Vietnam #3: Free-Fire Zone Chris Lynch 2012-11-01 Morris, Rudi, Ivan, and Beck are best friends for life. So when one of the teens is drafted into the Vietnam War, the others sign up, too. Although they each serve in a different branch, they are fighting the war together -- and they promise to do all they can to come home together. Rudi is perhaps the most concerned about whether or not he'll be able to keep that promise. After all -- and he'd be the first to admit this -- he's not the most capable guy. He's not smart like Beck, or brave like Ivan. He lacks the strength of Morris's moral convictions. But once Rudi is pulled kicking and screaming into the Marines, he at last finds something he's good at: following orders. Will that be enough to keep him alive? And if he does survive the war, will his best friends even recognize him on the other side?

Sunrise Over Fallujah Walter Dean Myers 2010-02-01 Robin "Birdy" Perry, a new army recruit from Harlem, isn't quite sure why he joined the army, but he's sure where he's headed: Iraq. Birdy and the others in the Civilian Affairs Battalion are supposed to help secure and stabilize the country and successfully interact with the Iraqi people. Officially, the code name for their maneuvers is Operation Iraqi Freedom. But the young men and women in the CA unit have a simpler name for it: WAR

American Sniper Chris Kyle 2012-01-03 The #1 New York Times bestselling memoir of U.S. Navy Seal Chris Kyle, and the source for Clint Eastwood's blockbuster, Academy-Award nominated movie. "An

amazingly detailed account of fighting in Iraq--a humanizing, brave story that's extremely readable." — PATRICIA CORNWELL, New York Times Book Review "Jaw-dropping...Undeniably riveting." —RICHARD ROEPER, Chicago Sun-Times From 1999 to 2009, U.S. Navy SEAL Chris Kyle recorded the most career sniper kills in United States military history. His fellow American warriors, whom he protected with deadly precision from rooftops and stealth positions during the Iraq War, called him "The Legend"; meanwhile, the enemy feared him so much they named him al-Shaitan ("the devil") and placed a bounty on his head. Kyle, who was tragically killed in 2013, writes honestly about the pain of war—including the deaths of two close SEAL teammates—and in moving first-person passages throughout, his wife, Taya, speaks openly about the strains of war on their family, as well as on Chris. Gripping and unforgettable, Kyle's masterful account of his extraordinary battlefield experiences ranks as one of the great war memoirs of all time.

Vietnam #4: Casualties of War Chris Lynch 2013-01-01 Morris, Rudi, Ivan, and Beck are best friends for life. So when one of the teens is drafted into the Vietnam War, the others sign up, too. Although they each serve in a different branch, they are fighting the war together -- and they promise to do all they can to come home together. Of the four, it's Beck that has the most to lose. He's the smart one of the bunch, and he could be -- SHOULD be -- going to college. His parents certainly think so. But he has a pact to honor, and so Beck enlists in the US Air Force. As their tours of duty near completion and the war itself spirals further out of control, the four best friends are at last on a collision course. Will they all survive long enough to be reunited?

The Mushroom at the End of the World Anna Lowenhaupt Tsing 2017-09-19 Matsutake is the most valuable mushroom in the world—and a weed that grows in human-disturbed forests across the northern hemisphere. Through its ability to nurture trees, matsutake helps forests to grow in daunting places. It is also an edible delicacy in Japan, where it sometimes commands astronomical prices. In all its contradictions, matsutake offers insights into areas far beyond just mushrooms and addresses a crucial question: what manages to live in the ruins we have made? A tale of diversity within our damaged landscapes, *The Mushroom at the End of the World* follows one of the strangest commodity chains of our times to explore the unexpected corners of capitalism. Here, we witness the varied and peculiar worlds of matsutake commerce: the worlds of Japanese gourmets, capitalist traders, Hmong jungle fighters,

industrial forests, Yi Chinese goat herders, Finnish nature guides, and more. These companions also lead us into fungal ecologies and forest histories to better understand the promise of cohabitation in a time of massive human destruction. By investigating one of the world's most sought-after fungi, *The Mushroom at the End of the World* presents an original examination into the relation between capitalist destruction and collaborative survival within multispecies landscapes, the prerequisite for continuing life on earth.

