The Magical History of Unicorns Russ Thorne 2017-06-08 Unicorns have appeared in mythological and religious texts for thousands of years. Often the case of a mistranslation, or mistaken identity, these mystical creatures have built a legendary history that now revels in the landscapes of modern fantasy fiction, novels and popular culture in general. This beautiful new book contains a huge range of gorgeous unicorns, painted in many different styles by modern artists, but all treated with the respect and wonder such a creature deserves. See the magical forests, and the life-giving rivers of the elven realms, the flowing tresses of the princesses and white witches who tend the unicorn, see the young and the old, the white and the black unicorns, and submit to this joyful celebration of a mythology brought to life.

The Magical History of Mermaids Russ Thorne 2018-06-06 A popular phenomenon in the modern era,

sightings of mermaids have been recorded throughout history, appearing in times of trouble and disaster. These elusive creatures exist in imaginative literature and have become a source of inspiration for artists. This delightful history is illustrated primarily by fantasy work from contemporary artists.

Gothic Art Nicola Henderson 2013 Gothic Art is a powerful new illustrated book, packed with intimate portraits of lonely vampires, winsome witches and stunning eerie visions. With digital and traditional paintings and photo art, and a fascinating discussion of the gothic, this is a must-have read for anyone interested in the slightly darker, anarchic side of art.

Steampunk Henry Winchester 2014-01-28 Imagine a world where steam is the main source of power, but the attitudes are distinctly futuristic - the romance of the past meets the technology of the future. Steampunk is a subculture on the rise, an exciting mix of adventure and sci fi in a world full of cogs and rivets, goggles and corsets. Influenced by the worlds created by H.G. Wells and Jules Verne, Steampunk has grown into a movement encompassing fashion, art, movies, literature and even music. Films such as *The League of Extraordinary Gentlemen* catapulted steampunk to the big screen, whilst events have sprung up all over the world in which fans create magnificent costumes and put steampunk twists on modern devices. As you read this exciting new book, enjoy a stunning selection of artworks portraying the ecstatic fantasy of steam-powered worlds.

Vampires Russ Thorne 2013 The launch of Stephenie Meyer's *Twilight* books and the blockbuster movies brought a storm of interest in the gothic to the willing minds of an entire generation of young adults. The lure of the forbidden, romantic imagination is boldly brought to life in this beautiful new book.

The power of pendulums is wondrous. They have been used in dowsing throughout the ages and remain a useful tool in our modern world. In addition to famously helping to locate water and minerals, they have a multitude of purposes – from relocating lost items, people or pets or finding love to helping you make decisions, perform divination or even contact the spirit realm. They can even be employed in diagnosing medical conditions, healing and rebalancing your energies and chakras. This inspiring new book will take you through the background and basics of pendulums: first discover the history and methodology of using

pendulums, how they are used today, why it works, and how to choose your pendulum. Then get started: 'programme' your pendulum, focus on your intent and energy, prepare your space and understand the potential questions and movements that your pendulum will make. Pendulums will then delve further into how to use pendulums in the different spheres of everyday life: career, life and household decisions; relationship questions and desires; rebalancing and cleansing the seven chakras; working on your diet and energy for health; dowsing in the psychic, energy and spiritual dimensions; as well as fortune telling and looking to the future. Whether you make it or buy it, whether it be metal, wood or crystal, this book will help you get the most out of this mystical and invaluable object.

Auras: Awakening Awareness Vanessa Tucker 2020-11-17 • Marketing activity is focused on visibility in-store and online • Pre-publication mailings to special interest media, national and regional magazines, • Major focus on gift, travel, tourist sector • Mailings and promotion to Museums and galleries and local exhibitions. All of us – even plants, animals, crystals and places – are surrounded by an aura: a three-dimensional elliptical energy field composed, to varying degrees, of the seven colours of the rainbow, emitted by the seven chakras. And we all have the innate ability to sense or see this field if we dig deep enough. Our aura reveals the state of our mood and health and even our personality, and it can be enhanced or depleted by our actions and external forces. Auras will introduce you to the life-enhancing effect of aura awareness and the benefits of a healthy aura. In Part One, discover the 'Anatomy of the Aura': what an aura does, what a chakra is, the seven layers of the aura (from the 'etheric body' through the 'astral body' to the 'causal body'), the chakra system (from the 'root' to the 'crown'), how energy flows and colour visualization. Part Two is all about 'Taking Care of Your Aura', with guidance and exercises: ways to shift your consciousness, using the four fundamental 'energy tools' (Awareness, Intention, Presence and Empathy), how to use a crystal to cleanse your aura, smudging for purification, how to strengthen your aura, how to protect your aura, how to interpret your aura using your different senses and understand the meanings of the colours. The clear text, vibrant design and inspirational imagery of this book will set you on the path to feeling fantastic, having more energy and, most importantly, personal and spiritual evolution.

Shamanism: Spiritual Growth, Healing, Consciousness Christa Mackinnon 2020-11-17 • Marketing activity is focused on visibility in-store and online • Pre-publication mailings to special interest media, national and regional magazines, • Major focus on gift, travel, tourist sector • Mailings and promotion to Museums and galleries and local exhibitions. Shamanism is a spiritual practice that has persisted since ancient times in Siberian, Mongolian, Indian, Native American, South American, Australian and other cultures around the world. Originally shamanism developed from our tribal ancestors' ways of exploring and working with the universal forces of the spirit worlds and interacting with them to achieve healing and balance for their communities and its members, reaching a higher state of consciousness and remarkable spiritual knowledge and skills in the process. Today, people from any walk of life can choose to follow a shamanic path to open up their life to natural healing, expansion of consciousness and personal growth. This new book is divided into two parts: first learn what shamanism is – discover the origins, background, cosmology and practices of historical shamanism, as well as the forms contemporary shamanism can take, from pure traditional uninterrupted practices to non-indigenous and urban practitioners and teachers. The world-view of shamanism is explained, along with how the spirit world is seen as existing in three tiers (lower, upper and middle), all of which have their own spirit allies (power animals, guides and teachers, and nature spirits), and the four directions of the wheel of life. Key practices such as the shamanic journey, ceremony and ritual, trance dancing, dreaming, plant medicines and working with nature energies are also described. Then, in the second part of the book, you will be introduced to the first steps in your own shamanic path: the basics of how to start; altars and daily ceremonies; exercises for connecting with your spirit guides, ancestors and nature; and transformative and healing journeys.
