

# Tangled In Time The Portal

Getting the books **tangled in time the portal** now is not type of inspiring means. You could not unaided going later ebook store or library or borrowing from your friends to admittance them. This is an entirely easy means to specifically acquire guide by on-line. This online message tangled in time the portal can be one of the options to accompany you next having other time.

It will not waste your time. resign yourself to me, the e-book will extremely tone you extra business to read. Just invest tiny grow old to entre this on-line notice **tangled in time the portal** as with ease as review them wherever you are now.

**Alice Rose and Sam** Kathryn Lasky 1999-01 Alice Rose, an irrepressible twelve-year-old, shares adventures with Mark Twain, an outlandish reporter on her father's newspaper in Virginia City, Nevada, during the 1860s.

**Tangled** Ben Smiley 2011 A full-color retelling of Disney's Tangled is presented in an accessible, oversized format for the youngest fans and recounts the lively adventures of the long-haired, lost princess at the side of her unlikely rescuer. Movie tie-in.

**Hercules** Kathryn Lasky 1997 Recounts the story of the mythological hero, Hercules, child of Zeus and a mortal woman, including his twelve labors and ending with his ascension to Mount Olympus as a god.

**More Than Magic** Kathryn Lasky 2016 "Ryder always thought something special would happen when she turned eleven, and this year she misses her mom, who died several years ago, more than ever. Ryder's parents created a cartoon show featuring an eleven-year-old hero named Rory. Then on Ryder's eleventh birthday, Rory steps out of the screen--Rory needs help"--

**Bad Girls Never Say Die** Jennifer Mathieu 2021-10-19 From the acclaimed author of Moxie comes a gripping gender-flipped reimagining of The Outsiders that explores the deep bonds of female friendship and what it takes to be a "bad girl." 1964. Houston, Texas. Evie Barnes is a bad girl. So are all her friends. They're the sort who wear bold makeup, laugh too loud, and run around with boys. Most of all, they protect their own against the world. So when Evie is saved from a sinister encounter by a good girl from the "right" side of the tracks, every rule she's always lived by is called into question. Now she must redefine what it means to be a bad girl and rethink everything she knew about loyalty. In this riveting story of murder, secrets, and tragedy, Jennifer Mathieu puts a female twist on S. E. Hinton's The Outsiders. Bad Girls Never Say Die has all the drama and heartache of that teen classic, but with a feminist take just right for our times.

The Most Beautiful Roof in the World Kathryn Lasky 1997 Describes the work of Meg Lowman in the rainforest canopy, an area unexplored until the last ten years and home to previously unknown species of plants and animals.

Only a Monster Vanessa Len 2022-02-22 The sweeping romance of Passenger meets the dark fantasy edge of This Savage Song in this stunning contemporary fantasy

debut from Vanessa Len, where the line between monster and hero is razor thin. Don't forget the rule. No one can know what you are. What we are. You must never tell anyone about monsters. Joan has just learned the truth: her family are monsters, with terrifying, hidden powers. And the cute boy at work isn't just a boy: he's a legendary monster slayer, who will do anything to destroy her family. To save herself and her family, Joan will have to do what she fears most: embrace her own monstrousness. Because in this story...she is not the hero. Dive deep into the world of *Only a Monster*: hidden worlds dwell in the shadows, beautiful monsters with untold powers walk among humans, and secrets are the most powerful weapon of all.

**My Island Grandma** Kathryn Lasky 1993 Abbey spends every summer with her parents and her grandmother on an island, where the leisurely activities include swimming in the ocean, picking blueberries, and finding the constellations.