Pygmalion Illustrated George Bernard Shaw 2020-08-17 *Pygmalion* is a play by George Bernard Shaw, named after a Greek mythological figure. It was first presented on stage to the public in 1913.

Sharpshooter Chris Lynch 2013-05-28 "Some things are worth fighting for. Of all his friends, Ivan is the only one looking forward to war. That's because Ivan has never backed down from a fight--especially when it comes to fighting for what's right. He has protected his friends from bullies for years. And now, as war erupts in Vietnam, Ivan wants nothing more than to fight for his country, just as his father did in World War II. Enlisting in the United States Army, Ivan is trained to be a sniper. And he's good at it. Very good. But Vietnam is not the war he was expecting. Somehow the glory and heroism of his father's war stories do not come so easily in the jungle. Now, for the first time, Ivan is forced to question what he's really fighting for. and whether it's a fight he can hope to win. "--

Hothouse Chris Lynch 2012-08-21 If you do it right, it can be a life. The hothouse, the guys, the glory. But just like that, it can all go up in smoke. In the beginning it was strange, ya know, because of all that we had lost. But there was something about it that felt so good and so right, too: "I'm so proud of you, Russ." "We'll always be here for you, man." "Heroes don't pay for nothin' in this town." It was nonstop. The mayor shook my hand. Ladies sent food. I've never eaten so much baked ham in my life. And now? Now the phone won't stop ringing from the crazies ready to blame me. My mom has to cry herself to sleep. They take a firefighter, a man, and they pump him up so big. . . . But once they start taking it away from you, they don't stop until they leave nothing on the bones. First they needed heroes, then they needed blood.

Whitechurch Chris Lynch 2013-03-26 Two best friends are caught in a love triangle with fatal consequences Pauly and Oakley have been best friends since they were kids. When newcomer Lilly

moves to their small New England town, both boys fall in love with her immediately. Unbalanced Pauly becomes Lilly's boyfriend, and Oakley becomes the one she confides in—the one who always puts things right. But a love triangle can't stay peaceful for long, and erratic, obsessive Pauly can't be trusted. How can Oakley keep making things right when things are so very wrong?

The Right Fight Saj-nicole Joni 2010-02-02 The Right Fight, the new management guide from noted business strategists Saj-nicole Joni and Damon Beyer, turns management thinking on its head and shows why, in the fast-moving, hyper-competitive marketplaces of the 21st century, leaders need to both foster alignment and orchestrate thoughtful controversy in their organizations to get the best out of them. The authors' groundbreaking research—including examples as diverse as Unilever, Microsoft, Coca-Cola, Dell, the Clinton Administration, and the Houston Independent School System—shows that happy workers can become bored or complacent and thus less productive than workers who are subjected to a little properly managed tension. Readers of *Good to Great* and *Winning*, as well as the *Harvard Business Review* and *Strategy + Business*, will find much to ponder in *The Right Fight*.

Inexcusable Chris Lynch 2008-06-20 "I am a good guy. Good guys don't do bad things. Good guys understand that no means no, and so I could not have done this because I understand." Keir Sarafian knows many things about himself. He is a talented football player, a loyal friend, a devoted son and brother. Most of all, he is a good guy. And yet the love of his life thinks otherwise. Gigi says Keir has done something awful. Something unforgivable. Keir doesn't understand. He loves Gigi. He would never do anything to hurt her. So Keir carefully recounts the events leading up to that one fateful night, in order to uncover the truth. Clearly, there has been a mistake. But what has happened is, indeed, something inexcusable.

Monkey See, Monkey Don't Chris Lynch 2011-02 In a future where electronic surveillance has replaced love, Zane uses technology to talk to animals and battles a veterinarian who is working on a device to control animal movement and speech, using Zane's dog as his first test case.

