has other ideas... Eli Cooper's mayoral ratings are plummeting, his chances at reelection dead in the water. When a sexy, curvaceous firefighter gives him the kiss of life, she does more than bring him back to the land of the living—she also breathes vitality into his campaign. Riding the wave of their feel-good story might prop up Eli's flagging political fortunes, but the sizzling attraction between them can go nowhere; he's her boss, and there are rules that must be obeyed. But you know what they say about rules: they're made to be broken...

My Kingdom for a Guitar Kidi Bebey 2021-10-05 My Kingdom for a Guitar is a novel based on the remarkable life of Cameroonian-born writer and musician Francis Bebey. Born in Douala, Cameroon, Bebey studied in Paris and New York. He found fame when his first novel, *Le Fils d'Agatha Moudio* (Agatha Moudio's Son), was published in 1967, and that fame continued to grow with the release of his first album in 1969. He would go on to become one of the best-known singer-songwriters of Africa, whose groundbreaking style merged Cameroonian makossa with classical guitar, jazz, and pop. Narrated by Bebey's daughter, Kidi, *My Kingdom for a Guitar* is a tribute to her late father and his family. Through a combination of recollections and fiction, it offers the reader a chance to witness the admiration of a daughter for her father and the love of a man for his music.

Green Manor Fabien Vehlmann 2008 At first glance, *Green Manor* seems like a typical English gentleman's club, but it is actually a sinister organization made up of assassins, con artists, and bandits.

The Pact Karina Halle 2014 *The Pact is a full-length, standalone "friends to lovers" contemporary adult romance*It all started with a pinky swear...Linden McGregor is tall, rugged, and gunslinger handsome; a helicopter pilot with a Scottish brogue and charm to spare. He's also one of Stephanie Robson's best friends and has fit into that box for as long as she's known him.Beautiful, funny and an ambitious businesswoman (with one hell of an ass), Stephanie Robson is one of Linden McGregor's best friends and has fit into that box for as long as he's known her.But some relationships can't be boxed, can't be classified, can't be tamed.Back in their mid-twenties and tired of the competitive hit-or-miss dating scene of San Francisco, Steph and Linden made a pact to marry each other if neither one of them were in a serious relationship by the time they hit thirty.It sounded like fun and games at the time but as the years to thirty tick past and lovers come and go out of their lives, the pact becomes larger than life.Sex is inevitable. Friendships are tested. Hearts are on the line.The pact is about to change everything.Note: due to the dirty talk and sexy times, The Pact is not meant for anyone under the age of 18.

The Tree and the Canoe Joël Bonnemaïson 1994-01-01 This personal observation of Tanna, an island in the southern part of the Vanuatu archipelago, presents an extraordinary case study of cultural resistance. Based on interviews, myths and stories collected in the field, and archival research, *The Tree and the Canoe* analyzes the resilience of the people of Tanna, who, when faced with an intense form of cultural contact that threatened to engulf them, liberated themselves by re-creating, and sometimes reinventing, their own kastom. Following a lengthy history of Tanna from European contact, the author discusses in detail original creation myths and how Tanna people revived them in response to changes brought by missionaries and foreign governments. The final chapters of the book deal with the violent opposition of part of the island population to the newly established National Unity government.
