Star Wars: Leia, Princess of Alderaan Claudia Gray 2017-09-01 Explore the beginning of Leia's participation in the Rebellion and the origin of her friendship with Amilyn Holdo from The Last Jedi! Sixteen-year-old Princess Leia Organa faces the most challenging task of her life so far: proving herself in the areas of body, mind, and heart to be formally named heir to the throne of Alderaan. She's taking rigorous survival courses, practicing politics, and spearheading relief missions to worlds under Imperial control. But Leia has worries beyond her claim to the crown. Her parents, Brea and Bail, aren't acting like themselves lately; they are distant and preoccupied, seemingly more concerned with throwing dinner parties for their allies in the Senate than they are with their own daughter. Determined to uncover her parents' secrets, Leia starts down an increasingly dangerous path that puts her right under the watchful eye of the Empire. And when Leia discovers what her parents and their allies are planning behind closed doors, she finds herself facing what seems like an impossible choice: dedicate herself to the people of Alderaan (including the man she loves) or to the galaxy at large, which is in desperate need of a rebel hero...

Star Wars: Galaxy's Edge: A Crash of Fate Zoraida Cordova 2019-08-06 A YA novel filled with adventure and romance set in the world of Galaxy's Edge, the Star Wars-themed land coming to Disneyland and Walt Disney World in 2019. Izzy and Jules were childhood friends, climbing the spires of Batuu, inventing silly games, and dreaming of adventures they would share one day. Then, Izzy's family left abruptly, without even a chance to say goodbye. Izzy's life became one of constant motion, traveling from one world to the next, until her parents were killed and she became a low-level smuggler to make ends meet. Jules remained on Batuu, eventually becoming a farmer like his father, but always yearning for something more. Now, thirteen years after she left, Izzy is returning to Batuu. She's been hired to deliver a mysterious parcel, and she just wants to finish the job and get gone. But upon arrival at Black Spire Outpost she runs smack into the one person who still means something to her after all this time: Jules. The attraction between them is immediate, yet despite Jules seeming to be everything she's ever needed, Izzy hesitates. How can she drag this good-hearted man into the perilous life she's chosen? Jules has been trying to figure out his future, but now all he knows for certain is that he wants to be with Izzy. How can he convince her to take a chance on someone who's never left the safety of his homeworld? When Izzy's job goes wrong, the two childhood friends find themselves on the run. And all their secrets will be revealed as they fight to stay alive...

Translation Practices 2009-01-01 This cutting-edge collection, born of a belief

in the value of approaching 'translation' in a wide range of ways, contains essays of interest to students and scholars of translation, literary and textual studies. It provides insights into the relations between translation and comparative literature, contrastive linguistics, cultural studies, painting and other media. Subjects and authors discussed include: the translator as 'go-between'; the textual editor as translator; Ghirri's photography and Celati's fiction; the European lending library; La Bible d'Amiens; the coining of Italian phraseological units; Michèle Roberts's Impossible Saints; the impact of modern translations for stage on perceptions of ancient Greek drama; and the translation of slang, intensifiers, characterisation, desire, the self, and America in 1990s Italian fiction. The collection closes with David Platzer's discussion of translating Dacia Maraini's poetry into English and with his new translations of 'Ho Sognato una Stazione' ('I Dreamed of a Station') and 'Le Tue Bugie' ('Your Lies').

The Heart Beats on the Left Oskar LaFontaine 2000-10-23 This is the English-language edition of what has become one of the most controversial books in German politics today. Oskar Lafontaine was the leader of Germany's Social Democratic party and finance minister in Gerhard Schröder's government until he

suddenly resigned in March 1999. Lafontaine's left-wing commitments brought him into conflict with Schröder's endorsement of third way politics and with his attempt to remodel the SDP along the lines of Tony Blair's New Labour. *The Heart Beats on the Left* is the inside story of why Lafontaine broke with the SDP and Schröder's government, and why he believed that the social and political costs of Schröder's third way politics were too high. It is a merciless settling of scores in which the policies of Schröder and his government are subjected to scathing criticism. But it is also the most sustained criticism of third way politics from a prominent political figure who stands on the left. A bestseller in Germany and already translated into many languages, this book is bound to be widely reviewed in English and to become a focal point for political debate about social democracy and its future.

Why Worry about Future Generations? Samuel Scheffler 2018 Why should we care what happens to future generations? Samuel Scheffler argues that we are more invested in the fate of our descendants than we may realize. Implicit in our own attachments are powerful reasons for wanting the chain of human generations to persist into the indefinite future under conditions conducive to human flourishing.

Falling for the Playboy Kennedy Fox 2018-11-09 Never trust a man who gets paid to take off his clothes for a living and then uses it as a pick-up line to get girls in bed with him. That should've been enough for me to call in sick that day. I've worked with male cover models like him before and they're all the same-smooth-talking, sexy as sin, egotistical know-it-alls who think they're God's gift to women-all traits I know to steer clear of. Assisting authors comes with many perks-reading on the job, using my organizing skills on a daily basis, drinking coffee by the gallons-but Maverick Kingston barges into my life and demands more than I can handle. When we're forced to road trip across the country together, he pushes every boundary I have and rearranges my thoughts on playing it safe. And when he "accidentally" drops his towel, he makes it very clear what he's offering and proves he's packing more than abs of steel under his clothes. Working with him was brutal, but falling for him was unexpected. And playing by the rules will be impossible. This is a complete STANDALONE novel - filled with plenty of humor, steam, & romance! 18 & up only due to explicit sexual content, language, and adult content.

Star Wars: the High Republic Adventures, Vol. 1 Daniel Jose Older 2021-11-09 Two hundred years before the events of the Skywalker Saga, the galaxy is experiencing unparalleled peace--until a new enemy threatens everything the

Jedi have built. In the days of the High Republic, the Jedi are at the height of their power. But the emergence of the piratical, anarchic Nihil proves that even the most successful peace is fragile, and the Jedi's influence is neither as pervasive nor as benevolent as they would believe. Now Lula, Farzal, and Qort, inexperienced Jedi Padawans, must help the inhabitants of Trymant IV in the wake of a Nihil attack. All the while, they'll face suspicion and outright opposition from a group of subversive citizens who resent and fear the Jedi. Two of those citizens, Zeen and Kriz, will have to decide whether to accept the Padawans' aid or try to save the day on their own. *Star Wars: The High Republic Adventures* is part of a broader publishing initiative exploring a mysterious, bygone era of the Galactic Republic through comics and prose. Collects *Star Wars: The High Republic Adventures* issues #1-5.

Integrated approaches to health Simon R. Rüegg 2018-09-10 One Health addresses health challenges arising from the intertwined spheres of humans, animals and ecosystems. This handbook is the product of an interdisciplinary effort to provide science-based guidance for the evaluation of One Health and other integrated approaches to health. It guides the reader through a systems approach and framework to evaluate such approaches in a standardised way. It provides an overview of concepts and metrics from health and life sciences, social sciences, economics, and ecology that are relevant for the evaluation of the processes involved, as well as the characterisation of expected and unexpected outcomes of One Health initiatives. Finally, the handbook provides

guidance and practical protocols to help plan and implement evaluations in order to generate new insights and provide meaningful information about the value of One Health. The handbook is intended for practitioners, researchers, evaluators as well as funders of integrated approaches to health and beyond.
