R. Martin hailed as "a fast-paced tale of betrayal and revenge that grabbed me from page 1 and refused to let go." Hobb "Polished and sharp, perhaps his most technically proficient novel yet . . . I dare you to read the first chapter and try not to turn the next page."—Brent Weeks "Half a King can be summed up in a single word: masterpiece. It's a coming-of-age story. It's a Viking saga. It's a revenge tale and family drama and the return of the prodigal son. But most of all, it's this: a short time alongside people as weak and blundering as we are and, in the midst of it all, as heroic. Far too short a time, as it turns out. What a wonderful book."—Myke Cole "Half a King is full of all the adventure I've come to expect from Abercrombie and a tenderness I never knew he had."—Sam Sykes

The Middlepause Marina Benjamin 2017-03-14 "In *The Middlepause* Benjamin deftly and brilliantly examines the losses and unexpected gains she experienced in menopause. Menopause is a mind and body shift as monumental and universal as puberty, yet far less often discussed, especially in public, which is what makes Benjamin's work here so urgently necessary." —Kate Tuttle, *The Los Angeles Times* *The Middlepause* offers a vision of contentment in middle age, without sentiment or delusion. Marina Benjamin weighs the losses and opportunities of our middle years, taking inspiration from literature, science, philosophy, and her own experience. Spurred by her surgical propulsion into a sudden menopause, she finds ways to move forward while maintaining clear-eyed acknowledgment of the challenges of aging. Attending to complicated elderly parents and a teenaged daughter, experiencing bereavement, her own health woes, and a fresh impetus to give, Benjamin emerges into a new definition of herself as daughter, mother, citizen, and woman. Among *The Middlepause*'s many wise observations about no longer being young: ""I am discovering that I care less about what other people think."" ""My needs are leaner and my storehouse fuller."" ""It is not possible to fully appreciate what it means to age without attending to what the body knows. . . . I have always had a knee-jerk distaste for the idea that age is all in the mind."" ""You need a cohort of peers to go through the aging process with you. A cackle of crones! A cavalry!"" Marina Benjamin's memoir will serve as a comfort, a companion to women going through the too-seldom-spoken of physical and mental changes in middle age and beyond.
