*Scorned* Diane Scott 2018-09-21 Billy Harding and Gail Holloway's two-year relationship progresses naturally to a night of steamy, first-time sex. Believing they will be together forever, they wholly embrace the throes of young love and dreams of marriage, home, and children. Suddenly, following an unimaginable tragedy, Gail finds herself pregnant and alone. The little Newfoundland town that she calls home no longer feels like the place Gail wants to be. Not only is she an outcast, but Gail soon discovers she and her unborn child are in danger. Without Billy, she's a scared single mom with little hope in sight. That's when she meets handsome businessman Greg Cornick. Greg is a millionaire who's tired of casual flings. After a whirlwind romance, he and Gail marry, but their lives are thrown into chaos when someone from Gail's past returns, seeking revenge. Their relationship faces further challenges as sordid details emerge about Greg causing a rift between the couple, until the pain of a miscarriage reunites them. Gail must decide if she can forgive an injustice and prompt her broken heart to heal.

Book by Book Michael Dirda 2007-04-01 A Pulitzer Prize-winning critic's often surprising meditation on those places where life and books intersect and what might be learned from both. Once out of school, most of us read for pleasure. Yet there is another equally important, though often overlooked, reason that we read: to learn how to live. Though books have always been understood as life-teachers, the exact way in which they instruct, cajole, and convince remains a subject of some mystery. Drawing on sources as diverse as Dr. Seuss and Simone Weil, P. G. Wodehouse and Isaiah Berlin, Pulitzer prize-winning critic Michael Dirda shows how the wit, wisdom, and enchantment of the written word can inform and enrich nearly every aspect of life, from education and work to love and death. Organized by significant life events and abounding with quotations from great writers and thinkers, *Book by Book* showcases Dirda's considerable knowledge, which he wears lightly. Favoring showing rather than telling, Dirda draws the reader deeper into the classics, as well as lesser-known works of literature, history, and philosophy,

always with an eye to what is relevant to how we might better understand our lives.

**Understanding Society through Popular Music** Joseph A. Kotarba 2017-08-30 Written for Introductory Sociology and Sociology of Popular Music courses, this book uses popular music to illustrate fundamental social institutions, theories, sociological concepts, and processes. The authors use music, a social phenomenon of great interest, to draw students in and bring life to their study of social life.

**Music of the Fourth of July** James R. Heintze 2009-08-03 In this, the first comprehensive study of the music of the Fourth of July, information on notable Independence Day compositions and performances is presented chronologically from 1777 through 2008. The book demonstrates the remarkable significance of music in Fourth of July celebrations. Noteworthy topics and occasions include music at the White House; music by immigrant and ethnic groups; dedications of statues and monuments; symphonies and philharmonic orchestras; the centennial and bicentennial; world's fairs; music in prisons, circuses, and amusement parks; and many others.

Sweet Anticipation David Huron 2008-01-25 The psychological theory of expectation that David Huron proposes in *Sweet Anticipation* grew out of the author's experimental efforts to understand how music evokes emotions. These efforts evolved into a general theory of expectation that will prove informative to readers interested in cognitive science and evolutionary psychology as well as those interested in music. The book describes a set of psychological mechanisms and illustrates how these mechanisms work in the case of music. All examples of notated music can be heard on the Web. Huron proposes that emotions evoked by expectation involve five functionally distinct response systems: reaction responses (which engage defensive reflexes); tension responses (where uncertainty leads to stress); prediction responses (which reward accurate prediction); imagination responses (which facilitate deferred gratification); and appraisal responses (which occur after conscious thought is engaged). For real-world events, these five response systems typically produce a complex mixture of feelings. The book identifies some of the aesthetic possibilities afforded by expectation, and shows how common musical devices (such as syncopation, cadence, meter, tonality, and climax) exploit the psychological opportunities. The theory also provides new insights into the physiological psychology of awe, laughter, and spine-tingling chills. Huron traces the psychology of expectations from the patterns of the physical/cultural world through imperfectly learned heuristics used to predict that world to the phenomenal qualia we experienced as we apprehend the world.

**Bridge of Waves** W. A. Mathieu 2010-12-14 Music is, in one sense, merely a series of fleeting vibrations that arise and subside. How could it be that something so insubstantial fills us, and calms us, and makes us weep? Because, says W. A. Mathieu, music bridges mind and heart, self and other, and affirms our place in the world. Everyone uses the bridge of music, from casual listeners to devoted professionals. Mathieu's delightful and trenchant prose asks you to question what music is, how it works, and how to understand its value in your life, in the life of your community, and in the evolution of the cosmos.

