*The Human Division #2: Walk the Plank* John Scalzi 2013-01-22 The second episode of The Human Division, John Scalzi's new thirteen-episode novel in the world of his bestselling Old Man's War. Beginning on January 15, 2013, a new episode of The Human Division will appear in e-book form every Tuesday. Wildcat colonies are illegal, unauthorized and secret—so when an injured stranger shows up at the wildcat colony New Seattle, the colony leaders are understandably suspicious of who he is and what he represents. His story of how he's come to their colony is shocking, surprising, and might have bigger consequences than anyone could have expected. **The Human Division #5: Tales From the Clarke** John Scalzi 2013-02-12 The fifth episode of The Human Division, John Scalzi's new thirteen-episode novel in the world of his bestselling Old Man's War. Beginning on January 15, 2013, a new episode of The Human Division will appear in e-book form every Tuesday. Captain Sophia Coloma of the Clarke has a simple task: Ferry around representatives from Earth in an aging spaceship that the Colonial Union hopes to sell to them. But nothing is as simple as it seems, and Coloma discovers the ship she's showing off holds surprises of its own...and it's not the only one with secrets. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*The End of All Things* John Scalzi 2015-08-11 Hugo-award winning author, John Scalzi returns to his best-selling Old Man's War universe with The End of All Things, the direct sequel to 2013's The Human Division Humans expanded into space...only to find a universe populated with multiple alien species bent on their destruction. Thus was the Colonial Union formed, to help protect us from a hostile universe. The Colonial Union used the Earth and its excess population

for colonists and soldiers. It was a good arrangement...for the Colonial Union. Then the Earth said: no more. Now the Colonial Union is living on borrowed time—a couple of decades at most, before the ranks of the Colonial Defense Forces are depleted and the struggling human colonies are vulnerable to the alien species who have been waiting for the first sign of weakness, to drive humanity to ruin. And there's another problem: A group, lurking in the darkness of space, playing human and alien against each other—and against their own kind—for their own unknown reasons. In this collapsing universe, CDF Lieutenant Harry Wilson and the Colonial Union diplomats he works with race against the clock to discover who is behind attacks on the Union and on alien races, to seek peace with a suspicious, angry Earth, and keep humanity's union intact...or else risk oblivion, and extinction—and the end of all things. *The Ghost Brigades* John Scalzi 2007-04-01 The Ghost Brigades are the Special Forces of the Colonial Defense Forces, elite troops created from the DNA of the dead and turned into the perfect soldiers for the CDF's toughest operations. They're young, they're fast and strong, and they're totally without normal human qualms. The universe is a dangerous place for humanity—and it's about to become far more dangerous. Three races that humans have clashed with before have allied to halt our expansion into space. Their linchpin: the turncoat military scientist Charles Boutin, who knows the CDF's biggest military secrets. To prevail, the CDF must find out why Boutin did what he did. Jared Dirac is the only human who can provide answers -- a superhuman hybrid, created from Boutin's DNA, Jared's brain should be able to access Boutin's electronic memories. But when the memory transplant appears to fail, Jared is given to the Ghost Brigades. At first, Jared is a perfect soldier, but as Boutin's memories slowly surface, Jared begins to intuit the reason's for Boutin's betrayal. As Jared desperately hunts for his "father," he must also come to grips with his own choices. Time is running out: The alliance is preparing its offensive, and some of them plan worse things than humanity's mere military defeat... The Human Division #10: This Must Be the Place John Scalzi 2013-03-19 The tenth episode of The Human Division, John Scalzi's new thirteen-episode novel in the world of his bestselling Old Man's War. Beginning on January 15, 2013, a new episode of The Human Division will appear in e-book form every Tuesday. Colonial Union diplomat Hart Schmidt is back home for Harvest Day celebrations—to a family whose members wonder whether its youngest son isn't wasting his life clinging to the lowest rung of the CU's diplomatic ladder. When his father, a legendarily powerful politician, presents him with a compelling offer, Schmidt has to take stock of his life and career. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Human Division John Scalzi 2013-05-14 Following the events of The Last Colony, John Scalzi tells the story of the fight to maintain the unity of the human race. The people of Earth now know that the human Colonial Union has kept them ignorant of the dangerous universe around them. For generations the CU had defended humanity against hostile aliens, deliberately keeping Earth an ignorant backwater and a source of military recruits. Now the CU's secrets are known to all. Other alien races have come on the scene and formed a new alliance—an alliance against the Colonial Union. And they've invited the people of Earth to join them. For a shaken and betrayed Earth, the choice isn't obvious or easy. Against such possibilities, managing the survival of the Colonial Union won't be easy, either. It will take diplomatic finesse, political cunning...and a brilliant "B Team," centered on the resourceful Lieutenant Harry Wilson, that can be deployed to deal with the unpredictable and unexpected things the universe throws at you when you're struggling to preserve the unity of the human race. Being published online from January to April 2013 as a three-month digital serial, The Human Division will appear as a full-length novel of the Old Man's War universe, plus—for the first time in print—the first tale of Lieutenant Harry Wilson, and a coda that wasn't part of the digital serialization. 2012 The Pandoran War is nearing its end... and the Senate's Mistake have all but won. In the seven years following on from the Pandoran's push beyond the Mitikas Empire, the allied forces of the Helios Confederation and Independent worlds have fought a bitter series of unwinnable battles, being pushed back further and further as the enemy war machine continued its unrelenting assault against all those that opposed it. And now, leaving a galaxy in ruin behind them, the Pandorans have set their sights on Sol, in preparation to finally complete the Mission. All seems lost. But then, in the final forty-eight hours of the war, while journeying to Kethlan in one last desperate bid to track down the elusive Admiral Jason Zackaria and find a way to end the bloodshed, Simon Dodds makes a discovery that could herald a chance at victory, if only he can convince himself and everyone he loves that the battle is still worth fighting.