**Dark Matter** Blake Crouch 2016-07-26 A mindbending, relentlessly surprising thriller from the author of the bestselling *Wayward Pines* trilogy. "Are you happy with your life?" Those are the last words Jason Dessen hears before the masked abductor knocks him unconscious. Before he awakens to find himself strapped to a gurney, surrounded by strangers in hazmat suits. Before a man Jason's never met smiles down at him and says, "Welcome back, my friend." In this world he's woken up to, Jason's life is not the one he knows. His wife is not his wife. His son was never born. And Jason is not an ordinary college physics professor, but a celebrated genius who has achieved something remarkable. Something impossible. Is it this world or the other that's the dream? And even if the home he remembers is real, how can Jason possibly make it back to the family he loves? The answers lie in a journey more wondrous and horrifying than anything he could've imagined—one that will force him to confront the darkest parts of himself even as he battles a terrifying, seemingly unbeatable foe. *Dark Matter* is a brilliantly plotted tale that is at once sweeping and intimate, mind-bendingly strange and profoundly human—a relentlessly surprising science-fiction thriller about choices, paths not taken, and how far we'll go to claim the lives we dream of.

*Night Witches* Kathryn Lasky 2017-03-28 16-year-old Valya knows what it feels like to fly. She's a pilot who's always felt more at home soaring through the sky than down on earth. But since the Germans surrounded Stalingrad, Valya's been forced to stay on the ground and watch her city crumble. When her mother is killed during the siege, Valya is left with one burning desire: to join up with her older sister, a member of the famous and feared Night Witches—a brigade of young female pilots. Using all her wits, Valya manages to get past the German blockade and find the Night Witches' base . . . and that's when the REAL danger starts. The women have been assigned a critical mission. If they succeed, they'll inflict serious damage on the Nazis. If they fail, they'll face death . . . or even worse horrors. Historical fiction master Lasky sheds light on the war's unsung heroes—daredevil girls who took to the skies to fight for their country—in an action-packed thrill ride that'll leave you electrified and breathless.

**Last Year** Robert Charles Wilson 2016-12-06 Two events made September 1st a memorable day for Jesse Cullum. First, he lost a pair of Oakley sunglasses. Second, he saved the life of President Ulysses S. Grant. In the near future of Robert Charles Wilson's *Last Year*, the technology exists to open doorways into the past—but not our past, not exactly. Each "past" is effectively an alternate world, identical to ours but only up to the date on which we access

it. And a given "past" can only be reached once. After a passageway is open, it's the only road to that particular past; once closed, it can't be reopened. A passageway has been opened to a version of late 19th-century Ohio. It's been in operation for most of a decade, but it's no secret, on either side of time. A small city has grown up around it to entertain visitors from our time, and many locals earn a good living catering to them. But like all such operations, it has a shelf life; as the "natives" become more sophisticated, their version of the "past" grows less attractive as a destination. Jesse Cullum is a native. And he knows the passageway will be closing soon. He's fallen in love with a woman from our time, and he means to follow her back--no matter whose secrets he has to expose in order to do it. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Porckenstein Kathryn Lasky 2002 Lonely after the Big Bad Wolf ate his brothers, Dr. Smart Pig tries to invent a friend--with surprising results.

*Tangled in Time 2: The Burning Queen* Kathryn Lasky 2019-10-29 For fans of the Royal Diaries series and of Gail Carson Levine, here is the second adventure in a middle grade time travel series from Newbery Honor-winning Kathryn Lasky! In book 2, newly orphaned Rose finds herself time-traveling between present day and the court of the two most memorable English princesses in history. When Princess Mary ascends the throne in sixteenth-century England, Rose is forced to leave Princess Elizabeth and serve Mary. Mary's coronation is coming, and Rose will be put to work making elaborate gowns. But the religiously devout queen's next plan is to begin her attack on Protestants--burning them at the stake! Rose's dad, master spy and goldsmith for the court, urges Rose to escape to her home century, present day Indiana, where Rose befriends a young immigrant named Marisol. Rose must protect Marisol from both middle school mean girls and the threat of US Immigration and Customs Enforcement. Relishing her newfound family, Rose is determined to rescue her father and best friend Franny from the dangers of Queen Mary's reign. Is she willing to risk everything to save the people closest to her?

