A Companion to Golden Age Theatre Jonathan Thacker 2007 Spain's artistic Golden Age produced Cervantes's great novel, Don Quijote, the sublime poetry of Quevedo and Góngora, and nurtured the prodigious talent of Velázquez, and yet it was the theatre that captured the imagination of its people. Men and women of all social classes flocked to the new playhouses to see and hear the latest offerings of their favourite dramatists, and to be seen and heard. As well as dealing with the lives and major works of the most significant playwrights of the period - Lope de Vega, Tirso de Molina, Miguel de Cervantes, Calderón de la Barca - the Companion focusses on other aspects of the growth and maturing of Golden Age theatre, reflecting the interests and priorities of modern scholarship. These include: the sixteenth-century origins of the comedia nueva; the lesser-known dramatists, including women playwrights; life in the theatre; the Corpus Christi street theatre and minor genres; performance studies; and the critical reception of the drama. The Companion also contains a guide to comedia versification, a full bibliography and advice on further reading. JONATHAN THACKER is a Fellow of Merton College, Oxford.

Inspector Ali Driss Chraïbi 1994 "After many years abroad, the narrator, Brahim, with his much beloved Scottish wife and two very peppy boys, returns to his home village, El Jadida, in Morocco. Having invented an alter-ego, Inspector Ali, now becoming an incubus, he finds himself "adrift" if "world famous" as the author of the too scrutable, but very Sherlockian sleuth, with great solutions to crimes to his credit." "Then arrive Jock and Susan, his wife's parents from Scotland, loaded down with golf clubs and nervous expectations of a mysterious land." "Islam, bankers, a statuesque cook-maid, bureaucrats, students, bakers, butchers, aging Mercedes taxi drivers, nostalgia, writers bloc, all invade and saturate this volume, crosscutting into the narrative."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. Dialogues between Media Paul Ferstl 2021-01-18 Comparative Literature is changing fast with methodologies, topics, and research interests emerging and reemerging. The fifth volume of ICLA 2016 proceedings, *Dialogues between Media*, focuses on the current interest in inter-arts studies, as well as papers on comics studies, further testimony to the fact that comics have truly arrived in mainstream academic discourse. "Adaptation" is a key term for the studies presented in this volume; various articles discuss the adaptation of literary source texts in different target media - cinematic versions, comics adaptations, TV series, theatre, and opera. Essays on the interplay of media beyond adaptation further show many of the strands that are woven into dialogues between media, and thus the expanding range of comparative literature.

Die Fieberkurve Friedrich Glauser 2017-12-17 Wenn der Ermittler in einem erstmals 1937/38 erschienenen Schweizer Krimi kiffen darf und diese neue Erfahrung begeistert mit einem "cheibe suberisch es gsy" kommentiert -- dann kann nur Friedrich Glauser der Autor sein...In der "Fieberkurve" geht es nicht nur die Aufklärung zweier aktueller und eines lange vergangenen ungeklärten Todesfalles -- es geht auch um Studers Jugendträume, die er nun, gerade eben Großvater geworden, von einer anderen Seite sieht: Ein Teil der Handlung spielt im Maghreb, bei der Fremdenlegion. Und es geht um arme Teufel, die das Schicksal über Gebühr gebeutelt hat.Zunächst aber beginnt alles in Paris, wo Studer ein eigenartiger Geistlicher, ein "pore blanc" vorgestellt wird, dem in einem Fremdenlegion-Posten vom "Hellseherkorporal" zwei Morde prophezeit worden waren. Studer lernt bald auch Marie Cleman kennen, ein "suubers Meitschi", das seine väterlichen Gefühle weckt -- aber auch sie ist in den Fall verwickelt. Und er findet heraus, dass es um viel Geld geht -- und darum, dass längst nicht alle Beteiligten das sind, das sie scheinen -- oder doch? Vieles spielt außerdem noch mit hinein, z.B. innerschweizerische Animositäten und der französische Geheimdienst -- eine etwas wirre Geschichte, zugegeben, die aber doch völlig logisch endet. Man merkt allerdings, dass der Roman erstmals in Fortsetzungen erschienen ist.

