The Dog and the Dolphin James Dworkin 2014-06-30 "A very lonely dog. A very playful dolphin. Can the two come together on a beautiful beach and find a way to have fun from land to sea? The Dog and the Dolphin offers children from prekindergarten through third grade an inspired look at finding new friends that is certain to tickle their fancy while it captures their imagination. When a red Irish Setter strikes up a friendship with a dolphin in the water, they both have a memorable time. Kids will, too, as they play along with the dog and the dolphin, and learn a valuable lesson, too!"--Back cover.

Joone Emily Kate Moon 2013-06-13 Joone likes the color orange, ice-cream sandwiches, and playing outside. She lives in a yurt with her grandfather and her pet turtle, Dr. Chin, who rides around on her hat. Grandpa teaches Joone something new every day. Sometimes Joone teaches him something new, too, like how to make a daisy chain. Together they enjoy life's small joys—sunsets, tree houses, and most of all, each other. Emily Kate Moon's debut picture book is a charming tribute to the outdoors and a tender portrait of a grandfather and granddaughter's loving relationship. Fans of Ladybug Girl, Freckleface Strawberry, and even Dora the Explorer will fall in love with this independent, free-spirited little girl.

3 Willows Ann Brashares 2009-01-13 In this follow-up novel to the #1 New York Times bestselling Sisterhood of the Traveling Pants series, it's time to discover a new sisterhood. A story of growing up, friendship, and understanding yourself, about three girls enjoying one last summer before high school. summer is a time to grow seeds Polly has an idea that she can't stop thinking about, one that involves changing a few things about herself. She's setting her sights on a more glamorous life, but it's going to take all of her focus. At least that way she won't have to watch her friends moving so far ahead. roots Jo is spending the summer at her family's beach house, working as a busgirl and bonding with the older, cooler girls she'll see at

high school come September. She didn't count on a brief fling with a cute boy changing her entire summer. Or feeling embarrassed by her middle school friends. And she didn't count on her family at all. . . leaves Ama is not an outdoorsy girl. She wanted to be at an academic camp, doing research in an air-conditioned library, earning A's. Instead her summer scholarship lands her on a wilderness trip full of flirting teenagers, blisters, impossible hiking trails, and a sad lack of hair products. "Brashares gets her characters' emotions and interactions just right." --Publishers Weekly "Like the previous Pants books, this one will travel from girl to girl." --Kirkus Reviews

Goodnight Princess Michelle Robinson 2013-07-04 The perfect bedtime book from Nick East and Michelle Robinson - Goodnight Princess As a little girl says goodnight to her dressing up clothes and dolls she is transformed into a princess in a magical realm. A beautiful rhyming text is accompanied by atmospheric illustrations which will delight and soothe all little girls as they snuggle up in bed. A follow-up to the wonderful Goodnight Tractor and Goodnight Digger, this is the perfect bedtime book. Michelle Robinson has always wanted to be an author like her hero Roald Dahl, but all they had in common was the same birthday and a love of chocolate. Now at last, Michelle is a real author too. She lives in Frome, Somerset with her husband, son and daughter. Visit her at www.michellerobinson.co.uk. Nick East has been working as a museum designer for the past 16 years but has always been a storyteller, whether as a child, filling sketchbooks with quirky characters, or as a designer displaying a collection of ancient artifacts. Nick lives near York with his wife and two children and, when he isn't drawing, he is out riding bikes and spending time with his family.

Bread Toast Crumbs Alexandra Stafford 2017-04-04 With praise from Dorie Greenspan, Jim Lahey, and David Lebovitz, the definitive bread-baking book for a new generation. But this book isn't just about baking bread-- it's about what to do with the slices and heels and nubs from those many loaves you'll bake. Alexandra Stafford grew up eating her mother's peasant bread at nearly every meal—the recipe for which was a closely-guarded family secret. When her blog, Alexandra's Kitchen, began to grow in popularity, readers started asking how to make the bread they'd heard so much about; the bread they had seen peeking into photos. Finally, Alexandra's mother relented, and the recipe went up on the internet. It has since inspired many who had deemed bread-baking an impossibility to give it a try, and their results have exceeded expectations. The secret is in its simplicity: the no-knead dough comes together in fewer than five minutes, rises in an hour, and after a second short rise, bakes in buttered bowls. After you master the famous peasant bread, you'll work your way through its

many variations, both in flavor (Cornmeal, Jalapeno, and Jack; Three Seed) and form (Cranberry Walnut Dinner Rolls; Cinnamon Sugar Monkey Bread). You'll enjoy bread's usual utilities with Food Cart Grilled Cheese and the Summer Tartine with Burrata and Avocado, but then you'll discover its true versatility when you use it to sop up Mussels with Shallot and White Wine or juicy Roast Chicken Legs. Finally, you'll find ways to savor every last bite, from Panzanella Salad Three Ways to Roasted Tomato Soup to No-Bake Chocolate-Coconut Cookies. Bread, Toast, Crumbs is a 2018 nominee for The IACP Julia Child First Book Award, and Alexandra's Kitchen was a finalist for the Saveur Blog Awards Most Inspired Weeknight Dinners 2016