**Performance in America** David Román 2005-11-02 Performance in America demonstrates the vital importance of the performing arts to contemporary U.S. culture. Looking at a series of specific performances mounted between 1994 and 2004, well-known performance studies scholar David Román challenges the belief that theatre, dance, and live music are marginal art forms in the United States. He describes the crucial role that the performing arts play in local, regional, and national communities, emphasizing the power of live performance, particularly its immediacy and capacity to create a dialogue between artists and audiences. Román draws attention to the ways that the performing arts provide unique perspectives on many of the most pressing concerns within American studies: questions about history and politics, citizenship and society, and culture and nation. The performances that Román analyzes range from localized community-based arts events to full-scale Broadway productions and from the controversial works of established artists such as Tony Kushner to those of emerging artists. Román considers dances produced by the choreographers Bill T. Jones and Neil Greenberg in the mid-1990s as new aids treatments became available and the aids crisis was reconfigured; a production of the Asian American playwright Chay Yew's *A Beautiful Country* in a high-school auditorium in Los Angeles's Chinatown; and Latino performer John Leguizamo's one-man Broadway show *Freak*. He examines the revival of theatrical legacies by female impersonators and the resurgence of cabaret in New York City. Román also looks at how the performing arts have responded to 9/11, the U.S. invasion of Afghanistan, and the second war in Iraq. Including more than eighty illustrations, *Performance in America* highlights the dynamic relationships among performance, history, and contemporary culture through which the past is revisited and the future reimagined.

Fake Fiancée After losing her parents, American artist Elena set out on a trip around the world. Now, in the sultry heat of the Middle East, she's having a hard time imagining returning to real life back home. But with half of her vacation still ahead of her, she and her friend are packed and ready to move onto their next destination... when a chance encounter changes everything. A dark, handsome stranger with a devilish grin catches Elena's eye, but how could she know that an innocent favor is about to change her life forever? Sheikh Asim always relies on his intuition...with business and with women. Along with his brothers, he works hard to keep their company profitable, but he prefers to live in the moment. With pressure mounting from his mother to settle down and marry a family friend, Asim needs an escape. He's enchanted by the beguiling American beauty he sees at the café, and she couldn't have come along at a better time. But when he asks her to be his fake fiancée, he never could have known she would change his life forever. The two waste no time coming together, but when the spontaneity wears off and Elena learns of an unexpected complication, will Asim be ready to face the future? Book Two: The Sheikh's Pregnant Fling Matchmaker Cassandra is a pro at finding her clients that perfect person—but unfortunately her talent doesn't extend to her own love life. She's too busy for romance, and she's guarded her heart ever since her parents' nasty divorce. So a man like Nasir seems the perfect choice for a casual fling—handsome, successful, and not interested in a relationship. But things get complicated quickly when Cassandra realizes not only that Nasir is her new client...but that she's pregnant with his child. Nasir has always been a dutiful son. Like his brothers, he gives his all to the family business, which leaves little time for love. His mother, though, is eager for her sons to settle down. When she drags him to a matchmaker, Nasir can hardly believe that Cassandra is the woman hired to find him a wife. After the unforgettable night of passion they shared, Nasir isn't sure how to react. But Cassandra seems determined to keep things professional, and before Nasir knows it, she's arranged his first date. Nasir is soon caught up in business and blind dates, and yet he can't get Cassandra off his mind. Although Cassandra is convinced she's not the woman he wants, Nasir has other ideas. But with a baby on the way and pressure mounting from Nasir's mother, will her fear of repeating the past stand in the way of a perfect future? Book Three: The Sheikh's Surprise Triplets Juliette's life is work—she's ruthless, determined, and has built a reputation for helping difficult CEOs achieve their maximum potential. When she's scouted by the royal Azhar family to assist the head of their tech division, Sheikh Basri Azhar, she's eager for the challenge. The company is at a critical juncture, and it will be up to Juliette to keep the brash, young CEO on track. Shouldn't be a problem—until Juliette meets Basri. He's handsome, charismatic, and much harder to manage than she could have imagined. But Juliette won't back down. She's never met a boss she couldn't tame. Basri's new assistant is like a force of nature. She's beautiful, intelligent, and disciplined...and Basri has to constantly remind himself to keep it professional. But after weeks of Juliette trying to bend him to her will, Basri decides he has other plans...

*Tablature* Bruce Whiteman 2015-01-15 From the "rubble [that] is the order of the day" in the opening poem to the longing for a "radiant happy ending" in the book's final line, *Tablature* is a book of poems that traverses a great swath of the heart's experience in compelling and lucid poetic language. Bruce Whiteman's first book of poems in traditional lined form in thirty years is by turns learned and allusive, and emotionally expressive and despairing. These poems engage three large and powerful subjects: the landscapes we see and abide in, music that is comforting and a guide to hearing the poem's compulsions, and love - erotic, domestic, and enduring. Whiteman is keenly observant of the natural world of birds and trees, of rocks and water, alive to the pressures and hurts of daily life, and above all to the ways in which music rescues us from dependency and pulls us back from a "cultivated hysteria." If there is an "intimate / apocalypse," there is also "radiant hope." The poems in *Tablature* capture readers with their singular music and their bright and unblinking takes on the quotidian challenges of living a life. These are poems of a highly tuned sensibility matched by a sweetness of language.