Ways of Going Home Alejandro Zambra 2013-01-08 Alejandro Zambra's *Ways of Going Home* begins with an earthquake, seen through the eyes of an unnamed nine-year-old boy who lives in an undistinguished middleclass housing development in a suburb of Santiago, Chile. When the neighbors camp out overnight, the protagonist gets his first glimpse of Claudia, an older girl who asks him to spy on her uncle Raúl. In the second section, the protagonist is the writer of the story begun in the first section. His father is a man of few words who claims to be apolitical but who quietly sympathized—to what degree, the author isn't sure—with the Pinochet regime. His reflections on the progress of the novel and on his own life—which is strikingly similar to the life of his novel's protagonist—expose the raw suture of fiction and reality. *Ways of Going Home* switches between author and character, past and present, reflecting with melancholy and rage on the history of a nation and on a generation born too late—the generation which, as the author-narrator puts it, learned to read and write while their parents became accomplices or victims. It is the most personal novel to date from Zambra, the most important Chilean author since Roberto Bolaño.

An Outlaw and a Lady Jessi Colter 2017-04-11 Renowned songwriter, singer, and wife of Waylon Jennings writes an intimate, enormously entertaining memoir of American music, of life with Waylon and the Outlaws, and of faith lost and found. The daughter of a Pentecostal evangelist and a race-car driver, Jessi Colter played piano and sang in church before leaving Arizona to tour with rock-n-roll pioneer Duane Eddy, whom she married. Colter became a successful recording artist, appearing on American Bandstand and befriending stars such as the Everly Brothers and Chet Atkins, while her songs were recorded by Nancy Sinatra, Dottie West, and others. Her marriage to Eddy didn't last, however, and in 1969 she married the electrifying Waylon Jennings. Together, they made their home in Nashville which, in the 1970s, was ground zero for roots music, drawing Bob Dylan, Johnny Cash, Willie Nelson, Kris Kristofferson, Shel Silverstein, and others to the Nashville Sound. And Jessi was at the center of it all, the only woman on the landmark Wanted: The Outlaws album, the record that launched the Outlaw Country genre and was the first country album to go platinum. She also tasted personal commercial success with the #1-single "I'm Not Lisa." But offstage, life was a challenge, as Waylon pursued his addictions and battled his demons. Having drifted from the church as a young woman, Jessi returned to her faith and found in it a source of strength in the turmoil of living with Waylon. In the 1980s, Waylon helped launch the super group The Highwaymen with Willie Nelson, Johnny Cash, and Kris Kristofferson, and the hits kept rolling, as did Waylon's reckless living. Amid it all, Jessi faithfully prayed for her husband until finally, at Thanksgiving 2001, Waylon found Jesus, just months before he died. *An Outlaw and a Lady* is a powerful story of American music, of love in the midst of heartache, and of faith that sustains.

In Praise of Antiheroes Victor Brombert 2001-11 In an age of upheaval and challenged faith, traditional heroes are hard to come by, and harder still to love, with their bloodstained hands and backs unbowed by the consequences of their actions. Through penetrating readings of key works of modern European literature, Victor Brombert shows how a new kind of hero—the antihero—has arisen to replace the toppled heroic model. Though they fail, by design, to live up to conventional expectations of mythic heroes, antiheroes are not necessarily "failures." They display different kinds of courage more in tune with our time and our needs: deficiency translated into strength, failure experienced as honesty, dignity achieved through humiliation. Brombert explores these paradoxes in the works of Büchner, Gogol, Dostoevsky, Flaubert, Svevo, Hašek, Frisch, Camus, and Levi. Coming from diverse cultural and linguistic traditions, these writers all use the figure of the antihero to question handed-down assumptions, to reexamine moral categories, and to raise issues of survival and renewal embodying the spirit of an uneasy age.

Opening and Closing Klapp 1978-09-29 In this original application of information theory to social analysis, Orrin Klapp examines how and why societies are producing more stress than they ever can handle. He argues that the reduction of 'social noise', the chaos from which we try to construct meaning is a major goal of individuals and groups alike. Individuals, groups, even entire societies normally cycle rhythmically between two basic modes of adaptation to the constant communication flow: opening, or scanning for desired information; and closing, or defending against noise. For example, in a society functioning in the opening mode, movements like ecumenicism and expansionism achieve momentum. Extreme reactions in either mode lead to an opposite swing, according to Professor Klapp's model. His wide-ranging conceptual scheme incorporates hypotheses about the variety and redundancy of information, as well as about human channel capacities and the need for homeostatis. His research reveals intriguing relationships among such phenomena as the concern about industrial population and the search for ethnic roots.