Wilderness Essays John Muir 2020-07-28 Part of John Muir's appeal to modern readers is that he not only explored the American West and wrote about its beauties but also fought for their preservation. His successes dot the landscape and are evident in all the natural features that bear his name: forests, lakes, trails, and glaciers. Here collected are some of Muir's finest wilderness essays, ranging in subject matter from Alaska to Yellowstone, from Oregon to the High Sierra. This book is part of a series that celebrates the tradition of literary naturalists—writers who embrace the natural world as the setting for some of our most euphoric and serious experiences. These books map the intimate connections between the human and the natural world. Literary naturalists transcend political boundaries, social concerns, and historical milieus; they speak for what Henry Beston called the “other nations” of the planet. Their message acquires more weight and urgency as wild places become increasingly scarce.

Journey of the Sea Glass Nicole Fazio 2021-04-16 What happens to glass between the time it falls into the sea and it washes up on the beach years later? This wordless story flows along one possible course of events, following a soda bottle dropped overboard from a ship early in the twentieth century, only to have a fragment of it discovered on a beach by a young girl decades later. Over time, the bottle has been influenced by waves, currents, the sea floor, and sea creatures, all pictured in lush full-color renderings by artist Nicole Fazio. Fully immersed in the art, children and adults alike can trace the passage of time through the Journey of the Sea Glass.

Mumbo Gumbo Murder Laura Childs 2020-08-25 A shocking murder strikes a sour note during Jazz Fest in the latest New Orleans Scrapbooking Mystery from New York Times bestselling author Laura Childs. It's Jazz Fest in New Orleans, and the giant puppets from the Beastmaster Puppet Theatre are parading through the French Quarter. Some are very spooky and veiled, others are tall and gangly, like strange aliens. As the parade proceeds, Carmela Bertrand and her best friend, Ava, follow behind, down Royal Street and past the food booths. Suddenly, they hear a terrible crash from Devon Dowling's antiques shop. They rush inside to find Devon collapsed with blood streaming down the side of his face. Has he been shot? Stabbed? 911 is hastily called, and the police and EMTs show up. After the police examine Devon's body, they tell Carmela and Ava that their friend was murdered with an icepick. They're shocked beyond belief—and now Mimi, Devon's little pug, is left homeless. Carmela and Ava are determined to catch the murderer, but the list of suspects is long. How long do they have before they find themselves on the killer's list?

Hello Ocean Pam Muñoz Ryan 2001-02-01 Dive into this playful poem about the draw of the shore and the effect the ocean has on all five senses. Relive a day at the beach with this lovely book of memories. You can almost feel the salt spray on your face and smell the musky scent of ocean in the cool morning air. Remember how the sand squishes between your toes as the

tide rushes to shore and taste the tang of the ocean on your lips. Spirited language evokes a sense of closeness and nostalgia for an old friend. The inspiration of the ocean will make learning the five senses as easy as a day at the beach. Crisp, realistic illustrations fill the pages with the rush of surf and the warmth of sun-baked sand. The sights and smells and sensations of the sea become vividly clear in these beautifully rendered paintings.

Last Call for the Church Patricia C. Mcglennon 2016-02-10 There is a power shift coming, and a pivotal turning point in human history is on the horizon. Radical Islamic terrorism and the possibility of a nuclear war have overwhelmed the entire world. The safety net that once protected us has been broken. Prophetic events are speeding up! The global upheaval the world is currently witnessing is only the beginning of unimaginable chaos. Last Call for the Church delivers a powerful and convincing precept upon precept endtimes teaching on the Second Coming of Christ, the Rapture, and the crucial timing of why only the Father knows when His son will return. The author is a real-life storyteller, and she accomplishes the call to understand the Rapture of the church, what it will be like, and why Jesus found it necessary to teach in terms of a wedding, a bride, and to reference Himself as a Bridegroom. The author exclusively writes to you, the reader. She takes you on a classroom tour of prophecies and parables, and offers a strong case for an aggressive Pre-Tribulation Rapture based on Scripture, and the frequencies of current worldwide trends. She writes just as straightforward as she teaches. In Last Call for the Church, you will get a truly unique understanding of the Rapture, eschatologically, as it applies to a collective body of believers, referred to in the Bible as a bride, or better known as the Bride of Christ, the church. "Do not let your hearts be troubled," John 14:1. Last Call for the Church presents the "traditions" of an ancient Jewish wedding along with many obsolete Hebraic idioms and their prophetic meaning on the landscape of Eschatology and End times prophecy. Last Call for the Church is not a date setter for the Rapture. It is a love story! A love so great; it frees the captive and reaffirms the eternal Word of God. The King is coming.