The Tangled Tree David Quammen 2019-08-06 In this New York Times bestseller and longlist nominee for the National Book Award, "our greatest living chronicler of the natural world" (The New York Times), David Quammen explains how recent discoveries in molecular biology affect our understanding of evolution and life's history. In the mid-1970s, scientists began using DNA sequences to reexamine the history of all life. Perhaps the most startling discovery to come out of this new field--the study of life's diversity and relatedness at the molecular level--is horizontal gene transfer (HGT), or the movement of genes across species lines. It turns out that HGT has been widespread and important; we now know that roughly eight percent of the human genome arrived sideways by viral infection--a type of HGT. In *The Tangled Tree*, "the grandest tale in biology....David Quammen presents the science--and the scientists involved--with patience, candor, and flair" (Nature). We learn about the major players, such as Carl Woese, the most important little-known biologist of the twentieth century; Lynn Margulis, the notorious maverick whose wild ideas about "mosaic" creatures proved to be true; and Tsutomu Wantanabe, who discovered that the scourge of antibiotic-resistant bacteria is a direct result of horizontal gene transfer, bringing the deep study of genome histories to bear on a global crisis in public health. "David Quammen proves to be an immensely well-informed guide to a complex story" (The Wall Street Journal). In *The Tangled Tree*, he explains how molecular studies of evolution have brought startling recognitions about the tangled tree of life--including where we humans fit upon it. Thanks to

new technologies, we now have the ability to alter even our genetic composition—through sideways insertions, as nature has long been doing. “The Tangled Tree is a source of wonder...Quammen has written a deep and daring intellectual adventure” (The Boston Globe).

*Peruvian Rebel* Kathleen Weaver 2010-05-19 "Examines the life and poetry of Magda Portal, a major figure in Latin American revolutionary politics. Includes a selection of poems available for the first time in English translation"-- Provided by publisher.

Blood Secret Kathryn Lasky 2009-08-11 The minute she had opened the trunk, she knew there wasn't anything like hope in it. Just awful musty things, but each one with a kind of terrible dark halo around it. She picked up that piece of old lace. She saw that stain -- pale, brownish in color. She knew it was blood. Somebody's blood. There was violence in that trunk, and dark secrets, and she did not want to know them. Curious about the old homestead where she now lives, Jerry finds an ancient trunk in the basement that contains, among other things, an old piece of bloodstained lace, some letters, and a battered doll. The objects in the trunk have stories to tell -- stories about the Spanish Inquisition spanning nearly five hundred years and stories of secrets locked deep in the bloodlines of Jerry's ancestors. Kathryn Lasky's powerhouse novel is a dramatic historical saga that brings the reader face-to-face with some of the worst atrocities ever committed against humankind in the name of God. But above all, it is an unforgettable coming-of-age story about a girl who, in connecting with her own past and faith, is at last able to face her own demons and liberate not only herself but also future generations of her family from the long chain of suffering and silence.

**A Tangled Web** Leslie Rule 2020-04-28 In the tradition of her acclaimed mother, Ann Rule, author of *The Stranger Beside Me*, bestselling author Leslie Rule exposes the trail of a sadistic sociopath, identity thief, and killer . . . It was a bleak November in 2012 when Cari Farver, thirty-seven, vanished from Omaha, Nebraska. Texts sent indicated that the hardworking mother had quit her job, abandoned her son, and cut ties with everyone. Cari's boyfriend, Dave Kroupa, accepted the breakup at face value. Her mother, Nancy Raney, however, had doubts. "I need to hear your voice," Nancy begged. When the texter refused to speak, Nancy reported Cari missing. While no one saw or spoke to Cari, more than 12,000 sinister emails and texts were sent in her name over the next years. Police believed Dave and his girlfriend, Shanna "Liz" Golyar, when they reported that the missing woman was cyberstalking them. The tormentor was eerily aware of Dave's every move, knew when Liz visited and threatened the couple. It never occurred to Dave that Cari was a victim—that the real stalker had killed before, and was planning to kill again. Leslie Rule tracks the heart-pounding path to long-awaited justice—from a twisted past to the deadly deception and the high-tech forensics that condemned the killer to prison. "Rule's first true crime book hits the mark." —Katherine Ramsland, author of *Confession of a Serial Killer: The Untold Story of Dennis Rader the BTK Killer* "A deft, fascinating true crime story of obsession." —Library Journal (Starred Review) With a New Update by the Author Includes Reading Group Guide

The Keepers of the Keys (Bears of the Ice #3) Kathryn Lasky 2019-05-14 Perfect for fans of *His Dark Materials*!

