Shantaram Gregory David Roberts 2004-10-13 Based on his own extraordinary life, Gregory David Roberts' Shantaram is a mesmerizing novel about a man on the run who becomes entangled within the underworld of contemporary Bombay—the basis for the Apple + TV series starring Charlie Hunnam. “It took me a long time and most of the world to learn what I know about love and fate and the choices we make, but the heart of it came to me in an instant, while I was chained to a wall and being tortured.” An escaped convict with a false passport, Lin flees maximum security prison in Australia for the teeming streets of Bombay, where he can disappear. Accompanied by his guide and faithful friend, Prabaker, the two enter the city's hidden society of beggars and gangsters, prostitutes and holy men, soldiers and actors, and Indians and exiles from other countries, who seek in this remarkable place what they cannot find elsewhere. As a hunted man without a home, family, or identity, Lin searches for love and meaning while running a clinic in one of the city's poorest slums, and serving his apprenticeship in the dark arts of the Bombay mafia. The search leads him to war, prison torture, murder, and a series of enigmatic and bloody betrayals. The keys to unlock the mysteries and intrigues that bind Lin are held by two people. The first is Khader Khan: mafia godfather, criminal-philosopher-saint, and mentor to Lin in the underworld of the Golden City. The second is Karla: elusive, dangerous, and beautiful, whose passions are driven by secrets that torment her and yet give her a terrible power. Burning slums and five-star hotels, romantic love and prison agonies, criminal wars and Bollywood films, spiritual gurus and mujaheddin guerrillas—this huge novel has the world of human experience in its reach, and a passionate love for India at its heart.

How to Stop Time Matt Haig 2018-02-06 From the New York Times bestselling author of The Midnight Library. "A quirky romcom dusted with philosophical observations...A delightfully witty...poignant novel." –The Washington Post "She smiled a soft, troubled smile and I felt the whole world slipping away, and I wanted to slip with it, to go wherever she was going... I had existed whole years without her, but that was all it had been. An existence. A book with no words." Tom Hazard has just moved back to London, his old home, to settle down and become a high school history teacher. And on his first day at school, he meets a captivating French teacher at his school who seems fascinated by him. But Tom has a dangerous secret. He may look like an ordinary 41-year-old, but owing to a rare condition, he's been alive for centuries. Tom has lived history-- performing with Shakespeare, exploring the high seas with Captain Cook, and sharing cocktails with Fitzgerald. Now, he just wants an ordinary life. Unfortunately for Tom, the Albatross Society, the secretive group which protects people like Tom, has one rule: Never fall in love. As painful memories of his past and the erratic behavior of the Society's watchful leader threaten to derail his new life and romance, the one thing he can't have just happens to be the one thing that might save him. Tom will have to decide once and for all whether to remain stuck in the past, or finally begin living in the present. How to Stop Time tells a love story across the ages—and for the ages—about a man lost in time, the woman who could save him, and the lifetimes it can take to learn how to live. It is a bighearted, wildly original novel about losing and finding yourself, the inevitability of change, and how with enough time to learn, we just might find happiness. Soon to be a major motion picture starring Benedict Cumberbatch.

Grace: a Love Story Portia Bates 2015-12-20 "For me, grace is the gift of the opportunity to live when I should have died." Words from *Grace: A Love Story* and part of Portia Bates' message to the world as she spells out her philosophy about God's presence in our lives and what true grace means. Though meant as a companion text for her stirring memoir, *God Is Not Pixie Dust*, *Grace: A Love Story* stands on its own as Portia intimately describes the exacting nature of God's course-plotting in her life and provides a model for others to dissect their own stories, revealing their own personal tailor-made path of grace in the "all is lost" moments. Portia wrote this work of spiritual self-help for people who have survived the darkness and yet still cringe in the light. Her hope is that her words can help others gain the courage to step out into the sunshine. Most importantly, her work is a discussion of the intimacy of God's deep love for us, even in our frail and flawed humanness. *Grace: A Love Story* provides an intriguing conversation with Portia as she encourages us all to unapologetically pursue our own emotional and spiritual peace.

