Current Debates in Linguistics & Literature Şenel Gerçek The book Current Debates in Linguistics&Literature is the collection of the papers about various studies in the fields of linguistics and literature presented in The VI. International Congress on CUDES 2017. The articles are dealt with different topics ranging from fictional and literary genres such as novels, poetry, drama, and film to non-fictional types such as translation and language teaching.

Fünfzig Jahre Forschung zur türkischen Sprache Ilona Dorogi 2020-06-22 Diese Bibliographie enthält in erster Linie linguistische Publikationen, d.h. Monographien und Studien, die in verschiedenen wissenschaftlichen Zeitschriften und Sammelwerken erschienen sind, die sich mit der Erforschung der türkischen Sprache in der Türkei befassen. Darüber hinaus finden sich hier verschiedene Handbücher, Bibliographien, Wörterbücher und viele Textausgaben, die zur Erforschung der türkischen Sprache und

Sprachgeschichte unbedingt erforderlich sind. Einige Werke, die sich nur am Rande mit dem Thema oder nicht ausschließlich mit der türkischen Sprache in der Türkei, sondern auch mit anderen Türksprachen befassen, haben ebenfalls ihren Platz in diesem Band gefunden. Das betrifft vor allem die sowjetische Turkologie. Der Band enthält auch viele Rezensionen, obwohl es nicht vorrangiges Ziel war, diese in größerem Umfang zu sammeln. Wie im Titel angegeben umfasst der Band die Zeitspanne von 1950 bis 2000. Türkische Publikationen machen den Hauptanteil der Erwähnungen aus, aber Werke von Autoren von außerhalb der Türkei sind ebenfalls reichlich zu finden. Als Ergebnis jahrelanger Sammelarbeit enthält der Band nun ca 8.500 Einträge. Beim Gebrauch der Bibliographie ist die Liste der Abkürzungen, in der man die Abkürzungen der Zeitschriften (kursiv gesetzt) und der Reihen (normal gesetzt) findet, sehr nützlich. Sie enthält allerdings auch Zeitschriften und Serien, die nicht mehr veröffentlicht oder weitergeführt werden. — Auf die alphabetische Bibliographie folgen die Indices, die die bibliographischen Artikel nach Namen und Jahreszahl ordnen.

Turkey Çiğdem Balim 1999 Situated between two continents, the Turkish Republic emerged in 1923 as the successor to the multinational Ottoman Empire. A young secular Republic with an old history, Turkey is a diverse and complex country in terms of social composition, politics, culture and economy, where cultures and races coexist. This dynamism is apparent in Turkey's economy, with its rapidly developing financial markets, an energetic entrepreneurial class, a thriving industrial base, and fast-growing communications. Today Turkey is striving to consolidate its democracy but it also faces other challenges. On the one hand it wishes to maintain its Islamic tradition but on the other it desires to be

part of the West. In addition, it seeks to find a balance between its traditional role in Western defence strategy and its new regional role in the Middle East, Eastern Europe, the Caucasus and Central Asia. This bibliography fully updates the original volume, published in 1982.
