Stay Alive, My Son Pin Yathay 1988-10-15 On April 17, 1975, the Khmer Rouge entered Phnom Penh to open a new and appalling chapter in the story of the twentieth century. On that day, Pin Yathay was a qualified engineer in the Ministry of Public Works. Successful and highly educated, he had been critical of the corrupt Lon Nol regime and hoped that the Khmer Rouge would be the patriotic saviors of Cambodia.

In *Stay Alive, My Son*, Pin Yathay provides an unforgettable testament of the horror that ensued and a gripping account of personal courage, sacrifice and survival. Documenting the 27 months from the arrival of the Khmer Rouge in Phnom Penh to his escape into Thailand, Pin Yathay is a powerful and haunting memoir of Cambodia's killing fields. With seventeen members of his family, Pin Yathay were evacuated by the Khmer Rouge from Phnom Penh, taking with them whatever they might need for the three days before they would be allowed to return to their home. Instead, they were moved on from camp to camp, their possessions confiscated or abandoned. As days became weeks and weeks became months, they became the "New People," displaced urban dwellers compelled to live and work as peasants, their days were filled with forced manual labor and their survival dependent on ever more meager communal rations. The body count mounted, first as malnutrition bred rampant disease and then as the Khmer Rouge singled out the dissidents for sudden death in the darkness. Eventually, Pin Yathay's family was reduced to just himself, his wife, and their one remaining son, Nawath. Wracked with pain and disease, robbed of all they had owned, living on the very edge of dying, they faced a future of escalating horror. With Nawath too ill to travel, Pin Yathay and his wife, Any, had to make the heart-breaking decision whether to leave him to the care of a Cambodian hospital in order to make a desperate break for freedom. "Stay alive, my son," he tells Nawath before embarking on a nightmarish escape to the Thai border. First published in 1987, the Cornell edition of *Stay Alive, My Son* includes an updated preface and epilogue by Pin Yathay and a new foreword by David Chandler, a world-renowned historian of Cambodia, who attests to the continuing value and urgency of Pin Yathay's message.

Fear and What Follows Tim Parrish 2014-07-17 *Fear and What Follows* is a riveting, unflinching account of the author's spiral into racist violence during the latter years of desegregation in 1960s and 1970s Baton Rouge. About the memoir, author and editor Michael Griffith writes, "This might be a controversial book, in the best way—controversial because it speaks to real and intractable problems and speaks to them with rare bluntness." The narrative of Parrish's descent into fear and irrational behavior begins with bigotry and apocalyptic thinking in his Southern Baptist church. Living a life upon this volatile foundation of prejudice and apprehension, Parrish feels destabilized by his brother going to Vietnam, his own puberty and restlessness, serious family illness, and economic uncertainty. Then a near-fatal street fight and subsequent stalking by an older sociopath fracture what security is left, leaving him terrified and seemingly helpless. Parrish comes to believe that he can only be safe by allying himself with brute force. This brute influence is a vicious, charismatic racist. Under this bigot's terrible sway, Parrish turns to violence in the street and at school. He is even conflicted about whether he will help commit murder in order to avenge a friend. At seventeen he must reckon with all of this as his parents and neighbors grow increasingly afraid that they are "losing" their neighborhood to African Americans. *Fear and What Follows* is an unparalleled story of the complex roots of southern, urban, working-class racism and white flight, as well as a story of family, love, and the possibility of redemption.

Stolen Child - The Beginning Adele DeGirolamo 2015-09-08 The Fey worlds are very much alive among us, even though we may have forgotten their existence, and know very little about them. This is the journey, of one of those distant homeworlds, which the fey have inhabited since the dawn of time and begins to tell the tale one thousand years after King Balor tried to eliminate the offspring of his daughter Eithne, simply because it was scribed he would die at the hands of one of them. It tells the tale through their Shadow Scrolls; starting with the Shapeshifter Sibrey, as she flees from the Dragonlord sent to

retrieve her, and comes in contact with the Goddesses, Witches, Selkies, Elementals, Dark-Sidhe, and one determined Wood Sprite that simply annoys everyone, as she flees for her life and they rush to save her from her destiny and the Sling that hunts her. The epic saga is the first of many novels about the Tuatha De`Danann's army of Aelves, while the Author weaves a tale of fantasy and mythology that will draw you in, making you remember the tale of the evil King and the repercussions that have been left on this planet in the wake of his demise. This is book-one, of the three novels that belong to Stolen Child's original manuscript, and will be joined by two more to complete the tale in its entirety.

