**Sweet Designs** Amy Atlas 2012-04-24 Bake it, Craft it, Style it! Amy Atlas, home baker, crafter, and party planner extraordinaire, shows her readers and fans how to create fabulous sweets tables for adults and kids, combining easy recipes, dressed-up store-bought treats, and craft ideas, to make dessert a fitting grand finale to any gathering. Amy Atlas gained an international following when she introduced the concept of meshing baking and crafting to make beautiful sweets spreads. She has designed tables for Brooke Shields, Electrolux with Kelly Ripa, Gayle King, Martha Stewart Weddings, Mindy Weiss, and O Magazine. Since 2008, hundreds of thousands of readers have flocked to her award-winning blog, Sweet Designs. Now they'll learn how she does it for the first time in her first book filled with brand-new tables, original recipes, do-it-yourself instructions, and dozens of tips and secrets. Sweet Designs includes 15 chapters filled with more than 100 recipes for every kind of irresistible treat, plus over 75 easy, affordable DIY craft projects to make them even more special. Each chapter features an amazing dessert table that reflects themes Amy's clients most often request: a favorite color, design, flavor, destination, passion, or holiday. Amy tells readers how they can make just one item, mix and match items from different tables, or make the dessert tables as shown. For every maid of honor who needs to plan an epic bridal shower (and then later the baby shower), every mom who needs to put together a birthday bash her kids will never forget, and every Scrabble aficionado who wants to throw the game-night party to end all game-night parties, Amy serves up that elusive "wow factor" to make every celebration an event to remember. Praise for Sweet Designs: "Amy Atlas, dessert designer extraordinaire, shows you how to create your own stylish sugarscapes for any occasion. Whether baking, creating, or designing, it's inspiring the way she showcases sweets." - Bakerella, author of Cake Pops "I think I have met my match. Amy not only knows her candies, but she knows her cookies, cupcakes, sweets, and crafts too. She takes her sweets to a higher level where they take center stage." --Karen Tack, author of Hello Cupcake! "Amy Atlas is the dessert guru. She's taught me that the dessert table is the pinnacle of any event. She's an inspiration to all bakers!" --Tori Spelling "The celebrity event planner--best known for her

decadent dessert tables--transforms a batch of sugar cookies into something special." --People "Sweet Designs: Bake It, Craft It, Style It. I say, Buy It! Amy was the first and true innovator of these amazing displays of deliciousness." --Mindy Weiss, celebrity event planner "Amy Atlas has revolutionized the dessert category, bringing style, sugar, and innovation to everyone's favorite course." --Colin Cowie, celebrity event planner and lifestyle expert "Amy's dessert displays are ALWAYS the talk of the party, returning every adult to a state of childhood glee while making every sugar fantasy come true for the little ones. Sweet Designs is the next best thing to having Amy at your own affair." --David Stark, president, David Stark Design and Production "Amy has transformed the way we all see desserts. No wedding (or event!) is complete anymore without a whimsically sweet and delicious dessert table to top off the night." --Carley Roney, cofounder and editor-in-chief of The Knot

Elite Soccer Players Ryan Curtis 2019-12-06 The sport of soccer has evolved immensely since its beginning around 2,000 years ago and is now considered the most popular sport in the world. The research related to the physical, psychological, and tactical aspects of the game has risen in conjunction with its fame. *Elite Soccer Players: Maximizing Performance and Safety* seeks to inform the reader with the most current research connected to optimizing physical performance and reducing the risk of injury of the elite soccer athlete for a variety of ages. After providing an initial brief overview of applying physical and psychological scientific concepts in soccer ("Part I: Laying the Foundation"), this book then takes the reader through a series of important yet novel parts including: "Athlete Monitoring and Data Analysis," "Optimizing Physical Performance," "Injury Epidemiology and Risk Reduction," "Achieving Peak Performance and Safety in Various Environmental Conditions," and "Unique Aspects of the Game." The goal of *Elite Soccer Players: Maximizing Performance and Safety* is to conceptualize and expand upon the current research associated with these topics and provide an applicable point of view to the coaches, sport scientists, strength and conditioning coaches, and sports medicine professionals who work with these athletes every day.

makes Sierra happy like soccer. Her shoes have flames as she spins the ball down the spread-out sea of grass. But nothing makes her sad like soccer, too, because the restaurant where her auntie works is busy on game days and she can't take time off to watch Sierra play. With honesty and subtlety, author Maribeth Boelts and illustrator Lauren Castillo portray an endearing character in a moving, uplifting story that touches on the divides children navigate every day – and remind us that everyone needs someone to cheer them on from the sidelines.

