Stone Cold Bastards Jake Bible 2016-02-24 "Misfit stone warriors against the demon apocalypse--a bloody good story!"--Gail Z. Martin, author of Shadow and Flame Only a rag-tag team of gargoyles stands between humanity and extinction. Hell has released its ravaging horde of demons, leaving most of humanity a puke-spewing, head-spinning mess of possession. Humanity's last hope? A team of misfit gargoyles--including a cigar chomping, hard-ass grotesque--come alive and ready for battle during the End of Days. They guard the last cathedral-turned-sanctuary atop a bald knoll in the North Carolina mountains. Gargoyle protection grudgingly extends to any human who can make it inside the sanctuary, but the power of the stonecutter blood magic, which protects the sanctuary, may not be enough when a rogue grotesque and his badly-wounded ward arrive. All the hounds of hell are on their heels. The last sanctuary is about to fall. "Stone Cold Bastards is the most fun you'll ever have with the apocalypse. I'm not sure which I love more--the hillbilly-styled grotesques, the polite demons, or guts, gore, and mayhem." - Diana Pharaoh Francis, author of The Crosspointe Chronicles "Stone Cold Bastards is a

It's Not About the Shark David Niven, PhD 2014-11-04 It's Not About the Shark opens the door to the groundbreaking science of solutions by turning problems—and how we solve them—upside down. When we have a problem, most of us zero in, take it apart, and focus until we have it solved. David Niven shows us that focusing on the problem is exactly the wrong way to find an answer. Putting problems at the center of our thoughts shuts down our creative abilities, depletes stamina, and feeds insecurities. It's Not About the Shark shows us how to transform our daily lives, our work lives, and our family lives with a simple, but rock-solid principle: If you start by thinking about your problems, you'll never make it to a solution. If you start by thinking about a solution, you'll never worry about your problems again. Through real-life examples and psychology research, David Niven shows us why: *Focusing on the problem first makes us 17 times less likely to find an answer *Being afraid of a problem is natural: we're biologically primed to be afraid *Finding a problem creates power - which keeps you from finding a solution *Working harder actually hides answers *Absolute confidence makes you less likely to find the answer *Looking away from a problem helps to see a solution *Listening only to yourself is one of the best ways to find an answer Combining hard facts, good sense, and a strong dose of encouragement, David Niven provides fresh and positive ways to think about problem solving.

Lasting Longer Sy Silverberg M. D. 2010-04-01 Editorial Reviews According to Dr. Stacy L. Elliott, MD, the medical director at Vancouver Hospital's BC Center for Sexual Medicine, Lasting Longer has been instrumental in sexual education and treating sexual dysfunction for many years. She says: He was before his time in his thinking and experience has proven him to be right. We have used Dr. Silverberg's Lasting Longer faithfully for the twenty-five years of our history. His newer version is even easier to understand, has more directed exercises, and is even more positive and encouraging than his original version. We are very grateful for his assistance all these years. Dr. Elliott is also a professor at the UBC Department of Psychiatry's Division of Sexual Medicine. She is a well-recognized expert in the field of male sexual dysfunction and has been the Chair of the Canadian Male Sexual Health Council. Product Description Lasting Longer was written by Dr. Sy Silverberg. an MD/Certified Sex Therapist with 40 years experience. It was first published in 1978. Since then it has been distributed only to professionals who have used it to help thousands of men, worldwide, to learn how to control ejaculation. It was revised in 2010 and rewritten so that any man can understand it without the support of a therapist. This was done in part to combat the professed online cures being offered to men at exorbitant prices. For the most part these solutions are useless and in some cases even harmful. And since the answer to controlling ejaculation lies in learning, these sprays, herbs, vitamins, dietary supplements and drugs will not help you learn to control premature ejaculation any more than they could help you learn to speak another language. Time has proven my belief that P.E. is so prevalent simply because young men have never been taught how to control ejaculation, he explains. Dr. Silverberg equates the learning process to learning bladder control. Lasting Longer leads men step-by-step through a series of exercises designed to teach them how to recognize the signals from their bodies that indicate they are approaching the point of no return . They, then learn how to control the reflex that triggers ejaculation. Exactly the same way they learned to control the reflex that triggers urination. He believes that any man who was toilet-trained can learn ejaculatory control. Lasting Longer stands out from other publications on the topic in that it does not present page after page of historical data, statistics, demographics, scientific jargon or entertaining clinical examples. Instead it uses clear and concise language to outline only the steps necessary to correct the problem. In addition it offers concrete suggestions for developing a satisfying long-term sexual relationship with a partner of either gender. Excerpts of the book may be viewed at: <http://sextherapy-prematureejaculation.com>. Dr. Silverberg says: "I imagine that many of you have had the experience of spending hundreds of dollars on 'cures' that have not worked. For your own sake please try this approach. If you are not able to learn how to control ejaculation to your satisfaction, I will refund the full purchase price to you."

