**Von Humanae vitae bis Amoris laetitia** Martin M. Lintner 2018-05-17 Wie kein anderes päpstliches Lehrschreiben zuvor und danach löste dieses Dokument, meist nur Pillenenzyklika genannt, jahrzehntelange kontroverse Diskussionen aus. Viele Ehepaare, Theologinnen und Theologen, aber auch Bischöfe waren und sind weiterhin überzeugt, dass die Entscheidung von Papst Paul VI., künstliche Methoden der Empfängnisregelung als unsittlich zu bewerten, eine Fehlentscheidung war. Dabei hatte das II. Vatikanische Konzil die Ehe als personale Liebesgemeinschaft neu beurteilt und eine funktionalistische Sicht der Sexualität (erster Ehezweck ist die Zeugung von Nachkommen) überwunden. Doch Paul VI. entschied, die Frage der Geburtenregelung den Konzilsvätern zu entziehen und sich selbst vorzubehalten. Warum letztendlich der Papst dem Minderheitsvotum der bereits von Johannes XXIII. eingesetzten Studienkommission gefolgt ist, welche Reaktionen Humane vitae hervorgerufen hat und wie die nachfolgenden Päpste die Enzyklika rezipiert haben, wird in diesem Buch beschrieben. Der Autor reflektiert kritisch die Argumentationsformen gegen die künstliche

Empfängnisregelung und geht – auf dem Hintergrund von Amoris laetitia, dem nachsynodalen Apostolischen Schreiben von Papst Franziskus aus dem Jahr 2016 – neuralgischen Fragen nach: der Wissensbildung, dem Verhältnis zwischen Tradition und Lehre, dem Unterschied zwischen Glaubensgehorsam und Loyalität zur Kirche, damit letztendlich die Botschaft von Humanae vitae, nämlich die Ehelehre des Konzils zu vertiefen und vor den möglichen Folgen einer von der Zeugung vollkommen gelösten Sexualität zu warnen, wiederentdeckt werden kann.

**Seconda raccolta di vite de' santi per cischedun giorno dell'anno ovvero Appendice alla raccolta delle vite de' Santi pubblicata l'anno 1763. .. 1772**

**At the Heart of the Gospel** Christopher West 2012 The sexual revolution brought a terribly distorted vision of the body and sex into the mainstream. How should Christians respond? With his illuminating Theology of the Body, Pope John Paul II challenged the modern world not to stop at the surface, but to enter the depth of the “great mystery” that the body and sex reveal: a mystery that lies at the heart of the Gospel itself. Since he first discovered John Paul II’s teaching in 1993, Christopher West has devoted himself to sharing its life-transforming message with the world. In this highly anticipated work, West leads us into the depth of Christ’s “nuptial union” with the Church, demonstrating how authentic Catholic teaching on the body and sex saves us from both the libertine perspective of popular culture and the cold puritanism that has sometimes infected Christianity. In the process, West provides a blueprint for reaching our sexually broken world in the “new evangelization.”

**New Perspectives on the Black Intellectual Tradition** Keisha N. Blain 2018-11-15 From well-known intellectuals such as Frederick Douglass and Nella Larsen to often-observed thinkers such as Amina Baraka and Bernardo Ruiz Suárez, black theorists across the globe have engaged in sustained efforts to create insurgent and resilient forms of thought. *New Perspectives on the Black Intellectual Tradition* is a collection of twelve essays that explores these and other theorists and their contributions to diverse strains of political, social, and cultural thought. The book examines four central themes within the black intellectual tradition: black internationalism, religion and spirituality, racial politics and struggles for social justice, and black radicalism. The essays identify the emergence of black thought within multiple communities internationally, analyze how black thinkers shaped and were shaped by the historical moment in which they lived, interrogate the ways in which activists and intellectuals connected their theoretical frameworks across time and space, and assess how these strains of thought bolstered black consciousness and resistance worldwide. Defying traditional temporal and geographical boundaries, *New Perspectives on the Black Intellectual Tradition* illuminates the origins of and conduits for black ideas, redefines the relationship between black thought and social action, and challenges long-held assumptions about black perspectives on religion, race, and radicalism. The intellectuals profiled in the volume reshape and redefine the contours and boundaries of black thought, further illuminating the depth and diversity of the black intellectual tradition.