The Naked Eye Yoko Tawada 2009-05-26 "Tawada's slender accounts of alienation achieve a remarkable potency."—Michael Porter, *The New York Times* A precocious Vietnamese high school student — known as the pupil with "the iron blouse"—in Ho Chi Minh City is invited to an International Youth Conference in East Berlin. But, in East Berlin, as she is preparing to present her paper in Russian on "Vietnam as a Victim of American Imperialism," she is abruptly kidnapped and taken to a small town in West Germany. After a strange spell of domestic-sexual boredom with her lover-abductor—and though "the Berlin Wall was said to be more difficult to break through than the Great Wall of China" — she escapes on a train to Moscow . . . but mistakenly arrives in Paris. Alone, broke, and in a completely foreign land, Anh (her false name) loses herself in the films of Catherine Deneuve as her real adventures begin. Dreamy, meditative, and filled with the gritty everyday perils of a person living somewhere without papers (at one point Anh is subjected to some vampire-like skin experiments), *The Naked Eye* is a novel that is as surprising as it is delightful—each of the thirteen chapters titled after and framed by one of Deneuve's films. "As far as I was concerned," the narrator says while watching Deneuve on the screen, "the only woman in the world was you, and so I did not exist." By the time 1989 comes along and the Iron Curtain falls, story and viewer have morphed into the dislocating beauty of both dancer and dance.

Shakespeare Peter Ackroyd 2010-04-21 A TIMES LITERARY SUPPLEMENT BEST BOOK OF THE YEAR Drawing on an exceptional combination of skills as literary biographer, novelist, and chronicler of London history, Peter Ackroyd surely re-creates the world that shaped Shakespeare--and brings the playwright himself into unusually vivid focus. With characteristic narrative panache, Ackroyd immerses us in sixteenth-century Stratford and the rural landscape--the industry, the animals, even the flowers--that would appear in Shakespeare's plays. He takes us through Shakespeare's London neighborhood and the fertile, competitive theater world where he worked as actor and writer. He shows us Shakespeare as a businessman, and as a constant reviser of his writing. In joining these intimate details with profound intuitions about the playwright and his work, Ackroyd has produced an altogether engaging masterpiece.

Other Russias Victoria Lomasko 2017-06-15 From a renowned graphic artist and activist, an incredible portrait of life in Russia today 'Victoria Lomasko's gritty, street-level view of the great Russian people masterfully intertwines quiet desperation with open defiance. Her drawings have an on-the-spot immediacy that I envy. She is one of the brave ones' - Joe Sacco, author of *Palestine* What does it mean to live in Russia today? What is it like to grow up in a forgotten city, to be a migrant worker or to grow old and seek solace in the Orthodox church? For the past eight years, graphic artist and activist Victoria Lomasko has been travelling around Russia and talking to people as she draws their stories. She spent time in dying villages where schoolteachers outnumber students; she stayed with sex workers in the city of Nizhny Novgorod; she went to juvenile prisons and spoke to kids who have no contact with the outside world; and she attended every major political rally in Moscow. The result is an extraordinary

portrait of Russia in the Putin years -- a country full of people who have been left behind, many of whom are determined to fight for their rights and for progress against impossible odds. Empathetic, honest, funny, and often devastating, Lomasko's portraits show us a side of Russia that is hardly ever seen.

The Narratology of Comic Art Kai Mikkonen 2017-05-08 By placing comics in a lively dialogue with contemporary narrative theory, *The Narratology of Comic Art* builds a systematic theory of narrative comics, going beyond the typical focus on the Anglophone tradition. This involves not just the exploration of those properties in comics that can be meaningfully investigated with existing narrative theory, but an interpretive study of the potential in narratological concepts and analytical procedures that has hitherto been overlooked. This research monograph is, then, not an application of narratology in the medium and art of comics, but a revision of narratological concepts and approaches through the study of narrative comics. Thus, while narratology is brought to bear on comics, equally comics are brought to bear on narratology.

