*The Whispers of War* Julia Kelly 2020-01-14 From the author of *The Last Garden in England* and *The Light Over London* comes a “gripping tale by a writer at the top of her game” (Fiona Davis, author of *The Chelsea Girls*) following three friends who struggle to remain loyal as one of them is threatened with internment by the British government at the start of World War II. In August of 1939, as Britain watches the headlines in fear of another devastating war with Germany, three childhood companions must choose between friendship and country. Erstwhile socialite Nora is determined to find her place in the Home Office’s Air Raid Precautions Department, matchmaker Hazel tries to mask two closely guarded secrets with irrepressible optimism, and German expat Marie worries that she and her family might face imprisonment in an internment camp if war is declared. When Germany invades Poland and tensions on the home front rise, Marie is labeled an enemy alien, and the three friends find themselves fighting together to keep her free at any cost. Featuring Julia Kelly’s signature “intricate, tender, and convincing” (Publishers Weekly) prose, *The Whispers of War* is a moving and unforgettable tale of the power of friendship and womanhood in the midst of conflict.

**My Antonia** Willa Cather 2018-10-08 *My Antonia* is a novel by an American writer Willa Cather. It is the final book of the "prairie trilogy" of novels, preceded by *O Pioneers!* and *The Song of the Lark*. The novel tells the stories of an orphaned boy from Virginia, Jim Burden, and Antonia Shimerda, the daughter of Bohemian

immigrants. They are both became pioneers and settled in Nebraska in the end of the 19th century. The first year in the very new place leaves strong impressions in both children, affecting them lifelong. The narrator and the main character of the novel *My Antonia*, Jim grows up in Black Hawk, Nebraska from age 10. Eventually, he becomes a successful lawyer and moves to New York City.

**The Weight of Our Sky** Hanna Alkaf 2019-02-05 A music loving teen with OCD does everything she can to find her way back to her mother during the historic race riots in 1969 Kuala Lumpur, Malaysia, in this heart-pounding literary debut. Melati Ahmad looks like your typical movie-going, Beatles-obsessed sixteen-year-old. Unlike most other sixteen-year-olds though, Mel also believes that she harbors a djinn inside her, one who threatens her with horrific images of her mother's death unless she adheres to an elaborate ritual of counting and tapping to keep him satisfied. A trip to the movies after school turns into a nightmare when the city erupts into violent race riots between the Chinese and the Malay. When gangsters come into the theater and hold movie-goers hostage, Mel, a Malay, is saved by a Chinese woman, but has to leave her best friend behind to die. On their journey through town, Mel sees for herself the devastation caused by the riots. In her village, a neighbor tells her that her mother, a nurse, was called in to help with the many bodies piling up at the hospital. Mel must survive on her own, with the help of a few kind strangers, until she finds her mother. But the djinn in her mind threatens her ability to cope.

**The Great Upending** Beth Kephart 2020-03-31 When a troubled children's book author moves to their farm, two kids with troubles of their own hatch a scheme to swipe the ending of the final book in a bestselling series to get a reward from the book's publisher in this gorgeously written novel in the tradition of *Wonder* and *Out of My Mind*. Twelve-year-old Sara and her brother Hawk are told that they are not to bother the man—The Mister—who just moved into the silo apartment on their farm. It doesn't matter that they know nothing about him and they think they ought to know something. It doesn't matter that he's always riding that unicycle around. Mama told them no way, no how are they to bother The Mister unless they want to be in a mess of trouble. Trouble is the last thing Sara and her brother need. Sara's got a condition, you see. Marfan syndrome. And that Marfan syndrome is causing her heart to have problems, the kind of problems that require surgery. But the family already has problems: The drought has dried up their crops and their funds, which means they can't afford any more problems, let alone a surgery to fix those problems. Sara can feel the weight of her family's worry, and the weight of her time running out, but what can a pair of kids do? Well, it all starts with...bothering The Mister.

**Prepped** Bethany Mangle 2021-02-23 For fans of Jeff Zentner and Katie Henry comes a thrilling and funny debut about a teen raised in a doomsday community who plots her escape with the boy from the bunker next door. Always be ready for the worst day of your life. This is the mantra that Becca Aldaine has grown up with. Her family is part of a community of doomsday preppers, a neighborhood that prioritizes survivalist training over class trips or senior prom. They're even arranging Becca's marriage with Roy Kang, the only eligible boy in their community. Roy is a nice guy, but he's so enthusiastic about prepping that Becca doesn't have the heart to tell him she's planning to leave as soon as she can earn a full ride to a college far, far away. Then a devastating accident rocks Becca's family and pushes the entire community, including Becca's usually

cynical little sister, deeper into the doomsday ideology. With her getaway plans thrown into jeopardy, the only person Becca can turn to is Roy, who reveals that he's not nearly as clueless as he's been pretending to be. When Roy proposes they run away together, Becca will have to risk everything—including her heart—for a chance to hope for the best instead of planning for the worst.

