The book offers a healthy and safe way to partake in live theater performances!

**You Can't Say You Can't Play** Vivian Gussin Paley 1993-07-16 Who of us cannot remember the pain and humiliation of being rejected by our classmates? However thick-skinned or immune to such assaults we may become as adults, the memory of those early exclusions is as palpable to each of us today as it is common to human experience. We remember the uncertainty of separating from our home and entering school as strangers and, more than the relief of making friends, we recall the cruel moments of our own isolation as well as those children we knew were destined to remain strangers. In this book Vivian Paley employs a unique strategy to probe the moral dimensions of the classroom. She departs from her previous work by extending her analysis to children through the fifth grade, all the while weaving remarkable fairy tale into her narrative description. Paley introduces a new rule-You can't say you can't play-to her kindergarten classroom and solicits the opinions of older children regarding the fairness of such a rule. We hear from those who are rejected as well as those who do the rejecting. One child, objecting to the rule, says, It will be fairer, but how are we going to have any fun? Another child defends the principle of classroom bosses as a more benign way of excluding the unwanted. In a brilliant twist, Paley mixes fantasy and reality, and introduces a new voice into the debate: Magpie, a magical bird, who brings lonely people to a place where a full share of the sun is rightfully theirs. Myth and morality begin to proclaim the same message and the schoolhouse will be the crucible in which the new order is tried. A struggle ensues and even the Magpie stories cannot avoid the scrutiny of this merciless pack of social philosophers who will not be easily caught in a morality tale. You Can't Say You Can't Play speaks to some of our most deeply held beliefs. Is exclusivity part of human nature? Can we legislate fairness and still nurture creativity and individuality? Can children be freed from the habit of rejection? These are some of the questions. The answers are to be found in the words of Paley's schoolchildren and in the wisdom of their teacher who respectfully listens to them.

**The Not-So-Friendly Friend** Christina Furnival 2021-09-14 How can I help my child deal with a bully? What do I teach them about handling an on-again-off-again, not-so-friendly friend? My advice to "just be kind" isn't helping, and my child is still hurting. Christina Furnival, a licensed mental health therapist and mom, helps answer these questions in this charming and engaging rhyming story about a young child who successfully navigates the complexities of an unkind peer relationship. In *The Not-So-Friendly Friend*, children will learn an easy and practical lesson about how to firmly and assertively - yet kindly - stand up for themselves in the face of a bully. By teaching children about the importance and value of setting boundaries for healthy friendships, this book provides children the tools they need to foster their social confidence and emotional well-being.

The Exciting Exploits of an Effervescent Elf Trisha Sugarek 2011-03 ComedyCharacters: 9 female, 2 male, 2 either, with extrasCheets, the irrepressible elf, saves Emma and the enchanted forest from certain destruction! Lord Hazard has employed Patsy, the Banana Spider, to keep Emma ensnared in her web while Hazard sells the forest to developers. Given his reputation for mischief, no one believes Cheets when he claims that he has found Emma because no one but Cheets can see her. Audience participation is encouraged, especially when Emma plays charades with Cheets to make herself understood. A stand alone sequel to *Emma and the Lost Unicorn*, new characters are introduced; Thomas, a sea turtle, nautical to his toes; Patsy, the spider, means well but cannot resist the tasty bugs supplied to her by Hazard. Rose and Lord Hazard, century old lovers, reunite. This fable contains greed, ecology, friendship, enduring love and justice.

Social Skills Games and Activities for Kids With Autism Wendy Ashcroft 2021-10-08 Social Skills Games and Activities for Kids With Autism provides complete instructions for using fun, engaging games and activities to teach social skills to children with autism spectrum disorders. The games include directions for assessing skills such as asking for toys, getting the attention of others, reading nonverbal gestures, understanding perspectives, and cooperating to solve problems. Using the principles of Applied Behavior Analysis, the book takes teachers through motivating, prompting, shaping, modeling, and reinforcing social skills while playing the games and helping students learn to participate in other activities such as demonstrating the social skill in role plays and the natural environment. Perfect for teachers struggling to help their students with autism learn to interact socially with their peers, these games are sure to become a much-loved part of students' daily routines.

**Free to Learn** Peter Gray 2013-03-05 A leading expert in childhood development makes the case for why self-directed learning -- "unschooling" -- is the best way to get kids to learn. In *Free to Learn*, developmental psychologist Peter Gray argues that in order to foster children who will thrive in today's constantly changing world, we must entrust them to steer their own learning and development. Drawing on evidence from anthropology, psychology, and history, he demonstrates that free play is the primary means by which children learn to control their lives, solve problems, get along with peers, and become emotionally resilient. A brave, counterintuitive proposal for freeing our children from the shackles of the curiosity-killing institution we call school, *Free to Learn* suggests that it's time to stop asking what's wrong with our children, and start asking what's wrong with the system. It shows how we can act -- both as parents and as members of society -- to improve children's lives and to promote their happiness and learning.

