Meet Me in the Bathroom Lizzy Goodman 2017-05-23 Named a Best Book of 2017 by NPR and GQ Joining the ranks of the classics *Please Kill Me*, *Our Band Could Be Your Life*, and *Can't Stop Won't Stop*, an intriguing oral history of the post-9/11 decline of the old-guard music industry and rebirth of the New York rock scene, led by a group of iconoclastic rock bands. In the second half of the twentieth-century New York was the source of new sounds, including the Greenwich Village folk scene, punk and new wave, and hip-hop. But as the end of the millennium neared, cutting-edge bands began emerging from Seattle, Austin, and London, pushing New York further from the epicenter. The behemoth music industry, too, found itself in free fall, under siege from technology. Then 9/11/2001 plunged the country into a state of uncertainty and war—and a dozen New York City bands that had been honing their sound and style in relative obscurity suddenly became symbols of glamour for a young, web-savvy, forward-looking generation in need of an anthem. *Meet Me in the Bathroom* charts the transformation of the New York music scene in the first decade of the 2000s, the bands behind it—including The Strokes, The Yeah Yeah Yeahs, LCD Soundsystem, Interpol, and Vampire Weekend—and the cultural forces that shaped it, from the Internet to a booming real estate market that forced artists out of the Lower East Side to Williamsburg. Drawing on 200 original interviews with James Murphy, Julian Casablancas, Karen O, Ezra Koenig, and many others musicians, artists, journalists, bloggers, photographers, managers, music executives, groupies, models, movie stars, and DJs who lived through this explosive time, journalist Lizzy Goodman offers a fascinating portrait of a time and a place that gave birth to a new era in modern rock-and-roll.

Anything But Khamosh: The Shatrughan Sinha Biography Bharathi S. Pradhan 2016
About the Book Every success story has its price to pay. So did Shatrughan Sinha (SS) who achieved the impossible twice over. The youngest and the most pampered in a family of academics and doctors where four sons were named after the four brothers of the Ramayan,

SS stood out defiantly different. He was born for applause and the limelight; he was besotted with Raj Kapoor and cinema. In the face of stiff opposition from disciplinarian father Bhuvaneshwar Prasad Sinha, mother Shyama Devi's chhutki bauwa (little darling) set out for the Film Institute of India (now FTII) in Poona. Bombay was the next logical destination. Without Kapoorian good looks or any connection with the Hindi film industry, the unknown scarface from Patna went on to create history on celluloid. In politics too, with no known surname or family to power his entry, he set a record as the first film star from India to be sworn-in as a Cabinet Minister. Quotes Anything But Khamosh: The Shatrughan Sinha Biography, is a rivetingly honest read that retraces the hurrahs and heartaches of India's most popular Bihari Babu. "Do not attempt to change him. Of the 1.25 crore people of India, he stands out as unique" - Amitabh Bachchan, superstar, Hindi cinema "They used to call me the Shatrughan Sinha of the South" - Rajinikanth, superstar, Tamil Nadu "I became an actor because of Shatrughan Sinha" - Chiranjeevi, superstar & Congress-I leader, Andhra Pradesh "Ours is an Eklavya-Dronacharya story. He is my guru" - Ambareesh, superstar & Minister for Housing, Karnataka "A person who joined the Jan Sangh or the BJP when it was in the Opposition, had to be gutsy. Shatrughan is" - LK Advani, Senior Leader, BJP "I would give him sanyam ki salaah (advice on patience)" - Sushma Swaraj, Minister for External Affairs "I find there's no chaploosi (sycophancy) in him. Our doors are open 24/7 to him" - Lalu Prasad Yadav, Leader, RJD "If the Bihari Babu is hurt, the whole of Bihar is hurt" - Nitish Kumar, Chief Minister, Bihar "If we had Shatrusaab on our side, we wouldn't need anybody else on our team" - Nawaz Sharif, Prime Minister, Pakistan About the Author Renowned columnist, critic and author Bharathi S Pradhan has written both fiction and non-fiction. Mr Bidi - the life story of an industrialist; Heartfelt: The inspirational story of Medha Jalota; Colas, Cars & Communal Harmony on secularism and Valentine Lover, an adult novel, are some of her well-received books. Animal Biography André Krebber 2018-10-19 While historiography is dominated by attempts that try to standardize and de-individualize the behavior of animals, history proves to be littered with records of the exceptional lives of unusual animals. This book introduces animal biography as an approach to the re-framing of animals as both objects of knowledge as well as subjects of individual lives. Taking an interdisciplinary perspective and bringing together scholars from, among others, literary, historical and cultural studies, the texts collected in this volume seek to refine animal biography as a research method and framework to studying, capturing, representing and acknowledging animal others as individuals. From Heini Hediger's biting monitor, Hachikō and Murr to celluloid ape Caesar and the mourning of Topsy's gruesome death, the authors discuss how animal biographies are discovered and explored through connections with humans that can be traced in archives, ethological fieldwork and novels, and probe the means of constructing animal biographies from taxidermy to film, literature and social media. Thus, they invite deeper conversations with socio-political and cultural contexts that allow animal biographies to provide narratives that reach beyond individual life stories, while experimenting with particular forms of animal biographies that might trigger animal activism and concerns for animal well-being, spur historical interest and