Infinite Jest David Foster Wallace 2009-04-13 A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, Infinite Jest explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, Infinite Jest bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do. "The next step in fiction...Edgy, accurate, and darkly witty...Think Beckett, think Pynchon, think Gaddis. Think." --Sven Birkerts, The Atlantic

*We Are Not Like Them* Christine Pride 2021-10-05 A GOOD MORNING AMERICA BOOK CLUB PICK Named a Best Book Pick of 2021 by Harper's Bazaar and Real Simple Named a Most Anticipated Book of Fall by People, Essence, New York Post, PopSugar, New York Newsday, Entertainment Weekly, Town & Country, Bustle, Fortune, and Book Riot Told from alternating perspectives, this "propulsive, deeply felt tale of race and friendship" (People) follows two women, one Black and one white, whose friendship is indelibly altered by a tragic event. Jen and Riley have been best friends since kindergarten. As adults, they remain as

close as sisters, though their lives have taken different directions. Jen married young, and after years of trying, is finally pregnant. Riley pursued her childhood dream of becoming a television journalist and is poised to become one of the first Black female anchors of the top news channel in their hometown of Philadelphia. But the deep bond they share is severely tested when Jen's husband, a city police officer, is involved in the shooting of an unarmed Black teenager. Six months pregnant, Jen is in freefall as her future, her husband's freedom, and her friendship with Riley are thrown into uncertainty. Covering this career-making story, Riley wrestles with the implications of this tragic incident for her Black community, her ambitions, and her relationship with her lifelong friend. Like Tayari Jones's *An American Marriage* and Jodi Picoult's *Small Great Things, We Are Not Like Them* takes "us to uncomfortable places—in the best possible way—while capturing so much of what we are all thinking and feeling about race. A sharp, timely, and soul-satisfying novel" (Emily Giffin, New York Times bestselling author) that is both a powerful conversation starter and a celebration of the enduring power of friendship.

**Eat Pray Love** Elizabeth Gilbert 2010-06-29 Traces the author's decision to quit her job and travel the world for a year after suffering a midlife crisis and divorce, an endeavor that took her to three places in her quest to explore her own nature, experience fulfillment and learn the art of spiritual balance. (Biography & autobiography). Reissue. A best-selling book. Movie tie-in.

*The Cultural Cold War* Frances Stonor Saunders 2013-11-05 During the Cold War, freedom of expression was vaunted as liberal democracy's most cherished possession—but such freedom was put in service of a hidden agenda. In *The Cultural Cold War*, Frances Stonor Saunders reveals the extraordinary efforts of a secret campaign in which some of the most vocal exponents of intellectual freedom in the West were working for or subsidized by the CIA—whether they knew it or not. Called "the most comprehensive account yet of the [CIA's] activities between 1947 and 1967" by the New York Times, the book presents shocking evidence of the CIA's undercover program of cultural interventions in Western Europe and at home, drawing together declassified documents and exclusive interviews to expose the CIA's astonishing campaign to deploy the likes of Hannah Arendt, Isaiah Berlin, Leonard Bernstein, Robert Lowell, George Orwell, and Jackson Pollock as weapons in the Cold War. Translated into ten languages, this classic work—now with a new preface by the author—is "a real contribution to popular understanding of the postwar period" (The Wall Street Journal), and its story of covert cultural efforts to win hearts and minds continues to be relevant today.

*Great Expectations* Charles Dickens 2020-02-24 Raised in squalor in the marsh country of Kent, the orphan Pip is taken under the wing of the eccentric and reclusive Miss Havisham--only to blindly give his heart to the dowager's beautiful but ice-cold adopted daughter, Estella. Even as a mysterious benefactor helps to shape Pip's life into one of fortune, success, and self-discovery, the unspeakable secrets of his unrequited love continue to haunt him--and promise to change his life once again. With its indelible cast of characters, immersive epic narrative, and startling dramatic twists, Charles Dickens's powerful classic continues to enthrall generations of new readers.

Paper Towns John Green 2013 Quentin Jacobson has spent a lifetime loving Margo Roth Spiegelman from afar.

So when she cracks open a window and climbs into his life - dressed like a ninja and summoning him for an ingenious campaign of revenge - he follows. After their all-nighter ends, Q arrives at school to discover that Margo has disappeared.