**10 Minute Plays for Kids of All Ages** Carlene Griffith 2016-08-24 In "10 minute plays for kids of all ages" you will find nine, royalty free, short play scripts perfect for theater students, acting class recitals, and even youth groups. These plays are versatile enough they can be performed as staged reader's theater to full stage productions. Most roles are gender flexible and range from 6 to 20 players. All nine plays are age appropriate without any inappropriate topics or language. Kids as young as 5yrs have watched and performed in some of these plays. These plays cover several genres including: fairy tale fantasy, science fiction alien invasions, to super silly superheroes. These plays bring out the kid in all of us.

**A Mother's Journey** Lisa Brodeur 2013-10-18 This is the story of an incredible and inspirational journey of a mother dedicated to her three children. She was determined to survive a tragic event through faith, hope, and courage. The mother was severely injured, and her devoted husband and father of her children was killed instantly. She watched her son fight for every breath he took to survive. Her daughters, only three and five years old, were traumatized. The young girls screamed in pain and wondered where their father and brother were. The mother buried her husband, stood by strongly as her son had surgery after surgery, and went to court to see that the man who changed their lives forever was served with justice. She tried to stay strong and focused for her children. She wasn't able to grieve the loss of her husband. She made endless medical decisions and stayed with her son in the hospital for many months. She waited to see progress from her comatose son and saw her little girls only on weekends. The girls trying to adjust emotionally and physically to their new life. This book will make someone think about his or her choices. Making the wrong choice, like doing drugs or driving intoxicated, can have a lasting impact on your life and the lives of others. Someone else's choices caused this mother's family to go on a journey that no one should ever have to endure.

A Day So Gray Marie Lamba 2019 A winter's day is transformed from bleak to beautiful by warm friendship and a new perspective in a gentle story that encourages the appreciation and celebration of cozy pleasures and quiet joys.

*Ellie and Elvis* Vivian French 2007-06-28 Ellie and Elvis, two elephants, each share bananas and oranges with the other when they dance in the moonlight, but one day a misunderstanding caused by monkeys ruins their fun.

Friendship 911 Leader's Guide Josh McDowell 2000-07-16 This is an eight-session youth group meeting experience designed to equip young people to respond to the toughest crises their peers may face. Addressing each issue covered in the Friendship 911 Collection, students learn how to help their friends with "Tender Loving Care" and in the process become a powerful witness of God's love and care. Students also complete daily activities between group sessions, 35 activities in all. An optional video supplement augments each youth group session with powerful visuals and dramatic illustrations of youth struggling with each of the eight crises. Shaded sections in the Friendship 911 Leader's Guide indicate when and how to use this optional video supplement.

*The Merchant of Venice* William Shakespeare 1800

**The Skit Book** Margaret Read MacDonald 2006 Presents a variety of short skits written by children that do not require much preparation or props.

The Drama of the Gifted Child Alice Miller 2008-12-15 The bestselling book on childhood trauma and the enduring effects of repressed anger and pain Why are many of the most successful people plagued by feelings of emptiness and alienation? This wise and profound book has provided millions of readers with an answer--and has helped them to apply it to their own lives. Far too many of us had to learn as children to hide our own feelings, needs, and memories skillfully in order to meet our parents' expectations and win their "love." Alice Miller writes, "When I used the word 'gifted' in the title, I had in mind neither children who receive high grades in school nor children talented in a special way. I simply meant all of us who have survived an abusive childhood thanks to an ability to adapt even to unspeakable cruelty by becoming numb.... Without this 'gift' offered us by nature, we would not have survived." But merely surviving is not enough. *The Drama of the Gifted Child* helps us to reclaim our life by discovering our own crucial needs and our own truth.

**Jealousy Jane** Lindsay Price 2001

**The Children's Hour** Lillian Hellman 1953 THE STORY: One of the great successes of this distinguished writer. A serious and adult play about two women who run a school for girls. After a malicious youngster starts a rumor about the two women, the rumor soon turns to scandal. As the young g

*Old Friends New Friends* Andrew Daddo 2021-01-06 It's the first day of school, and none of my old friends are in my new class! Making new friends can be hard, but in this gorgeous new picture book, it can also be a whole lot of fun!