Escape from Syria Samya Kullab 2020-08 "Groundbreaking and unforgettable." --Kirkus (starred review) "This is a powerful, eye-opening graphic novel that will foster empathy and understanding in readers of all ages." --The Globe and Mail "In league with Art Spiegelman's *Maus* and Marjane Satrapi's *Persepolis*, this is a must-purchase for any teen or adult graphic novel collection." --School Library Journal (starred review) From the pen of former Daily Star (Lebanon) reporter Samya Kullab comes this breathtaking and hard-hitting story of one family's struggle to survive in the face of war, displacement, poverty and relocation. *Escape from Syria* is a fictionalized account that calls on real-life circumstances and true tales of refugee families to serve as a microcosm of the Syrian uprising and the war and refugee crisis that followed. More than 22,000 copies of the book have sold to date and sadly there is no end in sight for the catastrophe in Syria. Knowing a personal story from behind the news helps young people to understand. The story spans six years in the lives of Walid, his wife Dalia, and their two children, Amina and Youssef. Forced to flee from Syria, they become asylum-seekers in Lebanon, and finally resettled refugees in the West. It is a story that has been replayed thousands of times by other families. When the family home in Aleppo is destroyed by a government-led bomb strike, Walid has no choice but to take his wife and children and flee their war-torn and much loved homeland. They struggle to survive in the wretched refugee camps of Lebanon, and when Youssef becomes very ill as a result of the poor hygienic conditions, his father is forced to take great personal risk to save his family. Walid's daughter, the young Amina, a whip-smart grade-A student, tells the story. As she witnesses firsthand the harsh realities that her family must endure if they are to survive -- swindling smugglers, treacherous ocean crossings, and jihadist militias -- she is forced to grow up very quickly in order to help her parents and brother. Kullab's narrative masterfully maps both the collapse and destruction of Syria, and the real-life tragedies faced by its citizens still today. The family's escape from their homeland makes for a harrowing tale, but with their safe arrival in the West it serves as a hopeful endnote to this ongoing worldwide crisis. Beautiful illustrations by Jackie Roche -- whose work on the viral web-comic, *Syria's Climate Conflict*, was seen prominently in *Symboliamag.com*, *Upworthy.com* and *Motherjones.com*, among others -- bring Kullab's words to life in stunning imagery that captures both the horror of war and the dignity of human will.

Academic Discourse Gabriella Del Lungo Camiciotti 2004 Papers presented at a conference held June 14-16, 2003, in Pontignano, Siena.

Franz Kafka's The Trial Paul M. Malone 2003 "The low critical opinion of dramatic adaptations of prose works makes clear that the dramatic text is widely seen as unable to compete with the narrative text that it adapts. Privileging the text of a play as the site of meaning is inadequate, however, given the

social nature of theatre; rather, the socio-historical context of a production must be investigated to flesh out the meaning of the text in dramatic production. In this study, four theatrical adaptations of Franz Kafka's novel *The Trial* (1925) from different decades and countries, and in three different languages, illustrate a history not only of Kafka reception, but also of society, politics and theatrical practice in western Europe and Canada. The diversity of these visions of Kafka's work pleads for the acceptance of dramatic adaptation as a creative form of interpretation, rather than as an ill-advised misappropriation, of its source."

Monsieur Linh and His Child Philippe Claudel 2014-08-12 Traumatized by memories of his war-ravaged country, and with his son and daughter-in-law dead, Monsieur Linh travels to a foreign land to bring the child in his arms to safety. The other refugees in the detention center are unsure how to help the old man; his caseworkers are compassionate, but overworked. Monsieur Linh struggles beneath the weight of his sorrow, and becomes increasingly bewildered and isolated in this unfamiliar, fast-moving town. And then he encounters Monsieur Bark. They do not speak each other's language, but Monsieur Bark is sympathetic to the foreigner's need to care for the child. Recently widowed and equally alone, he is eager to talk, and Monsieur Linh knows how to listen. The two men share their solitude, and find friendship in an unlikely dialogue between two very different cultures. *Monsieur Linh and His Child* is a remarkable novel with an extraordinary twist, a subtle portrait of friendship and a dialogue between two cultures.

