must be backed by existing professional societies with ties to related academic disciplines. Established journals of legitimate academic societies (such as AJCEH and the ASH) with a credible editorial board and peer review process currently possess a potential competitive advantage in the open access publishing environment.

UNIT 7 INLAND COMMERCE Inland Commerce*

7.1 INTRODUCTION In order to determine the economic growth of any pre-colonial society, we cannot use the indices of today ¹. The rate of population growth, based on the extent of cultivation and per-capita land revenue, is considered as a good measure for determining the economic growth for these societies (Moosvi, 1993: 406). One of the major ...