People of Virtue Alexandra Kent 2008 Much attention has been given to the killing fields' of Cambodia, Far less to how the country can recover and heal itself after such an experience. Crucial to this process has been the formation of a new moral order in Cambodia and hence the revival of religion in the country. Certainly the regeneration of the ritual life of a community may offer ways for people to formulate and relate to their collective stories through symbolism that recalls a shared cultural origin. However, this process requires that the representatives of religion and of morality do have credibility and moral authority,

something that may be called into question by their past and present involvement in hegemonic political and secular affairs.

Music of the Ghosts Vaddey Ratner 2017-04-11 This “novel of extraordinary humanity” (Madeleine Thien, author of *Do Not Say We Have Nothing*) from New York Times bestselling author Vaddey Ratner reveals “the endless ways that families can be forged and broken hearts held” (Chicago Tribune) as a young woman begins an odyssey to discover the truth about her missing father. Leaving the safety of America, Teera returns to Cambodia for the first time since her harrowing escape as a child refugee. She carries a letter from a man who mysteriously signs himself as “the Old Musician” and claims to have known her father in the Khmer Rouge prison where he disappeared twenty-five years ago. In Phnom Penh, Teera finds a society still in turmoil, where perpetrators and survivors of unfathomable violence live side by side, striving to mend their still beloved country. She meets a young doctor who begins to open her heart, confronts her long-buried memories, and prepares to learn her father’s fate. Meanwhile, the Old Musician, who earns his modest keep playing ceremonial music at a temple, awaits Teera’s visit. He will have to confess the bonds he shared with her parents, the passion with which they all embraced the Khmer Rouge’s illusory promise of a democratic society, and the truth about her father’s end. A love story for things lost and restored, a lyrical hymn to the power of forgiveness, *Music of the Ghosts* is a “sensitive portrait of the inheritance of survival” (USA TODAY) and a journey through the embattled geography of the heart where love can be reborn.

Joe DiMaggio Richard Ben Cramer 2013-01-22 Joe DiMaggio was, at every turn, one man we could look at who made us feel good. In the hard-knuckled thirties, he was the immigrant boy who made it big—and spurred the New York Yankees to a new era of dynasty. He was Broadway Joe, the icon of elegance, the man who wooed and won Marilyn Monroe—the most beautiful girl America could dream up. Joe DiMaggio

was a mirror of our best self. And he was also the loneliest hero we ever had. In this groundbreaking biography, Pulitzer Prize-winning journalist Richard Ben Cramer presents a shocking portrait of a complicated, enigmatic life. The story that DiMaggio never wanted told, tells of his grace—and greed; his dignity, pride—and hidden shame. It is a story that sweeps through the twentieth century, bringing to light not just America's national game, but the birth (and the price) of modern national celebrity.

Asian American Fiction, History and Life Writing Helena Grice 2012-11-12 The last ten years have witnessed an enormous growth in American interest in Asia and Asian/American history. In particular, a set of key Asian historical moments have recently become the subject of intense American cultural scrutiny, namely China's Cultural Revolution and its aftermath; the Korean American war and its legacy; the era of Japanese geisha culture and its subsequent decline; and China's one-child policy and the rise of transracial, international adoption in its wake. Grice examines and accounts for this cultural and literary preoccupation, exploring the corresponding historical-political situations that have both circumscribed and enabled greater cultural and political contact between Asia and America.