Gypsy Davey Chris Lynch 2014-03-04 Twelve-year-old Davey is the man of the household, taking care of

his mother and older sister as best he can and avoiding them when they are either too mean or too sad.

The Wine Bible Karen MacNeil 2015-10-13 Announcing the completely revised and updated edition of *The Wine Bible*, the perennial bestselling wine book praised as “The most informative and entertaining book I’ve ever seen on the subject” (Danny Meyer), “A guide that has all the answers” (Bobby Flay), “Astounding” (Thomas Keller), and “A magnificent masterpiece of wine writing” (Kevin Zraly). Like a lively course from an expert teacher, *The Wine Bible* grounds the reader deeply in the fundamentals while layering on informative asides, tips, amusing anecdotes, definitions, glossaries, photos (all new for this edition), maps, labels, and recommended bottles. Karen MacNeil’s information comes directly through primary research; for this second edition she has tasted more than 10,000 wines and visited dozens of wine regions around the world. New to the book are wines of China, Japan, Mexico, and Slovenia. And through it all the reader becomes ever more informed—and, because of the author’s unique voice, always entertained: “In great years Pétrus is ravishing, elegant, and rich—Ingrid Bergman in red satin.” Or, describing a Riesling: “A laser beam. A sheet of ice. A great crackling bolt of lightning.”

Alive and Kicking (World War II, Book 3) Chris Lynch 2015-01-27 "All the sizzle, chaos, noise and scariness of war is clay in the hands of ace storyteller Lynch." -- Kirkus Reviews Theo has always looked up to his older brother, Hank, but never more so than the day Hank enlisted in the US Navy. Not to be outdone, Theo followed his older brother's lead in joining the war effort -- but preferring the wide open sky to the untamed ocean, Theo chose to serve with the Army Air Force. As a gunner on a B-24 Liberator, Theo is enthusiastic about his crew's mission to save all of Europe from the Nazis. Fearlessness is a requirement for dog fights at 50,000 feet. But when Theo's brother goes missing in the Pacific, fear start creeping in. Can Theo keep his head in the game while he awaits word of his brother's fate?

The Liberators (World War II, Book 4) Chris Lynch 2015-08-25 Chris Lynch concludes his gritty, thoughtful, and critically acclaimed WWII fiction series -- providing entirely new insight into "The Good War." The US Marines Corps is home to some of the roughest, toughest combatants in World War II. Their courage and daring are legendary. And the best of the best -- the boldest among them -- are joining the Corps' elite new paratrooper combat unit. As Paramarines, they'll be expected to do everything a

typical Marine does... and do it while skydiving. Nick Nardini knows that he's destined to become a Paramarine. He also knows that he has to convince his best friend, Zachary Klecko, to sign up too. Nardini and Klecko used to be inseparable, ever since they met in kindergarten, but recently they've been drifting apart. Fighting in the same battalion -- and jumping out of the same planes -- seems to Nardini like a surefire way to restore their bond and come out of the war stronger than ever. The Axis powers, however, may have other ideas...

Gold Dust Chris Lynch 2013-03-05 Baseball-loving seventh grader Richard has hopes of turning himself and the new kid, Napoleon, into the best baseball players Boston has seen since the Gold Dust Twins "As long as you have baseball on your side you can overcome anything." Seventh grader Richard Moncreif is convinced baseball will ease newcomer Napoleon Charlie Ellis's transition to life in Boston. Napoleon is unlike anyone he's ever met: poised, well educated, and a cricket player from the Caribbean. Napoleon is one of the few black students at Richard's school, where racism is pervasive. But Richard believes that he and Napoleon can get through any hardship and become the next Gold Dust Twins, just like the famous pair of Red Sox rookies from 1975. After all, Napoleon is a natural athlete, and Richard knows everything anyone could possibly know about baseball. He just needs Napoleon to play along. This ebook features an illustrated biography of Chris Lynch including rare images from the author's personal collection.