And he's always near. Telling her what to do. Making her feel hotter than any future brother-in-law should. Elena may be the Sweet Abelli on the outside, but she's beginning to learn she has a taste for the darkness, for rough hands, cigarettes, and whiskey-colored eyes. Attached Amir Levine 2012-01-05 "Over a decade after its publication, one book on dating has people firmly in its grip." –The New York Times We already rely on science to tell us what to eat, when to exercise, and how long to sleep. Why not use science to help us improve our relationships? In this revolutionary book, psychiatrist and neuroscientist Dr. Amir Levine and Rachel Heller scientifically explain why some people seem to navigate relationships effortlessly, while others struggle. Discover how an understanding of adult attachment—the most advanced relationship science in existence today—can help us find and sustain love. Pioneered by psychologist John Bowlby in the 1950s, the field of attachment posits that each of us behaves in relationships in one of three distinct ways:

- Anxious people are often preoccupied with their relationships and tend to worry about their partner's ability to love them back
- Avoidant people equate intimacy with a loss of independence and constantly try to minimize closeness.
- Secure people feel comfortable with intimacy and are usually warm and loving.

Attached guides readers in determining what attachment style they and their mate (or potential mate) follow, offering a road map for building stronger, more fulfilling connections with the people

they love.

L'Energie d'aimer Marc Belhassen 2019-04-17 Le couple est en crise, et la société avec lui. À quoi assiste-t-on aujourd'hui, si ce n'est à un profond dérèglement des relations entre l'homme et la femme et, a fortiori, des relations amoureuses ? Le constat est sans appel : le délitement de l'amour et du désir est la principale cause de l'échec des couples. Et les raisons sont multiples : perte du sens de l'engagement, avènement de l'ère numérique et de ses loisirs multiples, femmes « libérées » des hommes, monotonie ou atonie conjugale qui s'installe... Avons-nous encore la force d'aimer ? Dans *L'Énergie d'aimer*, Marc Belhassen offre un éclairage incisif sur la vie de couple. Il nous ouvre les yeux sur l'investissement permanent que nécessite la vie à deux et donne des pistes de réflexion et d'évolution constructive pour maintenir amour et désir dans le couple. C'est aussi un livre propice au questionnement individuel, car vivre à deux en s'épanouissant personnellement et dans l'union amoureuse est possible, en prenant soin de soi et de l'autre.

Park Avenue Prince Louise Bay 2017 THE PRINCE OF PARK AVENUE FINALLY MEETS HIS MATCH IN A FEISTY MANHATTAN PRINCESS. I've made every one of my billions of dollars myself--I'm calculating, astute and the best at what I do. It takes drive and dedication to build what I have. And it leaves no time for love or girlfriends or relationships. But don't get me wrong, I'm not a monk. I understand the attention and focus it takes to seduce a beautiful woman. They're the same skills I use to close business deals. But one night is where it begins and ends. I'm not the guy who sends flowers. I'm not the guy who calls the next day. Or so I thought before an impatient, smart-talking, beyond beautiful heiress bursts into my world. When Grace Astor rolls her eyes at me-- I want to hold her against me and show her what she's been missing. When she makes a joke at my expense--I want to silence her sassy mouth with my tongue. And when she leaves straight after we f*ck with barely a goodbye--it makes me want to pin her down and remind her of the three orgasms she just had. Dazzling, charming, mysterious, impossible Jane. Jane with her rough edges and swoopy hair and soft smile, showing up in a leather jacket to save August's day when she needed it most. Ugly Love Colleen Hoover 2014-08-05 From Colleen Hoover, the #1 New York Times bestselling author of *It Ends With Us*, a heart-wrenching love story that proves attraction at first sight can be messy. When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated. Promises get broken. Rules get shattered. Love gets ugly.