enrich the literary imagination.

Bollywood Horrors Ellen Goldberg 2020-11-12 *Bollywood Horrors* is a wide-ranging collection that examines the religious aspects of horror imagery, representations of real-life horror in the movies, and the ways in which Hindi films have projected cinematic fears onto the screen. Part one, "Material Cultures and Prehistories of Horror in South Asia" looks at horror movie posters and song booklets and the surprising role of religion in the importation of Gothic tropes into Indian films, told through the little-known story of Sir Devendra Prasad Varma. Part two, "Cinematic Horror, Iconography and Aesthetics" examines the stereotype of the tantric magician found in Indian literature beginning in the medieval period, cinematic representations of the myth of the fearsome goddess Durga's slaying of the Buffalo Demon, and the influence of epic mythology and Hollywood thrillers on the 2002 film *Raaz*. The final part, "Cultural Horror," analyzes elements of horror in Indian cinema's depiction of human trafficking, shifting gender roles, the rape-revenge cycle, and communal violence.

What the Body Remembers Shauna Singh Baldwin 2015-06-30 Introducing an eloquent, sensual new Canadian voice that rings out in a first novel that is exquisitely rich and stunningly original. Roop is a sixteen-year-old village girl in the Punjab region of undivided India in 1937 whose family is respectable but poor -- her father is deep in debt and her mother

is dead. Innocent and lovely, yet afraid she may not marry well, she is elated when she learns she is to become the second wife of a wealthy Sikh landowner, Sardarji, whose first wife, Satya, has failed to bear him any children. Roop trusts that the strong-willed Satya will treat her as a sister, but their relationship becomes far more ominous and complicated than expected. Roop's tale draws the reader immediately into her world, making the exotic familiar and the family's story startlingly universal, but *What the Body Remembers* is also very much Satya's story. She is mortified and angry when Sardarji takes Roop for a wife, a woman whose low status Satya takes as an affront to her position, and she adopts desperate measures to maintain her place in society and in her husband's heart. Yet it is also Sardarji's story, as the India he knows and understands -- the temples, cities, villages and countryside, all so vividly evoked -- begins to change. The escalating tensions in his personal life reflect those between Hindu and Muslim that lead to the cleaving of India and trap the Sikhs in a horrifying middle ground. Deeply imbued with the languages, customs and layered history of colonial India, *What the Body Remembers* is an absolute triumph of storytelling. Never before has a novel of love and partition been told from the point of view of the Sikh minority, never before through Sikh women's eyes. This is a novel to read, treasure and admire that, like its two compelling heroines, resists all efforts to be put aside.

Karachi, You're Killing Me! Saba Imtiaz 2014-02-24 Ayesha is a twenty-something reporter in one of the world's most dangerous cities. Her assignments range from showing up at bomb sites and picking her way through scattered body parts to interviewing her boss's niece, the couture-cupcake designer. In between dicing with death and absurdity, Ayesha despairs over the likelihood of ever meeting a nice guy, someone like her old friend Saad, whose shoulder she cries on after every romantic misadventure. Her choices seem limited to narcissistic, adrenaline-chasing reporters who'll do anything to get their next story—to the spoilt offspring of the Karachi elite who'll do anything to cure their boredom. Her most pressing problem, however, is how to straighten her hair during the chronic power outages. *Karachi, You're Killing Me!* is Bridget Jones's *Diary* meets *The Diary of a Social Butterfly*—a comedy of manners in a city with none.

