From Caligari to Hitler Siegfried Kracauer 2019-04-02 An essential work of the cinematic history of the Weimar Republic by a leading figure of film criticism First published in 1947, From Caligari to Hitler remains an undisputed landmark study of the rich cinematic history of the Weimar Republic. Prominent film critic Siegfried Kracauer examines German society from 1921 to 1933, in light of such movies as The Cabinet of Dr. Caligari, M, Metropolis, and The Blue Angel. He explores the connections among film aesthetics, the prevailing psychological state of Germans in the Weimar era, and the evolving social and political reality of the time. Kracauer makes a startling (and still controversial) claim: films as popular art provide insight into the unconscious motivations and fantasies of a nation. With a critical introduction by Leonardo Quaresima which provides context for Kracauer's scholarship and his contributions to film studies, this Princeton Classics edition makes an influential work available to new generations of cinema enthusiasts.

Sex and the Single Girl Helen Gurley Brown 2012-07-10 The 1962 blockbuster that took on "one of the most absurd (if universal) myths of our time: that every girl must be married" (The New York Times). Helen Gurley Brown, the iconic editor in chief of Cosmopolitan for thirty-two years, is considered one of the most influential figures of Second Wave feminism. Her first book sold millions of copies, became a cultural phenomenon, and ushered in a whole new way of thinking about work, men, and life. Feisty, fun, and totally frank, Sex and the

Single Girl offers advice to unmarried women that is as relevant today as it was when it burst onto the scene in the 1960s. This spirited manifesto puts women—and what they want—first. It captures the exuberance, optimism, and independence that have influenced the lives of so many contemporary American women.

Hollywood Scandal Louise Bay 2021-01-15 HE'S A HOLLYWOOD SUPERSTAR. SHE'S LITERALLY THE GIRL NEXT DOOR. One of Hollywood's A-listers, I have the movie industry in the palm of my hand. But if I'm going to stay at the top, my playboy image needs an overhaul. No more tabloid headlines. No more parties. And absolutely no more one night stands. Filming for my latest blockbuster takes place on the coast of Maine and I'm determined to stay out of trouble. But trouble finds me when I run into Lana Kelly. She doesn't recognize me, she's never heard of Matt Easton and my million dollar smile doesn't work on her. Ego shredded, I know I should keep my distance, but when I realize she's my neighbor I know I'm toast. There's no way I can resist temptation when it's ten yards away. She has a mouth designed for pleasure and legs that will wrap perfectly around my waist. She's movie star beautiful and her body is made to be mine. Getting Lana Kelly into my bed is harder than I'm used to. She's not interested in the glitz and glamour of Hollywood, but I'm determined to convince her the best place in the world is on the red carpet, holding my hand. I could have any woman in the world, but all I want is the girl next door. A sexy, standalone romance. What others are saying about Louise Bay: "A fabulous, smouldering love story" Katy Evans, NYT bestselling author "Insanely hot passion, and deliciously naughty and sweet characters. I devoured every page!" -New York Times Bestselling Author Lisa Renee Jones "Delivers both swoon-worthy and wickedly seductive moments that will have you desperate for more." -New York Times Bestselling Author Lisa Renee Jones "This book is deliciously HOT. I loved reading it." Layla Hagen, USA Today bestselling Author "Off the charts sexual tension and chemistry...I ravished every page!" -Audrey Carlan, #1 NYT Bestselling Author "A swoony hero with a British accent and a heroine you will root for. Don't miss this!" Jana Aston, NYT Bestselling Author "Hot sex, great banter, a cocky British boss and one of my favorite heroines to date. This book is a must-read and one of my favorite romances this year!" LJ Shen, USA Today Bestselling Author "Everything that a romance junkie could ever want in a contemporary romance. Once you start, there is not setting this sucker down. An absolute PAGE-TURNER." Shayna's Spicy Reads "Alexander and Violet stole my heart! Their chemistry rolls off the page. Seeing the broody and incredibly hot Brit falling for Violet made me swoon. If you love hot and romantic reads, then The British Knight is a MUST read." Layla Hagen, USA Today Bestselling Author "A funny, hot, and expertly crafted romance that was a joy to read." Guilty