**Old Man's War Boxed Set I** John Scalzi 2014-08-26 New York Times bestselling author John Scalzi takes readers on an epic romp of galactic conquest and exploration in the Old Man's War series. This box set includes: Old Man's War, The Ghost Brigades, and The Last Colony Earth itself is a backwater. The bulk of humanity's resources are in the hands of the Colonial Defense Force, which shields the home planet from too much knowledge of the situation. What's known to everybody is that when you reach retirement age, you can join the CDF. They don't want young people; they want people who carry the knowledge and skills of decades of living. Old Man's War John Perry did two things on his 75th birthday. First he visited his wife's grave. Then he joined the army, with only the vaguest idea what to expect. Because the actual fight is far more difficult than he can imagine—and what he will become is far stranger. The Ghost Brigades At first, Jared is a perfect soldier, but as another man's memories slowly surface, Jared begins to intuit the reasons for their betrayal. Time is running out: The alliance is preparing its offensive, and some of them plan worse things than humanity's mere military defeat. The Last Colony Retired from his fighting days, John Perry and his wife, Jane, are pulled back into the political arena, and into the thick of interstellar politics, betrayal, and war. Voison's Boomerang R. RexDeNemo 2017-04-18 In a futuristic world, a nurse practitioner and a doctor are encouraged to begin dating by Voison Noteau, the elderly author of a book that accurately foretold of Boomerangthe moment in 2036 when an asteroid hit Earth and caused a disaster of epic proportions. Unfortunately now some fifty years after Voison penned the prophetic story that was eventually optioned into a Hollywood movie, the original manuscript is missing. When Carol Applegate and Dr. Razguptra finally go on their first date, she is drugged. As Dr. Razguptra attempts to discover who slipped her the drugs, he has no idea that there are those who want Carol silenced because of her knowledge about Voisons book. As a detective and his partner are pulled in to investigate the strange events, Voison reveals a surprising connection

between the Malthusian Cartel and Boomerang and the location where he hopes the flash drive containing the manuscript is stored. But little do they know that in their quest to find it, they have all opened themselves up to an evil force determined to keep the truth hidden. In this science fiction adventure, several people become intertwined in a murderous plot after it is discovered they possess knowledge about a book that foretold of a catastrophic event fifty years earlier.