*Show and Tell Bunnies* Kathryn Lasky 2000-04 Clyde the rabbit is worried. It's Show and Tell time at school in two days, but he hasn't anything to take.

Anything he finds doesn't seem to be exciting enough, until he discovers a sack of spider eggs waiting to hatch

**Camp Princess 1: Born to Rule** Kathryn Lasky 2006-05-02 Camp Princess is just like any other summer camp, but not exactly since the princesses of the magical kingdom of Palacyndra stay in fully furnished turrets, complete with chambermaids. But it is a chance to get away from home, and it's a place where Princess Alicia makes real friends.

Elizabeth I, Red Rose of the House of Tudor Kathryn Lasky 1999 As a new edition to The Royal Diaries series, this factual tale offers young readers an insight to the life and times of this famous royal prior to her days on the throne as the Queen of England.

*Lone Wolf* Kathryn Lasky 2011 Abandoned by his pack, a baby wolf with a mysterious mark on his deformed paw survives and embarks on a journey that will change the world of the wolves of the Beyond.

**Tangled in Time: The Portal** Kathryn Lasky 2019-03-19 "Kathryn Lasky's latest is a sleight-of-hand that will have you clapping your hands. With the brio and big-heart that characterizes all of Lasky's work, this opening salvo of a new series can be heralded with trumpet fanfares and clouds of rose petals." —Gregory Maguire, author of *Wicked* and *Egg & Spoon* For fans of the Royal Diaries series and Gail Carson Levine, Newbery Honor-winning author Kathryn Lasky delivers the first enchanting adventure in a compelling new middle grade series about a newly orphaned girl who finds herself time-travelling between the present day and the court of the two most memorable English princesses in history. Life used to be great for Rose: full of friends, a loving mom, and a growing fashion blog. But when her mother dies in a car crash, Rose is sent away to live with a strange grandmother she hardly knows and forced to attend a new school where mean girls ridicule her at every turn. The only place Rose finds refuge is in her grandmother's greenhouse. But one night she sees a strange light glowing from within it. She goes to investigate...and finds herself transported back five hundred years to Hatfield Palace, where she becomes servant and confidant of the banished princess Elizabeth, daughter of King Henry VIII. Rose soon discovers something else amazing—a locket with two mysterious images inside it, both clues to her own past. Could the greenhouse portal offer answers to the mysteries of her family...and their secrets?

**Star Split** Kathryn Lasky 1999-10-15 In 3038, thirteen-year-old Darci uncovers an underground movement to save the human race from genetic enhancement technology.

**Spirit Wolf** Kathryn Lasky 2013-04-30 When earthquakes and erupting volcanoes strike the Beyond, Faolan and the other surviving wolves must head for the Distant Blue, where they hope to find a new home.

**Tangled Up in Blue** Rosa Brooks 2022-02-08 Named one of the best nonfiction books of the year by The Washington Post "Tangled Up in Blue is a wonderfully insightful book that provides a lens to critically analyze urban policing and a road map for how our most dispossessed citizens may better relate to those sworn to protect and serve." —The Washington Post "Remarkable . . . Brooks has produced an engaging page-turner that also outlines many broadly applicable lessons and sensible policy reforms." —Foreign Affairs Journalist and law professor Rosa Brooks goes beyond the "blue wall of silence" in this radical

