*Dark Thirty* Terry Kay 2021-06-22 In the sleepy town of Tickenaley, Georgia, they call the thirty minutes between day and night Dark Thirty. The memory of daylight lingers, but falling darkness brings with it haze, change and uncertainty. One day at Dark Thirty, Jesse Wade, in high spirits, carrying a birthday gift for his beloved grandson, returns home to a scene of unspeakable horror. His entire family—wife, children, grandchild—have been savagely slain. In one slashing moment, the life of this decent, loving, home-rooted man is torn apart forever. Not since *In Cold Blood* has a book probed so deeply and so powerfully into the human drama that a senseless act of savagery leaves in its wake—the agony of Jesse Wade, the panic of the townspeople, the burden of the lawyers who must defend the killers, and the encroachment of the news media, exploiting it all. As the story unfolds, Terry Kay also dramatically brings to light the complex social issues we all face in a violent time: justice vs. vengeance, the failings of our legal system, capital punishment. In this beautifully written, deeply felt novel, Terry Kay chillingly juxtaposes the pastoral beauty of Appalachia and the traditional values of small-town America with the spreading stain of evil that threatens us all. “Terry Kay plunges deeply into the complex and maddening question of justice and emerges with a work whose qualities are those of true art: the capacity to remain in the reader’s mind, vexing him, illuminating him, and making him part of a human situation he cannot ignore.” —James Dickey, author of *Deliverance*

*Now & When* Sara Bennett Wealer 2020-07-14 For fans of Jenny Han and Christine Riccio comes a romantic dramedy about a teen girl who stumbles upon a mysterious website that tells her everything she doesn't want to know about her future. There's something about Truman Alexander that Skyler Finch finds incredibly annoying. Actually, several things: his voice (grating), his arrogance (total know-it-all), his debate-team obsession (eyeroll), and his preppy vibe (does he iron his shorts?). She does her best to avoid him and focus on the important stuff: friends, school, and her boyfriend, Eli. His promposal was perfect--just like he is--and the future is looking bright. Or is it? For some unexplainable reason, Skylar's phone is sending her notifications

from the future . . . a future in which, to her horror, she appears to be with Truman. As in, romantically. As in, Skyler cannot let that happen. But trying to change the future means messing up the present, and what Skyler sees keeps shifting. Classmates disappear and reappear, swap partners and futures. Turns out there are no actions without reactions, and life doesn't come with a road map. But sometimes the wandering leads you exactly where you need to be, and people--like glitchy phones--are full of surprises.

**False Covenant** Ari Marmell 2012-06-19 It's been over half a year, now, since the brutal murder of Archbishop William de Laurent during his pilgrimage to the Galicien city of Davillon. During that time, the Church of the Hallowed Pact has assigned a new bishop to the city--but it has also made its displeasure at the death of its clergyman quite clear. Davillon's economy has suffered beneath the weight of the Church's displeasure. Much of the populace--angry at the clergy--has turned away from the Church hierarchy, choosing private worship or small, independent shrines. And the bishop, concerned for his new position and angry at the people of Davillon, plans to do something about it. But a supernatural threat is stalking the nighttime streets--a creature of the other world has come to infiltrate the seedier streets of Davillon, to intertwine its tendrils through the lower echelons of society. Faced with both political upheaval and a supernatural threat to its citizenry, the local representatives of the Church are paralyzed and the Guardsmen are in over their heads. And then there's Widdershins--who's tried, and failed, to stay out of trouble since taking over Genevieve's tavern; who's known to the Church and the Guard both, and trusted by neither; who may, with some of her Thieves' Guild contacts, have unwittingly played a part in the bishop's plans; and who, along with her personal god Olgun, may be the only real threat to the supernatural evil infesting Davillon. From the Hardcover edition.

**The Valley of Light** Terry Kay 2010-03-16 A lyrical and poignant gift from one of America's great storytellers. On a sunny summer day in 1948, Noah Locke arrives in Bowerstown, a small North Carolina community bordered by lakes and set deep in the Valley of Light. A quiet, simple man and a war veteran, Noah

has a mystical gift for fishing, yet he remains haunted by the war and by the terrible scenes he witnessed when his infantry unit liberated Dachau. His wandering -- doing odd jobs and catching fish for sale or trade -- is both an escape from his past and a search for a place to call home. In the valley, Noah is initially treated with amusement by the locals he meets at Taylor Bowers's general store -- until he begins fishing. Once they see his almost magical skills, however, he becomes the talk of the valley and is urged to stay long enough to participate in the annual school fishing contest. He agrees, accepting a job offer by Taylor to paint his store when he isn't filling orders for fish. He finds lodging in an abandoned shack by a small lake the locals call the Lake of Grief and, also, the Lake of No Fish, because they think all the fish have disappeared. Noah knows they are wrong. Beneath the water is a warrior bass waiting to test Noah's gift. In the way that innocence creates powerful events, Noah meets Eleanor Cunningham, a young widow whose husband supposedly killed himself after returning home from the war. Over the course of a week, Noah will be led into the secret lives of the residents of the Valley of Light, will join them as they mourn a tragedy, and will experience a miracle that will guide him home at last. Luminous, memorable, and deeply moving, *The Valley of Light* is the finest work to date from a brilliant storyteller.