*Untitled: Skip, The LAST Freedom Fighter* James (Jim) Robinson 2018-12-08  
Untitled Skip, The LAST Freedom Fighter By: James (Jim) Robinson After the assassination of Martin Luther King Jr. in 1968, the civil rights movement was in need of others to champion the cause. It was during this time that Skip Robinson, a black man in his early thirties, came bursting onto the scene. Skip Robinson was able to talk in a way that everyone could relate to, and he was able to lead people into action, including demonstrations, boycotts, and marches throughout the Deep South. In this biography written by his brother, James (Jim) Robinson, readers get a front-row seat to the struggle for justice and equality during what some people call the third revolution in America. Skip Robinson's life should serve as motivation to continue the fight to end the final vestiges of racial discrimination in America.

In late 1997, a runaway teenager and her small yellow toy robot travel west through a strange American landscape where the ruins of gigantic battle drones litter the countryside, along with the discarded trash of a high-tech consumerist society addicted to a virtual-reality system. As they approach the edge of the continent, the world outside the car window seems to unravel at an ever faster pace, as if somewhere beyond the horizon, the hollow core of civilization has finally caved in.

Curandero: a Physician's Life Journey Don Blossom MD 2010-12-03 Don Blossom, a certified pediatrician for more than four decades, relives a personal journey from childhood through a long career in medicine. Occasionally, over the course of his career, he came to think of himself as a curandero, a folk healer who serves Native Americans and Hispanic America. Before he found his calling, however, Blossom had to survive his youthful exuberance including a tour overseas as a US Army Special Forces paratrooper. After several months, he yearned to catch a glimpse of an American girl. He got his chance when he was honorably discharged and met Ellie, a beguiling lass from New Orleans. In love, he faced a future in medical school and other obstacles before realizing his dream of becoming a doctor. Blossom succeeded, becoming a doctor in private practice in a small New Mexico community, just as the field of medicine experienced some serious changes. He recalls his many adventures in medical

Fantasy Media in the Classroom Emily Dial-Driver, 2014-01-10 A common misconception is that professors who use popular culture and fantasy in the classroom have abandoned the classics, yet in a variety of contexts—high school, college freshman composition, senior seminars, literature, computer science, philosophy and politics—fantasy materials can expand and enrich an established curriculum. The new essays in this book combine analyses of popular television shows including Buffy the Vampire Slayer; such films as The Matrix, The Dark Knight and Twilight; Watchmen and other graphic novels; and video games with explanations of how best to use them in the classroom. With experience-based anecdotes and suggestions for curricula, this collection provides a valuable pedagogy of pop culture.

Extra Innings Trilogy B.W. Gibson 2018-02-21 With young adulthood comes inevitable change. From puberty to hometown struggles to the tragic blow of deadly racism, identical twins Jimmy and Billy McGee have experienced some pivotal points in their lives. Now, eighteen years old, these brothers aint seen nothing yet. Its 1952 in the Deep South and bad news is about to annihilate the McGee familys entire world. Jimmy is beginning college at Ole Miss while Billy is soon on his way into the depths of the Korean War. The brothers decisions to set their own courses apart from the other, for the first time in their lives, turned out to be the easy part. But their plans would set in motion a course of events even more trying than either could have anticipated. Theres an old adage that says: you can never go home again and this couldnt have rung truer for the twins. Sadly, only one learned the lesson.

Old Man's War John Scalzi 2007-04-01 John Perry did two things on his 75th birthday. First he visited his wife's grave. Then he joined the army. The good news is that humanity finally made it into interstellar space. The bad news is that planets fit to live on are scarce-and aliens willing to fight for them are common. The universe, it turns out, is a hostile place. So: we fight. To defend Earth (a target for our new enemies, should we let them get close enough) and to stake our own claim to planetary real estate. Far from Earth, the war has gone on for decades: brutal, bloody, unyielding. Earth itself is a backwater. The bulk of humanity's resources are in the hands of the Colonial Defense Force, which shields the home planet from too much knowledge of the situation. What's known to everybody is that when you reach retirement age, you can join the CDF. They don't want young people; they want people who carry the knowledge and skills of decades of living. You'll be taken off Earth and never allowed to return. You'll serve your time at the front. And if you survive, you'll be given a generous homestead stake of your own, on one of our hard-won colony planets. John Perry is taking that deal. He has only the vaguest idea what to expect. Because the actual fight, light-years from home, is far, far harder than he can imagine-and what he will become is far stranger.