inside examination of American policing In her forties, with two children, a spouse, a dog, a mortgage, and a full-time job as a tenured law professor at Georgetown University, Rosa Brooks decided to become a cop. A liberal academic and journalist with an enduring interest in law's troubled relationship with violence, Brooks wanted the kind of insider experience that would help her understand how police officers make sense of their world—and whether that world can be changed. In 2015, against the advice of everyone she knew, she applied to become a sworn, armed reserve police officer with the Washington, DC, Metropolitan Police Department. Then as now, police violence was constantly in the news. The Black Lives Matter movement was gaining momentum, protests wracked America's cities, and each day brought more stories of cruel, corrupt cops, police violence, and the racial disparities that mar our criminal justice system. Lines were being drawn, and people were taking sides. But as Brooks made her way through the police academy and began work as a patrol officer in the poorest, most crime-ridden neighborhoods of the nation's capital, she found a reality far more complex than the headlines suggested. In *Tangled Up in Blue*, Brooks recounts her experiences inside the usually closed world of policing. From street shootings and domestic violence calls to the behind-the-scenes police work during Donald Trump's 2016 presidential inauguration, Brooks presents a revelatory account of what it's like inside the "blue wall of silence." She issues an urgent call for new laws and institutions, and argues that in a nation increasingly divided by race, class, ethnicity, geography, and ideology, a truly transformative approach to policing requires us to move beyond sound bites, slogans, and stereotypes. An explosive and groundbreaking investigation, *Tangled Up in Blue* complicates matters rather than simplifies them, and gives pause both to those who think police can do no wrong—and those who think they can do no right.

One Last Stop Casey McQuiston 2021-06-01 \*INSTANT NEW YORK TIMES BESTSELLER\* \*INSTANT USA TODAY BESTSELLER\* \*INSTANT #1 INDIE BESTSELLER\* From the New York Times bestselling author of *Red, White & Royal Blue* comes a new romantic comedy that will stop readers in their tracks... For cynical twenty-three-year-old August, moving to New York City is supposed to prove her right: that things like magic and cinematic love stories don't exist, and the only smart way to go through life is alone. She can't imagine how waiting tables at a 24-hour pancake diner and moving in with too many weird roommates could possibly change that. And there's certainly no chance of her subway commute being anything more than a daily trudge through boredom and electrical failures. But then, there's this gorgeous girl on the train. Jane. Dazzling, charming, mysterious, impossible Jane. Jane with her rough edges and swoopy hair and soft smile, showing up in a leather jacket to save August's day when she needed it most. August's subway crush becomes the best part of her day, but pretty soon, she discovers there's one big problem: Jane doesn't just look like an old school punk rocker. She's literally displaced in time from the 1970s, and August is going to have to use everything she tried to leave in her own past to help her. Maybe it's time to start believing in some things, after all. Casey McQuiston's *One Last Stop* is a magical, sexy, big-hearted romance where the impossible becomes possible as August does everything in her power to save the girl lost in time. "A dazzling romance, filled with plenty of humor and heart." - Time Magazine, "The 21 Most Anticipated Books of 2021" "Dreamy, other worldly, smart, swoony, thoughtful, hilarious - all in all, exactly what you'd expect from Casey McQuiston!" - Jasmine Guillory, New York Times bestselling author of *The Proposal* and *Party for Two*

**Monarchs** Kathryn Lasky 1993 Describes the life cycle and winter migrations of

the eastern and western monarch butterflies and the two towns that protect their winter habitats. Copyright © Libri GmbH. All rights reserved.

**Sophie and Rose** Kathryn Lasky 1998 After she discovers an old doll that had belonged to her mother and her grandmother, Sophie grows to love the doll more and more even though she is missing some hair, gets chocolate-stained, and loses an eye.

**First Painter** Kathryn Lasky 2000 Following the death of her mother, Mishoo the new shaman, must find a way to help her prehistoric tribe during a drought, so she enters the cave of the she-tiger and begins drawing her dreams on the cave wall.

