**Dongri to Dubai - Six Decades of the Mumbai Mafia** Hussain Zaidi 2012-08-10 Dongri to Dubai is the first ever attempt to chronicle the history of the Mumbai mafia. It is the story of notorious gangsters like Haji Mastan, Karim Lala, Varadarajan Mudaliar, Chhota Rajan, Abu Salem, but above all, it is the story of a young man who went astray despite having a father in the police force. Dawood Ibrahim was initiated into crime as a pawn in the hands of the Mumbai police and went on to wipe out the competition and eventually became the Mumbai police's own nemesis. The narrative encompasses several milestones in the history of crime in India, from the rise of the Pathans, formation of the Dawood gang, the first ever supari, mafia's nefarious role in Bollywood, Dawood's move to Karachi, and Pakistan's subsequent alleged role in sheltering one of the most wanted persons in the world. This story is primarily about how a boy from Dongri became a don in Dubai, and captures his bravado, cunningness, focus, ambition, and lust for power in a gripping narrative. The meticulously researched book provides an in-depth and comprehensive account of the mafia's games of supremacy and internecine warfare.

**Sahir** Surinder Deol 2019-08-21 Sahir Ludhianvi (1921–1980), a remarkable film lyricist, was also an iconic literary poet. Surinder Deol paints a sensitive portrait that reveals an artist who was aware of the depth of his poetic message as well as of his ability to present it in words that captured the reader's imagination. Sahir looked outward at the world to find beauty in nature for inspiration while at the same time raising his voice against poverty, deprivation, and the denial of social justice. The book contains free verse translation of over ninety of Sahir's literary creations, including poems, ghazals, bhajans, and a long peace poem called Parchhaaiyaan (The Shadows). The author strives to bring together four distinct elements of Sahir's work that make him one of the most loved poets of our generation: his deep-rooted love of nature, his snug romanticism, his sensitivity to human suffering, and his unceasing optimism for a better tomorrow.

**Iblees KI Majlis-E-Shoora: The Devil's Advisory Council** Muhammad Iqbal 2020-10-02 Iblees ki Majlis-e-Shoora is a conversation between Iblees (the devil) and the five members of his advisory council. It is one of the final works of Allama Iqbal. The work consists of 64 amazingly dramatized, well composed couplets. Here, Iblees presides over the clandestine session and leads the conversation. He boasts how successfully he has mislead Mankind throughout history by introducing ideas and doctrines such as Imperialism, Capitalism, Fascism etc., which have ultimately landed the human society in ruins. His advisers point towards a few emerging trends such as Western democracy and Marxism that they saw as potential threats to the evil regime of Iblees. Summarily dismissing all these apprehensions of his advisers, Iblees concludes, that the revolutionary spirit of Islam is the greatest threat to his evil empire and hence the most crucial task ahead was to stop the waves of Muslim resurgence. He instructs them to keep the followers of Islam totally preoccupied with vain spiritual rituals, complex philosophical debates and narrow theological intricacies. Allama Iqbal, an advocate of universal human fraternity, envisaged the revival of the original Islamic civilization, globally. His works, exposed the limitations of the socio-political and economic concepts introduced by the West.

**Beloved Delhi** Saif Mahmood 2018-09-10 'A riveting resurrection of the city of poets, the city of history, Saif Mahmood's learned and evocative book takes us to the heart of Delhi's romance with Urdu verse and aesthetics.'--Namita Gokhale Urdu poetry rules the cultural and emotional landscape of India--especially northern India and much of the Deccan--and of Pakistan. And it was in the great, ancient city of Delhi that Urdu grew to become one of the world's most beautiful languages. Through the 18th and 19th centuries, while the Mughal Empire was in decline, Delhi became the capital of a parallel kingdom--the kingdom of Urdu poetry--producing some of the greatest, most popular poets of all time. They wrote about the pleasure and pain of love, about the splendour of God and the villainy of preachers, about the seductions of wine, and about Delhi, their beloved home. This treasure of a book documents the life and work of the finest classical Urdu poets: Sauda, Dard, Mir, Ghalib, Momin, Zafar, Zauq and Daagh. Through their biographies and poetry--including their best-known ghazals--it also paints a compelling portrait of Mughal Delhi. This is a book for anyone who has ever been touched by Urdu or Delhi, by poetry or romance.

*Lilāvati of Bhāskarācārya* Bhāskarācārya 2001 In 1150 AD, Bhaskaracarya (b. 1114 AD), renowned mathematician and astronomer of Vedic tradition composed Lilavati as the first part of his larger work called Siddhanta Siromani, a comprehensive exposition of arithmetic, algebra, geometry, mensuration, number theory and related topics. Lilavati has been used as a standard textbook for about 800 years. This lucid, scholarly and literary presentation has been translated into several languages of the world. Bhaskaracarya himself never gave any derivations of his formulae. N.H. Phadke (1902-1973) worked hard to construct proofs of several mathematical methods and formulae given in original Lilavati. The present work is an enlargement of his Marathi work and attempts a thorough mathematical explanation of definitions, formulae, short cuts and methodology as intended by Bhaskara. Stitches are followed by literal translations so that the reader can enjoy and appreciate the beauty of accurate and musical presentation in Lilavati. The book is useful to school going children, sophomores, teachers, scholars, historians and those working for cause of mathematics.

*Taking Issue and Allah's Answer* Mustansir Dalvi 2012-05-14 When Muhammad Iqbal first recited Shikwa (Taking Issue) in 1909, his audience was enraged by his effrontery. Iqbal, in his lament, took issue with Allah directly, audaciously implicating Him for the sorry state of Muslims worldwide and ruing the lost glory of Islam. In recompense, Iqbal composed Jawaab-e-Shikwa (Allah's Answer) in 1913. Here, Allah responds to the poet, first berating his community, then offering hope for Islam in the world. Iqbal's mellifluous words greatly assuaged those angered earlier. Over time, the poems have found their place in the canon of South Asian literature, and, through recitation, repetition and selective use, have forwarded a variety of agendas in the subcontinent. In this elegant translation by Mustansir Dalvi, these classics by the most influential poet of his generation come alive once again in a language that is contemporary and immediate.