Shadow Song Lorina Stephens 2008 Based upon a true tragedy that occurred in the village of Hornings Mills, Ontario, Canada, Shadow Song is set amid the economic ruin that occurred to so many emigres and British pensioned officers of the 1830s. It is full of psychological and cultural contrasts of two cultures at odds with one another, and an intimate familiarity with the geography of the novel, from the immigrants' miserable landing stage at Grosse Isle into the dark reaches of Lake Superior's North Shore. What the Media Say: Lorina Stephens has proven herself an engaging author. The (Hanover) Post The book Shadow Song is as diverse as the woman who wrote it. Susan Doolan The Barrie Examiner It is often the case with contemporary Canadian authors that they have a tendency to punctuate their novels with long, psychological dissertations on mundane subjects. It's as if they feel that each everyday occurrence is fraught with deep sociological undertones. Shadow Song,

My Week with the Bad Boy Brooke Cumberland 2017-10-26 Never trust a man who answers the front door wearing nothing more than a pair of low-cut jeans and a panty-melting smirk. That should've been my first sign. I write about guys just like him for a living-sexy and charming, yet reluctant to get into a serious relationship. His body screams sex appeal, but his condescending personality makes him a classic f\*ckboy. And I want nothing to do with that. Writing romance novels comes with its perks-traveling, meeting new people, creating characters from the voices in my head-but Ethan Rochester enters my life and rearranges all my preconceived notions about writing what inspires you. One week is all it took. One week to realize that not everything is as it seems. One week with the bad boy, and I wanted more.

**The Shadows** Alex North 2020-07-07 "This is absorbing, headlong reading, a play on classic horror with an inventiveness of its own... As with all the best illusions, you are left feeling not tricked, but full of wonder." – The New York Times The haunting new thriller from Alex North, author of the New York Times bestseller *The Whisper Man* You knew a teenager like Charlie Crabtree. A dark imagination, a sinister smile--always on the outside of the group. Some part of you suspected he might be capable of doing something awful. Twenty-five years ago, Crabtree did just that, committing a murder so shocking that it's attracted that strange kind of infamy that only exists on the darkest corners of the internet--and inspired more than one copycat. Paul Adams remembers the case all too well: Crabtree--and his victim--were Paul's friends. Paul has slowly put his life back together. But now his mother, old and suffering from dementia, has taken a turn for the worse. Though every inch of him resists, it is time to come home. It's not long before things start to go wrong. Paul learns that Detective Amanda Beck is investigating another copycat that has struck in the nearby town of Featherbank. His mother is distressed, insistent that there's something in the house. And someone is following him. Which reminds him of the most unsettling thing about that awful day twenty-five years ago. It wasn't just the murder. It was the fact that afterward, Charlie Crabtree was never seen again...

**Shadow Song** Terry Kay 2010-03-16 In the summer of 1955, Madison Lee "Bobo" Murphy was a waiter at the Catskills' Pine Hill Inn. A rural Southerner, he had never heard the word meshugge until Avrum Feldman -- a retired New York City furrier -- became his unlikely friend. For Bobo, nothing about that special time and place ever lost its glow: Avrum's obsession with the haunting voice of a famous opera diva, music that no one else could hear; the exotic mingling of Yiddish and German in the dining room; and the girl he met and loved. In everyone's life, Avrum claimed, there is one grand, undeniable moment that never stops mattering. For Bobo, it was his first glimpse of beautiful Amy Lourie. But, for a wealthy Jewish girl and a Georgia farm boy, the summer had to end, leaving Bobo with the pain of lost love. Nearly forty years later, his children grown and marriage comfortably routine, Bobo comes north once more; there, amidst the haunting hints of Amy's presence, she unexpectedly appears. Nothing has dimmed the passion of their youth, yet two lifetimes and a thousand Catskills sunsets stand between who they were and who they have become. The barriers between them are different now. But mysteriously, miraculously, Bobo reawakens the dream of a love larger than himself....

*The Book of Marie* Terry Kay 2007 In spring 1962, a young black girl is killed at a civil rights demonstration on a university campus in Atlanta. The next day a home in Georgia is burned. Both events are etched into the memory of Cole Bishop, eerily playing out the predictions of a former classmate named Marie Fitzpatrick. Cole and Marie are high school seniors when they first meet in fall 1954. He is a native-born Southerner accepting the traditions of segregation as a way of life. Marie is a recent transplant from Washington, DC, a brilliant and assertive nonconformist with bold predictions about a new world that is about to be ushered in by desegregation. The story revolves around the fiftieth reunion of the Overton High School class of 1955. *The Book of Marie* is the story of a generation 'whites and blacks' who ignited the war of change. Yet, it is also as much about the power of place 'the finding of home' as it is about the history of events.

**To Dance with the White Dog** Terry Kay 2011-06-13 In this "hauntingly beautiful story about love, family, and relationships," a mysterious dog helps an elderly man in his final days (Archbishop Desmond Tutu). After Sam Peek's beloved wife Cora dies, his children are worried about him. After fifty-seven years of marriage, they are unsure how their elderly father will survive on his own. They talk about him as if he can't hear them, questioning how he'll run a farm, drive his truck, or live by himself. When Sam tells his children about a white dog who visits him, yet seems invisible to everyone else, they are sure that grief and old age have taken a toll on their father. But, real or not, the creature soothes Sam's grief and ultimately reconciles him with his own mortality. In this bittersweet story of love, grief, and coming to terms with death, "master storyteller" Terry Kay takes readers on Sam's journey with his white dog, bringing solace and comfort to the inevitable transition that all must make (The Atlanta Journal-Constitution).