Staying Alive: A Love Story Laura B. Hayden 2011-06-20 Staying Alive: A Love Story is a story of hope and renewal that centers on a woman's search for meaning after the untimely death of her 49-year-old husband. Coupled with other experiences of loss in her life she is determined to, with her children, persevere. Like Annie Dillard, Hayden draws on the rhythms and rituals of the natural world to explore her

Brooklyn roots and New England adulthood. Wild creatures and domesticated critters, seashores and hillsides proffer comfort and understanding as she comes to realize that “no more than a hairline and no less than an eternity” separate her from the man she loved. Even with the wear and tear her faith endures, it rarely diminishes. Her purpose – to usher her two grieving children through a difficult adolescence to a well-adjusted adulthood – resonates through her own struggles. With the precise objectivity reminiscent of Joan Didion’s *The Year of Magical Thinking* and Joyce Carol Oates’ *A Widow’s Story*, Hayden recounts the day her husband died and the rituals and obsessions of the bereaved. Forced to look at death straight in the eye, the author stares back, wide-eyed, without blinking through her tears. Hayden also manages to be seriously droll – in an Anne Lamott way. Never is her humor more honed than in the portrayal of her deceased spouse, whose devotion, antics, and wisdom remain ever-present to those who are staying alive without him. His death becomes not only the family’s heartbreak, but the loss of a well-executed life for all who knew him or will get to know him through these essays. Whether Laura Hayden’s writing deals with herself, her children, or her cadre of loved ones, it is clear that she, her daughter, and her son emerge from their tragic loss survivors, not victims of Larry’s death, an outcome of which he would be very pleased. In a culture of intentionally exposed and celebrated self-victimization, the story of this family may be considered a quiet triumph.

Spilling the Beans in Chicanolandia Frederick Luis Aldama 2010-01-01 Since the 1980s, a prolific "second wave" of Chicano/a writers and artists has tremendously expanded the range of genres and subject matter in Chicano/a literature and art. Building on the pioneering work of their predecessors, whose artistic creations were often tied to political activism and the civil rights struggle, today's Chicano/a writers and artists feel free to focus as much on the aesthetic quality of their work as on its social content. They use novels, short stories, poetry, drama, documentary films, and comic books to shape the raw materials of life into art objects that cause us to participate empathetically in an increasingly complex Chicano/a identity and experience. This book presents far-ranging interviews with twenty-one "second wave" Chicano/a poets, fiction writers, dramatists, documentary filmmakers, and playwrights. Some are mainstream, widely recognized creators, while others work from the margins because of their sexual orientations or their controversial positions. Frederick Luis Aldama draws out the artists and authors on both the aesthetic and the sociopolitical concerns that animate their work. Their conversations delve into such areas as how the artists' or writers' life experiences have molded their work, why they choose to work in certain genres and how they have transformed them, what it means to be Chicano/a in today's pluralistic society, and how Chicano/a identity influences and is influenced by contact with ethnic and racial identities from around the world.

Letters to Peter Donald E. Mayer 2010-02-01 "Dad. I've got very, very, very bad news. Peter was killed tonight . . ." With that middle-of-the-night phone call, life for the Mayer family plunged from "best-ever year" to months and years of dealing with the oppressive presence of Peter's unending absence. A letter from his father to the freshly deceased Peter, intended for the memorial service, became the first in a torrent of letters from his dad to Peter, through which his dad poured out agonized and angry grief. In the letters, Peter's dad laments the way events otherwise beautiful for Peter's wife, five-year-old daughter, and the rest of the family are relentlessly punctuated with the pain of the loss. "Dammit, Peter, why didn't you . . .?" Ultimately, slowly, the letters begin to reflect on the strange mystery of healing. How is it that in spite of the pain, in spite of the unending loss, comfort does come, opening the way once again for unbelievably deep joy? "It was all so rich and beautiful that with a certain private touch, and exchange of glance, your mom and I signaled an agreement . . . slipped to our cave . . . with playful freedom and deep gratitude." So for Peter's dad, the confirmation of the odd observation from Jesus: "How blessed are those who grieve!"