The Immortals - Books 10-12 Monica La Porta 2020-08-16 The chains of Love are stronger than the bonds of Revenge Long after the gladiators fought in the Coliseum, ancient evils wander the streets of Rome. Only a few heroes have the power to stop them. Among them, a group of friends whose fate and the gods' whims have united in immortality. Follow Atreides, Max, and Fabian as they battle their inner demons and try to save the world and their loved ones at the same time. Bound By Water She can steal anything. Even his heart... Atreides I'm the last merman shifter alive. I'm also a famous painter, richer than Croesus, and not in a hurry to find a suitable mate. Someday, I'll secure my heritage. For now, my life is perfect as it is. And did I mention that in my spare time I help the police recover stolen art? Bringing to justice those thieves gives me a special pleasure, and I look forward to my next mission. Ariel I'm an art thief and exceedingly good at what I do but promised never to steal again. And if my father hadn't accumulated huge debts with the wrong crowd, I would've kept my word. So here I am at night, outside the medieval castle I intend to rob when this absolute hunk of a man emerges from the sea. And what do you know, he walks up to me and kisses me. It's not a regular kiss either, but the stuff of legend. I kid you not. I'm so shaken, I almost forget about the heist. Too bad there's a werewolf biker gang after me, and I have no time for romance... The Alpha's Gift The playboy dragon shifter, the orphan baby, and the nanny who will change their lives Max As a dragon-shifter and one of the youngest billionaires in Seattle, I work hard during the day and party equally hard at night. I'm fastidious about my habits and don't like setbacks of any kind. Especially when they come in the form of a baby girl abandoned at my doorstep. The sooner I take care of this problem, the better it is, so I can go back to the club. There're two gorgeous blondes waiting for me to rock their night... Vivienne My brother wakes me at three in the morning because his boss, Mr. Rich & Hateful, has an emergency. He makes it sound like a life or death situation, so of course, I run to the penthouse. And what do I find there, besides my brother and the billionaire jerk? The most beautiful baby girl I've ever seen. She's so small and just perfect, and I fall in love with her at first sight. Too bad she's probably related to Mr. Prize—the man is too handsome for his own good, and I can't stand the sight of him. I'll endure his presence, though, for the baby's sake. Hopefully, we don't end up killing each other... Renegade Vampire Princesses & Monsters: Not your mother's fairy tale Stella Once upon a time, I was a princess, a real one, but the fairy tale is over. After my parents died, my aunt Marella raised me as her own, but now she's gone too. Tomorrow, I'll be kicked out of my ancestral home with nowhere to live. I'm desperate. Desperate enough to consider the unthinkable—becoming a companion and selling myself to a rich and powerful man. The escort agency caters to a special clientele, though—one I never even imagined existed. Will I be able to go through with it? Fabian I've been protecting Stella for a long time, but she doesn't know it. To her, I'm Fabian Laurentis, world-famous actor and playboy. But I'm so much more than that. I'm