Casualties of War Chris Lynch 2013 One of four friends who have volunteered to fight in the Vietnam War, the intellectual Beck is in the Air Force, where he is part of a crew spraying Agent Orange, but the destruction of the jungle and his isolation from the fighting going on below is starting to effect him.

I Pledge Allegiance Chris Lynch 2011 Enlisting as a group when one of them is drafted into the Vietnam War, best friends Morris, Rudi, Ivan and Beck pledge their loyalty to one another before reporting to different branches of service, where they are watched over by Morris, who has been experiencing haunting dreams.

Shark Girl Kelly Bingham 2011-04-26 A teenager struggles through physical loss to the start of acceptance in an absorbing, artful novel at once honest and insightful, wrenching and redemptive. (Age 12 and up) On a sunny day in June, at the beach with her mom and brother, fifteen-year-old Jane Arrowood went for a swim. And then everything -- absolutely everything -- changed. Now she's counting down the days until she returns to school with her fake arm, where she knows kids will whisper, "That's her -- that's Shark Girl," as she passes. In the meantime there are only questions: Why did this happen? Why her? What about her art? What about her life? In this striking first novel, Kelly Bingham uses poems, letters, telephone conversations, and newspaper clippings to look unflinchingly at what it's like to lose part of yourself - and to summon the courage it takes to find yourself again.

World War II Book 1: The Right Fight Chris Lynch 2014-01-07 There are few things Roman loves as much as baseball, but his country is at the top of the list. So when it looks like the United States will be swept up into World War II, he turns his back on baseball and joins the US Army. Roman doesn't mind. As it turns out, he is far more talented with a tank than he ever was with a baseball. And he is eager to drive his tank right into the field of battle, where the Army is up against the fearsome Nazis of the Afrika Korps. The North African terrain is like nothing Roman has ever known, and desert warfare proves brutal. As Roman drives his team deeper into disputed territory, one thing becomes very clear: Life in wartime is a whole new ball game.

Surviving and Thriving in Uncertainty Frederick Funston 2010-06-03 A new book to help senior executives and boards get smart about risk management The ability of businesses to survive and thrive often requires unconventional thinking and calculated risk taking. The key is to make the right decisions—even under the most risky, uncertain, and turbulent conditions. In the new book, *Surviving and Thriving in Uncertainty: Creating the Risk Intelligent Enterprise*, authors Rick Funston and Steve Wagner suggest that effective risk taking is needed in order to innovate, stay competitive, and drive value creation. Based on their combined decades of experience as practitioners, consultants, and advisors to numerous business professionals throughout the world, Funston and Wagner discuss the adoption of 10 essential and

practical skills, which will improve agility, resilience, and realize benefits: Challenging basic business assumptions can help identify "Black Swans" and provide first-mover advantage Defining the corporate risk appetite and risk tolerances can help reduce the risk of ruin. Anticipating potential causes of failure can improve chances of survival and success through improved preparedness. Factoring in velocity and momentum can improve speed of response and recovery. Verifying sources and the reliability of information can improve insights for decision making and thus decision quality. Taking a longer-term perspective can aid in identifying the potential unintended consequences of short-term decisions.

Unconventional Warfare (Special Forces, Book 1) Chris Lynch 2018-11-27 Discover the secret missions behind America's greatest conflicts. Danny Manion has been fighting his entire life. Sometimes with his fists. Sometimes with his words. But when his actions finally land him in real trouble, he can't fight the judge who offers him a choice: jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG), an elite volunteer-only task force comprised of US Air Force Commandos, Army Green Berets, Navy SEALs, and even a CIA agent or two. With the SOG's focus on covert action and psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely dangerous one. Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war. Even if almost nobody knows he's there. National Book Award finalist Chris Lynch begins a new, explosive fiction series based on the real-life, top-secret history of US black ops.