Pleasures Book Reviews "I loved every page. Red hot scenes, tender moments and the usual roller coaster of emotions Louise loves to instil in her works, that makes her books so exhilarating to read. A perfect 5 star read." Two Girls and Their Kindle "A hilariously funny and heart wrenching story that will pull at your heartstrings." Who Gives a Hoot Reviews "Beautifully written with the perfect balance of sugar and spice! Five beautiful stars!" Espresso Reviews "Like a really good rom-com movie except with really hot sex thrown in." Kitty Kats Crazy about Books "A brilliant read. Full of angst, with bites of humor and lots of steam, it also has a real sweetness about it. Another MUST READ from a really talented storyteller." Perusing Princesses "An amazing love story." She's a Lip Biter "Friends to lovers is a favorite trope of mine and this is right up there with the best of them." Tanja, KT Book Reviews "Just when I think her books can't get any better, she writes another one and it outshines the previous ones. This is a sweet and sexy, friends-to-lovers contemporary romance with all the feels -- heartwarming, breathtaking, and sexy all rolled into one interesting and intriguing plot." Tracey, Goodreads reviewer "If you love a good friends to lovers with a side helping of slow burn, this book is for you. Don't hesitate, grab it with both hands. Noah and Truly will steal your heart and you will let them gladly." Beauty and the Beast Gabrielle-Suzanne Barbot de Villeneuve 2017-03 This is the first published version of Beauty and the Beast, written by the French author Gabrielle-Suzanne Barbot de Villeneuve in the mid-18th century and translated by James Robinson Planch . It is a novel-length story intended for adult readers, addressing the issues of the marriage system of the day in which women had no right to choose their husband or to refuse to marry. There is also a wealth of rich back story as to how the Prince became cursed and revelations about Beauty's parentage, which fail to appear in subsequent versions of the now classic fairy tale.

Sex Ed Robert T. Eberwein 1999 In a 1914 movie, *Damaged Goods*, a doctor shows a character the horrific effects of venereal disease. In contrast, many of today's sex ed videos encourage viewers to realize their sexuality more fully as a source of pleasure. In *Sex Ed*, Robert Eberwein demonstrates how films and videos used for sex education have provided a complex ideological framework in which questions of sexuality, gender, and race are compellingly foregrounded. Eberwein starts his investigation in the silent and early sound eras with educational films used both to warn audiences about venereal disease and to provide basic contraception information. World War II movies, he states, waged their own war against venereal disease—in the armed services and at home. Newer works deal with birth control and focus in particular on AIDS. *Sex Ed* also highlights the classroom. Eberwein draws connections between the earliest and most recent examples of educational films as he analyzes their ideological

complexity. He concludes by examining marriage-manual films of the early 1970s and very recent videos for couples and individuals seeking instruction in sexual techniques to increase pleasure.

Start with Why Simon Sinek 2011-12-27 The inspirational bestseller that ignited a movement and asked us to find our WHY Discover the book that is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of all time—with more than 56 million views and counting. Over a decade ago, Simon Sinek started a movement that inspired millions to demand purpose at work, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant and timely as ever. START WITH WHY asks (and answers) the questions: why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. START WITH WHY shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it's the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY.

Sleeping with Strangers David Thomson 2020-01-14 In this wholly original work of film criticism, David Thomson, celebrated author of The Biographical Dictionary of Film, probes the many ways in which sexuality has shaped the movies—and the ways in which the movies have shaped sexuality. Exploring the tangled notions of masculinity, femininity, beauty, and sex that characterize our cinematic imagination—and drawing on examples that range from advertising to pornography, Bonnie and Clyde to Call Me by Your Name—Thomson illuminates how film as art, entertainment, and business has historically been a polite cover for a kind of erotic séance. In so doing, he casts the art and the artists we love in a new light, and reveals how film can both expose the fault lines in conventional masculinity and point the way past it, toward a more nuanced understanding of what it means to be a person with desires.

Six by Seuss Dr. Seuss 1991 An anthology of six stories by Dr. Seuss, including "And To Think That I Saw It On Mulberry Street," "The 500 Hats of Bartholomew Cubbins," "Horton Hatches the Egg," "How the Grinch Stole Christmas," "The Lorax," and "Yertle the Turtle."

Chinese and Japanese Films on the Second World War King-fai Tam 2014-10-24 This book examines representations of the Second World War in postwar Chinese and

Japanese cinema. Drawing on a wide range of scholarly disciplines, and analysing a wide range of films, it demonstrates the potential of war movies for understanding contemporary China and Japan. It shows how the war is remembered in both countries, including the demonisation of Japanese soldiers in postwar socialist-era Chinese movies, and the pervasive sense of victimhood in Japanese memories of the war. However, it also shows how some Chinese directors were experimenting with alternative interpretations of the war from as early as the 1950s, and how, despite the "resurgence of nationalism" in Japan since the 1980s, the production of Japanese movies critical of the war has continued.

The Software Arts Warren Sack 2019-04-09 An alternative history of software that places the liberal arts at the very center of software's evolution. In *The Software Arts*, Warren Sack offers an alternative history of computing that places the arts at the very center of software's evolution. Tracing the origins of software to eighteenth-century French encyclopedists' step-by-step descriptions of how things were made in the workshops of artists and artisans, Sack shows that programming languages are the offspring of an effort to describe the mechanical arts in the language of the liberal arts. Sack offers a reading of the texts of computing—code, algorithms, and technical papers—that emphasizes continuity between prose and programs. He translates concepts and categories from the liberal and mechanical arts—including logic, rhetoric, grammar, learning, algorithm, language, and simulation—into terms of computer science and then considers their further translation into popular culture, where they circulate as forms of digital life. He considers, among other topics, the “arithmetization” of knowledge that presaged digitization; today's multitude of logics; the history of demonstration, from deduction to newer forms of persuasion; and the post-Chomsky absence of meaning in grammar. With *The Software Arts*, Sack invites artists and humanists to see how their ideas are at the root of software and invites computer scientists to envision themselves as artists and humanists.