**Dig** A. S. King 2020-06-30 A surreal and searing dive into the tangled secrets of a wealthy white family in suburban Pennsylvania and the terrible cost the family's children pay to maintain the family name. ★"A.S. King's novels...are in another solar system entirely."--Bookpage, starred review *The Shoveler*, *the Freak*, *CanIHelpYou?*, *Loretta the Flea-Circus Ring Mistress*, and *First-Class Malcolm*. These are the five teenagers lost in the Hemmings family's maze of tangled secrets. Only a generation removed from being Pennsylvania potato farmers, Gottfried and Marla Hemmings managed to trade digging spuds for developing subdivisions and now sit atop a seven-figure bank account--wealth they've declined to pass on to their adult children or their teenage grandchildren. "Because we want them to thrive," Marla always says. What does thriving look like? Like carrying a snow shovel everywhere. Like selling pot at the Arby's drive-thru window. Like a first-class ticket to Jamaica between cancer treatments. Like a flea-circus in a double-wide. Like the GPS coordinates to a mound of dirt in a New Jersey forest. As the rot just beneath the surface of the Hemmings' precious suburban respectability begins to spread, the far-flung grandchildren gradually find their ways back to one another, just in time to uncover the terrible cost of maintaining the family name. With her inimitable prose and keen insight into teenage experience, A.S. King explores how a corrosive culture of polite, affluent white supremacy tears a family apart and how one determined generation can save themselves.

**Tangled in Time 2: The Burning Queen** Kathryn Lasky 2019-10-29 For fans of the *Royal Diaries* series and of Gail Carson Levine, here is the second adventure in a middle grade time travel series from Newbery Honor-winning Kathryn Lasky! In book 2, newly orphaned Rose finds herself time-traveling between present day and the court of the two most memorable English princesses in history. When Princess Mary ascends the throne in sixteenth-century England, Rose is forced to leave Princess Elizabeth and serve Mary. Mary's coronation is coming, and Rose will be put to work making elaborate gowns. But the religiously devout queen's next plan is to begin her attack on Protestants--burning them at the stake! Rose's dad, master spy and goldsmith for the court, urges Rose to escape to her home century, present day Indiana, where Rose befriends a young immigrant named Marisol. Rose must protect Marisol from both middle school mean girls and the threat of US Immigration and Customs Enforcement. Relishing her newfound family, Rose is determined to rescue her father and best friend Franny from the dangers of Queen Mary's reign. Is she willing to risk everything to save the people closest to her?

Invitation to the Game Monica Hughes 1993-06-01 Unemployed after high school in the highly robotic society of 2154, Lisse and seven friends resign themselves to a boring existence in their "Designated Area" until the government invites

them to play The Game.

Faceless Kathryn Lasky 2021-10-19 Newbery Honor winner Kathryn Lasky, author of the Guardians of Ga'hoole series, delivers a riveting adventure about young British spies on a secret mission in Germany in WWII. "Fascinating and riveting, especially for history buffs and spy aficionados." -Kirkus "A page-turner, particularly for readers intrigued by WWII." -Booklist "With a well-detailed historical backdrop and a puzzling familial mystery, this novel delivers intrigue." -Publishers Weekly Over the centuries, a small clan of spies called the Tabula Rasa has worked ceaselessly to fight oppression. They can pass unseen through enemy lines and "become" other people without being recognized. They are, essentially, faceless. Alice and Louise Winfield are sisters and spies in the Tabula Rasa. They're growing up in wartime England, where the threat of Nazi occupation is ever near. But Louise wants to live an ordinary life and leaves the agency. Now, as Alice faces her most dangerous assignment yet, she fears discovery, but, most of all, she fears losing her own sister. This upper middle grade novel is a mix of espionage and historical adventure and will appeal to fans of Elizabeth Wein and Ruta Sepetys. Lasky masterfully spins a tale filled with mystery, suspense, and intrigue that will have readers hooked. Faceless is also a springboard for the study of World War II, with special interest to classrooms that would like to teach subjects such as Hitler, the Nazi regime, and anti-Nazi resistance.

