For young Nathan Devlin and Julia Tharpe, that missed meeting cleaves their relationship and sunders their lives. Nathan goes to prison, bitter, blaming Julia for lack of resolve. Julia continues with her career, equally bitter, blaming him for unfaithfulness. Years later, Julia learns the truth of that night's failed elopement, and of the deception behind it. She sets out to find Nathan, now an escaped fugitive. Her search leads her in 1955 to the small farm town of Windmill, Indiana. There Nathan, still bitter at Julia, at his luck and at the world at large, is avenging himself on the hapless townspeople in a peculiar way: With magic. . . . And seven stories of supernatural mischief . . . For Nathan owns a collection of powerful objects which he now, in a final act of malice, sells to unwary townsfolk. All unfold to a climax in quiet, out-of-the-way Windmill, Indiana. Through these seven unfolding fantasy stories is woven, in flashbacks,

the decades-long story of Julia and Nathans complex love affair . . . Their cruel betrayal by others . . . Their years apart . . . Their final reconciliation . . . And a secret finally revealed that will bind them once more. Windmill, Indiana. Where bad things happen to a good town. **Iphigenia Murphy** Sara Hosey 2020-03-10 Running away from home hasn't solved Iphigenia Murphy's problems. In fact, it's only a matter of time before they'll catch up with her. Iffy is desperate to find her long-lost mother, and, so far, in spite of the need to forage for food and shelter and fend off an unending number of creeps, living in Queens' Forest Park has felt safer than living at home. But as the summer days get shorter, it all threatens to fall apart. A novel that explores the sustaining love of friendship, the kindness of strangers, and the indelible bond of family, Iphigenia Murphy captures the gritty side of 1992 Queens, the most diverse borough in New York City. Just like Iffy, the friends she makes in the park—Angel, a stray dog with the most ridiculous tail; Corinne, a young trans woman who is escaping her own abusive situation; and Anthony, a former foster kid from upstate whose parents are addicts—each seek a place where they feel at home. Whether fate or coincidence has brought them together, within this community of misfits Iffy can finally be herself, but she still has to face the effects of abandonment and abuse—and the possibility that she may be pregnant. During what turns out to be a remarkable journey to find her mother, will Iffy ultimately discover herself?

So you think you've had a bad day Rulon Ball 2022-05-04 The title of this book is taken from one of the hilarious stories in the book. All of the stories are written about events that have happened to me and others. The clogged drain story is about a secretary who was constipated and took a laxative, then went to work not feeling well. When she sits down on the great white throne, it practically explodes under her. The skunk story will make you wish you had a pet skunk that doesn't stink. My uncle's mule story is so unique and funny you might fall off your chair. Each one is unique and was chosen because it was extra funny or was in some way exciting or otherwise interesting. The Alzheimer's story really gives you food for thought. There are no everyday, run-of-the-mill experiences. Every one of them will either make you laugh, make you cry, or give you something interesting to contemplate. You'll enjoy the shoplifting story. It makes you ask, "Are there really people like that?" Yes, there really are! To avoid confusion about the name Lauren, let me explain. My mother named my older brother, Lauren, after her older brother, Lauren, Jesse's brother. Then I named my middle son, Lauren, after my older brother, Lauren. Therefore, there are three generations of Laurens mentioned in this book. Hope you don't get too confused.

**Hunter's Paradise** Phillip Onagan 2017-10-03 Set in the 1980s near Yakutat, Alaska, Hunter's Paradise: The Homecoming is the story of the Bootans, owners of a sixty-thousand-acre outfitter and ranch, Paradise. Paradise is a land of

splendor with virgin forests, lakes, and streams filled with the abundance of wildlife. The head of the family is the tough and hardened but godly man, former Marine Master Gunnery Sergeant John Bootan. He and his business partner, Dan Lupa, are professional hunting guides. They book fly-in clients from the United States and other countries for Alaskan big game hunting and fishing. John's outfitter team includes four nephews, their wives, a niece, and hired help. Whether their story takes you to the war scenes of World War II, Korea, and Vietnam, the dangers of big game hunting, or the lost romances of their past, their courage and spirit exemplify the heart of a true American Christian family. In *The Homecoming* a thirteen-year tribulation continues involving John's oldest nephew Brandon. An emotionally torn veteran, who lost his most precious possessions before his Vietnam trauma: His faith in God, his wife to be, Marcy Lamore, and his dignity as a man. In a desperate search for a meaning and purpose in life, he is fostered by the sage wisdom of his Uncle John and the devoted love of his younger brother Bud. However, Bud's recent marriage to Elaine Petry is a threat to Brandon, fearing that she has taken Bud away from him. In their homecoming to Paradise, a clash between husband and wife, between brother and brother, and between sister-in-law and brother-in-law unfold. To save his family from destruction, Brandon seeks refuge at Little Splendor, land also owned by the Bootans. Months later after leaving Paradise, Brandon learns of a hunting disaster involving Bud and quickly joins his family for a search and rescue. It becomes a long journey back home for the Bootans as they struggle with the natural elements, their fellow man, and ultimately with themselves.