**Ping and Pong Are Best Friends (mostly)** Tim Hopgood 2013-03-28 Ping and Pong are a pair of penguins who love to do new things. But whatever Ping tries to do, Pong can do it better - Ping can squeak in French, Pong can squeak in nine different languages, Ping can catch a fish, Pong can catch a shark... Is there anything that Ping can do better? Find out in this hilarious story of friendship.

*How to Spot a Best Friend* Bea Birdsong 2021-06-22 Do you know how to find a best friend? Find out in this wonderful celebration of kindness and friendship! "Today, I will find a best friend!" announces a little girl to her mother as they walk to school. Her mother reminds her that it's only the first day of school, and finding a best friend might take some time. But the girl isn't worried, because she knows exactly how to spot a best friend. "A friend lends you a crayon. A best friend lends you a brand-new, extra-sharp green crayon," she explains. And so begins a whimsical exploration of what it means to be a best friend. Full of imagination and charm, this is the perfect picture book for little ones hoping to find--and be--a best friend at school.

**Stick and Stone** Beth Ferry 2015 Stick and Stone are both lonely until Pinecone's teasing causes one to stick up for the other, and a solid friendship is formed. 50,000 first printing.

**Sally the Stone and Friends** Sally Schnarr 2018-03-23 This children's storybook follows the journey of one small stone picked up by a child, gently washed and painted, then hidden for another child to find. Finding Sally the Stone brings such joy to this little boy that he gathers his friends to paint other stones to hide at various animal exhibits at the local zoo. While hiding these newly painted stones, the children learn about kindness, sharing, and friendship. As the story concludes, learn how these beautiful acts of kindness and sharing come full circle. You will enjoy the colorful, whimsical illustrations as the book captures the wonders of childhood. Perhaps you might start painting and hiding your own stones to join in this global movement.

Same-Same or Different? Roopa Pai

*Landscape Empowerment* Bin Jiang 2021-02-17 This book discusses essential strategies and approaches to creating mentally restorative environments for highly stressed and depressed workers at sweatshop factories. Drawing on the Foxconn factory in Longhua, China and an adjacent urban village as a sample site for research and design practice, the book employs a bottom-up and participatory process. The content is divided into two main parts, the first of which investigates economic, cultural, human rights, and environmental issues related to the electronic industry and urban village, providing in-depth research on various aspects, especially the working and living conditions for Foxconn workers. Based on these findings, the second part highlights potential landscape designs to address a range of issues, locations, and scales. The book's goals are to provide a set of original methods for research and design practice in a complex social and economic context, and to raise awareness regarding the health, dignity and freedom of millions of workers.

**How I Made a Friend** Daniel Georges 2020-10 Will is perfectly happy in his own creative world. When a new kid enters his life uninvited, his bubble is about to burst. But wait... Doesn't friendship come when you least expect it? A genuinely funny picture book with adorable oddball characters about finding that special friend who is as wacky as us! Children's book Age 5-8

hospital. But papa and his friends do not approve. What will change their minds?

Helping Kids Live Mindfully Catherine DePino 2017-03-01 Helping Kids Live Mindfully: A Grab Bag of Classroom Activities for Middle School Students helps students enhance their lives by using Mindfulness on a daily basis in school and at home. It gives them the tools to cope with anger, frustration, and stress, while helping them learn how to talk and listen to get positive results. The book aims to help students maximize their school experience academically and socially. It's a fact that many school districts using Mindfulness programs find that teaching their students Mindfulness techniques can greatly enhance school climate and cut down on discipline problems so students can be free to learn and flourish in the classroom. Additionally, this book helps teachers reach curricular goals in many subject areas by providing small group, entire class, and individual activities. Finally, this book encourages parents and extended family members to participate in the program with their children to help them use Mindfulness in many different situations they encounter daily, such as getting along better with family members, dealing with disappointment, and using technology wisely.

**Bee and Me** Alison Jay 2017-05 A bee flies in the window of the high-rise flat where she lives and a little girl is frightened. She traps the bee and then wonders what to do. This beautiful wordless picture book traces the growing friendship between girl and bee and introduces small children to the ecology of the natural world. Highlighting the plight of the disappearing bumble bee, it shows how some simple actions can help restore beauty and balance in our environment. With a list of bee-friendly seeds to plant and ways to protect bees at home.