Deviation Luce D'Eramo 2018-09-18 A devoted fascist changes her mind and her life after witnessing the horrors of the Holocaust First published in Italy in 1979, Luce D'Eramo's *Deviation* is a seminal work in Holocaust literature. It is a book that not only confronts evil head-on but expands that confrontation into a complex and intricately structured work of fiction, which has claims to standing

among the greatest Italian novels of the twentieth century. Lucia is a young Italian girl from a bourgeois fascist family. In the early 1940s, when she first hears about the atrocities being perpetrated in the Nazi concentration camps, she is doubtful and confused, unable to reconcile such stories with the ideology in which she's been raised. Wanting to disprove these "slanders" on Hitler's Reich, she decides to see for herself, running away from home and heading for Germany, where she intends to volunteer as camp labor. The journey is a harrowing, surreal descent into hell, which finds Lucia confronting the stark and brutal realities of life under Nazi rule, a life in which continual violence and fear are simply the norm. Soon it becomes clear that she must get away, but how can she possibly go back to her old life knowing what she now knows? Besides, getting out may not be as simple as getting in. Finally available in English translation, *Deviation* is at once a personal testament, a work of the imagination, an investigation into the limits of memory, a warning to future generations, and a visceral scream at the horrors of the world.

**The Life of Joseph F. Smith Sixth President of the Church of Jesus Christ of Latter-Day Saints** Joseph Fielding Smith 2011-10-01

**The Art of Purifying the Heart** Tomas Spidlik 2010-05-20 We live in a technical society and we are used to thinking that everything that happens has an external cause, every movement an impetus from another force. The positivist psychologists have taught us that a child's soul is a tabula rasa, in which we will find only what other people will write there. Therefore society tries to indoctrinate us, in the good and bad senses of the word. Therefore, the human person is used to listening only to others, no longer pays attention to the inspirations of the heart, which come from the Spirit. It is a privilege of artists to have inspirations, but not exclusively. In the spiritual life everyone must be an artist and construct their own life under the guidance of the supreme Artist. As Saint Ignatius of Loyola said: It is not the richness of science which satisfies the soul, but feeling and tasting things from within. This Book deals with Prayer and Spiritual life, with the experience of Grace and Goodness, through discernment of evil and human passions in everyday experience. It is a beautiful and simple proposal to construct our spiritual life through Discernment and Prayer of the Heart

**La rivoluzione dell'amore umano: Teologia del Corpo di San Giovanni Paolo II** Giosuè Guerra 2021-05-17 Ognuno di noi dovrebbe conoscere la realtà meravigliosa dell'amore umano a partire dallo sguardo profetico e contemplativo di san Giovanni Paolo II. Questo breve trattato mira a far gustare e

approfondire la poco conosciuta Teologia del Corpo che il papa polacco ha donato alla Chiesa e al mondo dal 1979 al 1984. Certamente questa "teologia della carne" era da tempo presente nel suo cuore, che fin da giovane sacerdote si dedicava ai fidanzati, agli sposi e alle famiglie. L'autore ne è venuto a conoscenza durante i suoi studi di teologia a Padova e l'ha poi approfondita. Decisiva è stata la conoscenza del Progetto Mistero Grande di Verona per avvicinarsi ancora di più all'insegnamento del papa e vederne gli effetti concreti negli sposi e nelle famiglie. Tale bellezza e ricchezza non poteva essere di pochi, ma è un patrimonio e una eredità di tutti e necessita di essere conosciuta e divulgata. Questo libro nasce con l'intento di diffondere la teologia del Corpo e renderla accessibile a tutti per poter rivoluzionare la visione dell'amore umano accompagnati dal grande innamorato di Cristo e dell'umanità che fu Giovanni Paolo II.