*And Then All Hell Broke Loose* Richard Engel 2016-02-09 A major New York Times bestseller by NBC's Chief Foreign Correspondent Richard Engel—this riveting story of the Middle East revolutions, the Arab Spring, war, and terrorism seen close up "should be required reading" (Booklist, starred review). In 1997, young Richard Engel, working freelance for Arab news sources, got a call that a busload of Italian tourists was massacred at a Cairo museum. This is his first view of the carnage these years would pile on. Over two decades he has been under fire, blown out of hotel beds, and taken hostage. He has watched Mubarak and Morsi in Egypt arrested and condemned, reported from Jerusalem, been through the Lebanese war, covered the shooting match in Iraq and the Libyan rebels who toppled Gaddafi, reported from Syria as Al-Qaeda stepped in, and was kidnapped in the Syrian cross currents of fighting. Engel takes the reader into Afghanistan with the Taliban and to Iraq with ISIS. In the page-turning *And Then All Hell Broke Loose*, he shares his "quick-paced...thrilling adventure story" (Associated Press). Engel takes chances, though not reckless ones, keeps a level head and a sense of humor, as well as a grasp of history in the making. Reporting as NBC's Chief-Foreign Correspondent, he reveals his unparalleled access to the major figures, the gritty soldiers, and the helpless victims in the Middle East during this watershed time. His vivid story is "a nerve-racking...and informative portrait of a troubled region" (Kansas City Star) that shows the splintering of the nation states previously cobbled together by the victors of World War I. "Engel's harrowing adventures make for gripping reading" (The New York Times) and his unforgettable view of the suffering and despair of the local populations offers a succinct and authoritative account of our ever-changing world.

**Tangled in Time** Lynne Fairbridge 1999 Janna thinks she has enough worries after her father's death and mother's plans to remarry, until she finds herself living with a Dutch immigrant family in Alberta during the Depression.

**Seek and Hide** Amy Gajda 2022-04-12 "This brilliant and thought-provoking book shows how America's well-known emphasis on freedom of the press has long been

balanced by a deep legal tradition that protects an individual's right to privacy. Amy Gajda shows how battles over the right to privacy are nothing new, but they are particularly relevant in this era of digital media and social networks."—Walter Isaacson, author of *Steve Jobs The surprising story of the fitful development of the right to privacy—and its battle against the public's right to know—across American history. The battle between an individual's right to privacy and the public's right to know has been fought for centuries. The founders demanded privacy for all the wrong press-quashing reasons. Supreme Court justice Louis Brandeis famously promoted First Amendment freedoms but argued strongly for privacy too; and presidents from Thomas Jefferson through Donald Trump confidently hid behind privacy despite intense public interest in their lives. The clash between privacy rights and press rights has provoked constitutional crises (tapes and tax returns) and the arrests of journalists who published the truth about public officials. Today privacy seems simultaneously under siege and surging. And that's doubly dangerous, as legal expert Amy Gajda argues. Too little privacy can mean extraordinary profits and power for people who deal in and publish soul-crushing secrets. Too much means the famous and infamous can cloak themselves in secrecy. Seek and Hide carries us from the very start, when privacy concepts first entered American law and society, to now, when the law allows a Silicon Valley titan to destroy a media site like Gawker out of spite. Muckraker Upton Sinclair, like Nellie Bly before him, pushed the envelope of privacy and propriety and then became a privacy advocate when journalists used the same techniques against him. In the 1960s those privacy interests gave way to the glory days of investigative reporting in the era of Vietnam and Watergate. By the early 2000s we were on our way to today's full-blown crisis in the digital age, worrying that smartphones, webcams, basement publishers, and the forever internet had erased the right to privacy completely. The stories touch on the famous and the worthy but barely remembered, on presidents with secret babies, and on the evolution of a modern media emboldened to reveal the most intimate details about anyone—and how so much today rests on Section 230, a 1996 federal law that became privacy's downfall and then the catalyst for its rebirth. Should everyone have privacy in their personal lives? Can privacy exist in a public place? Is there a right to be forgotten even in the United States? Is it too late to get control of data privacy? This fascinating and necessary book shows us how the answers may not be what you expect, or hope, how technology makes these issues more complicated than ever before, and how we can learn from the mistakes of the past as we try to balance privacy and First Amendment freedoms in a modern age.*