Sex at Dawn Christopher Ryan 2010-06-29 Since Darwin's day, we've been told that sexual monogamy comes naturally to our species. Mainstream science—as well as religious and cultural institutions—has maintained that men and women evolved in families in which a man's possessions and protection were exchanged for a woman's fertility and fidelity. But this narrative is collapsing. Fewer and fewer couples are getting married, and divorce rates keep climbing as adultery and flagging libido drag down even seemingly solid marriages. How can reality be reconciled with the accepted narrative? It can't be, according to renegade thinkers Christopher Ryan and Cacilda Jethå. While debunking almost everything we "know" about sex, they offer a bold alternative explanation in this provocative and brilliant book. Ryan and Jethå's central contention is that human beings evolved in egalitarian groups that shared food, child care,

and, often, sexual partners. Weaving together convergent, frequently overlooked evidence from anthropology, archaeology, primatology, anatomy, and psychosexuality, the authors show how far from human nature monogamy really is. Human beings everywhere and in every era have confronted the same familiar, intimate situations in surprisingly different ways. The authors expose the ancient roots of human sexuality while pointing toward a more optimistic future illuminated by our innate capacities for love, cooperation, and generosity. With intelligence, humor, and wonder, Ryan and Jethå show how our promiscuous past haunts our struggles over monogamy, sexual orientation, and family dynamics. They explore why long-term fidelity can be so difficult for so many; why sexual passion tends to fade even as love deepens; why many middle-aged men risk everything for transient affairs with younger women; why homosexuality persists in the face of standard evolutionary logic; and what the human body reveals about the prehistoric origins of modern sexuality. In the tradition of the best historical and scientific writing, *Sex at Dawn* unapologetically upends unwarranted assumptions and unfounded conclusions while offering a revolutionary understanding of why we live and love as we do.

Screening Enlightenment Hiroshi Kitamura 2017-03-31 During the six-and-a-half-

year occupation of Japan (1945-1952), U.S. film studios—in close coordination with Douglas MacArthur's Supreme Command for the Allied Powers—launched an ambitious campaign to extend their power and influence in a historically rich but challenging film market. In this far-reaching "enlightenment campaign," Hollywood studios disseminated more than six hundred films to theaters, earned significant profits, and showcased the American way of life as a political, social, and cultural model for the war-shattered Japanese population. In *Screening Enlightenment*, Hiroshi Kitamura shows how this expansive attempt at cultural globalization helped transform Japan into one of Hollywood's key markets. He also demonstrates the prominent role American cinema played in the "reeducation" and "reorientation" of the Japanese on behalf of the U.S. government. According to Kitamura, Hollywood achieved widespread results by turning to the support of U.S. government and military authorities, which offered privileged deals to American movies while rigorously controlling Japanese and other cinematic products. The presentation of American ideas and values as an emblem of culture, democracy, and sophistication also allowed the U.S. film industry to expand. However, the studios' efforts would not have been nearly as extensive without the Japanese intermediaries and consumers who interestingly served as the program's best publicists. Drawing on a wide range of sources, from studio memos and official documents of the occupation to publicity materials and Japanese fan magazines, Kitamura shows how many Japanese supported Hollywood and became active agents of Americanization. A truly interdisciplinary book that combines U.S. diplomatic and cultural history, film and media studies, and modern Japanese history, *Screening Enlightenment* offers new insights into the origins of this unique political and cultural transpacific relationship.

The Psychosocial Implications of Disney Movies Lauren Dundes 2019-07-11 In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

China on Video Paola Voci 2010 "Ground-breaking! The book recasts the terms of debate on new media, globalization, and visual citizenship." Zhen Zhang, Tisch School of the Arts, NYU --

Nobody's Perfect Anthony Lane 2009-08-19 Anthony Lane on *Con Air*— "Advance word on *Con Air* said that it was all about an airplane with an unusually dangerous and potentially lethal load. Big deal. You should try the lunches they serve out of Newark. Compared with the chicken napalm I ate on my last flight, the men in *Con Air* are about as dangerous as balloons." Anthony Lane on *The Bridges*

of Madison County— “I got my copy at the airport, behind a guy who was buying Playboy’s Book of Lingerie, and I think he had the better deal. He certainly looked happy with his purchase, whereas I had to ask for a paper bag.” Anthony Lane on Martha Stewart— “Super-skilled, free of fear, the last word in human efficiency, Martha Stewart is the woman who convinced a million Americans that they have the time, the means, the right, and—damn it—the duty to pipe a little squirt of soft cheese into the middle of a snow pea, and to continue piping until there are ‘fifty to sixty’ stuffed peas raring to go.” For ten years, Anthony Lane has delighted New Yorker readers with his film reviews, book reviews, and profiles that range from Buster Keaton to Vladimir Nabokov to Ernest Shackleton. Nobody’s Perfect is an unforgettable collection of Lane’s trademark wit, satire, and insight that will satisfy both the long addicted and the not so familiar.