Marry Her and Die for Her Costanza Miriano 2017 Man up, because Costanza Miriano is back in Marry Her and Die for Her. Guys, if you thought you were off the hook after Costanza's first book Marry Him and Be Submissive, you've got another thing coming. Now, she's here to challenge you and give it to you straight about the many ways in which you must die for the woman you love. (But don't worry...she has plenty of reminders for the women as well.) Inside, Miriano provides insight into what women want from men, and how husbands can "die" for them and their families every day.

### **I secoli della letteratura italiana** Giovanni Battista Corniani 1833

*The Dolorous Passion of Our Lord Jesus Christ* Anne Catherine Emmerich 1948 The writer of this Preface was travelling in Germany, when he chanced to meet with a book, entitled, The History of the Passion of our Lord Jesus Christ, from the Meditations of Anne Catherine Emmerich, which appeared to him both interesting and edifying. Its style was unpretending, its ideas simple, its tone unassuming, its sentiments unexaggerated, and its every sentence expressive of the most complete and entire submission to the Church. Yet, at the same time, it would have been difficult anywhere to meet with a more touching and lifelike paraphrase of the Gospel narrative. He thought that a book possessing such qualities deserved to be known on this side the Rhine, and that there could be no reason why it should not be valued for its own sake, independent of the somewhat singular source whence it emanated. Aeterna Press

*Loved as I Am* Miriam James Heidland 2014-11-03 When Sr. Miriam James Heidland's life as a successful college athlete proved unfulfilling, she went searching for something deeper and ended up falling in love with Jesus. By charting her own journey toward wholeness, Heidland invites young Catholics to pursue their own relationship with Jesus. Although originally full of athletic ambition and goals for a career in sports news, Heidland was transformed in a very slow but deep way during her undergraduate years, moving from party girl to bride of Christ. In *Loved as I Am: An Invitation to Conversion, Healing, and Freedom through Jesus*, Heidland helps readers learn from her experience of seeking love in the wrong places and instead finding it in Christ. She shares her struggles—learning she was adopted, battling alcoholism, and healing from childhood sexual abuse—as signs of hope that anyone who desires to know Christ can find him and be loved intimately by him in return. By bringing readers into Heidland's healing process, *Loved as I Am* provides a gentle and subtle template for finding peace and freedom in Jesus.

**La sintesi tomistica** Réginald Garrigou-Lagrange 2015-05-11 Questo libro è la riproposizione di un capolavoro del Novecento, ora in traduzione integrale, completamente rinnovato e impreziosito da due nuove appendici. La sintesi tomistica è una delle opere più mature e riassuntive della ricerca di p. Réginald Garrigou-Lagrange, una visione del mondo filosofico e teologico, attraverso l'interpretazione dell'insegnamento di san Tommaso d'Aquino e dei suoi successori. La realtà tutta è vista alla luce delle dottrine centrali della Trinità, della Creazione e dell'Incarnazione del Figlio in Gesù Cristo, in cui l'umanità è accolta nell'intimità della vita interiore del Dio Uno e Trino. I trattati teologici principali si presentano come una lente attraverso la quale osservare la salvezza, i Sacramenti, la Madre del Redentore e la vita spirituale in cui viene ripristinata l'immagine divina nell'anima umana. Il volume si fregia in apertura di un accurato e competente saggio introduttivo a firma del filosofo mons. Antonio Livi.

**Ecopsychology** Vladimir Antonov 2012-03 This book is written in a simple and easy-to-understand language by scientist-biologist Dr. Vladimir Antonov. It covers the essential issues: what is God, the place of human being in the Evolution of the Universal Consciousness, principles of forming and correction of destiny, ways of attaining health and happiness, most effective methods of psychic self-regulation, about spiritual development and cognition of God.