Party Party Jenny Dodd 2011-12-09 Moms (and dads) simply can't get enough of Jenny Dodd's lifesaving party books, to ensure that their children's parties are, well, a piece of cake to organise. **The Mom Test** Rob Fitzpatrick 2013-10-09 The Mom Test is a quick, practical guide that will save you time, money, and heartbreak. They say you shouldn't ask your mom whether your business is a good idea, because she loves you and will lie to you. This is technically true, but it misses the point. You shouldn't ask anyone if your business is a good idea. It's a bad question and everyone will lie to you at least a little . As a matter of fact, it's not their responsibility to tell you the truth. It's your responsibility to find it and it's worth doing right . Talking to customers is one of the foundational skills of both Customer Development and Lean Startup. We all know we're supposed to do it, but nobody seems willing to admit that it's easy to screw up and hard to do right. This book is going to show you how customer conversations go wrong and how you can do better.

*I Will Find You* Joe Kenda 2017-09-26 Detective Lt. Joe Kenda, star of Homicide Hunter, shares his deepest, darkest, and never before revealed case files from his 19 years as a homicide detective. Are you horrified yet fascinated by abhorrent murders? Do you crave to know the gory details of these crimes, and do you seek comfort in the solving of the most gruesome? In I WILL FIND YOU, the star of Homicide Hunter: Lt. Joe Kenda shares his deepest, darkest, and never-before-revealed case files from his two decades as a homicide detective and reminds us that crimes like these are very real and can happen even in our own backyards. Gruesome, macabre, and complex cases. Joe Kenda investigated 387 murder cases during his 23 years with the Colorado Springs Police Department and solved almost all of them. And he is ready to detail the cases that are too gruesome to air on television, cases that still haunt him, and the few cases where the killer got away. These cases are horrifyingly real, and the detail is so mesmerizing you won't be able to look away. The tales in I WILL FIND YOU will shock you like the best horror stories-divulging insights into the actions, motivations, and proclivities of nature's most dangerous species. Don't mind the blood.

**Outliers** Malcolm Gladwell 2008-11-18 From the bestselling author of Blink and The Tipping Point, Malcolm Gladwell's Outliers: The Story of Success overturns conventional wisdom about genius to show us what makes an ordinary person an extreme overachiever. Why do some people achieve so much more than others? Can they lie so far out of the ordinary? In this provocative and inspiring book, Malcolm Gladwell looks at everyone from rock stars to professional athletes, software billionaires to scientific geniuses, to show that the story of success is far more surprising, and far more fascinating, than we could ever have imagined. He reveals that it's as much about where we're from and what we do, as who we are - and that no one, not even a genius, ever makes it alone. Outliers will change the way you think about your own life story, and about what makes us all unique. 'Gladwell is not only a brilliant storyteller; he can see what those stories tell us, the lessons they contain' Guardian 'Malcolm Gladwell is a global phenomenon ... he has a genius for making everything he writes seem like an impossible adventure' Observer 'He is the best kind of writer - the kind who makes you feel like you're a genius, rather than he's a genius' The Times

*Fair Play* Eve Rodsky 2021-01-05 AN INSTANT NEW YORK TIMES BESTSELLER A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh\*t I Do List. Tired of being the "shefault" parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family--and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. "Winning" this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space--the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.

*Garden Party* 2020-04-07 *Garden Party* is a collection of charming sketches and quotes from artist Helen Dardik. Dardik's pen-and-ink drawings are replicated from her sketchbooks and interspersed with quotes from classic novels such as *Alice in Wonderland* and *The Secret Garden*. Dardik's illustrations of girl-fairies, flora, and fauna create a magical, dreamy world. Many of her characters are hybrid girl/plant creatures whose friends include a menagerie of cats, dogs, and other critters. • Her illustrations are predominantly black-and-white, with a limited palette of accent colors. • Aesthetic feels equal parts vintage Scandinavian modern folk art and Japanese Kawaii culture, • Girl-powered and nature themed This is a charming, girl-centric book that is perfect for all occasions, whether it's a graduation or Mother's Day or simply for yourself. The book's design is also a delight—it looks and feels like an actual sketchbook. • A perfect book for teens, young adult women, and moms • Dardik's unique illustration style is at once elegant and whimsical. • Great for those who loved *In the Garden of My Dreams: The Art of Nathalie Lété* by Nathalie Lété. and *How to Be a Wildflower* by Katie Daisy

Save Money on Groceries Tiffany Doerr Guerzon 2018-08-13 Everyone wants to save money at the grocery store, right? The monthly food bill is the third-highest item in most family's budgets, after transportation and home costs. While the price of your mortgage or car payment are fixed, one place you can save money is by cutting the cost of groceries. But how? Food costs keep rising and many families have food allergies or intolerances that require the purchase of more

expensive products. In this book, I share what I have learned about saving money on groceries through years of trial and error. My "back to basics" approach-such as buying in bulk, stocking up, cooking from scratch, buying on sale, and planning meals-can help you save significantly, without spending hours clipping coupons or driving to several stores each week. I also include information on saving apps, batch cooking, alternative buying methods such as food co-ops, and how to read price labels at the store to decipher the best deal, as well as tasty, nutritious recipes. This book will pay for itself in one grocery store trip if you apply these saving strategies that even the busiest of people can use.