**Claiming Ground** Laura Bell 2010-03-09 In 1977, Laura Bell, at loose ends after graduating from college, leaves her family home in Kentucky for a wild and unexpected adventure: herding sheep in Wyoming's Big Horn Basin. Inexorably drawn to this life of solitude and physical toil, a young woman in a man's world, she is perhaps the strangest member of this beguiling community of drunks and eccentrics. So begins her unabating search for a place to belong and for the raw materials with which to create a home and family of her own. Yet only through time and distance does she acquire the wisdom that allows her to see the love she lived through and sometimes left behind. By turns cattle rancher, forest ranger, outfitter, masseuse, wife and mother, Bell vividly recounts her struggle to find solid earth in which to put down roots. Brimming with careful insight and written in a spare, radiant prose, her story is a heart-wrenching ode to the rough, enormous beauty of the Western landscape and the peculiar sweetness of hard labor, to finding oneself even in isolation, to a life formed by nature, and to the redemption of love, whether given or received. Quietly profound and moving, astonishing in its honesty, in its deep familiarity with country rarely seen so clearly, and in beauties all its own, *Claiming Ground* is a truly singular memoir.

*His Wish, Her Command* Jo Grafford 2019-02-10 Successful LA narcotics detective Tanya Bullock always gets her man - when it comes to cleaning crime off the streets, that is. Her work is her life, and she has no time for personal relationships or clinging to other emotional lifelines like religion. After she becomes critically injured in the line of duty, she chooses a remote dude ranch in Wyoming to take her mandatory R&R. Unfortunately, the Broken J Ranch is also the place where co-pastor Wes Rivera of Alpha Omega Campus Ministries has chosen to escort his students on a retreat. He's the one guy from her college days who she failed to scare away

despite the three times she turned down his offer to date, and she's certainly not in the mood for romance while nursing her wounds and mourning the tragic loss of her partner. But Wes sees things differently. He's always believed in living life to the fullest. And with a little help from the Big Guy Upstairs, he plans to convince Tanya she can have it all - a dose of faith, a full recovery, and him!

**An Unfinished Life** Mark Spragg 2004-08-31 In an extraordinary tale of love and forgiveness, Mark Spragg brings us this novel of a complex, prodigal homecoming. Jean Gilkyson has a history of choosing the wrong men. After yet another night of argument turned to violence with her boyfriend, Roy, Jean knows it's time to leave—if not for herself, then for her ten-year-old daughter, Griff. But the only place they can afford to go is Ishawooa, Wyoming, where Jean's family is dead and her deceased husband's father Einar wishes Jean was too. Of course, Griff knows none of this—only that here in Wyoming, with a grandfather she has never known and his crippled friend Mitch, she may finally be able to find a home.

**Further Than Passion** Cheryl Holt 2007-04-01 Kate Duncan agrees to help her young cousin land a husband though she draws the line when she learns the foolish girl wants to use an apothecary's love potion to snag the notorious Marcus Pelham! To prove the elixir a fake, Kate drinks it herself and experiences the most erotic moment of her life when she stumbles upon Marcus in a most compromising position. Every nerve in Kate's body sings as she watches from the shadows, but is her response a result of the potion...or the man? Luckily, Marcus is far too busy to notice Kate's spying—or so she thinks... As the Earl of Stamford, Marcus has his choice of willing ladies to share his bed. Yet nothing has ever aroused him as much as the image of Kate watching him. Marcus tries to have a little fun with Kate by drinking the elixir and then appearing to lose all control every time she's near. But the prank goes awry when Marcus finds himself wildly and truly attracted to the innocent Kate. As he teaches her the passionate art of seduction, will he lose his heart for the very first time?

*The Bribe* Willa Nash 2021-11-11 Duke Evans didn't expect to interrupt a beautiful woman in a staring contest with a bison on his favorite hiking trail. He also didn't expect to see her again after rescuing her from the surly beast. As the sheriff in Calamity, Montana, he's had his fair share of surprises but none as pleasant as pulling over a shiny black car and finding his mysterious hiking companion behind the wheel. Only, she lied to Duke. She gave him a name as fake as her hair color. According to her driver's license, her real name is Lucy Ross,

the famous country music singer whose sudden disappearance has been a hot topic in the media over the past two weeks. He's not sure why Lucy lied about her identity or why she's in Calamity. And she's not talking. Instead, she offers him a bribe to keep her secret. But Duke doesn't want her money. He wants to know why this woman is on the run. And as long as the star shines on his badge, he's going to find out.

**Walk Two Moons** Sharon Creech 2009-10-06 In her own singularly beautiful style, Newbery Medal winner Sharon Creech intricately weaves together two tales, one funny, one bittersweet, to create a heartwarming, compelling, and utterly moving story of love, loss, and the complexity of human emotion. Thirteen-year-old Salamanca Tree Hiddle, proud of her country roots and the "Indian-ness in her blood," travels from Ohio to Idaho with her eccentric grandparents. Along the way, she tells them of the story of Phoebe Winterbottom, who received mysterious messages, who met a "potential lunatic," and whose mother disappeared. As Sal entertains her grandparents with Phoebe's outrageous story, her own story begins to unfold—the story of a thirteen-year-old girl whose only wish is to be reunited with her missing mother.