**The Best American Short Plays 2018-2019** John Patrick Bray 2021-06-01 Pulitzer Prize-winning playwright Paula Vogel once said that theater helps us learn how to be comfortable with being uncomfortable with each other. Revolving around the theme of "this is who we are," the one-act plays in this latest edition of the Best American Short Plays series (now in its ninth decade) explore the thoughtful ways in which playwrights are wrestling to make sense of our world today. The selected plays reflect how we perform our identities (private and public) and how we negotiate who we are with others who often have different perspectives, perspectives that make us uncomfortable. The theme of this collection is topical and apt—as our country continues to shore up its borders along party lines, from pride parades to strict abortion laws, from inclusivity in education curricula to children in detention centers at the US-Mexico border. Each of the plays presents a clear reflection of who we are (and who we aspire to be) as individuals and as a nation. The styles of the plays also reflect different approaches to storytelling: two characters, four characters, a single setting, multiple settings, or a utopian "nowhere." The rich and compelling characters try to work out their differences and overcome obstacles using humor and a sense of magic that comes with simple moments of human connection. This is who we are: people who are grappling with the desire to be understood, the hope to be loved and accepted, and to allow that hope to shape a larger sense of who we could be if we continue to work and listen.

**The Mystery of the Cyber Friend: How to Stay Safe Online Advice for Kids** Zac O'Yeah 2019-03-16 Shree loves learning new things on the computer. It has games and it has social media sites! She is thrilled to make a new friend on one such site. But is this friend lying to her? Find out for yourself in this cyber thriller. Gives children an exciting story and cyber safety all at the same time.

*Performing 10-Minute Plays with Friends* David Farkas 2020-12-31 It is great fun when friends get together to perform three or four 10-minute plays. This is very informal "living room theater," so we perform script in hand--no memorizing lines. Props are minimal. Costumes come right out of your closet--unless you feel like doing more. Everybody acts. Anyone can choose to direct. Perhaps you will write your own 10-minute play for the group. This quick-read book is your complete guide. It explains how to find plays, how to cast your actors, and how to set up your "stage," whether in your home or in a larger space such as the community room of your local library. The book teaches non-actors how to act and never-tried-it directors how to direct. The book points you to many 10-minute plays and includes nine diverse and fully engaging scripts (also downloadable from the Internet) with which to get started.

**The Unwritten Rules of Friendship** Natalie Madorsky Elman 2008-12-21 This practical and compassionate handbook helps parents sharpen any child's social skills by identifying the "unwritten rules" that govern all relationships.

Twelve Things This Book Will Do For You: Get you out of a mental rut, give you new thoughts, new visions, new ambitions. Enable you to make friends quickly and easily. Increase your popularity. Help you to win people to your way of thinking. Increase your influence, your prestige, your ability to get things done. Enable you to win new clients, new customers. Increase your earning power. Make you a better salesman, a better executive. Help you to handle complaints, avoid arguments, keep your human contacts smooth and pleasant. Make you a better speaker, a more entertaining conversationalist. Make the principles of psychology easy for you to apply in your daily contacts. Help you to arouse enthusiasm among your associates. Dale Carnegie (1888-1955) was an American writer and lecturer and the developer of famous courses in self-improvement, salesmanship, corporate training, public speaking, and interpersonal skills. Born into poverty on a farm in Missouri, he was the author of *How to Win Friends and Influence People* (1936), a massive bestseller that remains popular today.

*The Best American Short Plays 2010-2011* William W. Demastes 2000-01-01 NOTHING UNTOWARD: STORIES FROM THE PUMPKIN PIE SHOW

**A Friend Is Someone Who...** Marilee Mayfield 2020-04 Do you remember your first friend? Your friends always find a way to double your joys and halve your sorrows. This fun, rhyming book helps children understand the value of having friends and of being a friend to others.

**A Little SPOT of Feelings** Diane Alber 2021-08-31

Smells Like Bacon Tommy Woodard 2021-09-07 The guys who together form the popular comedy duo The Skit Guys, take their distinct brand of humor and apply it to a guide on how to make and keep friends and why it matters for a life of faith and laughs. Since their high-school days, they've been writing and performing hilarious and poignant skits live around the world and on camera, as well as on their site, SkitGuys.com. Everywhere they go, the question

people always ask them is, “How did you guys get to be and figure out how to stay friends?” Now, this offbeat duo is coming together to present Smells Like Bacon: The Skit Guys Guide to Lifelong Friendships, a book about the power of friendships and how to build the kind of friendships that last. Written in the signature hilarity of a Skit Guys dialogue—with well-placed banter or two sprinkled in for good measure—Smells Like Bacon explores: - Who needs friends? - How to be a good friend - Awkward things not to say to potential friends - How to handle difficult situations in friendship - And many fun quizzes, random stories, and references to bacon along the way
