White Laith Primary School Maths Policy

WebTeaching of Maths will be weighted to approximately 70% Number. ... Numicon and objects, they add and subtract two single-digit numbers. They solve problems, including ... decimals, percentages and ratio. Pupils solve a wider range of problems, including increasingly complex properties of numbers and arithmetic, and problems demanding ...

Mathematics programmes of study: key stages 1 and 2

WebThe principal focus of mathematics teaching in key stage 1 is to ensure that pupils develop confidence and mental fluency with whole numbers, counting and place value. This should involve working with numerals, words and the four operations, including with practical resources [for example, concrete objects and measuring tools].
