*Shop Cats of New York* Tamar Arslanian 2016-11-01 Humans of New York meets The French Cat in this carefully cultivated, gorgeous full-color collection featuring New York’s iconic felines and the stories behind them. They inhabit New York City’s most legendary and coziest spots—the Algonquin Hotel, a whiskey distillery, Bleecker Street Records, and a host of yoga studios, bodegas, bookstores, and bike shops in between. True New Yorkers—masters of people watching—they perch on wine crates, piles of books, and a classic hotel countertop, taking in the activity around them. Depending on their mood, these cats will ignore enthusiastic admirers, offer a few delightful purrs, or occasionally even take a swipe. Some even find a mouse or two to chase. *Shop Cats of New York* introduces forty of New York’s favorite felines—all who have an extraordinary story to tell. Popular cat blogger Tamar Arslanian and Instagram pet photographer Andrew Marttila capture these deeply loved and well cared for animals in their city habitat and reveal how they came to reign over their urban kingdoms. A celebration of some of the city’s most revered citizens and a unique look at New York life, this enchanting illustrated volume is a must for every cat lover, and every Big Apple devotee.

**Why Cats are Assholes** Liz Miele 2021-03-30 Most people love cats. They're fluffy, playful, and can be a joy to have as a companion. However, they can also be huge assholes. So what can you do? How do you deal with a roommate who always seems to be plotting to kill you? While we all love sharing adorable photos of kittens, these frisky felines are known more for marching to the beat of their own drum than abiding by the rules. From running around your home at two in the morning, knocking everything off your shelves, or taking up most of your bed, these furry critters can be immensely selfish and disrespectful to those who give them endless love and affection. *Why Cats Are Assholes* is up for such a challenge. From studying their history all the way back to ancient Egypt, comedian Liz Miele—the daughter of veterinarians—digests the cat psyche to try and understand why they do the things they do, and how we, as their loyal servants, can handle domestic bliss with them around. With the help of her cat Pasta, Miele breaks down the common behaviors of cats in an attempt to try and better understand their plan of attack (if there is one), as well as what we can do to better prepare ourselves. Whether you have one, two, or twelve fur babies, *Why Cats Are Assholes* is the ultimate guide to better understanding your pet's behavior while taking back your home from these domesticated terrorists.