**Whispers from My Rocking Chair** Marcia J. Terpstra 2012-10 This book is about the LIGHT in my life. This book is not my book. It belongs to HIM. After writing my first book, and His book too, "Splinters from my Rocking Chair" that depicts the very dark in my life as a result of incest, I knew I had to write about the LIGHT in my life; the LIGHT that saved me. I lived in so much darkness through so much of my life as a result of incest but also because of my religious upbringing. This upbringing promoted the casting out of so many and I bought into it. I believed in them, not HIM. I then decided I had to stop fighting mankind and trying to prove my worthiness to them. I went to the GOSPELS and there I found Jesus and that He was on my side, not theirs. He was against the so called religious. He was on my side, our side. He sought after the broken and the sick and all those who were so lost. He loved all those who had gone astray and the weak in spirit. He went after those who needed HIM. This book is about my walk with JESUS!

Alone on a Cliff Martha Passel 2021-06-16 Chronicles of MatiLou and PerryAnn: Book 1: Summer of Change (1973) Book 2: Summer of Hard Choices (1983) Book 3: Alone on a Cliff (1995) In 1973, Perry Ann loses her parents in a tragic accident. Then in 1983, MatiLou and PerryAnn pursue answers to what happened on that fateful day. Billy, who may have been involved, accosts PerryAnn, forcing her to make hard choices. And in 1995, he continues to push PerryAnn to the brink of desperation. MatiLou's dilemma is internal. She grapples with her feelings for her husband Bobby and the price she pays to be with him, abandoning her true self and what she knows she was born to do. She struggles with wounds from bullying, injustice, and fear of losing those she loves. In "Alone on a Cliff," the girls return to the cliff where they spent a night stranded in 1973 while on a trek PerryAnn hatched to find Billy. Now, over twenty years later, they are on a trek to find Billy again, only this time it isn't only Billy they are searching for. Unhealed wounds, the healing balm of forgiveness, and gratitude for those who stand by us weave the story like threads running through a tapestry. Through it all, MatiLou and PerryAnn always return to the most important quest they share, to care for Mother Earth.

Silver Like Dust: One Family's Story of America's Japanese Internment Kimi Cunningham Grant 2013-03-13

The poignant story of a Japanese-American woman's journey through one of the most shameful chapters in American history. Kimi's Obaachan, her grandmother, had always been a silent presence throughout her youth. Sipping tea by the fire, preparing sushi for the family, or indulgently listening to Ojichan's (grandfather's) stories for the thousandth time, Obaachan was a missing link to Kimi's Japanese heritage, something she had had a mixed relationship with all her life. Growing up in rural Pennsylvania, all Kimi ever wanted to do was fit in, spurning traditional Japanese culture and her grandfather's attempts to teach her the language. But there was one part of Obaachan's life that fascinated and haunted Kimi—her gentle yet proud Obaachan was once a prisoner, along with 112,000 Japanese Americans, for more than five years of her life. Obaachan never spoke of those years, and Kimi's own mother only spoke of it in whispers. It was a source of haji, or shame. But what really happened to Obaachan, then a young woman, and the thousands of other men, women, and children like her? From the turmoil, racism, and paranoia that sprang up after the bombing of Pearl Harbor, to the terrifying train ride to Heart Mountain, *Silver Like Dust* captures a vital chapter the Japanese-American experience through the journey of one remarkable woman and the enduring bonds of family.

Touching Spirit Bear Ben Mikaelson 2010-04-20 In his Nautilus Award-winning classic *Touching Spirit Bear*, author Ben Mikaelson delivers a powerful coming-of-age story of a boy who must overcome the effects that violence has had on his life. After severely injuring Peter Driscoll in an empty parking lot, mischief-maker Cole Matthews is in major trouble. But instead of jail time, Cole is given another option: attend Circle Justice, an alternative program that sends juvenile offenders to a remote Alaskan Island to focus on changing their ways. Desperate to avoid prison, Cole fakes humility and agrees to go. While there, Cole is mauled by a mysterious white bear and left for dead. Thoughts of his abusive parents, helpless Peter, and his own anger cause him to examine his actions and seek redemption—from the spirit bear that attacked him, from his victims, and, most importantly, from himself. Ben Mikaelson paints a vivid picture of a juvenile offender, examining the roots of his anger without absolving him of responsibility for his actions, and questioning a society in which angry people make victims of their peers and communities. *Touching Spirit Bear* is a poignant testimonial to the power of a pain that can destroy, or lead to healing. A strong choice for independent reading, sharing in the classroom, homeschooling, and book groups.