Letters of a Peruvian Woman Françoise de Graffigny 2009-01-08 'It has taken me a long time, my dearest Aza, to fathom the cause of that contempt in which women are held in this country ...' Zilia, an Inca Virgin of the Sun, is captured by the Spanish conquistadores and brutally separated from her lover, Aza. She is rescued and taken to France by Déterville, a nobleman, who is soon captivated by her. One of the most popular novels of the eighteenth century, the *Letters of a Peruvian Woman* recounts Zilia's feelings on her separation from both her lover and her culture, and her experience of a new and alien society. Françoise de Graffigny's bold and innovative novel clearly appealed to the contemporary taste for the exotic and the timeless appetite for love stories. But by fusing sentimental fiction and social commentary, she also created a new kind of heroine, defined by her intellect as much as her feelings. The novel's controversial ending calls into question traditional assumptions about the role of women both in fiction and society, and about what constitutes 'civilization'. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

The Third Reich Roberto Bolaño 2011-11-22 On vacation with his girlfriend, Ingeborg, the German war games champion Udo Berger returns to a small town on the Costa Brava where he spent the summers of his childhood. Soon they meet another vacationing German couple, Charly and Hanna, who introduce them to a band of locals—the Wolf, the Lamb, and El Quemado—and to the darker side of life in a resort town. Late one night, Charly disappears without a trace, and Udo's well-ordered life is thrown into upheaval; while Ingeborg and Hanna return to their lives in Germany, he refuses to leave the hotel. Soon he and El Quemado are enmeshed in a round of *Third Reich*, Udo's favorite World War II strategy game, and Udo discovers that the game's consequences may be all too real. Written in 1989 and found among Roberto Bolaño's papers after his death, *The Third Reich* is a stunning exploration of

memory and violence. Reading this quick, visceral novel, we see a world-class writer coming into his own—and exploring for the first time the themes that would define his masterpieces *The Savage Detectives* and *2666*.

Comics and Adaptation Benoit Mitaine 2018-08-15 Contributions by Jan Baetens, Alain Boillat, Philippe Bourdier, Laura Cecilia Caraballo, Thomas Faye, Pierre Floquet, Jean-Paul Gabilliet, Christophe Gelly, Nicolas Labarre, Benoît Mitaine, David Roche, Isabelle Schmitt-Pitiot, Dick Tomasovic, and Shannon Wells-Lassagne Both comics studies and adaptation studies have grown separately over the past twenty years. Yet there are few in-depth studies of comic books and adaptations together. Available for the first time in English, this collection pores over the phenomenon of comic books and adaptation, sifting through comics as both sources and results of adaptation. Essays shed light on the many ways adaptation studies inform research on comic books and content adapted from them. Contributors concentrate on fidelity to the source materials, comparative analysis, forms of media, adaptation and myth, adaptation and intertextuality, as well as adaptation and ideology. After an introduction that assesses adaptation studies as a framework, the book examines comics adaptations of literary texts as more than just illustrations of their sources. Essayists then focus on adaptations of comics, often from a transmedia perspective. Case studies analyze both famous and lesser-known American, Belgian, French, Italian, and Spanish comics. Essays investigate specific works, such as Robert Louis Stevenson's *The Strange Case of Dr. Jekyll and Mr. Hyde*, the Castilian epic poem *Poema de Mio Cid*, Ray Bradbury's *Martian Chronicles*, French comics artist Jacques Tardi's adaptation *120, rue de la Gare*, and Frank Miller's *Sin City*. In addition to Marvel Comics' blockbusters, topics include various uses of adaptation, comic book adaptations of literary texts, narrative deconstruction of performance and comic book art, and many more.

Discourses on Nations and Identities Daniel Syrový 2021-01-18 The third volume of the collected papers of the ICLA congress "The Many Languages of Comparative Literature" includes contributions that focus on the interplay between concepts of nation, national languages, and individual as well as collective identities. Because all literary communication happens within different kinds of power structures - linguistic, economic, political -, it often results in fascinating forms of hybridity. In the first of four thematic chapters, the papers investigate some of the ways in which discourses can establish modes of thinking, or how discourses are in turn controlled by active linguistic interventions, whether in the context of the patriarchy, war, colonialism, or political factions. The second thematic block is predominantly concerned with hybridity as an aspect of modern cultural identity, and the cultural and

linguistic dimensions of domestic life and in society at large. Closely related, a third series of papers focuses on writers and texts analysed from the vantage points of exile and exophony, as well as theoretical contributions to issues of terminology and what it means to talk about transcultural phenomena. Finally, a group of papers sheds light on more overtly violent power structures, mechanisms of exclusion, Totalitarianism, torture, and censorship, but also resistance to these forms of oppression. In addition to these chapters, the volume also collects a number of thematically related group sections from the ICLA congress, preserving their original context.
