Sidney Chambers and The Perils of the Night James Runcie 2013-05-14 The second book in The Grantchester Mystery Series, and the inspiration for the primetime PBS/Masterpiece television series, Grantchester. The loveable full time priest and part time detective Canon Sidney Chambers continues his sleuthing adventures in late 1950's Cambridge. Accompanied by his faithful Labrador Dickens, and working in tandem with the increasingly exasperated Inspector Geordie Keating, Sidney is called on to investigate the unexpected fall of a Cambridge don from the roof of King's College Chapel; a case of arson at a glamor photographer's studio; and the poisoning of Zafar Ali, Grantchester's finest spin bowler, in the middle of a crucial game of cricket. As he pursues his quietly probing inquiries, Sidney also has to decide on the vexed question of marriage. Can he choose between the rich, glamorous socialite Amanda Kendall and Hildegard Staunton, a beguiling German widow three years his junior? To help him make up his mind Sidney takes a trip abroad, only to find himself trapped in a complex web of international espionage just as the Berlin Wall is going up. Here are six interlocking adventures that combine mystery with morality, and criminality with charm.

Ethnicity, Gender, and Diversity Peter Robson 2018-12-17 This collection analyzes the most popular law and justice TV series in eight different countries, paying particular attention to ethnicity, gender, and diversity. It is the first transnational, empirical look at diversity on legal-themed TV series and thus provides an important link between law, TV, and real life.

The Road to Grantchester James Runcie 2019-03-21 The captivating prequel to the treasured Grantchester series follows the life, loves and losses of a young Sidney Chambers in post-war London It is 1938, and eighteen-year-old Sidney Chambers is dancing the quickstep with Amanda Kendall at her brother Robert's birthday party at the Caledonian Club. No one can believe, on this golden evening, that there could ever be another war. Returning to London seven years later, Sidney has gained a Military Cross, and lost his best friend on the battlefields of Italy. The carefree youth that he and his friends were promised has been blown apart, just like the rest of the world - and Sidney, carrying a terrible, secret guilt, must decide what to do with the rest of his life. But he has heard a call: constant, though quiet, and growing ever more persistent. To the incredulity of his family and the derision of his friends - the

irrepressible actor Freddie, and the beautiful, spiky Amanda – Sidney must now negotiate his path to God: the course of which, much like true love, never runs smooth. The touching, engaging and surprising origin story of the Grantchester Mysteries's beloved Archdeacon, Sidney Chambers, *The Road to Grantchester* will delight new and old fans alike.

The Perils of Prosperity, 1914-1932 William E. Leuchtenburg 2010-05-07 Beginning with Woodrow Wilson and U.S. entry into World War I and closing with the Great Depression, *The Perils of Prosperity* traces the transformation of America from an agrarian, moralistic, isolationist nation into a liberal, industrialized power involved in foreign affairs in spite of itself. William E. Leuchtenburg's lively yet balanced account of this hotly debated era in American history has been a standard text for many years. This substantial revision gives greater weight to the roles of women and minorities in the great changes of the era and adds new insights into literature, the arts, and technology in daily life. He has also updated the lists of important dates and resources for further reading. "This book gives us a rare opportunity to enjoy the matured interpretation of an American Historian who has returned to the story and seen how recent decades have added meaning and vividness to this epoch of our history."—Daniel J. Boorstin, from the Preface

Sidney Chambers and The Perils of the Night James Runcie 2013-05-09 Grantchester is now a major, prime-time six-part series for ITV 1955. Canon Sidney Chambers, loveable priest and part-time detective, is back. Accompanied by his faithful Labrador, Dickens, and the increasingly exasperated Inspector Geordie Keating, Sidney is called to investigate the unexpected fall of a Cambridge don from the roof of King's College Chapel, a case of arson at a glamour photographer's studio and the poisoning of Zafar Ali, Grantchester's finest spin bowler. Alongside his sleuthing, Sidney has other problems. Can he decide between his dear friend, the glamorous socialite Amanda Kendall and Hildegard Staunton, the beguiling German widow? To make up his mind Sidney takes a trip abroad, only to find himself trapped in a web of international espionage just as the Berlin Wall is going up.

Rare Earth Peter D. Ward 2007-05-08 What determines whether complex life will arise on a planet, or even any life at all? Questions such as these are investigated in this groundbreaking book. In doing so, the authors synthesize information from astronomy, biology, and paleontology, and apply it to what we know about the rise of life on Earth and to what could possibly happen elsewhere in the universe. Everyone who has been thrilled by the recent discoveries of extrasolar planets and the indications of life on Mars and the Jovian moon Europa will be fascinated by Rare Earth, and its implications for those who look to the heavens for companionship.

Sidney Chambers and The Shadow of Death James Runcie 2012-04-24 The first of the Grantchester Mysteries, and inspiration for the PBS/Masterpiece television series, finds Vicar Sidney Chambers beginning his career, as both a spiritual leader and a detective. It is 1953, the coronation year of Queen Elizabeth II. Sidney Chambers, vicar of Grantchester and honorary canon of Ely Cathedral, is a thirty-two-year-old bachelor. Tall, with dark brown hair, eyes the color of hazelnuts, and a reassuringly gentle manner, Sidney is an unconventional clerical detective. He can go where the police cannot. Together with his roguish friend, inspector Geordie Keating, Sidney inquires into the suspect suicide of a Cambridge solicitor, a scandalous jewelry theft at a New Year's Eve dinner party, the unexplained death of a jazz promoter's daughter, and a shocking art forgery that puts a close friend in danger. Sidney discovers that being a detective, like being a clergyman, means that you are never off duty, but he nonetheless manages to find time for a keen interest in cricket, warm beer, and hot jazz—as well as a curious fondness for a German widow three years his junior. With a whiff of Agatha Christie and a touch of G. K. Chesterton's Father Brown, *The Grantchester Mysteries* introduces a wonderful new hero into the world of detective fiction.

1727, Stefan Silbermann is a grief-stricken thirteen-year-old, struggling with the death of his mother and his removal to a school in distant Leipzig. Despite his father's insistence that he try not to think of his mother too much, Stefan is haunted by her absence, and, to make matters worse, he's bullied by his new classmates. But when the school's cantor, Johann Sebastian Bach, takes notice of his new pupil's beautiful singing voice and draws him from the choir to be a soloist, Stefan's life is permanently changed. Over the course of the next several months, and under Bach's careful tutelage, Stefan's musical skill progresses, and he is allowed to work as a copyist for Bach's many musical works. But mainly, drawn into Bach's family life and away from the cruelty in the dorms and the lonely hours of his mourning, Stefan begins to feel at home. When another tragedy strikes, this time in the Bach family, Stefan bears witness to the depths of grief, the horrors of death, the solace of religion, and the beauty that can spring from even the most profound losses. Joyous, revelatory, and deeply moving, *The Great Passion* is an imaginative tour de force that tells the story of what it was like to sing, play, and hear Bach's music for the very first time.