Standing on an Apple Box Aishwaryaa Rajinikanth Dhanush 2016-12-10 Director, dancer, goodwill advocate for the United Nations: Aishwaryaa Rajinikanth Dhanush is so much more than the daughter of a legendary actor, or the wife of southern cinema's biggest star. Growing up in Bangalore and then Madras, in a household that resolutely kept out any hint of her father's superstardom, she was a quiet, introverted child whose greatest pleasure was a visit to Marina Beach and an occasional meal out. It was not cinema but law that became a preoccupation when she started thinking about college and career - but fate, and her mother, had other plans for her. Aishwaryaa writes with disarming honesty about life as Rajinikanth's daughter, of falling in love and raising two boys with Dhanush, of fighting her own demons and finding satisfaction in a career of her choice. She reflects on the many roles a woman has to juggle at home and outside - in her case, under the watchful gaze of cameras and celebrity-watchers. Intensely personal, but also inspirational, Aishwaryaa's memoir is an unusually frank insight into growing up in cinema-land. A playful meditation on the joys and difficulties of being a woman in this age, *Standing on an Apple Box* is as much a celebration of individual fulfilment as it is of family.

Battle Hymn of a Bewildered Mother Shunali Khullar Shroff 2015-03-15 As much with life, parenting in the new millennium does not come with an instruction manual. If you happen to be a girl about town, a super successful career woman, a must-live-each-day-as-it-comes kind of person, impending motherhood can be as imposing as a trip to outer space without an oxygen mask. Welcome to the opposite of everything you know. Shunali Khullar Shroff in *Battle Hymn of a Bewildered Mother* begins her journey as someone chronically devoid of what is naturally termed as the maternal instinct. But in spite of her misgivings, she eventually realizes there is nothing else she'd rather be doing than burping her babies while avoiding all traces of tranquilizers. This brilliant, whimsical, bumpy tale of everyday madness has a voice of a mother both honest and hilarious. From exchanging her corporate suits for mess-retardant mommy wear, from balancing work clients to battling two girls' questions and demands, this book is a journey of a mother constantly walking on thin ice over the Bermuda Triangle. Based on the principles of lunacy and humour, Shunali Khullar Shroff reveals the realities of a parent in today's ultramodern, supersonic, and chaotic world.

The Front Row Anupama Chopra 2015-01-03 Anupama Chopra's *The Front Row* hosted some of the biggest names from Bollywood, Hollywood and world cinema. There were candid,

intelligent discussions on stardom, craft, fame, relationships, work-life balance and much more. The Front Row broke the mould of the celebrity chat show, reflecting instead the thoughtful, straight-talking nature of the host herself. It brought to bear on the conversations Chopra's own deep understanding of cinema and of the world behind it. This book is a selection of the very best of The Front Row. From Salman Khan to Madhuri Dixit, Priyanka Chopra to Nicole Kidman, Raju Hirani to Rohit Shetty, they are all here. The insightful discussions range from the Rs 100-crore club, supporting actors and villains in Hindi cinema, to the making of some of the most celebrated movies in recent times. While Ang Lee talks about surrendering to the movie god, Amitabh Bachchan discusses what it is like to be called God. If Aamir Khan owns up to how Satyamev Jayate changed him as a person, Shah Rukh Khan talks about what it is like to be 'just an employee of the Shah Rukh Khan myth'. Johnny Depp reacts to Tim Burton's verse about him - 'There was a young man, people thought he was handsome, so he tied up his face and held it to ransom' - Martin Scorsese wrestles with the question of how a film-maker can combine artistic integrity with commercial success, and Spielberg acknowledges how he 'wouldn't know how to make a Martin Scorsese movie' and how that makes him sad. Engaging, penetrating and great fun, The Front Row: Conversations on Cinema is essential reading for all movie buffs.
