Just your typical teddy bear stuff. So when he is whisked away to the annual teddy bears' picnic, he feels insignificant compared to the other bears who do daring and daunting things: sleepovers, hospital stays--even a night in the lost and found! After small talk with a regional stuffing manager, a department of cuddling official and a stitchery inspector; a stop at the snack table; and even some team building activities, it's time for the teddy bear service awards . . . and Ollie feels even more small and unimportant. But he soon learns that it's not just the big things that matter, it's the little things too. While parents will love the tongue-in-cheek office-party details, kids and parents alike will fall in love with Ollie: a sweet bear who discovers that his love for his girl makes him very special indeed.