Minesweeper (Special Forces, Book 2) Chris Lynch 2019-12-03 "All the sizzle, chaos, noise and scariness of war is clay in the hands of ace storyteller Lynch." -- Kirkus Reviews for the World War II series
Discover the secret missions behind America's greatest conflicts. Fergus Frew thought he knew what to expect when he signed up with the Navy's demolitions team. But as the Korean War rages on, Fergus and his fellow divers -- AKA "frogmen" -- are tasked with more than just scouting mudflats. Soon they're planting mines. And sabotaging tunnels, bridges... and even fishing nets. Strangest of all, it falls to Fergus to transport a spy into the country -- and that means traveling far from Navy-controlled waters. But frogmen are amphibious. And Fergus may not realize it, but he's in a position to change the way the whole world thinks about combat. National Book Award finalist Chris Lynch continues his explosive fiction series based on the real-life, top-secret history of US black ops and today's heroic Navy SEALs.

The Book of Iowa Films Marty Knepper 2014-08-04 This is the first comprehensive history of films made in or about Iowa. It reflects some twenty years of collecting, lecturing, and talking with some of Iowa's current generation of independent filmmakers. It covers the span from 1918 to 2013 and gives important background information on dozens of high profile films such as the STATE FAIR films of 1933 and 1945,

THE BRIDGES OF MADISON COUNTY, FIELD OF DREAMS, and many others. It is designed as a companion for the State Historical Society's blockbuster "Hollywood in the Heartland" exhibition in Des Moines that is scheduled to run at least through 2016. The book has an interpretive essay covering the entire history as well as paragraph length descriptions of each film. A user-friendly feature is the Index of Films, which makes it easy to locate discussions of individual films. Marty Knepper is a featured commentator on video screens in the "Hollywood in the Heartland" exhibition.

Vietnam #5: Walking Wounded Chris Lynch 2014-10-21 Morris, Rudi, Ivan, and Beck were best friends. So when one of them was drafted into the Vietnam War, the others signed up, too. They promised to watch out for one another. They pledged to come home together. Now, that pledge has been broken. One of the four has been killed in action. And the remaining three are the only men alive who know the awful truth about their friend's death. Each is left to deal with their secret in his own way. One of them will accompany his friend's body home to Boston. One of them will defy orders in an act of protest. And one of them will decide it's up to him to single-handedly win the war. In the end, Vietnam may claim more than their lives. As the war grinds on, their very souls are at stake. And their shattered friendship will prove either their salvation... or their ruin.

The G3 Battle Rifle Leroy Thompson 2019-05-30 During the Cold War, the G3 was one of the world's pre-eminent battle rifles. Developed in France and Spain after 1945, the rifle was produced by the German arms manufacturer Heckler & Koch. Adopted by more than 40 countries and produced on licence by many more, it was widely employed during colonial wars in Africa, insurgencies in Latin America and conflicts in the Middle East, but perhaps its widest use was in the Iran–Iraq War. Variants of the G3 have also seen substantial usage among Special Forces including Britain's Special Boat Service and the US Navy SEALs. Semi-automatic versions, especially the HK91 and HK93, remain popular in the United States, and the G3-derived HK11 and HK21 family of light machine guns have also been widely adopted by military and law-enforcement units across the world. Fully illustrated with specially commissioned artwork, this study examines one of the iconic weapons of the Cold War era.

World War II Book 2: Dead in the Water Chris Lynch 2014-09-30 Critically acclaimed author Chris Lynch

provides an action-oriented but thoughtful view of the US Navy's war in the Pacific. Hank and Theo are brothers who share everything, including a sense of duty a love of baseball. They have been inseparable for their entire lives. But when America is drawn into World War II, the young brothers find themselves fighting the same war on opposite sides of the globe. As an airdale in the Navy, Hank now lives aboard an aircraft carrier, the USS Yorktown. His job is to assist the pilots who soar off each day to engage Japanese forces in the Pacific Ocean. It is a crucial and terrifying duty in the wake of the attack on Pearl Harbor. As the days at sea become weeks and months, Hank adapts to life apart from his family. He even adapts to the fear of torpedoes. But in an era of prejudice and segregation, it's Hank's choice of friends that might prove most dangerous of all.