*The Girl Who Drank the Moon (Winner of the 2017 Newbery Medal)* Kelly Barnhill  
2016-08-09 Winner of the 2017 Newbery Medal The New York Times Bestseller An Entertainment Weekly Best Middle Grade Book of 2016 A New York Public Library Best Book of 2016 A Chicago Public Library Best Book of 2016 An Amazon Top 20 Best Book of 2016 A Publishers Weekly Best Book of 2016 A School Library Journal Best Book of 2016 Named to KirkusReviews' Best Books of 2016 2017 Booklist Youth Editors' Choice Every year, the people of the Protectorate leave a baby as an offering to the witch who lives in the forest. They hope this sacrifice will keep her from terrorizing their town. But the witch in the Forest, Xan, is kind. She shares her home with a wise Swamp Monster and a Perfectly Tiny Dragon. Xan rescues the children and delivers them to welcoming families on the other side of the forest, nourishing the babies with starlight on the journey. One year, Xan accidentally feeds a baby moonlight instead of starlight, filling the ordinary child with extraordinary magic. Xan decides she must raise this girl, whom she calls Luna, as her own. As Luna's thirteenth birthday approaches, her magic begins to emerge—with dangerous consequences.

Meanwhile, a young man from the Protectorate is determined to free his people by killing the witch. Deadly birds with uncertain intentions flock nearby. A volcano, quiet for centuries, rumbles just beneath the earth's surface. And the woman with the Tiger's heart is on the prowl . . . The Newbery Medal winner from the author of the highly acclaimed novel *The Witch's Boy*.

**The Chosen** Taran Matharu 2019-06-04 *The Chosen* introduces the first book in the Contender trilogy, an epic young adult fantasy from Taran Matharu, author of the New York Times–bestselling *Summoner* series. Throughout history, people have vanished with no explanation. A group of teenagers are about to discover why. Cade is settling into a new boarding school, contemplating his future, when he finds himself transported to another realm. He soon discovers their new world is populated with lost remnants from the past: prehistoric creatures, ancient relics, and stranger still—people. Overwhelmed by his new surroundings, Cade has little time to adjust, for soon he and his fellow classmates are forced to become contenders in a brutal game, controlled by mysterious overlords. But who are these beings and why did they choose these teens? Cade must prepare for battle . . . because hiding is not an option. Fans of fantasy and LitRPG will welcome this new character and world from the author of the *Summoner* series.

**Tangled in Time: The Portal** Kathryn Lasky 2019-03-19 For fans of the *Royal Diaries* series and Gail Carson Levine, Newbery Honor–winning author Kathryn Lasky delivers the first enchanting adventure in a compelling new middle grade series about a newly orphaned girl who finds herself time–travelling between the present day and the court of the two most memorable English princesses in history. Life used to be great for Rose: full of friends, a loving mom, and a growing fashion blog. But when her mother dies in a car crash, Rose is sent away to live with a strange grandmother she hardly knows and forced to attend a new school where mean girls ridicule her at every turn. The only place Rose finds refuge is in her grandmother's greenhouse. But one night she sees a strange light glowing from within it. She goes to investigate...and finds herself transported back five hundred years to Hatfield Palace, where she becomes servant and confidant of the banished princess Elizabeth, daughter of King Henry VIII. Rose soon discovers something else amazing—a locket with two mysterious images inside it, both clues to her own past. Could the greenhouse portal offer answers to the mysteries of her family...and their secrets? “A convincing, compelling time–travel series rife with Tudor drama.” –Kirkus
